Item 1.01 Entry into a Material Definitive Agreement

On May 17, 2006, Intel's stockholders approved the adoption of the Intel Corporation 2006 Equity Incentive Plan (the "Plan") with an expiration date of June 30, 2008. The Plan replaces the 2004 Equity Incentive Plan ("2004 Plan") in advance of its expiration date of June 30, 2007 and is the sole plan for providing new awards of stock-based incentive compensation to eligible employees and non-employee directors. All shares under the 2004 Plan which are not subject to previously granted awards are canceled, and no further awards will be granted under the 2004 Plan. Although the Plan has a limited life of two years and one month, Intel will continue its practice of submitting our equity plan annually to stockholders for approval. The Plan provides for the grant of stock options, stock appreciation rights, restricted stock and restricted stock units to eligible full-time and part-time employees and non-employee directors. The Compensation Committee determines which employees will participate in the Plan, as well as the terms of employee grants, and the Board determines the terms of grants to non-employee directors. The Committee has delegated authority to a committee consisting of the CEO to grant awards to non-executive employees within limits and a budget pre-approved by the Committee. An aggregate of 175 million shares have been reserved for issuance as awards over the term of the Plan, subject to adjustment only to reflect stock splits and similar events.

Stock options granted under the Plan may not have a term longer than seven years, except that up to 7 million shares may be used for long-term executive retention stock option grants having a term no longer than 10 years. No more than 80

million shares may be issued as restricted stock or restricted stock unit awards under the Plan. The Plan limits awards to any employee participant in any single calendar year to no more than 3 million shares subject to stock options or stock appreciation rights and no more than 2 million shares subject to restricted stock or restricted stock unit awards. No more than 30,000 shares may be subject to awards granted to any non-employee director in a single calendar year. Awards under the Plan may be conditioned on continued employment, the passage of time or the satisfaction of performance vesting criteria established by award on the date of grant. Vesting requirements are determined by the Compensation Committee, provided, however, that stock options and stock appreciation rights shall not first become exercisable in less than one year and restricted stock or restricted stock units shall not vest in less than pro rata installments over three years, unless vesting is based on the achievement of performance criteria, in which case such performance vesting criteria may not be based on a period of less than one year. Up to an aggregate of 100,000 shares may be issued under the Plan as employee recognition stock awards having no minimum vesting period.

The foregoing summary description of the Plan is qualified in its entirety by reference to the actual terms of the Plan, which is attached hereto as Exhibit 10.1. For additional information regarding the Plan, refer to Proposal 5 (Approval of 2006 Equity Incentive Plan) on pages 37-44 of our 2006 Proxy Statement, as filed with the Securities and Exchange Commission on March 28, 2006, which is incorporated herein by reference.

Item 3.03 Material Modification to Rights of Security Holders

On May 17, 2006, stockholders approved two proposals amending the Second Restated Certificate of Incorporation ("Certificate of Incorporation") at the 2006 Annual Stockholders' Meeting. These amendments affect the holders of our common stock. The first of these proposals repealed Article 10 of the Certificate of Incorporation. Article 10 is a "fair price provision," an anti-takeover measure designed to help defend against certain kinds of tender offers, known as coercive, two-tiered tender offers. For additional information regarding repeal of Article 10, refer to Proposal 2 (Amendment of the Company's Second Restated Certificate of Incorporation to Repeal the Fair Price Provision) on pages 30-32 of the our 2006 Proxy Statement, as filed with the Securities and Exchange Commission on March 28, 2006, which is incorporated herein by reference.

The second proposal amending the Certificate of Incorporation repeals Article 7 and Article 12, known as the "supermajority vote provisions" because these provisions require more than a simple majority vote of the stockholders for certain actions to be taken. Article 7 applied to insolvency proceedings under Delaware law and would require the approval of three-fourths of Intel's creditors and/or stockholders to approve a compromise, arrangement or reorganization in Delaware insolvency proceedings. Article 12 required the approval of at least 66 and 2/3% of the voting power of all outstanding shares entitled to vote in the election of directors to amend, repeal or adopt any provision inconsistent with Article 10 (the fair price provision), Article 11 (barring stockholder action by written consent) or Article 12. By repealing Article 12, a simple majority of the voting power of all outstanding shares entitled to vote is necessary to approve any amendment to the Certificate of Incorporation once the Board approves and recommends the amendment. For additional information regarding these amendments, refer to Proposal 3 (Amendment of the Company's Second Restated Certificate of Incorporation to Repeal the Supermajority Vote Provisions) on pages 32-33 of the our 2006 Proxy Statement, as filed with the Securities and Exchange Commission on March 28, 2006, which is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On January 18, 2006, the Board of Directors, subject to stockholder approval, approved amendments to our Certificate of Incorporation to repeal Article 7, Article 10 and Article 12 of the Certificate of Incorporation and approved filing the Third Restated Certificate of Incorporation. See Item 3.03 of this Form 8-K for a description of the amendments. At the 2006 Annual Stockholders' Meeting held on May 17, 2006, stockholders approved these amendments. On May 17, 2006, Intel filed the Third

Restated Certificate of Incorporation with the Delaware Secretary of State. The Third Restated Certificate of Incorporation is attached hereto as Exhibit 3.1.

The Committee may delegate the administration of the Plan to an officer or officers of the Corporation, and such administrator(s) may have the authority to execute and distribute agreements or other documents evidencing or relating to Awards granted by the Committee under this Plan, to maintain records relating to the grant, vesting, exercise, forfeiture or expiration of Awards, to process or oversee the issuance of Shares upon the exercise, vesting and/or settlement of an Award, to interpret the terms of Awards and to take such other actions as the Committee may specify. (c) Powers of the Committee. Subject to the express provisions and limitations set forth in this Plan, the Committee shall be authorized and empowered to do all things necessary or desirable, in its sole discretion, in connection with the administration of this Plan, including, without limitation, the following:

- (i) to prescribe, amend and rescind rules and regulations relating to this Plan and to define terms not otherwise defined herein;
- (ii) to determine which persons are eligible to be Participants, to which of such persons, if any, Awards shall be granted hereunder and the timing of any such Awards, and to grant Awards;
- (iii) to grant Awards to Participants and determine the terms and conditions thereof, including the number of Shares subject to Awards and the exercise or purchase price of such Shares and the circumstances under which Awards become exercisable or vested or are forfeited or expire, which terms may but need not be conditioned upon the passage of time, continued employment, the satisfaction of performance criteria, the occurrence of certain events, or other factors;
- (iv) to establish or verify the extent of satisfaction of any performance goals or other conditions applicable to the grant, issuance, exercisability, vesting and/or ability to retain any Award;
- (v) to prescribe and amend the terms of the agreements or other documents evidencing Awards made under this Plan (which need not be identical);
- (vi) to determine whether, and the extent to which, adjustments are required pursuant to Section 11;
- (vii) to interpret and construe this Plan, any rules and regulations under this Plan and the terms and

conditions of any Award granted hereunder, and to make exceptions to any such provisions in good faith and for the benefit of the Corporation; and

(viii) to make all other determinations deemed necessary or advisable for the administration of this Plan.

(d) Effect of Change in Status. The Committee shall have the discretion to determine the effect upon an Award and upon an individual's status as an employee under the Plan (including whether a Participant shall be deemed to have experienced a termination of employment or other change in status) and upon the vesting, expiration or forfeiture of an Award in the case of (i) any individual who is employed by an entity that ceases to be a Subsidiary of the Corporation, (ii) any leave of absence approved by the Corporation or a Subsidiary, (iii) any transfer between

locations of employment with the Corporation or a Subsidiary or between the Corporation and any Subsidiary or between any Subsidiaries, (iv) any change in the Participant's status from an employee to a consultant or member of the Board of Directors, or vice versa, and (v) at the request of the Corporation or a Subsidiary, any employee who becomes employed by any partnership, joint venture, corporation or other entity not meeting the requirements of a Subsidiary.

(e) Determinations of the Committee. All decisions, determinations and interpretations by the Committee regarding this Plan shall be final and binding on all Participants or other persons claiming rights under the Plan or any Award. The Committee shall consider such factors as it deems relevant to making such decisions, determinations and interpretations including, without limitation, the recommendations or advice of any director, officer or employee of the Corporation and such attorneys, consultants and accountants as it may select. A Participant or other holder of an Award may contest a decision or action by the Committee with respect to such person or Award only on the grounds that such decision or action was arbitrary or capricious or was unlawful, and any review of such decision or action shall be limited to determining whether the Committee's decision or action was arbitrary or capricious or was unlawful.

4. PARTICIPANTS

Awards under the Plan may be granted to any person who is an employee or Outside Director of the Corporation. Outside Directors may be granted Awards only pursuant to Section 9 of the Plan. The status of the Chairman of the Board of Directors as an employee or Outside Director shall be determined by the Committee. Any person designated by the Corporation as an independent contractor shall not be treated as an employee and shall not be eligible for Awards under the Plan.

5. EFFECTIVE DATE AND EXPIRATION OF PLAN

(a) Effective Date. This Plan was approved by the Board of Directors on February 23, 2006 and became effective on May 17, 2006.

(b) Expiration Date. The Plan shall remain available for the grant of Awards until June 30, 2008 or such earlier date as the Board of Directors may determine. The expiration of the Committee's authority to grant Awards under the Plan will not affect the operation of the terms of the Plan or the Corporation's and Participants' rights and obligations with respect to Awards granted on or prior to the expiration date of the Plan.

6. SHARES SUBJECT TO THE PLAN

(a) Aggregate Limits. Subject to adjustment as provided in Section 11, the aggregate number of Shares authorized for issuance as Awards under the Plan is 175,000,000, of which no more than an aggregate of 80,000,000 Shares may be issued as restricted stock or restricted stock units and no more than an aggregate of 7,000,000 Shares shall be available for issuance as stock options under any program providing for stock option grants that vest in full in five or more years and that have a maximum term of ten years. The Shares subject to the Plan may be either

Shares reacquired by the Corporation, including Shares purchased in the open market, or authorized but unissued Shares. Any Shares subject to an Award which for any reason expires or

terminates unexercised or is not earned in full may again be made subject to an Award under the Plan. The following Shares may not again be made available for issuance as Awards under the Plan:

(i) Shares not issued or delivered as a result of the net settlement of an outstanding Stock Appreciation Right, (ii) Shares used to pay the exercise price or withholding taxes related to an outstanding Award, or (iii) Shares repurchased on the open market with the proceeds of the option exercise price.

(b) Tax Code Limits. The aggregate number of Shares subject to stock options or stock appreciation rights granted under this Plan during any calendar year to any one Participant shall not exceed 3,000,000. The aggregate number of Shares subject to restricted stock or restricted stock unit Awards granted under this Plan during any calendar year to any one Participant shall not exceed 2,000,000. Notwithstanding anything to the contrary in this Plan, the foregoing limitations shall be subject to adjustment under Section 11, but only to the extent that such adjustment will not affect the status of any Award intended to qualify as "performance-based compensation" under Section 162(m) of the Code. The aggregate number of Shares issued pursuant to incentive stock options granted under the Plan shall not exceed 175,000,000, which limitation shall be subject to adjustment under Section 11 only to the extent that such adjustment is consistent with adjustments permitted of a plan authorizing incentive stock options under Section 422 of the Code.

7. PLAN AWARDS

(a) Award Types. The Committee, on behalf of the Corporation, is authorized under this Plan to grant, award and enter into the following arrangements or benefits under the Plan provided that their terms and conditions are not inconsistent with the provisions of the Plan: stock options, stock appreciation rights, restricted stock and restricted stock units. Such arrangements and benefits are sometimes referred to herein as "Awards." The Committee, in its discretion, may determine that any Award granted hereunder shall be a Performance Award.

(i) Stock Options. A "Stock Option" is a right to purchase a number of Shares at such exercise price, at such times, and on such other terms and conditions as are specified in or determined pursuant to the document(s) evidencing the Award (the "Option Agreement"). The Committee may grant Stock Options intended to be eligible to qualify as incentive stock options ("ISOs") pursuant to Section 422 of the Code and Stock Options that are not intended to qualify as ISOs ("Non-qualified Stock Options"), as it, in its sole discretion, shall determine.

(ii) Stock Appreciation Rights. A "Stock Appreciation Right" or "SAR" is a right to receive, in cash or stock (as determined by the Committee), value with respect to a specific number of Shares equal to or otherwise based on the excess of (i) the market value of a Share at the time of exercise over (ii) the exercise price of the right, subject to such terms and conditions as are expressed in the document(s) evidencing the Award (the "SAR Agreement").

(iii) Restricted Stock. A "Restricted Stock" Award is an award of Shares, the grant, issuance, retention and/or vesting of which is subject to such conditions as are expressed in the document(s) evidencing the Award (the "Restricted Stock Agreement").

(iv) Restricted Stock Unit. A "Restricted Stock Unit" Award is an award of a right to receive, in cash or stock (as determined by the Committee) the market value of one Share, the grant, issuance, retention and/or vesting of which is subject to such conditions as are expressed in the document(s) evidencing the Award (the "Restricted Stock Unit Agreement").

(b) Grants of Awards. An Award may consist of one of the foregoing arrangements or benefits or two or more of them in tandem or in the alternative.

8. EMPLOYEE PARTICIPANT AWARDS

(a) Grant, Terms and Conditions of Stock Options and SARs

The Committee may grant Stock Options or SARs at any time and from time to time prior to the expiration of the Plan to eligible

employee Participants selected by the Committee. No Participant shall have any rights as a stockholder with respect to any Shares subject to Stock Options or SARs hereunder until said Shares have been issued. Each Stock Option or SAR shall be evidenced only by such agreements, notices and/or terms or conditions documented in such form (including by electronic communications) as may be approved by the Committee. Each Stock Option grant will expressly identify the Stock Option as an ISO or as a Non-qualified Stock Option. Stock Options or SARs granted pursuant to the Plan need not be identical but each must contain or be subject to the following terms and conditions:

(i) Price. The purchase price (also referred to as the exercise price) under each Stock Option or SAR granted hereunder shall be established by the Committee. The purchase price per Share shall not be less than 100% of the market value of a Share on the date of grant. For purposes of the Plan, "market value" shall mean the average of the high and low sales prices of the Corporation's common stock. The exercise price of a Stock Option shall be paid in cash or in such other form if and to the extent permitted by the Committee, including without limitation by delivery of already owned Shares, withholding (either actually or by attestation) of Shares otherwise issuable under such Stock Option and/or by payment under a broker-assisted sale and remittance program acceptable to the Committee.

(ii) No Repricing. Other than in connection with a change in the Corporation's capitalization (as described in Section 11 of the Plan), the exercise price of a Stock Option or SAR may not be reduced without stockholder approval.

(iii) No Reload Grants. Stock Options shall not be granted under the Plan in consideration for and shall not be conditioned upon the delivery of Shares to the Corporation in payment of the exercise price and/or tax withholding obligation under any other employee stock option.

(iv) Duration, Exercise and Termination of Stock Options and SARs. Each Stock Option or SAR shall be exercisable at such time and in such installments during the period prior to the expiration of the Stock Option or SAR as determined by the Committee. The Committee shall have the right to make the timing of the ability to exercise any Stock Option or SAR subject to continued employment, the passage of time and/or such performance requirements as deemed appropriate by the Committee. At any time after the grant of a Stock Option, the Committee may reduce or eliminate any restrictions on the Participant's right to exercise all or part of the Stock Option, except that no Stock Option shall first become exercisable within one (1) year from its date of grant, other than upon the death, disability or retirement of the person to whom the Stock Option was granted, in each case as specified in the Option Agreement.

Each Stock Option or SAR that vests in full in less than five (5) years (standard grants) must expire within a period of not more than seven (7) years from the grant date and each Stock Option or SAR that vests in full in five (5) or more years (long-term retention grants) must expire within a period of not more than ten (10) years from the grant date. In each case, the Option Agreement or SAR Agreement may provide for expiration prior to the end of the stated term of the Award in the event of the termination of employment or service of the Participant to whom it was granted.

(v) Suspension or Termination of Stock Options and SARs. If at any time (including after a notice of exercise has been delivered) the Committee, including any Subcommittee or administrator authorized pursuant to Section 3(b) (any such person, an "Authorized Officer"), reasonably believes that a Participant, other than an Outside Director, has committed an act of misconduct as described in this Section, the Authorized Officer may suspend the Participant's right to exercise any Stock Option or SAR pending a determination of whether an act of misconduct has been committed. If the Committee or an Authorized Officer determines a Participant, other than an Outside Director, has committed an act of embezzlement, fraud, dishonesty, nonpayment of any obligation owed to Intel, breach of fiduciary duty or deliberate disregard of Corporation rules resulting in loss, damage or injury to the Corporation, or if a Participant makes an unauthorized disclosure of any Corporation trade secret or confidential information, engages in any conduct constituting

unfair competition, induces any customer to breach a contract with the Corporation or induces any principal for whom Intel acts as agent to terminate such agency relationship, neither the Participant nor his or her estate shall be entitled to exercise any Stock Option or SAR whatsoever. Any determination by the Committee or an Authorized Officer with respect to the foregoing shall be final, conclusive and binding on all interested parties. For any Participant who is an "executive officer" for purposes of Section 16 of the Exchange Act, the determination of the Committee or of the Authorized Officer shall be subject to the approval of the Board of Directors.

(vi) Conditions and Restrictions Upon Securities Subject to Stock Options or SARs. Subject to the express provisions of the Plan, the Committee may provide that the Shares issued upon exercise of a Stock Option or SAR shall be subject to such further conditions or agreements as the Committee in its discretion may specify prior to the exercise of such

Stock Option or SAR, including, without limitation, conditions on vesting or transferability, forfeiture or repurchase provisions. The obligation to make payments with respect to SARs may be satisfied through cash payments or the delivery of Shares, or a combination thereof as the Committee shall determine. The Committee may establish rules for the deferred delivery of Common Stock upon exercise of a Stock Option or SAR with the deferral evidenced by use of "Restricted Stock Units" equal in number to the number of Shares whose delivery is so deferred.

(vii) Other Terms and Conditions. Stock Options and SARs may also contain such other provisions, which shall not be inconsistent with any of the foregoing terms, as the Committee shall deem appropriate.

(viii) ISOs. Stock Options intending to qualify as ISOs may only be granted to employees of the Corporation within the meaning of the Code, as determined by the Committee. No ISO shall be granted to any person if immediately after the grant of such Award, such person would own stock, including stock subject to outstanding Awards held by him or her under the Plan or any other plan established by the Corporation, amounting to more than ten percent (10%) of the total combined voting power or value of all classes of stock of the Corporation. To the extent that the Option Agreement specifies that a Stock Option is intended to be treated as an ISO, the Stock Option is intended to qualify to the greatest extent possible as an "incentive stock option" within the meaning of Section 422 of the Code, and shall be so construed; provided, however, that any such designation shall not be interpreted as a representation, guarantee or other undertaking on the part of the Corporation that the Stock Option is or will be determined to qualify as an ISO. If and to the extent that any Shares are issued under a portion of any Stock Option that exceeds the \$100,000 limitation of Section 422 of the Code, such Shares shall not be treated as issued under an ISO notwithstanding any designation otherwise. Certain decisions, amendments, interpretations and actions by the Committee and certain actions by a Participant may cause a Stock Option to cease to qualify as an ISO pursuant to the Code and by accepting a Stock Option the Participant agrees in advance to such disqualifying action.

(b) Grant, Terms and Conditions of Restricted Stock and Restricted Stock Units

The Committee may grant Restricted Stock or Restricted Stock Units at any time and from time to time prior to the expiration of the Plan to eligible employee Participants selected by the Committee. A Participant shall have rights as a stockholder with respect to any Shares subject to a Restricted Stock Award hereunder only to the extent specified in this Plan or the Restricted Stock Agreement evidencing such Award. Awards of Restricted Stock or Restricted Stock Units shall be evidenced only by such agreements, notices and/or terms or conditions documented in such form (including by electronic communications) as may be approved by the Committee. Awards of Restricted Stock or Restricted Stock Units granted pursuant to the Plan need not be identical but each must contain or be subject to the following terms and conditions:

(i) Terms and Conditions. Each Restricted Stock Agreement and each Restricted Stock Unit Agreement shall contain

provisions regarding (a) the number of Shares subject to such Award or a formula for determining such, (b) the purchase price of the Shares, if any, and the means of payment for the

Shares, (c) the performance criteria, if any, and level of achievement versus these criteria that shall determine the number of Shares granted, issued, retainable and/or vested, (d) such terms and conditions on the grant, issuance, vesting and/or forfeiture of the Shares as may be determined from time to time by the Committee, (e) restrictions on the transferability of the Shares and (f) such further terms and conditions as may be determined from time to time by the Committee, in each case not inconsistent with this Plan.

(ii) Sale Price. Subject to the requirements of applicable law, the Committee shall determine the price, if any, at which Shares of Restricted Stock or Restricted Stock Units shall be sold or awarded to a Participant, which may vary from time to time and among Participants and which may be below the market value of such Shares at the date of grant or issuance.

(iii) Share Vesting. The grant, issuance, retention and/or vesting of Shares under Restricted Stock or Restricted Stock Unit Awards shall be at such time and in such installments as determined by the Committee or under criteria established by the Committee. The Committee shall have the right to make the timing of the grant and/or the issuance, ability to retain and/or vesting of Shares under Restricted Stock or Restricted Stock Unit Awards subject to continued employment, passage of time and/or such performance criteria and level of achievement versus these criteria as deemed appropriate by the Committee, which criteria may be based on financial performance and/or personal performance evaluations. Up to 100,000 Shares shall be available for issuance to employee Participants as Awards having no minimum vesting period. No condition that is based on performance criteria and level of achievement versus such criteria shall be based on performance over a period of less than one year, and no condition that is based upon continued employment or the passage of time shall provide for vesting in full of a Restricted Stock or Restricted Stock Unit Award in less than pro rata installments over three years from the date the Award is made, other than with respect to such Awards that are issued upon exercise or settlement of Stock Options or SARs or upon the death, disability or retirement of the Participant, in each case as specified in the agreement evidencing such Award. Notwithstanding anything to the contrary herein, the performance criteria for any Restricted Stock or Restricted Stock Unit that is intended to satisfy the requirements for "performance-based compensation" under Section 162(m) of the Code shall be a measure based on one or more Qualifying Performance Criteria selected by the Committee and specified at the time the Restricted Stock Award is granted.

(iv) Termination of Employment. The Restricted Stock or Restricted Stock Unit Agreement may provide for the forfeiture or cancellation of the Restricted Stock or Restricted Stock Unit Award, in whole or in part, in the event of the termination of employment or service of the Participant to whom it was granted.

(v) Restricted Stock Units. Except to the extent this Plan or the Committee specifies otherwise, Restricted Stock Units represent an unfunded and unsecured obligation of the Corporation and do not confer any of the rights of a stockholder until Shares are issued thereunder. Settlement of Restricted Stock Units upon expiration of the deferral or vesting

period shall be made in Shares or otherwise as determined by the Committee. Dividends or dividend equivalent rights shall be payable in cash or in additional shares with respect to Restricted Stock Units only to the extent specifically provided for by the Committee. Until a Restricted Stock Unit is settled, the number of Shares represented by a Restricted Stock Unit shall be subject to adjustment pursuant to Section 11. Any Restricted Stock Units that are settled after the Participant's death shall be distributed to the Participant's designated beneficiary(ies) or, if none was designated, the Participant's estate.

(vi) Suspension or Termination of Restricted Stock Options and Restricted Stock Units. If at any time the Committee, including any Subcommittee or administrator authorized pursuant to Section 3(b) (any such person, an "Authorized Officer"), reasonably believes that a Participant, other than an Outside Director, has committed an act of misconduct as described in this Section, the Authorized Officer may suspend the vesting of Shares under the Participant's Restricted Stock or Restricted Stock Unit Awards pending a determination of whether an act of misconduct has been committed. If the Committee or an Authorized Officer determines a Participant, other than an Outside Director, has committed an act of embezzlement, fraud, dishonesty, nonpayment of any obligation owed to Intel, breach of fiduciary duty or deliberate disregard of Corporation rules resulting in loss, damage or injury to the Corporation, or if a Participant makes an unauthorized disclosure of any Corporation trade secret or confidential information, engages in any conduct constituting unfair competition, induces any customer to breach a contract with the Corporation or induces any principal for whom Intel acts as agent to terminate such agency relationship, the Participant's Restricted Stock or Restricted Stock Unit Agreement shall be forfeited and cancelled. Any determination by the Committee or an Authorized Officer with respect to the foregoing shall be final, conclusive and binding on all interested parties. For any Participant who is an "executive officer" for purposes of Section 16 of the Exchange Act, the determination of the Committee or of the Authorized Officer shall be subject to the approval of the Board of Directors.

9. OUTSIDE DIRECTOR AWARDS

Each Outside Director may be granted Awards (each an "Outside Director Award") each fiscal year for up to 30,000 Shares, as determined by the Board of Directors. Notwithstanding anything to the contrary in this Plan, the foregoing limitation shall be subject to adjustment under Section 11. The number of Shares subject to each Outside Director Award, or the formula pursuant to which such number shall be determined, the type or types of Awards included in the Outside Director Awards, the date of grant and the vesting, expiration and other terms applicable to such Outside Director Awards shall be specified from time to time by the Board of Directors, subject to the terms of this Plan, including the terms specified in Section 8. If the Board of Directors reasonably believes that an Outside Director has committed an act of misconduct as specified in Section 8(a)(v) or 8(b)(vi), the Board of Directors may suspend the Outside Director's right to exercise any Stock Option or SAR and/or the vesting of any Restricted Stock or Restricted Stock Unit Award pending a determination of whether an act of misconduct has been committed. If the Board of Directors determines that an Outside Director has committed an act of misconduct, neither the Outside Director nor his or her estate shall be entitled to exercise

any Stock Option or SAR whatsoever and shall forfeit any unvested Restricted Stock or Restricted Stock Unit Award.

10. OTHER PROVISIONS APPLICABLE TO AWARDS

(a) Transferability. Unless the agreement or other document evidencing an Award (or an amendment thereto authorized by the Committee) expressly states that the Award is transferable as provided hereunder, no Award granted under this Plan, nor any interest in such Award, may be sold, assigned, conveyed, gifted, pledged, hypothecated or otherwise transferred in any manner, other than by will or the laws of descent and distribution. The Committee may grant an Award or amend an outstanding Award to provide that the Award is transferable or assignable (a) in the case of a transfer without the payment of any consideration, to any "family member" as such term is defined in Section 1(a)(5) of the General Instructions to Form S-8 under the Securities Act of 1933, as such may be amended from time to time, and (b) in any transfer described in clause (ii) of Section 1(a)(5) of the General Instructions to Form S-8 under the 1933 Act as amended from time to time, provided that following any such transfer or assignment the Award will remain subject to substantially the same terms applicable to the Award while held by the Participant to whom it was granted, as modified as the Committee shall determine appropriate, and as a condition to such transfer the transferee shall execute an agreement agreeing to be bound by such terms; provided further, that an ISO may be transferred or assigned only to the extent consistent with Section 422 of the

Code. Any purported assignment, transfer or encumbrance that does not qualify under this Section 10(a) shall be void and unenforceable against the Corporation.

(b) Qualifying Performance Criteria. For purposes of this Plan, the term "Qualifying Performance Criteria" shall mean any one or more of the following performance criteria, either individually, alternatively or in any combination, applied to either the Corporation as a whole or to a business unit or Subsidiary, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Committee in the Award: (a) cash flow, (b) earnings per share, (c) earnings before interest, taxes and amortization, (d) return on equity, (e) total stockholder return, (f) share price performance, (g) return on capital, (h) return on assets or net assets, (i) revenue, (j) income or net income, (k) operating income or net operating income, (l) operating profit or net operating profit, (m) operating margin or profit margin, (n) return on operating revenue, (o) return on invested capital, (p) market segment share, (q) product release schedules, (r) new product innovation, (s) product cost reduction through advanced technology, (t) brand recognition/acceptance, (u) product ship targets, or (v) customer satisfaction. The Committee may appropriately adjust any evaluation of performance under a Qualifying Performance Criteria to exclude any of the following events that occurs during a performance period: (i) asset write-downs, (ii) litigation or claim judgments or settlements, (iii) the effect of changes in or provisions under tax law, accounting principles or other such laws or provisions affecting reported results, (iv) accruals for reorganization and restructuring programs and (v) any extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Corporation's annual report to stockholders for the applicable year.

Notwithstanding satisfaction of any completion of any Qualifying Performance Criteria, to the extent specified at the time of grant of an Award, the number of Shares, Stock Options, SARs, Restricted Stock Units or other benefits granted, issued, retainable and/or vested under an Award on account of satisfaction of such Qualifying Performance Criteria may be reduced by the Committee on the basis of such further considerations as the Committee in its sole discretion shall determine.

(c) Dividends. Unless otherwise provided by the Committee, no adjustment shall be made in Shares issuable under Awards on account of cash dividends that may be paid or other rights that may be issued to the holders of Shares prior to their issuance under any Award. The Committee shall specify whether dividends or dividend equivalent amounts shall be paid to any Participant with respect to the Shares subject to any Award that have not vested or been issued or that are subject to any restrictions or conditions on the record date for dividends.

(d) Documents Evidencing Awards. The Committee shall, subject to applicable law, determine the date an Award is deemed to be granted. The Committee or, except to the extent prohibited under applicable law, its delegate(s) may establish the terms of agreements or other documents evidencing Awards under this Plan and may, but need not, require as a condition to any such agreement's or document's effectiveness that such agreement or document be executed by the Participant, including by electronic signature or other electronic indication of acceptance, and that such Participant agree to such further terms and conditions as specified in such agreement or document. The grant of an Award under this Plan shall not confer any rights upon the Participant holding such Award other than such terms, and subject to such conditions, as are specified in this Plan as being applicable to such type of Award (or to all Awards) or as are expressly set forth in the agreement or other document evidencing such Award.

(e) Additional Restrictions on Awards. Either at the time an Award is granted or by subsequent action, the Committee may, but need not, impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by a Participant or other subsequent transfers by a Participant of any Shares issued under an Award, including without limitation (a) restrictions under an insider trading policy, (b) restrictions designed to delay and/or coordinate the

timing and manner of sales by the Participant or Participants, and (c) restrictions as to the use of a specified brokerage firm for receipt, resales or other transfers of such Shares.

(f) **Subsidiary Awards.** In the case of a grant of an Award to any Participant employed by a Subsidiary, such grant may, if the Committee so directs, be implemented by Intel issuing any subject Shares to the Subsidiary, for such lawful consideration as the Committee may determine, upon the condition or understanding that the Subsidiary will transfer the Shares to the Participant in accordance with the terms of the Award specified by the Committee pursuant to the provisions of the Plan. Notwithstanding any other provision hereof, such Award may be issued by and in the name of the Subsidiary and shall be deemed granted on such date as the Committee shall determine.

11. ADJUSTMENT OF AND CHANGES IN THE COMMON STOCK

(a) The existence of outstanding Awards shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any or all adjustments, recapitalizations, reorganizations, exchanges, or other changes in the Corporation's capital structure or its business, or any merger or consolidation of the Corporation or any issuance of Shares or other securities or subscription rights thereto, or any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Shares or other securities of the Corporation or the rights thereof, or the dissolution or liquidation of the Corporation, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise. Further, except as expressly provided herein or by the Committee, (i) the issuance by the Corporation of shares of stock or any class of securities convertible into shares of stock of any class, for cash, property, labor or services, upon direct sale, upon the exercise of rights or warrants to subscribe therefore, or upon conversion of shares or obligations of the Corporation convertible into such shares or other securities, (ii) the payment of a dividend in property other than Shares, or (iii) the occurrence of any similar transaction, and in any case whether or not for fair value, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares subject to Stock Options or other Awards theretofore granted or the purchase price per Share, unless the Committee shall determine, in its sole discretion, that an adjustment is necessary or appropriate.

(b) If the outstanding Shares or other securities of the Corporation, or both, for which the Award is then exercisable or as to which the Award is to be settled shall at any time be changed or exchanged by declaration of a stock dividend, stock split, combination of shares, extraordinary dividend of cash and/or assets, recapitalization, reorganization or any similar event affecting the Shares or other securities of the Corporation, the Committee may appropriately and equitably adjust the number and kind of Shares or other securities that are subject to this Plan and to the limits under Section 6 and that are subject to any Awards theretofore granted, and the exercise or settlement prices of such Awards, so as to maintain the proportionate number of Shares or other securities subject to such Awards without changing the aggregate exercise or settlement price, if any.

(c) No right to purchase fractional Shares shall result from any adjustment in Stock Options or SARs pursuant to this Section 11. In case of any such adjustment, the Shares subject to the Stock Option or SAR shall be rounded down to the nearest whole share.

(d) Any other provision hereof to the contrary notwithstanding (except Section 11(a)), in the event Intel is a party to a merger or other reorganization, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement may provide, without limitation, for the assumption of outstanding Awards by the surviving corporation or its parent, for their continuation by Intel (if Intel is a surviving corporation), for accelerated vesting and accelerated expiration, or for settlement in cash.

12. LISTING OR QUALIFICATION OF COMMON STOCK

In the event that the Committee determines in its discretion

that the listing or qualification of the Shares available for issuance under the Plan on any securities exchange or quotation or trading system or under any applicable law or governmental regulation is necessary as a condition to the issuance of such Shares, a Stock Option or SAR may not be exercised in whole or in part and a Restricted Stock or Restricted Stock Unit Award shall not vest or be settled unless such listing, qualification, consent or approval has been unconditionally obtained.

13. TERMINATION OR AMENDMENT OF THE PLAN

The Board of Directors may amend, alter or discontinue the Plan and the Board or the Committee may to the extent permitted by the Plan amend any agreement or other document evidencing an Award made under this Plan, provided, however, that the Corporation shall submit for stockholder approval any amendment (other than an amendment pursuant to the adjustment provisions of Section 11) required to be submitted for stockholder approval by NASDAQ or that otherwise would:

- (a) Increase the maximum number of Shares for which Awards may be granted under this Plan;
 - (b) Reduce the price at which Stock Options may be granted below the price provided for in Section 8(a);
 - (c) Reduce the option price of outstanding Stock Options;
 - (d) Extend the term of this Plan;
 - (e) Change the class of persons eligible to be Participants;
- or
- (f) Increase the limits in Section 6.

In addition, no such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant's consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration if the Committee determines in its sole discretion that such amendment or alteration either (i) is required or advisable in order for the Corporation, the Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of any accounting standard, or (ii) is not reasonably likely to significantly diminish the benefits provided under such Award, or that any such diminishment has been adequately compensated.

14. WITHHOLDING

To the extent required by applicable federal, state, local or foreign law, the Committee may and/or a Participant shall make arrangements satisfactory to the Corporation for the satisfaction of any withholding tax obligations that arise with respect to any Stock Option, SAR, Restricted

Stock or Restricted Stock Unit Award, or any sale of Shares. The Corporation shall not be required to issue Shares or to recognize the disposition of such Shares until such obligations are satisfied. To the extent permitted or required by the Committee, these obligations may or shall be satisfied by having the Corporation withhold a portion of the Shares of stock that otherwise would be issued to a Participant under such Award or by tendering Shares previously acquired by the Participant.

15. GENERAL PROVISIONS

(a) Employment At Will. Neither the Plan nor the grant of any Award nor any action by the Corporation, any Subsidiary or the Committee shall be held or construed to confer upon any person any right to be continued in the employ of the Corporation or a Subsidiary. The Corporation and each Subsidiary expressly reserve the right to discharge, without liability but subject to his or her rights under this Plan, any Participant whenever in the sole discretion of the Corporation or a Subsidiary, as the case may be, it may determine to do so.

(b) Governing Law. This Plan and any agreements or other documents hereunder shall be interpreted and construed in accordance with the laws of the State of Delaware and applicable federal law. The Committee may provide that any dispute as to any Award shall be presented and determined in such forum as the Committee may specify, including through binding arbitration. Any reference in this Plan or in the agreement or other document

evidencing any Award to a provision of law or to a rule or regulation shall be deemed to include any successor law, rule or regulation of similar effect or applicability.

(c) Unfunded Plan. Insofar as it provides for Awards, the Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants who are granted Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Corporation shall not be required to segregate any assets which may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall the Corporation or the Committee be deemed to be a trustee of stock or cash to be awarded under the Plan.

16. NON-EXCLUSIVITY OF PLAN

Neither the adoption of this Plan by the Board of Directors nor the submission of this Plan to the shareholders of the Corporation for approval shall be construed as creating any limitations on the power of the Board of Directors or the Committee to adopt such other incentive arrangements as either may deem desirable, including, without limitation, the granting of stock options, stock appreciation rights, restricted stock or restricted stock units otherwise than under this Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

17. COMPLIANCE WITH OTHER LAWS AND REGULATIONS

This Plan, the grant and exercise of Awards thereunder, and the obligation of the Corporation to sell, issue or deliver Shares under such Awards, shall be subject to all applicable federal, state and local laws, rules and regulations and to such approvals by any governmental or regulatory agency as may be required. The Corporation shall not be required to register in a

Participant's name or deliver any Shares prior to the completion of any registration or qualification of such Shares under any federal, state or local law or any ruling or regulation of any government body which the Committee shall determine to be necessary or advisable. To the extent the Corporation is unable to or the Committee deems it infeasible to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Corporation's counsel to be necessary or advisable for the lawful issuance and sale of any Shares hereunder, the Corporation shall be relieved of any liability with respect to the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained. No Stock Option shall be exercisable and no Shares shall be issued and/or transferable under any other Award unless a registration statement with respect to the Shares underlying such Stock Option is effective and current or the Corporation has determined that such registration is unnecessary.

18. LIABILITY OF CORPORATION

The Corporation shall not be liable to a Participant or other persons as to: (a) the non-issuance or sale of Shares as to which the Corporation has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Corporation's counsel to be necessary to the lawful issuance and sale of any Shares hereunder; and (b) any tax consequence expected, but not realized, by any Participant or other person due to the receipt, exercise or settlement of any Stock Option or other Award granted hereunder.
