Re: *Proposed Offering of up to 13,512,737 Shares of Common Stock Pursuant to the Intel Corporation 2006 Equity Incentive Plan, as amended, and up to 133,000,000 Shares of Common Stock Pursuant to the Intel Corporation 2006 Stock Purchase Plan, as amended*

Ladies and Gentlemen:

We have examined the Registration Statement on Form S-8 (the "Registration Statement"), of Intel Corporation, a Delaware corporation (the "Company"), to be filed with the Securities and Exchange Commission (the "Commission") on or about June 24, 2011 pursuant to the Securities Act of 1933, as amended (the "Securities Act"), in connection with the offering by the Company of up to 146,512,737 shares of the Company's Common Stock, par value \$.001 per share (the "Shares"). The Shares subject to the Registration Statement include (1) 13,512,737 Shares available for issuance under the Intel Corporation 2006 Equity Incentive Plan, as amended (the "EIP"); and (2) 133,000,000 Shares available for issuance under the Intel Corporation 2006 Stock Purchase Plan, as amended (the "SPP" and, together with the EIP, the "Plans").

We have examined the Plans and the originals, or photostatic or certified copies, of such records of the Company and certificates of officers of the Company and of public officials and such other documents as we have deemed relevant and necessary as the basis for the opinions set forth below. We have also made such other investigations as we have deemed relevant and necessary or appropriate in connection with the opinion hereinafter set forth. In our examination, we have assumed the genuineness of all signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as copies. We have also assumed that there are no agreements or understandings between or among the Company and any participants in either of the Plans that would expand, modify or otherwise affect the terms of the Plans or the respective rights or obligations of the participants thereunder. Finally, we have assumed the accuracy of all other information provided to us by the Company during the course of our investigations, on which we have relied in issuing the opinion expressed below.

Based upon the foregoing examination and in reliance thereon, and subject to the qualifications, assumptions and limitations stated herein and in reliance on the statements of fact contained in the documents that we have examined, we are of the opinion that the Shares, when issued and sold in accordance with the terms set forth in the Plans and against payment therefor, and when the Registration Statement has become effective under the Securities Act, will be validly issued, fully paid and non-assessable.

We express no opinion regarding the effectiveness of any waiver (whether or not stated as such) contained in the Plans of rights of any party, or duties owing to it, that is broadly or vaguely stated or does not describe the right or duty purportedly waived with reasonable specificity or any provision in the Plans relating to indemnification, exculpation or contribution.

We consent to the filing of this opinion as an exhibit to the Registration Statement, and we further consent to the use of our name under the caption "Legal Matters" in the Registration Statement and the prospectus that forms a part thereof. In giving these consents, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission.

Very truly yours,

/s/ Gibson, Dunn & Crutcher LLP

- (i) to prescribe, amend and rescind rules and regulations relating to this Plan and to define terms not otherwise defined herein;
- (ii) to determine which persons are eligible to be Participants, to which of such persons, if any, Awards shall be granted hereunder and the timing of any such Awards, and to grant Awards;
- (iii) to grant Awards to Participants and determine the terms and conditions thereof, including the number of Shares subject to Awards and the exercise or purchase price of such Shares and the circumstances under which Awards become exercisable or vested or are forfeited or expire, which terms may but need not be conditioned upon the

passage of time, continued employment, the satisfaction of performance criteria, the occurrence of certain events, or other factors;

(iv) to establish or verify the extent of satisfaction of any performance goals or other conditions applicable to the grant, issuance, exercisability, vesting and/or ability to retain any Award;

(v) to prescribe and amend the terms of the agreements or other documents evidencing Awards made under this Plan (which need not be identical);

(vi) to determine whether, and the extent to which, adjustments are required pursuant to Section 11;

(vii) to interpret and construe this Plan, any rules and regulations under this Plan and the terms and conditions of any Award granted hereunder, and to make exceptions to any such provisions in good faith and for the benefit of the Corporation; and

(viii) to make all other determinations deemed necessary or advisable for the administration of this Plan.

(d) *Effect of Change in Status.* The Committee shall have the discretion to determine the effect upon an Award and upon an individual's status as an employee under the Plan (including whether a Participant shall be deemed to have experienced a termination of employment or other change in status) and upon the vesting, expiration or forfeiture of an Award in the case of (i) any individual who is employed by an entity that ceases to be a Subsidiary of the Corporation, (ii) any leave of absence approved by the Corporation or a Subsidiary, (iii) any transfer between locations of employment with the Corporation or a Subsidiary or between the Corporation and any Subsidiary or between any Subsidiaries, (iv) any change in the Participant's status from an employee to a consultant or member of the Board of Directors, or vice versa, and (v) at the request of the Corporation or a Subsidiary, any employee who becomes employed by any partnership, joint venture, corporation or other entity not meeting the requirements of a Subsidiary.

(e) *Determinations of the Committee.* All decisions, determinations and interpretations by the Committee regarding this Plan shall be final and binding on all Participants or other persons claiming rights under the Plan or any Award. The Committee shall consider such factors as it deems relevant to making such decisions, determinations and interpretations including, without limitation, the recommendations or advice of any director, officer or employee of the Corporation and such attorneys, consultants and accountants as it may select. A Participant or other holder of an Award may contest a decision or action by the Committee with respect to such person or Award only on the grounds that such decision or action was arbitrary or capricious or was unlawful, and any review of such decision or action shall be limited to determining whether the Committee's decision or action was arbitrary or capricious or was unlawful.

4. PARTICIPANTS

Awards under the Plan may be granted to any person who is an employee or Outside Director of the Corporation. Outside Directors may be granted Awards only pursuant to Section 9 of the Plan. The status of the Chairman of the Board of Directors as an employee or Outside Director shall be determined by the Committee. Any person designated by the Corporation as an independent contractor shall not be treated as an employee and shall not be eligible for Awards under the Plan.

5. EFFECTIVE DATE AND EXPIRATION OF PLAN

(a) *Effective Date.* This Plan was approved by the Board of Directors on February 23, 2006 and became effective on May 17, 2006.

(b) *Expiration Date.* The Plan shall remain available for the grant of Awards until June 30, 2014 or such earlier date as the Board of Directors may determine. The expiration of the Committee's authority to grant Awards under the Plan will not affect the operation of the terms of the Plan or the Corporation's and Participants' rights and obligations with respect to Awards granted on or prior to the expiration date of the Plan.

6. SHARES SUBJECT TO THE PLAN

(a) *Aggregate Limits.* Subject to adjustment as provided in Section 11, the aggregate number of Shares authorized for issuance as Awards under the Plan is 596,000,000, of which no more than an aggregate of 394,000,000 Shares may be issued as restricted stock or restricted stock units and no more than an aggregate of 202,000,000 Shares shall be available for issuance as stock options under any program providing for stock option grants that vest in full in five or more years and that have a maximum term of ten years. The Shares subject to the Plan may be either Shares reacquired by the Corporation, including Shares purchased in the open market, or authorized but unissued Shares. Any Shares subject to an Award which for any reason expires or terminates unexercised or is not earned in full may again be made subject to an Award under the Plan. Notwithstanding the preceding sentence, the following Shares may not again be made available for issuance as Awards under the Plan: (i) Shares not issued or delivered as a result of the net settlement of an outstanding Stock Appreciation Right, (ii) Shares used to pay the exercise price or withholding taxes related to an outstanding Award, or (iii) Shares repurchased on the open market with the proceeds of the option exercise price.

(b) *Tax Code Limits.* The aggregate number of Shares subject to stock options or stock appreciation rights granted under this Plan during any calendar year to any one Participant shall not exceed 3,000,000. The aggregate number of Shares subject to restricted stock or restricted stock unit Awards granted under this Plan during any calendar year to any one Participant shall not exceed 2,000,000. Notwithstanding anything to the contrary in this Plan, the foregoing limitations shall be subject to adjustment under Section 11, but only to the extent that such adjustment will not affect the status of any Award intended to qualify as "performance-based compensation" under Section 162(m) of the Code. The aggregate number of Shares issued pursuant to incentive stock options granted under the Plan shall not exceed 596,000,000, which limitation shall be subject to adjustment under Section 11 only to the extent that such adjustment is consistent with adjustments permitted of a plan authorizing incentive stock options under Section 422 of the Code.

7. PLAN AWARDS

(a) *Award Types.* The Committee, on behalf of the Corporation, is authorized under this Plan to grant, award and enter into the following arrangements or benefits under the Plan provided that their terms and conditions are not inconsistent with the provisions of the Plan: stock options, stock appreciation rights, restricted stock and restricted stock units. Such arrangements and benefits are sometimes referred to herein as "Awards." The Committee, in its discretion, may determine that any Award granted hereunder shall be a Performance Award.

(i) *Stock Options.* A "Stock Option" is a right to purchase a number of Shares at such exercise price, at such times, and on such other terms and conditions as are specified in or determined pursuant to the document(s) evidencing the Award (the "Option Agreement"). The Committee may grant Stock Options intended to be eligible to qualify as incentive stock options ("ISOs") pursuant to Section 422 of the Code and Stock Options that are not intended to qualify as ISOs ("Non-qualified Stock Options"), as it, in its sole discretion, shall determine.

(ii) *Stock Appreciation Rights.* A "Stock Appreciation Right" or "SAR" is a right to receive, in cash or stock (as determined by the Committee), value with respect to a specific number of Shares equal to or otherwise based on the excess of (i) the market value of a Share at the time of exercise over (ii) the exercise price of the right, subject to such terms and conditions as are expressed in the document(s) evidencing the Award (the "SAR Agreement").

(iii) *Restricted Stock.* A "Restricted Stock" Award is an award of Shares, the grant, issuance, retention and/or vesting of which is subject to such conditions as are expressed in the document(s) evidencing the Award (the "Restricted Stock Agreement").

(iv) *Restricted Stock Unit.* A “Restricted Stock Unit” Award is an award of a right to receive, in cash or stock (as determined by the Committee) the market value of one Share, the grant, issuance, retention and/or vesting of which is subject to such conditions as are expressed in the document(s) evidencing the Award (the “Restricted Stock Unit Agreement”).

(b) *Grants of Awards.* An Award may consist of one of the foregoing arrangements or benefits or two or more of them in tandem or in the alternative.

8. EMPLOYEE PARTICIPANT AWARDS

(a) *Grant, Terms and Conditions of Stock Options and SARs*

The Committee may grant Stock Options or SARs at any time and from time to time prior to the expiration of the Plan to eligible employee Participants selected by the Committee. No Participant shall have any rights as a stockholder with respect to any Shares subject to Stock Options or SARs hereunder until said Shares have been issued. Each Stock Option or SAR shall be evidenced only by such agreements, notices and/or terms or conditions documented in such form (including by electronic communications) as may be approved by the Committee. Each Stock Option grant will expressly identify the Stock Option as an ISO or as a Non-qualified Stock Option. Stock Options or SARs granted pursuant to the Plan need not be identical but each must contain or be subject to the following terms and conditions:

(i) *Price.* The purchase price (also referred to as the exercise price) under each Stock Option or SAR granted hereunder shall be established by the Committee. The purchase price per Share shall not be less than 100% of the market value of a Share on the date of grant. For purposes of the Plan, “market value” shall mean the average of the high and low sales prices of the Corporation’s common stock. The exercise price of a Stock Option shall be paid in cash or in such other form if and to the extent permitted by the Committee, including without limitation by delivery of already owned Shares, withholding (either actually or by attestation) of Shares otherwise issuable under such Stock Option and/or by payment under a broker-assisted sale and remittance program acceptable to the Committee.

(ii) *No Repricing.* Other than in connection with a change in the Corporation’s capitalization or other transaction as described in Section 11(a) through (d) of the Plan, at any time when the purchase price of a Stock Option or SAR is above the market value of a Share, the Corporation shall not, without stockholder approval, reduce the purchase price of such Stock Option or SAR and shall not exchange such Stock Option or SAR for a new Award with a lower (or no) purchase price or for cash.

(iii) *No Reload Grants.* Stock Options shall not be granted under the Plan in consideration for and shall not be conditioned upon the delivery of Shares to the Corporation in payment of the exercise price and/or tax withholding obligation under any other employee stock option.

(iv) *Duration, Exercise and Termination of Stock Options and SARs.* Each Stock Option or SAR shall be exercisable at such time and in such installments during the period prior to the expiration of the Stock Option or SAR as determined by the Committee. The Committee shall have the right to make the timing of the ability to exercise any Stock Option or SAR subject to continued employment, the passage of time and/or such performance requirements as deemed appropriate by the Committee. At any time after the grant of a Stock Option, the Committee may reduce or eliminate any restrictions on the Participant’s right to exercise all or part of the Stock Option, except that no Stock Option shall first become exercisable within one (1) year from its date of grant, other than upon the death, disability or retirement of the person to whom the Stock Option was granted, in each case as specified in the Option Agreement.

Each Stock Option or SAR that vests in full in less than five (5) years (standard grants) must expire within a period of not more than seven (7) years from the grant date and each Stock Option or SAR that vests in full in five (5) or more years (long-term retention grants) must expire within a period of not more than ten (10) years from the grant date. In each case, the Option Agreement or SAR Agreement may provide for expiration prior to the end of the stated term of the Award in the event of the termination of employment or service of the Participant to whom it was granted.

(v) *Suspension or Termination of Stock Options and SARs.* If at any time (including after a notice of exercise has been delivered) the Committee, including any Subcommittee or administrator authorized pursuant to Section 3(b) (any such person, an “Authorized Officer”), reasonably believes that a Participant, other than an Outside Director, has committed an act of misconduct as described in this Section, the Authorized Officer may suspend the Participant’s right to exercise any Stock Option or SAR pending a determination of whether an act of misconduct has been committed. If the Committee or an Authorized Officer determines a Participant, other than an Outside Director, has committed an act of embezzlement, fraud, dishonesty, nonpayment of any obligation owed to Intel, breach of fiduciary duty or deliberate disregard of Corporation rules resulting in loss, damage or injury to the Corporation, or if a Participant makes an unauthorized disclosure of any Corporation trade secret or confidential information, engages in any conduct constituting unfair competition, induces any customer to breach a contract with the Corporation or induces any principal for whom Intel acts as agent to terminate such agency relationship, neither the Participant nor his or her estate shall be entitled to exercise any Stock Option or SAR whatsoever. In addition, for any Participant who is designated as an “executive officer” by the Board of Directors, if the Committee determines that the Participant engaged in an act of embezzlement, fraud or breach of fiduciary duty during the Participant’s employment that contributed to an obligation to restate the Corporation’s financial statements (“Contributing Misconduct”), the Participant shall be required to repay to the Corporation, in cash and upon demand, the Option Proceeds (as defined below) resulting from any sale or other disposition (including to the Corporation) of Shares issued or issuable upon exercise of a Stock Option or SAR if the sale or disposition was effected during the twelve-month period following the first public issuance or filing with the SEC of the financial statements required to be restated. The term “Option Proceeds” means, with respect to any sale or other disposition (including to the Corporation) of Shares issuable or issued upon exercise of a Stock Option or SAR, an amount determined appropriate by the Committee to reflect the effect of the restatement on the Corporation’s stock price, up to the amount equal to the number of Shares sold or disposed of multiplied by the difference between the market value per Share at the time of such sale or disposition and the exercise price. The return of Option Proceeds is in addition to and separate from any other relief available to the Corporation due to the executive officer’s Contributing Misconduct. Any determination by the Committee or an Authorized Officer with respect to the foregoing shall be final, conclusive and binding on all interested parties. For any Participant who is an executive officer, the determination of the Committee or of the Authorized Officer shall be subject to the approval of the Board of Directors.

(vi) *Conditions and Restrictions Upon Securities Subject to Stock Options or SARs.* Subject to the express provisions of the Plan, the Committee may provide that the Shares issued upon exercise of a Stock Option or SAR shall be subject to such further conditions or agreements as the Committee in its discretion may specify prior to the exercise of such Stock Option or SAR, including, without limitation, conditions on vesting or transferability, forfeiture or repurchase provisions. The obligation to make payments with respect to SARs may be satisfied through cash payments or the delivery of Shares, or a combination thereof as the Committee shall determine. The Committee may establish rules for the deferred delivery of Common Stock upon exercise of a Stock Option or SAR with the deferral evidenced by use of Restricted Stock Units equal in number to the number of Shares whose delivery is so deferred.

(vii) *Other Terms and Conditions.* Stock Options and SARs may also contain such other provisions, which shall not be inconsistent with any of the foregoing terms, as the Committee shall deem appropriate.

(viii) *ISOs.* Stock Options intending to qualify as ISOs may only be granted to employees of the Corporation within the meaning of the Code, as determined by the Committee. No ISO shall be granted to any person if immediately after the grant of such Award, such person would own stock, including stock subject to outstanding Awards held by him or her under the Plan or any other plan established by the Corporation, amounting to more than ten percent (10%) of the total combined voting power or value of all classes of stock of the Corporation. To the extent that the Option Agreement specifies that a Stock Option is intended to be treated as an ISO, the Stock Option is intended to qualify to the greatest extent possible as an “incentive stock option” within the meaning of Section 422 of the Code, and shall be so construed; provided, however, that any such designation shall not be interpreted as a representation, guarantee or other undertaking on the part of the Corporation that the Stock Option is or will be determined to qualify as an ISO. If and to the extent that any Shares are issued under a portion of any Stock Option that exceeds the \$100,000 limitation of Section 422 of the Code, such Shares shall not be treated as issued under an ISO notwithstanding any designation otherwise. Certain decisions, amendments, interpretations and actions by the Committee

and certain actions by a Participant may cause a Stock Option to cease to qualify as an ISO pursuant to the Code and by accepting a Stock Option the Participant agrees in advance to such disqualifying action.

(b) Grant, Terms and Conditions of Restricted Stock and Restricted Stock Units

The Committee may grant Restricted Stock or Restricted Stock Units at any time and from time to time prior to the expiration of the Plan to eligible employee Participants selected by the Committee. A Participant shall have rights as a stockholder with respect to any Shares subject to a Restricted Stock Award hereunder only to the extent specified in this Plan or the Restricted Stock Agreement evidencing such Award. Awards of Restricted Stock or Restricted Stock Units shall be evidenced only by such agreements, notices and/or terms or conditions documented in such form (including by electronic communications) as may be approved by the Committee. Awards of Restricted Stock or Restricted Stock Units granted pursuant to the Plan need not be identical but each must contain or be subject to the following terms and conditions:

(i) *Terms and Conditions.* Each Restricted Stock Agreement and each Restricted Stock Unit Agreement shall contain provisions regarding (a) the number of Shares subject to such Award or a formula for determining such, (b) the purchase price of the Shares, if any, and the means of payment for the Shares, (c) the performance criteria, if any, and level of achievement versus these criteria that shall determine the number of Shares granted, issued, retainable and/or vested, (d) such terms and conditions on the grant, issuance, vesting and/or forfeiture of the Shares as may be determined from time to time by the Committee, (e) restrictions on the transferability of the Shares and (f) such further terms and conditions as may be determined from time to time by the Committee, in each case not inconsistent with this Plan.

(ii) *Sale Price.* Subject to the requirements of applicable law, the Committee shall determine the price, if any, at which Shares of Restricted Stock or Restricted Stock Units shall be sold or awarded to a Participant, which may vary from time to time and among Participants and which may be below the market value of such Shares at the date of grant or issuance.

(iii) *Share Vesting.* The grant, issuance, retention and/or vesting of Shares under Restricted Stock or Restricted Stock Unit Awards shall be at such time and in such installments as determined by the Committee or under criteria established by the Committee. The Committee shall have the right to make the timing of the grant and/or the issuance, ability to retain and/or vesting of Shares under Restricted Stock or Restricted Stock Unit Awards subject to continued employment, passage of time and/or such performance criteria and level of achievement versus these criteria as deemed appropriate by the Committee, which criteria may be based on financial performance and/or personal performance evaluations. Up to 480,000 Shares shall be available for issuance to employee Participants as Awards having no minimum vesting period. No condition that is based on performance criteria and level of achievement versus such criteria shall be based on performance over a period of less than one year, and no condition that is based upon continued employment or the passage of time shall provide for vesting in full of a Restricted Stock or Restricted Stock Unit Award in less than pro rata installments over three years from the date the Award is made, other than with respect to such Awards that are issued upon exercise or settlement of Stock Options or SARs or upon the death, disability or retirement of the Participant, in each case as specified in the agreement evidencing such Award. Notwithstanding anything to the contrary herein, the performance criteria for any Restricted Stock or Restricted Stock Unit that is intended to satisfy the requirements for “performance-based compensation” under Section 162(m) of the Code shall be a measure based on one or more Qualifying Performance Criteria selected by the Committee and specified at the time the Restricted Stock Award is granted.

(iv) *Termination of Employment.* The Restricted Stock or Restricted Stock Unit Agreement may provide for the forfeiture or cancellation of the Restricted Stock or Restricted Stock Unit Award, in whole or in part, in the event of the termination of employment or service of the Participant to whom it was granted.

(v) *Restricted Stock Units.* Except to the extent this Plan or the Committee specifies otherwise, Restricted Stock Units represent an unfunded and unsecured obligation of the Corporation and do not confer any of the rights of a stockholder until Shares are issued thereunder. Settlement of Restricted Stock Units upon expiration of the deferral or vesting period shall be made in Shares or otherwise as determined by the Committee. Dividends or dividend equivalent rights shall be payable in cash or in additional shares with respect to Restricted Stock Units only to the extent specifically provided for by the Committee. Until a Restricted Stock Unit is settled, the number of Shares represented by a Restricted Stock Unit shall be subject to adjustment pursuant to Section 11. Any Restricted Stock Units that are settled after the Participant’s death shall be distributed to the Participant’s designated beneficiary(ies) or, if none was designated, the Participant’s estate.

(vi) *Suspension or Termination of Restricted Stock and Restricted Stock Units.* If at any time the Committee, including any Subcommittee or administrator authorized pursuant to Section 3(b) (any such person, an “Authorized Officer”), reasonably believes that a Participant, other than an Outside Director, has committed an act of misconduct as described in this Section, the Authorized Officer may suspend the vesting of Shares under the Participant’s Restricted Stock or Restricted Stock Unit Awards pending a determination of whether an act of misconduct has been committed. If the Committee or an Authorized Officer determines a Participant, other than an Outside Director, has committed an act of embezzlement, fraud, dishonesty, nonpayment of any obligation owed to Intel, breach of fiduciary duty or deliberate disregard of Corporation rules resulting in loss, damage or injury to the Corporation, or if a Participant makes an unauthorized disclosure of any Corporation trade secret or confidential information, engages in any conduct constituting unfair competition, induces any customer to breach a contract with the Corporation or induces any principal for whom Intel acts as agent to terminate such agency relationship, the Participant’s Restricted Stock or Restricted Stock Unit Agreement shall be forfeited and cancelled. In addition, for any Participant who is designated as an “executive officer” by the Board of Directors, if the Committee determines that the Participant engaged in an act of embezzlement, fraud or breach of fiduciary duty during the Participant’s employment that contributed to an obligation to restate the Corporation’s financial statements (“Contributing Misconduct”), the Participant shall be required to repay to the Corporation, in cash and upon demand, the Restricted Stock Proceeds (as defined below) resulting from any sale or other disposition (including to the Corporation) of Shares issued or issuable upon the vesting of Restricted Stock or a Restricted Stock Unit if the sale or disposition was effected during the twelve-month period following the first public issuance or filing with the SEC of the financial statements required to be restated. The term “Restricted Stock Proceeds” means, with respect to any sale or other disposition (including to the Corporation) of Shares issued or issuable upon vesting of Restricted Stock or a Restricted Stock Unit, an amount determined appropriate by the Committee to reflect the effect of the restatement on the Corporation’s stock price, up to the amount equal to the market value per Share at the time of such sale or other disposition multiplied by the number of Shares or units sold or disposed of. The return of Restricted Stock Proceeds is in addition to and separate from any other relief available to the Corporation due to the executive officer’s Contributing Misconduct. Any determination by the Committee or an Authorized Officer with respect to the foregoing shall be final, conclusive and binding on all interested parties. For any Participant who is an executive officer, the determination of the Committee or of the Authorized Officer shall be subject to the approval of the Board of Directors.

9. OUTSIDE DIRECTOR AWARDS

Each Outside Director may be granted up to 100,000 Shares underlying Awards (each an “Outside Director Award”) each fiscal year, as determined by the Board of Directors. Notwithstanding anything to the contrary in this Plan, the foregoing limitation shall be subject to adjustment under Section 11. The number of Shares subject to each Outside Director Award, or the formula pursuant to which such number shall be determined, the type or types of Awards included in the Outside Director Awards, the date of grant and the vesting, expiration and other terms applicable to such Outside Director Awards shall be specified from time to time by the Board of Directors, subject to the terms of this Plan, including the terms specified in Section 8. If the Board of Directors reasonably believes that an Outside Director has committed an act of misconduct as specified in Section 8(a) (v) or 8(b)(vi), the Board of Directors may suspend the Outside Director’s right to exercise any Stock Option or SAR and/or the vesting of any Restricted Stock or Restricted Stock Unit Award pending a determination of whether an act of misconduct has been committed. If the Board of Directors determines that an Outside Director has committed an act of misconduct, neither the Outside Director nor his or her estate shall be entitled to exercise any Stock Option or SAR whatsoever and shall forfeit any unvested Restricted Stock or Restricted Stock Unit Award.

10. OTHER PROVISIONS APPLICABLE TO AWARDS

(a) *Transferability.* Unless the agreement or other document evidencing an Award (or an amendment thereto authorized by the Committee) expressly states that the Award is transferable as provided hereunder, no Award granted under this Plan, nor any interest in such Award, may be sold, assigned, conveyed, gifted, pledged, hypothecated or otherwise transferred in any manner, other than by will or the laws of descent and distribution. The Committee may grant an Award or amend an outstanding Award to provide that the Award is transferable or assignable (a) in the case of a transfer without the payment of any consideration, to any “family member” as such term is defined in Section 1(a)(5) of the General Instructions to Form S-8 under the Securities Act of 1933, as such may be amended from time to time, and (b) in any transfer described in clause (ii) of Section 1(a)(5) of the General Instructions to Form S-8 under the 1933 Act as amended from time to time, *provided* that following any such transfer or assignment the Award will remain subject to substantially the same terms applicable to the Award while held by the Participant to whom it was granted, as modified as the Committee shall determine appropriate, and as a condition to such transfer the transferee shall execute an agreement agreeing to be bound by such terms; *provided further*, that an ISO may be transferred or assigned only to the extent consistent with Section 422 of the Code. Any purported assignment, transfer or encumbrance that does not qualify under this Section 10(a) shall be void and unenforceable against the Corporation.

(b) *Qualifying Performance Criteria.* For purposes of this Plan, the term “Qualifying Performance Criteria” shall mean any one or more of the following performance criteria, either individually, alternatively or in any combination, applied to either the Corporation as a whole or to a business unit or Subsidiary, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years’ results or to a designated comparison group, in each case as specified by the Committee in the Award: (a) cash flow, (b) earnings per share, (c) earnings before interest, taxes and amortization, (d) return on equity, (e) total stockholder return, (f) share price performance, (g) return on capital, (h) return on assets or net assets, (i) revenue, (j) income or net income, (k) operating income or net operating income, (l) operating profit or net operating profit, (m) operating margin or profit margin, (n) return on operating revenue, (o) return on invested capital, (p) market segment share, (q) product release schedules, (r) new product innovation, (s) product cost reduction through advanced technology, (t) brand recognition/acceptance, (u) product ship targets, or (v) customer satisfaction. The Committee may appropriately adjust any evaluation of performance under a Qualifying Performance Criteria to exclude any of the following events that occurs during a performance period: (i) asset write-downs, (ii) litigation or claim judgments or settlements, (iii) the effect of changes in or provisions under tax law, accounting principles or other such laws or provisions affecting reported results, (iv) accruals for reorganization and restructuring programs and (v) any extraordinary non-recurring items as described in Accounting Standards Codification 225 and/or in management’s discussion and analysis of financial condition and results of operations appearing in the Corporation’s annual report to stockholders for the applicable year. Notwithstanding satisfaction of any completion of any Qualifying Performance Criteria, to the extent specified at the time of grant of an Award, the number of Shares, Stock Options, SARs, Restricted Stock Units or other benefits granted, issued, retainable and/or vested under an Award on account of satisfaction of such Qualifying Performance Criteria may be reduced by the Committee on the basis of such further considerations as the Committee in its sole discretion shall determine.

(c) *Dividends.* Unless otherwise provided by the Committee, no adjustment shall be made in Shares issuable under Awards on account of cash dividends that may be paid or other rights that may be issued to the holders of Shares prior to their issuance under any Award. The Committee shall specify whether dividends or dividend equivalent amounts shall be paid to any Participant with respect to the Shares subject to any Award that have not vested or been issued or that are subject to any restrictions or conditions on the record date for dividends.

(d) *Documents Evidencing Awards.* The Committee shall, subject to applicable law, determine the date an Award is deemed to be granted. The Committee or, except to the extent prohibited under applicable law, its delegate(s) may establish the terms of agreements or other documents evidencing Awards under this Plan and may, but need not, require as a condition to any such agreement’s or document’s effectiveness that such agreement or document be executed by the Participant, including by electronic signature or other electronic indication of acceptance, and that such Participant agree to such further terms and conditions as specified in such agreement or document. The grant of an Award under this Plan shall not confer any rights upon the Participant holding such Award other than such terms, and subject to such conditions, as are specified in this Plan as being applicable to such type of Award (or to all Awards) or as are expressly set forth in the agreement or other document evidencing such Award.

(e) *Additional Restrictions on Awards.* Either at the time an Award is granted or by subsequent action, the Committee may, but need not, impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resale by a Participant or other subsequent transfers by a Participant of any Shares issued under an Award, including without limitation (a) restrictions under an insider trading policy, (b) restrictions designed to delay and/or coordinate the timing and manner of sales by the Participant or Participants, and (c) restrictions as to the use of a specified brokerage firm for receipt, resales or other transfers of such Shares.

(f) *Subsidiary Awards.* In the case of a grant of an Award to any Participant employed by a Subsidiary, such grant may, if the Committee so directs, be implemented by Intel issuing any subject Shares to the Subsidiary, for such lawful consideration as the Committee may determine, upon the condition or understanding that the Subsidiary will transfer the Shares to the Participant in accordance with the terms of the Award specified by the Committee pursuant to the provisions of the Plan. Notwithstanding any other provision hereof, such Award may be issued by and in the name of the Subsidiary and shall be deemed granted on such date as the Committee shall determine.

11. ADJUSTMENT OF AND CHANGES IN THE COMMON STOCK

(a) The existence of outstanding Awards shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any or all adjustments, recapitalizations, reorganizations, exchanges, or other changes in the Corporation’s capital structure or its business, or any merger or consolidation of the Corporation or any issuance of Shares or other securities or subscription rights thereto, or any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Shares or other securities of the Corporation or the rights thereof, or the dissolution or liquidation of the Corporation, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise. Further, except as expressly provided herein or by the Committee, (i) the issuance by the Corporation of shares of stock or any class of securities convertible into shares of stock of any class, for cash, property, labor or services, upon direct sale, upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Corporation convertible into such shares or other securities, (ii) the payment of a dividend in property other than Shares, or (iii) the occurrence of any similar transaction, and in any case whether or not for fair value, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares subject to Stock Options or other Awards theretofore granted or the purchase price per Share, unless the Committee shall determine, in its sole discretion, that an adjustment is necessary or appropriate.

(b) If the outstanding Shares or other securities of the Corporation, or both, for which the Award is then exercisable or as to which the Award is to be settled shall at any time be changed or exchanged by declaration of a stock dividend, stock split, combination of shares, extraordinary dividend of cash and/or assets, recapitalization, reorganization or any similar equity restructuring transaction (as that term is used in Accounting Standards Codification 718 affecting the Shares or other securities of the Corporation, the Committee shall equitably adjust the number and kind of Shares or other securities that are subject to this Plan and to the limits under Section 6 and that are subject to any Awards theretofore granted, and the exercise or settlement prices of such Awards, so as to maintain the proportionate number of Shares or other securities subject to such Awards without changing the aggregate exercise or settlement price, if any.

(c) No right to purchase fractional Shares shall result from any adjustment in Stock Options or SARs pursuant to this Section 11. In case of any such adjustment, the Shares subject to the Stock Option or SAR shall be rounded down to the nearest whole share.

(d) Any other provision hereof to the contrary notwithstanding (except Section 11(a)), in the event Intel is a party to a merger or other reorganization, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement may provide, without limitation, for the assumption of outstanding Awards by the surviving corporation or its parent, for their continuation by Intel (if Intel is a surviving corporation), for accelerated vesting and accelerated expiration, or for settlement in cash.

12. LISTING OR QUALIFICATION OF COMMON STOCK

In the event that the Committee determines in its discretion that the listing or qualification of the Shares available for issuance under the Plan on any securities exchange or quotation or trading system or under any applicable law or governmental regulation is necessary as a condition to the issuance of such Shares, a Stock Option or SAR may not be exercised in whole or in part and a Restricted Stock or Restricted Stock Unit Award shall not vest or be settled unless such listing, qualification, consent or approval has been unconditionally obtained.

13. TERMINATION OR AMENDMENT OF THE PLAN

The Board of Directors may amend, alter or discontinue the Plan and the Board or the Committee may to the extent permitted by the Plan amend any agreement or other document evidencing an Award made under this Plan, provided, however, that the Corporation shall submit for stockholder approval any amendment (other than an amendment pursuant to the adjustment provisions of Section 11) required to be submitted for stockholder approval by NASDAQ or that otherwise would:

- (a) Increase the maximum number of Shares for which Awards may be granted under this Plan;
- (b) Reduce the price at which Stock Options may be granted below the price provided for in Section 8(a);
- (c) Reduce the option price of outstanding Stock Options;
- (d) Extend the term of this Plan;
- (e) Change the class of persons eligible to be Participants; or
- (f) Increase the limits in Section 6.

In addition, no such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant's consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration if the Committee determines in its sole discretion that such amendment or alteration either (i) is required or advisable in order for the Corporation, the Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of any accounting standard, or (ii) is not reasonably likely to significantly diminish the benefits provided under such Award, or that any such diminishment has been adequately compensated.

14. WITHHOLDING

To the extent required by applicable federal, state, local or foreign law, the Committee may and/or a Participant shall make arrangements satisfactory to the Corporation for the satisfaction of any withholding tax obligations that arise with respect to any Stock Option, SAR, Restricted Stock or Restricted Stock Unit Award, or any sale of Shares. The Corporation shall not be required to issue Shares or to recognize the disposition of such Shares until such obligations are satisfied. To the extent permitted or required by the Committee, these obligations may or shall be satisfied by having the Corporation withhold a portion of the Shares of stock that otherwise would be issued to a Participant under such Award or by tendering Shares previously acquired by the Participant.

15. GENERAL PROVISIONS

(a) *Employment At Will.* Neither the Plan nor the grant of any Award nor any action by the Corporation, any Subsidiary or the Committee shall be held or construed to confer upon any person any right to be continued in the employ of the Corporation or a Subsidiary. The Corporation and each Subsidiary expressly reserve the right to discharge, without liability but subject to his or her rights under this Plan, any Participant whenever in the sole discretion of the Corporation or a Subsidiary, as the case may be, it may determine to do so.

(b) *Governing Law.* This Plan and any agreements or other documents hereunder shall be interpreted and construed in accordance with the laws of the State of Delaware and applicable federal law. The Committee may provide that any dispute as to any Award shall be presented and determined in such forum as the Committee may specify, including through binding arbitration. Any reference in this Plan or in the agreement or other document evidencing any Award to a provision of law or to a rule or regulation shall be deemed to include any successor law, rule or regulation of similar effect or applicability.

(c) *Unfunded Plan.* Insofar as it provides for Awards, the Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants who are granted Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Corporation shall not be required to segregate any assets which may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall the Corporation or the Committee be deemed to be a trustee of stock or cash to be awarded under the Plan.

(d) *Third Party Administrator.* In connection with a Participant's participation in the Plan, the Corporation may use the services of a third party administrator, including a brokerage firm administrator, and the Corporation may provide this administrator with personal information about a Participant, including a Participant's name, social security number and address, as well as the details of each Award, and this administrator may provide information to the Corporation concerning the exercise of a Participant's rights and account data as it relates to Awards under the Plan.

16. NON-EXCLUSIVITY OF PLAN

Neither the adoption of this Plan by the Board of Directors nor the submission of this Plan to the shareholders of the Corporation for approval shall be construed as creating any limitations on the power of the Board of Directors or the Committee to adopt such other incentive arrangements as either may deem desirable, including, without limitation, the granting of stock options, stock appreciation rights, restricted stock or restricted stock units otherwise than under this Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

17. COMPLIANCE WITH OTHER LAWS AND REGULATIONS

This Plan, the grant and exercise of Awards thereunder, and the obligation of the Corporation to sell, issue or deliver Shares under such Awards, shall be subject to all applicable federal, state and local laws, rules and regulations and to such approvals by any governmental or regulatory agency as may be required. The Corporation shall not be required to register in a Participant's name or deliver any Shares prior to the completion of any registration or qualification of such Shares under any federal, state or local law or any ruling or regulation of any government body which the Committee shall determine to be necessary or advisable. To the extent the Corporation is unable to or the Committee deems it infeasible to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Corporation's counsel to be necessary or advisable for the lawful issuance and sale of any Shares hereunder, the Corporation shall be relieved of any liability with respect to the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained. No Stock Option shall be exercisable and no Shares shall be issued and/or transferable under any other Award unless a registration statement with respect to the Shares underlying such Stock Option is effective and current or the Corporation has determined that such registration is unnecessary.

18. LIABILITY OF CORPORATION

The Corporation shall not be liable to a Participant or other persons as to: (a) the non-issuance or sale of Shares as to which the Corporation has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Corporation's counsel to be necessary to the lawful issuance and sale of any Shares hereunder; and (b) any tax consequence expected, but not realized, by any Participant or other person due to the receipt, exercise or settlement of any Stock Option or other Award granted hereunder.

Section 3. ELIGIBILITY

- (a) Any Employee employed by Intel or by any Participating Subsidiary on a Commencement Date shall be eligible to participate in the Plan with respect to the Subscription Period first following such Commencement Date, provided that the Committee may establish administrative rules requiring that employment commence some minimum period (not to exceed 30 days) prior to a Commencement Date to be eligible to participate with respect to such Subscription Period. The Committee may also determine that a designated group of highly compensated Employees is ineligible to participate in the Plan so long as the excluded category fits within the definition of "highly compensated employee" in Code Section 414(q).
- (b) No Employee may participate in the Plan if immediately after an option is granted the Employee owns or is considered to own (within the meaning of Code Section 424(d)) shares of Common Stock, including Common Stock which the Employee may purchase by conversion of convertible securities or under outstanding options granted by Intel or its Subsidiaries, possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of Intel or of any of its Subsidiaries. All Employees who participate in the Plan shall have the same rights and privileges under the Plan, except for differences that may be mandated by local law and that are consistent with Code Section 423(b)(5); provided that individuals participating in a sub-plan adopted pursuant to Section 17 which is not designed to qualify under Code section 423 need not have the same rights and privileges as Employees participating in the Code section 423 Plan. No Employee may participate in more than one Subscription Period at a time.

Section 4. SUBSCRIPTION PERIODS

The Plan shall generally be implemented by a series of six (6) month Subscription Periods with new Subscription Periods commencing on each February 20 and August 20 and ending on the last Trading Day in the six (6) month periods ending on the following August 19 and February 19, respectively, or on such other date as the Committee shall determine, and continuing thereafter until the Plan is terminated pursuant to Section 14 hereof. The first Subscription Period shall commence on August 21, 2006 and shall end on the last Trading Day on or before February 19, 2007. The Committee shall have the authority to change the frequency and/or duration of Subscription Periods (including the commencement dates thereof) with respect to future Subscription Periods if such change is announced at least thirty (30) days prior to the scheduled occurrence of the first Commencement Date to be affected thereafter.

Section 5. PARTICIPATION

- (a) An Employee who is eligible to participate in the Plan in accordance with its terms on a Commencement Date shall automatically receive an option in accordance with Section 8(a) and may become a Participant by completing and submitting, on or before the date prescribed by the Committee with respect to a given Subscription Period, a completed payroll deduction authorization and Plan enrollment form provided by Intel or its Participating Subsidiaries or by following an electronic or other enrollment process as prescribed by the Committee. An eligible Employee may authorize payroll deductions at the rate of any whole percentage of the Employee's Compensation, not to be less than two percent (2%) and not to exceed five percent (5%) of the Employee's Compensation (or such other percentages as the Committee may establish from time to time before a Commencement Date) of such Employee's Compensation on each payday during the Subscription Period. All payroll deductions will be held in a general corporate account or a trust account. No interest shall be paid or credited to the Participant with respect to such payroll deductions. Intel shall maintain or cause to be maintained a separate bookkeeping account for each Participant under the Plan and the amount of each Participant's payroll deductions shall be credited to such account. A Participant may not make any additional payments into such account, unless payroll deductions are prohibited under Applicable Law, in which case the provisions of Section 5(b) of the Plan shall apply.
- (b) Notwithstanding any other provisions of the Plan to the contrary, in locations where local law prohibits payroll deductions, an eligible Employee may elect to participate through contributions to his or her account under the Plan in a form acceptable to the Committee. In such event, any such Employees shall be deemed to be participating in a sub-plan, unless the Committee otherwise expressly provides that such Employees shall be treated as participating in the Plan. All such contributions will be held in a general corporate account or a trust account. No interest shall be paid or credited to the Participant with respect to such contributions.
- (c) Under procedures and at times established by the Committee, a Participant may withdraw from the Plan during a Subscription Period, by completing and filing a new payroll deduction authorization and Plan enrollment form with the Company or by following electronic or other procedures prescribed by the Committee. If a Participant withdraws from the Plan during a Subscription Period, his or her accumulated payroll deductions will be refunded to the Participant without interest, his or her right to participate in the current Subscription Period will be automatically terminated and no further payroll deductions for the purchase of Common Stock will be made during the Subscription Period. Any Participant who wishes to withdraw from the Plan during a Subscription Period, must complete the withdrawal procedures prescribed by the Committee before the last forty-eight (48) hours of such Subscription Period, subject to any changes to the rules established by the Committee pertaining to the timing of withdrawals, limiting the frequency with which Participants may withdraw and re-enroll in the Plan and may impose a waiting period on Participants wishing to re-enroll following withdrawal.
- (d) A Participant may not increase his or her rate of contribution through payroll deductions or otherwise during a given Subscription Period. A Participant may decrease his or her rate of contribution through payroll deductions one time only during a given Subscription Period and only during an open enrollment period or such other times specified by the Committee by filing a new payroll deduction authorization and Plan enrollment form or by following electronic or other procedures prescribed by the

Committee. If a Participant has not followed such procedures to change the rate of contribution, the rate of contribution shall continue at the originally elected rate throughout the Subscription Period and future Subscription Periods; unless the Committee reduces the maximum rate of contribution provided in Section 5(a) and a Participant's rate of contribution exceeds the reduced maximum rate of contribution, in which case the rate of contribution shall continue at the reduced maximum rate of contribution. Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code for a given calendar year, the Committee may reduce a Participant's payroll deductions to zero percent (0%) at any time during a Subscription Period scheduled to end during such calendar year. Payroll deductions shall recommence at the rate provided in such Participant's enrollment form at the beginning of the first Subscription Period which is scheduled to end in the following calendar year, unless terminated by the Participant as provided in Section 5(c).

Section 6. TERMINATION OF EMPLOYMENT

In the event any Participant terminates employment with Intel and its Participating Subsidiaries for any reason (including death) prior to the expiration of a Subscription Period, the Participant's participation in the Plan shall terminate and all amounts credited to the Participant's account shall be paid to the Participant or, in the case of death, to the Participant's heirs or estate, without interest. Whether a termination of employment has occurred shall be determined by the Committee. If a Participant's termination of employment occurs within a certain period of time as specified by the Committee (not to exceed 30 days) prior to the Purchase Date of the Subscription Period then in progress, his or her option for the purchase of shares of Common Stock will be exercised on such Purchase Date in accordance with Section 9 as if such Participant were still employed by the Company. Following the purchase of shares on such Purchase Date, the Participant's participation in the Plan shall terminate and all amounts credited to the Participant's account shall be paid to the Participant or, in the case of death, to the Participant's heirs or estate, without interest. The Committee may also establish rules regarding when leaves of absence or changes of employment status will be considered to be a termination of employment, including rules regarding transfer of employment among Participating Subsidiaries, Subsidiaries and Intel, and the Committee may establish termination-of-employment procedures for this Plan that are independent of similar rules established under other benefit plans of Intel and its Subsidiaries; provided that such procedures are not in conflict with the requirements of Section 423 of the Code.

Section 7. STOCK

Subject to adjustment as set forth in Section 11, the maximum number of shares of Common Stock which may be issued pursuant to the Plan shall be three hundred seventy-three million (373,000,000) shares. Notwithstanding the above, subject to adjustment as set forth in Section 11, the maximum number of shares that may be purchased by any Employee in a given Subscription Period shall be seventy two thousand (72,000) shares of Common Stock. If, on a given Purchase Date, the number of shares with respect to which options are to be exercised exceeds either maximum, the Committee shall make, as applicable, such adjustment or pro rata allocation of the shares remaining available for purchase in as uniform a manner as shall be practicable and as it shall determine to be equitable.

Section 8. OFFERING

- (a) On the Commencement Date relating to each Subscription Period, each eligible Employee, whether or not such Employee has elected to participate as provided in Section 5(a), shall be granted an option to purchase that number of whole shares of Common Stock (as adjusted as set forth in Section 11) not to exceed seventy two thousand (72,000) shares (or such lower number of shares as determined by the Committee), which may be purchased with the payroll deductions accumulated on behalf of such Employee during each Subscription Period at the purchase price specified in Section 8(b) below, subject to the additional limitation that no Employee participating in the Plan shall be granted an option to purchase Common Stock under the Plan if such option would permit his or her rights to purchase stock under all employee stock purchase plans (described in Section 423 of the Code) of Intel and its Subsidiaries to accrue at a rate which exceeds U.S. twenty-five thousand dollars (U.S. \$25,000) of the Market Value of such Common Stock (determined at the time such option is granted) for each calendar year in which such option is outstanding at any time. For purposes of the Plan, an option is "granted" on a Participant's Commencement Date. An option will expire upon the earliest to occur of (i) the termination of a Participant's participation in the Plan or such Subscription Period (ii) the beginning of a subsequent Subscription Period in which such Participant is participating; or (iii) the termination of the Subscription Period. This Section 8(a) shall be interpreted so as to comply with Code Section 423(b)(8).
- (b) The Purchase Price under each option shall be with respect to a Subscription Period the lower of (i) a percentage (not less than eighty-five percent (85%)) established by the Committee ("Designated Percentage") of the Offering Price, or (ii) the Designated Percentage of the Market Value of a share of Common Stock on the Purchase Date on which the Common Stock is purchased; provided that the Purchase Price may be adjusted by the Committee pursuant to Sections 11 or 12 in accordance with Section 424(a) of the Code. The Committee may change the Designated Percentage with respect to any future Subscription Period, but not to below eighty-five percent (85%), and the Committee may determine with respect to any prospective Subscription Period that the option price shall be the Designated Percentage of the Market Value of a share of the Common Stock on the Purchase Date.

Section 9. PURCHASE OF STOCK

Unless a Participant withdraws from the Plan as provided in Section 5(c) or except as provided in Sections 7, 12 or 14(b), upon the expiration of each Subscription Period, a Participant's option shall be exercised automatically for the purchase of that number of whole shares of Common Stock which the accumulated payroll deductions credited to the Participant's account at that time shall purchase at the applicable price specified in Section 8(b). Notwithstanding the foregoing, Intel or its Participating Subsidiary may make such provisions and take such action as it deems necessary or appropriate for the withholding of taxes and/or social insurance which Intel or its Participating Subsidiary determines is required by Applicable Law. Each Participant, however, shall be responsible for payment of all individual tax liabilities arising under the Plan. The shares of Common Stock purchased upon exercise of an option hereunder shall be considered for tax purposes to be sold to the Participant on the Purchase Date. During his or her lifetime, a Participant's option to purchase shares of Common Stock hereunder is exercisable only by him or her.

Section 10. PAYMENT AND DELIVERY

As soon as practicable after the exercise of an option, Intel shall deliver or cause to have delivered to the Participant a record of the Common Stock purchased and the balance of any amount of payroll deductions credited to the Participant's account not used for the purchase, except as specified below. The Committee may permit or require that shares be deposited directly with a broker designated by the Committee or to a designated agent of the Company, and the Committee may utilize electronic or automated methods of share transfer. The Committee may require that shares be retained with such broker or agent for a designated period of time and/or may establish other procedures to permit tracking of disqualifying dispositions of such shares. Intel or its Participating Subsidiary shall retain the amount of payroll deductions used to purchase Common Stock as full payment for the Common Stock and the Common Stock shall then be fully paid and non-assessable. No Participant shall have any voting, dividend, or other Stockholder rights with respect to shares subject to any option granted under the Plan until the shares subject to the option have been purchased and delivered to the Participant as provided in this Section 10. The Committee may in its discretion direct Intel to retain in a Participant's account for the subsequent Subscription Period any payroll deductions which are not sufficient to purchase a whole share of Common Stock or to return such amount to the Participant. Any other amounts left over in a Participant's account after a Purchase Date shall be returned to the Participant without interest.

Section 11. RECAPITALIZATION

Subject to any required action by the Stockholders of Intel, if there is any change in the outstanding shares of Common Stock because of a merger, consolidation, spin-off, reorganization, recapitalization, dividend in property other than cash, stock split, reverse stock split, stock dividend, liquidating dividend, combination or reclassification of the Common Stock (including any such change in the number of shares of Common Stock effected in connection with a change in domicile of Intel), or any similar equity restructuring transaction (as that term is used in Accounting Standards Codification 718), the number of securities covered by each option under the Plan which has not yet been exercised and the number of securities which have been authorized and remain available for issuance under the Plan, as well as the maximum number of securities which may be

purchased by a Participant in a Subscription Period, and the price per share covered by each option under the Plan which has not yet been exercised, shall be equitably adjusted by the Board, and the Board shall take any further actions which may be necessary or appropriate under the circumstances. The Board's determinations under this Section 11 shall be conclusive and binding on all parties.

Section 12. MERGER, LIQUIDATION, OTHER CORPORATE TRANSACTIONS

- (a) In the event of the proposed liquidation or dissolution of Intel, the Subscription Period will terminate immediately prior to the consummation of such proposed transaction, unless otherwise provided by the Board in its sole discretion, and all outstanding options shall automatically terminate and the amounts of all payroll deductions will be refunded without interest to the Participants.
- (b) In the event of a proposed sale of all or substantially all of the assets of Intel, or the merger or consolidation or similar combination of Intel with or into another entity, then in the sole discretion of the Board, (1) each option shall be assumed or an equivalent option shall be substituted by the successor corporation or parent or subsidiary of such successor entity, (2) a date established by the Board on or before the date of consummation of such merger, consolidation, combination or sale shall be treated as a Purchase Date, and all outstanding options shall be exercised on such date, (3) all outstanding options shall terminate and the accumulated payroll deductions will be refunded without interest to the Participants, or (4) outstanding options shall continue unchanged.

Section 13. TRANSFERABILITY

Neither payroll deductions credited to a Participant's bookkeeping account nor any rights to exercise an option or to receive shares of Common Stock under the Plan may be voluntarily or involuntarily assigned, transferred, pledged, or otherwise disposed of in any way, and any attempted assignment, transfer, pledge, or other disposition shall be null and void and without effect. If a Participant in any manner attempts to transfer, assign or otherwise encumber his or her rights or interests under the Plan, other than as permitted by the Code, such act shall be treated as an election by the Participant to discontinue participation in the Plan pursuant to Section 5(c).

Section 14. AMENDMENT OR TERMINATION OF THE PLAN

- (a) The Plan shall continue from the Effective Date until August 31, 2016, unless it is terminated in accordance with Section 14(b).
- (b) The Board may, in its sole discretion, insofar as permitted by law, terminate or suspend the Plan, or revise or amend it in any respect whatsoever, and the Committee may revise or amend the Plan consistent with the exercise of its duties and responsibilities as set forth in the Plan or any delegation under the Plan, except that, without approval of the Stockholders, no such revision or amendment shall increase the number of shares subject to the Plan, other than an adjustment under Section 11 of the Plan, or make other changes for which Stockholder approval is required under Applicable Law. Upon a termination or suspension of the Plan, the Board may in its discretion (i) return without interest, the payroll deductions credited to Participants' accounts to such Participants or (ii) set an earlier Purchase Date with respect to a Subscription Period then in progress.

Section 15. ADMINISTRATION

- (a) The Board has appointed the Compensation Committee of the Board to administer the Plan (the "Committee"), who will serve for such period of time as the Board may specify and whom the Board may remove at any time. The Committee will have the authority and responsibility for the day-to-day administration of the Plan, the authority and responsibility specifically provided in this Plan and any additional duty, responsibility and authority delegated to the Committee by the Board, which may include any of the functions assigned to the Board in this Plan. The Committee may delegate to a sub-committee or to an officer or officers of Intel the day-to-day administration of the Plan. The Committee shall have full power and authority to adopt, amend and rescind any rules and regulations which it deems desirable and appropriate for the proper administration of the Plan, to construe and interpret the provisions and supervise the administration of the Plan, to make factual determinations relevant to Plan entitlements and to take all action in connection with administration of the Plan as it deems necessary or advisable, consistent with the delegation from the Board. Decisions of the Committee shall be final and binding upon all Participants. Any decision reduced to writing and signed by all of the members of the Committee shall be fully effective as if it had been made at a meeting of the Committee duly held. The Company shall pay all expenses incurred in the administration of the Plan.
- (b) In addition to such other rights of indemnification as they may have as members of the Board or officers or employees of the Company, members of the Board and of the Committee shall be indemnified by the Company against all reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan, or any right granted under the Plan, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such person is liable for gross negligence, bad faith or intentional misconduct in duties; provided, however, that within sixty (60) days after the institution of such action, suit or proceeding, such person shall offer to the Company, in writing, the opportunity at its own expense to handle and defend the same.

Section 16. COMMITTEE RULES FOR FOREIGN JURISDICTIONS

The Committee may adopt rules or procedures relating to the operation and administration of the Plan to accommodate the specific requirements of local laws and procedures. Without limiting the generality of the foregoing, the Committee is specifically authorized to adopt rules and procedures regarding handling of payroll deductions or other contributions by Participants, payment of interest, conversion of local currency, data privacy security, payroll tax, withholding procedures and handling of stock certificates which vary with local requirements; however, if such varying provisions are not in accordance with the provisions of Section 423(b) of the Code, including but not limited to the requirement of Section 423(b)(5) of the Code that all options granted under the Plan shall have the same rights and privileges unless otherwise provided under the Code and the regulations promulgated thereunder, then the individuals affected by such varying provisions shall be deemed to be participating under a sub-plan and not in the Plan. The Committee may also adopt sub-plans applicable to particular Subsidiaries or locations, which sub-plans may be designed to be outside the scope of Code section 423 and shall be deemed to be outside the scope of Code section 423 unless the terms of the sub-plan provide to the contrary. The rules of such sub-plans may take precedence over other provisions of this Plan, with the exception of Section 7, but unless otherwise superseded by the terms of such sub-plan, the provisions of this Plan shall govern the operation of such sub-plan. The Committee shall not be required to obtain the approval of the Stockholders prior to the adoption, amendment or termination of any sub-plan unless required by the laws of the foreign jurisdiction in which Employees participating in the sub-plan are located.

Section 17. SECURITIES LAWS REQUIREMENTS

- (a) No option granted under the Plan may be exercised to any extent unless the shares to be issued upon such exercise under the Plan are covered by an effective registration statement pursuant to the Securities Act and the Plan is in material compliance with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act, the Exchange Act, the rules and regulations promulgated thereunder, applicable state and foreign securities laws and the requirements of any stock exchange upon which the Shares may then be listed, subject to the approval of counsel for the Company with respect to such compliance. If on a Purchase Date in any Subscription Period hereunder, the Plan is not so registered or in such compliance, options granted under the Plan which are not in material compliance shall not be exercised on such Purchase Date, and the Purchase Date shall be delayed until the Plan is subject to such an effective registration statement and such compliance, except that the Purchase Date shall not be delayed more than twelve (12) months and the Purchase Date shall in no event be more than twenty-seven (27) months from the

Commencement Date relating to such Subscription Period. If, on the Purchase Date of any offering hereunder, as delayed to the maximum extent permissible, the Plan is not registered and in such compliance, options granted under the Plan which are not in material compliance shall not be exercised and all payroll deductions accumulated during the Subscription Period (reduced to the extent, if any, that such deductions have been used to acquire shares of Common Stock) shall be returned to the Participants, without interest. The provisions of this Section 17 shall comply with the requirements of Section 423(b)(5) of the Code to the extent applicable.

- (b) As a condition to the exercise of an option, Intel may require the person exercising such option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for Intel, such a representation is required by any of the aforementioned applicable provisions of law.

Section 18. GOVERNMENTAL REGULATIONS

This Plan and Intel's obligation to sell and deliver shares of its stock under the Plan shall be subject to the approval of any governmental authority required in connection with the Plan or the authorization, issuance, sale, or delivery of stock hereunder.

Section 19. NO ENLARGEMENT OF EMPLOYEE RIGHTS

Nothing contained in this Plan shall be deemed to give any Employee or other individual the right to be retained in the employ or service of Intel or any Participating Subsidiary or to interfere with the right of Intel or Participating Subsidiary to discharge any Employee or other individual at any time, for any reason or no reason, with or without notice.

Section 20. GOVERNING LAW

This Plan shall be governed by applicable laws of the State of Delaware and applicable federal law.

Section 21. EFFECTIVE DATE

This Plan shall be effective on the Effective Date, subject to approval of the Stockholders of Intel within twelve (12) months before or after its date of adoption by the Board.

Section 22. REPORTS

Individual accounts shall be maintained for each Participant in the Plan. Statements of account shall be made available to Participants at least annually, which statements shall set forth the amounts of payroll deductions, the Purchase Price, the number of shares of Common Stock purchased and the remaining cash balance, if any.

Section 23. DESIGNATION OF BENEFICIARY FOR OWNED SHARES

With respect to shares of Common Stock purchased by the Participant pursuant to the Plan and held in an account maintained by Intel or its assignee on the Participant's behalf, the Participant may be permitted to file a written designation of beneficiary, who is to receive any shares and cash, if any, from the Participant's account under the Plan in the event of such Participant's death subsequent to the end of a Subscription Period but prior to delivery to him or her of such shares and cash. In addition, a Participant may file a written designation of a beneficiary who is to receive any cash from the Participant's account under the Plan in the event of such Participant's death prior to the Purchase Date of a Subscription Period. If a Participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective, to the extent required by local law. The Participant (and if required under the preceding sentence, his or her spouse) may change such designation of beneficiary at any time by written notice. Subject to local legal requirements, in the event of a Participant's death, Intel or its assignee shall deliver any shares of Common Stock and/or cash to the designated beneficiary. Subject to local law, in the event of the death of a Participant and in the absence of a beneficiary validly designated who is living at the time of such Participant's death, Intel shall deliver such shares of Common Stock and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of Intel), Intel in its sole discretion, may deliver (or cause its assignee to deliver) such shares of Common Stock and/or cash to the spouse, or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to Intel, then to such other person as Intel may determine. The provisions of this Section 23 shall in no event require Intel to violate local law, and Intel shall be entitled to take whatever action it reasonably concludes is desirable or appropriate in order to transfer the assets allocated to a deceased Participant's account in compliance with local law.

Section 24. ADDITIONAL RESTRICTIONS OF RULE 16b-3.

The terms and conditions of options granted hereunder to, and the purchase of shares of Common Stock by, persons subject to Section 16 of the Exchange Act shall comply with the applicable provisions of Rule 16b-3. This Plan shall be deemed to contain, and such options shall contain, and the shares of Common Stock issued upon exercise thereof shall be subject to, such additional conditions and restrictions, if any, as may be required by Rule 16b-3 to qualify for the maximum exemption from Section 16 of the Exchange Act with respect to Plan transactions.

Section 25. NOTICES

All notices or other communications by a Participant to Intel or the Committee under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by Intel or the Committee at the location, or by the person, designated by Intel for the receipt thereof.
