Ladies and Gentlemen:

Intel Corporation, a corporation organized under the laws of the State of Delaware (the “Company”), proposes to sell to the several underwriters named in Schedule II hereto (the “Underwriters”), for whom Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Securities, LLC are acting as representatives (the “Representatives”), the principal amount of its securities identified in Schedule I hereto (the “Securities”), to be issued under an indenture dated as of March 29, 2006, as supplemented by the first supplemental indenture (as so supplemented, the “Base Indenture”) dated as of December 3, 2007 between the Company and Wells Fargo Bank, N.A., as successor trustee (the “Trustee”), together with a supplemental indenture to be dated as of the Closing Date (as defined herein) with respect to the Securities (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”). To the extent there are no additional Underwriters listed on Schedule I other than you, the term Representatives as used herein shall mean you, as Underwriters, and the terms Representatives and Underwriters shall mean either the singular or plural as the context requires. Any reference herein to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 which were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be; and any reference herein to the terms

“amend,” “amendment” or “supplement” with respect to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be, deemed to be incorporated therein by reference. Certain terms used herein, but not otherwise defined elsewhere, are defined in Section 19 hereof.

1. Representations and Warranties. The Company represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) The Company meets the requirements for use of Form S-3 under the Act and has prepared and filed with the Commission: an automatic shelf registration statement, as defined in Rule 405 (the file number of which is set forth in Schedule I hereto) on Form S-3, including a related Base Prospectus, for registration under the Act of the offering and sale of the Securities. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, became effective upon filing. The Company may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus supplements relating to the Securities, each of which has previously been furnished to you. The Company will file with the Commission a final prospectus supplement relating to the Securities in accordance with Rule 424(b). As filed, such final prospectus supplement shall comply in all material respects with the applicable requirements of the Act, and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and any Preliminary Prospectus) as the Company has advised you, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x). The initial Effective Date of the Registration Statement was not earlier than the date three years before the Execution Time.

(b) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date (as defined herein), the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act and the Trust Indenture Act; on each Effective Date and at the Execution Time, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Effective Date and on the Closing Date the Indenture did or will comply in all material respects with the applicable requirements of the Trust Indenture Act; and on the date of any filing pursuant to Rule 424(b) and on the Closing Date, the Final Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not

behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(c) (i) The Disclosure Package, taken together with the underwriting commissions and net proceeds set forth in the Final Prospectus, and (ii) each electronic road show, when taken together as a whole with the Disclosure Package, does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(d) (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Sections 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Securities in reliance on the exemption in Rule 163, and (iv) at the Execution Time (with such date being used as the determination date for purposes of this clause (iv)), the Company was or is (as the case may be) a “well-known seasoned issuer” as defined in Rule 405. The Company agrees to pay the fees required by the Commission relating to the Securities within the time required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r).

(e) (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2)) of the Securities and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

3

(f) Each Issuer Free Writing Prospectus and the final term sheet prepared and filed pursuant to Section 5(b) hereto does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein by reference and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(b) To prepare a final term sheet, containing solely a description of final terms of the Securities and the offering thereof, in the form approved by you and attached as Schedule IV hereto and to file such term sheet pursuant to Rule 433(d) within the time required by such Rule.

8

(c) If, at any time prior to the filing of the Final Prospectus pursuant to Rule 424(b), any event occurs as a result of which the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made or the circumstances then prevailing not misleading, the Company will (i) notify promptly the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure Package to correct such statement or omission; and (iii) supply any amendment or supplement to you in such quantities as you may reasonably request.

(d) If, at any time when a prospectus relating to the Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Final Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Final Prospectus to comply with the Act or the Exchange Act, including in connection with the use or delivery of the Final Prospectus, the Company promptly will (i) notify the Representatives of any such event, (ii) prepare and file with the Commission, subject to paragraph (a) of this Section 5, an amendment or supplement or new registration statement which will correct such statement or omission or effect such compliance, (iii) use its best efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in the use of the Final Prospectus and (iv) supply any supplemented or amended Final Prospectus to you in such quantities as you may reasonably request.

(e) As soon as practicable, the Company will make generally available to its security holders and to the Representatives an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158.

(f) The Company will furnish to the Representatives and counsel for the Underwriters, without charge, signed copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), as many copies of each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as the Representatives may reasonably request.

(g) The Company will arrange, if necessary, for the qualification of the Securities for sale under the laws of such jurisdictions as the Representatives may reasonably request and will maintain such qualifications in effect so long as reasonably required for the distribution of the Securities and, subject to the proviso in Section 5(k),

9

will pay all fees and expenses (including fees and disbursements of counsel to the Underwriters) in connection with such qualification and in connection with the determination of the eligibility of the Securities for investment under the laws of such jurisdictions as the Representatives may designate; provided that in no event shall the Company be obligated (i) to qualify to do business in any jurisdiction where it is not now so qualified, (ii) to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject or (iii) to subject itself to taxation in any jurisdiction if it is not now otherwise so subject.

(h) The Company agrees that, unless it has or shall have obtained the prior written consent of the Representatives, and each Underwriter, severally and not jointly, agrees with the Company that, unless it has or shall have obtained, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a Free Writing Prospectus required to be filed by the Company with the Commission or retained by the Company under Rule 433, other than a free writing prospectus containing the information contained in the final term sheet prepared and filed pursuant to Section 5(b) hereto; *provided* that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Issuer Free Writing Prospectuses included in Schedule III hereto and any electronic road show. Any such Free Writing Prospectus consented to by the Representatives or the Company is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(i) The Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge, or otherwise dispose of (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company or any affiliate of the Company or any person in privity with the Company or any affiliate of the Company), directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, any debt securities issued or guaranteed by the Company (other than the Securities or securities that may be issued or guaranteed by the Company, from time to time, in connection with any Additional Debt Financing (as defined in the Preliminary Prospectus) that has been publicly announced or, if no offering document has been filed with the Commission, has been disclosed to the Representatives as promptly as practicable after the commencement of such offering) or publicly announce an intention to effect any such transaction, until the Business Day set forth on Schedule I hereto.

10

(j) The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(k) The Company agrees to pay the costs and expenses relating to the following matters: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus, and all amendments or supplements to any of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Securities; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (iv) the printing (or reproduction) and delivery of this Agreement, and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Securities; (v) the registration of the Securities under the Exchange Act; (vi) any registration or qualification of the Securities for offer and sale under the securities or blue sky laws of the several states (including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such registration and qualification); (vii) the transportation and other expenses incurred by or on behalf of Company representatives in connection with presentations to prospective purchasers of the Securities; (viii) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company; and (x) all other costs and expenses incident to the performance by the Company of its obligations hereunder. It is understood, however, that except as provided in this Section and Sections 7 and 8 hereof, the Underwriters will pay all of their own costs and expenses, including the fees and disbursements of their counsel and any advertising expenses connected with any offers they may make. The Underwriters severally agree to reimburse the Company for its reasonable, documented, out-of-pocket costs and expenses incurred in connection with the offering of Securities hereby in an amount up to \$3.5 million within five Business Days of receipt by the Representatives from the Company of an invoice documenting such expenses.

6. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Securities shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein as of the Execution Time and the Closing Date, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions:

11

(a) The Final Prospectus, and any supplement thereto, have been filed in the manner and within the time period required by Rule 424(b); the final term sheet contemplated by Section 5(b) hereto, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use shall have been issued and no proceedings for that purpose shall have been instituted or threatened.

(b) The Company shall have requested and caused Gibson, Dunn & Crutcher LLP, outside counsel for the Company, to have furnished to the Representatives their opinion and negative assurance letter, dated the Closing Date and addressed to the Representatives, in the form agreed between such counsel and the Representatives.

(c) Tiffany Doon Silva, Corporate Counsel to the Company, shall have furnished to the Representatives her opinion, dated the Closing Date and addressed to the Representatives, in the form agreed between such counsel and the Representatives.

(d) The Representatives shall have received from Davis Polk & Wardwell LLP, counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture, the Registration Statement, the Disclosure Package, the Final Prospectus (together with any supplement thereto) and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they shall reasonably request for the purpose of enabling them to pass upon such matters.

(e) The Company shall have furnished to the Representatives a certificate of the Company, signed by the Treasurer of the Company, dated the Closing Date, to the effect that the signer of such certificate has carefully examined the Registration Statement, the Disclosure Package, the Final Prospectus and any supplements or amendments thereto, as well as each electronic road show used in connection with the offering of the Securities, and this Agreement and that:

(i) the representations and warranties of the Company contained in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date;

(ii) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened; and

12

(iii) since the date of the most recent financial statements included in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there has been no Material Adverse Effect, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto).

(f) On the date of this Agreement and also on the Closing Date, Ernst & Young LLP shall have furnished to the Representatives letters, dated the respective dates of delivery thereof, in form and substance satisfactory to you, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in the Disclosure Package and the Final Prospectus.

References to the Final Prospectus in this paragraph (f) include any supplement thereto at the date of the letter.

(g) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereof) and the Final Prospectus (exclusive of any amendment or supplement thereto), there shall not have been any (i) change to the capital stock (except for the issuance of options or the issuance or vesting of stock awards or restricted stock units pursuant to the Company's equity incentive plans existing on the date hereof or any shares issued pursuant to "earnout" provisions in any completed acquisition by the Company, and except for repurchases of common stock pursuant to the Company's previously announced common stock repurchase authorization) or long-term debt of the Company or any Material Adverse Effect, otherwise than as set forth or contemplated in the Disclosure Package and the Final Prospectus or (ii) the suspension or material limitation of trading in the capital stock of the Company on The NASDAQ Global Select Market, the effect of which in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the offering or the delivery of the Securities on the terms and in the manner contemplated by the Registration Statement (exclusive of any amendment thereof), the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(h) Subsequent to the Execution Time, there shall not have occurred any downgrading, nor shall any notice have been given of (i) any intended or potential downgrading or (ii) any review or possible change that does not indicate an improvement in the rating accorded any securities of or guaranteed by the Company by any "nationally recognized statistical rating organization" (as such term is defined in Section 3(a)(62) of the Exchange Act).

(i) Prior to the Closing Date, the Company shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

13

If any of the conditions specified in this Section 6 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 6 shall be delivered at the office of Davis Polk & Wardwell LLP, counsel for the Underwriters, at 1600 El Camino Real, Menlo Park, California 94025, on the Closing Date.

7. Reimbursement of Underwriters' Expenses. If this Agreement shall be terminated by the Underwriters because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement or any condition of the Underwriters' obligations cannot be fulfilled because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, the Company agrees to reimburse the Underwriters severally through the Representatives on demand, for all documented, reasonable out-of-pocket expenses (including the reasonable fees and expenses of their counsel) incurred by them in connection with the proposed purchase and sale of the Securities.

8. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless the Underwriters, the directors, officers, employees, affiliates and agents of each Underwriter and each person, if any, who controls any of the Underwriters within the meaning of either Section 15 of the Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including without limitation the reasonable and documented legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted) caused by (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Disclosure Package (or any part thereof) (taken together with the underwriting commissions and net proceeds set forth in the Final Prospectus), any Issuer Free Writing Prospectus or the Final Prospectus (or any amendment or supplement thereto if the Company shall have filed or furnished any amendments or supplements thereto), or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, except insofar as such losses, claims, damages or liabilities are caused by any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with information relating to any of the Underwriters

14

furnished to the Company in writing by the Underwriters through you expressly for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

(b) The Underwriters agree to indemnify and hold harmless the Company, its directors, its officers and each person who controls the Company within the meaning of Section 15 of the Act and Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to the Underwriters, but only with reference to information relating to any of the Underwriters furnished to the Company in writing by the Underwriters expressly for use in the Registration Statement, the Disclosure Package (or any part thereof), any Issuer Free Writing Prospectus or the Final Prospectus (or any amendment or supplement thereto), it being understood and agreed upon that the only such information furnished by any Underwriter consists of the following information in the Disclosure Package and the Final Prospectus furnished on behalf of each Underwriter: the information contained in (i) the third paragraph under the caption "Underwriting", (ii) the third sentence of the first paragraph under the caption "Underwriting—New Issue of Notes" and (iii) the two paragraphs under the caption "Underwriting—Stabilization and Short Positions."

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnity may be sought pursuant to either of the two preceding paragraphs, such person (the "Indemnified Person") shall promptly notify the person against whom such indemnity may be sought (the "Indemnifying Person"), and the Indemnifying Person shall be entitled to assume the defense of all Indemnified Persons in connection with such suit, action, proceeding, claim or demand, using counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such counsel related to such proceeding. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the

expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary, (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person or (iii) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm for the Underwriters, the directors, officers, employees, affiliates and agents of each Underwriter and such control persons of the Underwriters shall be designated in writing by the Representatives and any such separate firm for the Company, its directors, its

officers and such control persons of the Company shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify any Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the prior written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Person, unless such settlement includes an unconditional release of such Indemnified Person from all liability on claims that are the subject matter of such proceeding on terms reasonably satisfactory to such Indemnified Person.

(d) If the indemnification provided for in the first and second paragraphs of this Section 8 is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other, in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other, shall be deemed to be in the same respective proportions as the net proceeds from the offering of such Securities (before deducting expenses) received by the Company and the total discounts and commissions received by the Underwriters bear to the aggregate offering price of the Securities. The relative fault of the Company, on the one hand, and the Underwriters, on the other, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) of this Section 8. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) of this Section 8 shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with investigating or defending any such action or claim. Notwithstanding

the provisions of this Section 8, in no event shall the Underwriters be required to contribute any amount in excess of the amount by which the total price at which the Securities purchased by it were offered exceeds the amount of any damages that the Underwriters have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(f) The remedies provided for in this Section 8 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of Securities set forth opposite the names of all the remaining Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, and arrangements satisfactory to the Underwriters and the Company for the purchase of such Securities are not made within 36 hours after such default, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives and the Company shall determine in order that the required changes in the Registration Statement, the Disclosure Package and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any nondefaulting Underwriter for damages occasioned by its default hereunder. As used in this Agreement, the term "Underwriter" includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in the Underwriting Agreement that, pursuant to this Section 9, purchases Securities that a defaulting Underwriter agreed but failed to purchase.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by written notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such delivery and payment (i) trading generally shall have been suspended or materially limited on or by, as the case may be, The New York Stock Exchange or The NASDAQ Global Select Market, (ii) trading of any securities of or guaranteed by the Company shall have been suspended on any exchange or in

any over the counter market, (iii) a general moratorium on commercial banking activities in New York shall have been declared by either Federal or New York State authorities or (iv) there shall have occurred any outbreak or escalation of hostilities or any change in U.S. financial markets or any calamity or crisis that, in the judgment of the

Representatives, is material and adverse and that, in the judgment of the Representatives, makes it impracticable or inadvisable to proceed with the offering or delivery of the Securities as contemplated by this Agreement, the Disclosure Package or the Final Prospectus (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company or any of the officers, directors, employees, affiliates, agents or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 7, 8 and 16 hereof shall survive the termination or cancellation of this Agreement.

12. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representatives, will be mailed, delivered or telefaxed to (x) Merrill Lynch, Pierce, Fenner & Smith Incorporated, 50 Rockefeller Plaza NY1-050-12-01 New York, New York 10020 (fax: (646) 855-5958); Attention: High Grade Transaction Management/Legal or (y) Wells Fargo Securities, LLC, 550 South Tryon Street, Charlotte, North Carolina 28202 (fax: (704) 410-0326); Attention: Transaction Management; or, if sent to the Company, will be mailed, delivered or telefaxed to Intel Corporation, 2200 Mission College Boulevard, Santa Clara, California 95054, Attention: Treasurer (fax: (408) 653-6796), with a copy to the Director of Corporate Legal Group (fax: (408) 653-8050).

13. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers, directors, employees, affiliates, agents and controlling persons referred to in Section 8 hereof, and no other person will have any right or obligation hereunder. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any other person, firm or corporation any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. No purchaser of Securities from the Underwriters shall be deemed to be a successor by reason merely of such purchase.

14. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) among the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

15. Applicable Law. This Agreement will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York.

18

16. Waiver of Jury Trial. The parties hereto hereby irrevocably waive, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

17. Counterparts. This Agreement may be signed in any number of counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement.

\$ aggregate principal amount of % Senior Notes due 2022,
\$ aggregate principal amount of % Senior Notes due 2025, and
\$ aggregate principal amount of % Senior Notes due 2045

Ladies and Gentlemen:

We have acted as counsel to Intel Corporation, a Delaware corporation (the “Company”), in connection with the offering and sale by the Company of \$ principal amount of % notes due 2020, \$ principal amount of % notes due 2022, \$ principal amount of % notes due 2025 and \$ principal amount of % notes due 2045 (the “Securities”) pursuant to the Underwriting Agreement dated as of July 22, 2015 (the “Underwriting Agreement”) among the Company and the Underwriters named therein (the “Underwriters”) for whom you are acting as Representatives. The Securities are being issued pursuant to an indenture dated as of March 29, 2006, as supplemented by the first supplemental indenture dated as of December 3, 2007 (together, the “Base Indenture”) between the Company and Wells Fargo Bank, National Association, as successor trustee (the “Trustee”), together with a supplemental indenture dated as of July 29, 2015 with respect to the Securities (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”). This letter is delivered to you pursuant to Section 6(b) of the Underwriting Agreement.

In arriving at the opinions expressed below, we have examined originals, or copies certified or otherwise identified to our satisfaction, of the Underwriting Agreement, the Indenture, the Securities and such other documents, corporate records, certificates of officers of the Company and of public officials and other instruments as we have deemed necessary or advisable to enable us to render these opinions. In our examination, we have assumed the genuineness of all

signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as copies. As to any facts material to these opinions, we have relied to the extent we deemed appropriate and without independent investigation

upon statements and representations of officers and other representatives of the Company and others. Capitalized terms used herein and not otherwise defined herein are used herein as defined in the Underwriting Agreement.

Based upon the foregoing, and subject to the assumptions, exceptions, qualifications and limitations set forth herein, we are of the opinion that:

1. The Company is a validly existing corporation in good standing under the laws of the State of Delaware.
2. The Company has the corporate power to execute and deliver the Underwriting Agreement, the Base Indenture, the Supplemental Indenture and the Securities and to perform its obligations thereunder.
3. The execution, delivery and performance of the Underwriting Agreement, the Base Indenture, the Supplemental Indenture and the Securities have been duly authorized by all necessary corporate action.
4. The Underwriting Agreement has been duly executed and delivered by the Company.
5. The Base Indenture and the Supplemental Indenture have been duly executed and delivered by the Company and constitute legal, valid and binding obligations of the Company enforceable against the Company in accordance with their terms.
6. The Securities, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters in accordance with the terms of the Underwriting Agreement, will be legal, valid and binding obligations of the Company enforceable against the Company in accordance with their terms.
7. The execution and delivery by the Company of the Underwriting Agreement, the Indenture, the Supplemental Indenture and the Securities and the issuance by the Company of the Securities to the Underwriters (i) do not and will not violate any law or regulation currently in effect of the State of New York, the State of California or the United States of America applicable to the Company or the Delaware General Corporation Law; and (ii) do not and will not require any filing with or approval of any governmental authority or regulatory body of the State of New York, the State of California or the United States of America under any law or regulation of the State of New York, the State of California or the United States of America applicable to the Company or the Delaware General Corporation Law, except for such filings or approvals as already have been made or obtained under the Securities Act of 1933, as amended (the “Securities Act”), and the Trust Indenture Act of 1939, as amended. Other than the last clause of the preceding sentence, we are expressing no opinion in this paragraph regarding federal or state securities laws.
8. To the extent that the statements in the Prospectus under the caption “Certain U.S. Federal Income Tax Consequences” purport to describe specific provisions of the Internal Revenue Code or the rules and regulations thereunder or legal conclusions with respect

thereto, such statements in our opinion present in all material respects a fair and accurate summary of such matters.

9. The statements included or incorporated by reference in (A) the Registration Statement in Item 15 and (B) the Disclosure Package and the Final Prospectus under the captions “Description of Notes,” “Description of Debt Securities,” and “Underwriting,” insofar as such statements specifically relate to provisions of documents or provisions of the Delaware General Corporation Law described therein, such statements present in all material respects an accurate summary of such provisions.

The opinions expressed above are subject to the following exceptions, qualifications, limitations and assumptions:

- A. We render no opinion herein as to matters involving the laws of any jurisdiction other than the State of New York, the State of California, the United States of America and, for purposes of paragraphs 1 through 7 above, the Delaware General Corporation Law. We are not admitted to practice in the State of Delaware; however, we are generally familiar with the Delaware General Corporation Law as currently in effect and have made such inquiries as we consider necessary to render the opinions contained in paragraphs 1 through 7 above. This opinion is limited to the effect of the current state of the laws of the State of New York, the State of California, the United States of America and, to the limited extent set forth above, the Delaware General Corporation Law and the facts as they currently exist. We assume no obligation to revise or supplement this opinion in the event of future changes in such laws or the interpretations thereof or such facts.
- B. Except as expressly set forth in paragraph 7, we express no opinion regarding the Securities Act, the Securities Exchange Act of 1934, as amended, the Trust Indenture Act of 1939 or any other federal or state securities laws or regulations.
- C. The opinions set forth in paragraphs 5 and 6 above are each subject to (i) the effect of any bankruptcy, insolvency, reorganization, moratorium, arrangement or similar laws affecting the rights and remedies of creditors generally, including the effect of statutory or other laws regarding fraudulent transfers or preferential transfers, and (ii) general principles of equity, including concepts of materiality, reasonableness, good faith and fair dealing and the possible unavailability of specific performance, injunctive relief or other equitable remedies regardless of whether enforceability is considered in a proceeding in equity or at law.
- D. We express no opinion regarding the effectiveness of (i) any waiver of stay, extension or usury laws or of unknown future rights or (ii) provisions relating to indemnification or contribution, to the extent such provisions may be contrary to public policy or federal or state securities laws.

The opinions expressed above are solely for your benefit in connection with the transactions contemplated by the Underwriting Agreement and the Indenture and are not to be used for any other purpose or circulated, quoted or otherwise referred to for any purpose without, in each

case, our written permission, except that Wells Fargo Bank, National Association in its capacity as Trustee under the Indenture, may rely on paragraphs 1 through 7 above as if they were addressed to it.

Very truly yours,

\$ aggregate principal amount of % Senior Notes due 2022,
\$ aggregate principal amount of % Senior Notes due 2025, and
\$ aggregate principal amount of % Senior Notes due 2045

Ladies and Gentlemen:

We have acted as counsel to Intel Corporation, a Delaware corporation (the “Company”), in connection with the offering and sale by the Company of \$ principal amount of % notes due 2020, \$ principal amount of % notes due 2022, \$ principal amount of % notes due 2025 and \$ principal amount of % notes due 2045 (the “Securities”) pursuant to the Underwriting Agreement dated as of July , 2015 (the “Underwriting Agreement”) among the Company and the Underwriters named therein (the “Underwriters”) for whom you are acting as Representatives. The Securities are being issued pursuant to an indenture dated as of March 29, 2006, as supplemented by the first supplemental indenture dated as of December 3, 2007 (together, the “Base Indenture”) between the Company and Wells Fargo Bank, National Association, as successor trustee (the “Trustee”), together with a supplemental indenture dated as of July 29, 2015 with respect to the Securities (the “Supplemental Indenture”) and, together with the Base Indenture, the “Indenture”). This letter is delivered to you pursuant to Section 6(b) of the Underwriting Agreement.

In connection with the offering and sale of the Securities, we have reviewed: (i) the Company’s Registration Statement on Form S-3 (Registration No. 333-185253) filed with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Securities Act”), on December 4, 2012 for the registration of debt securities, common stock, preferred stock, warrants, depositary shares, purchase contracts, guarantees and units; (ii) the

core prospectus dated December 4, 2012 forming a part thereof, together with the documents incorporated therein by reference (the “Core Prospectus”); (iii) the preliminary prospectus supplement dated July 22, 2015 (the “Preliminary Prospectus Supplement”), in the form filed with the Commission pursuant to Rule 424(b) under the Securities Act on July 22, 2015; (iv) the final pricing term sheet dated July 22, 2015 prepared pursuant to Section 5(b) and Schedule IIIA of the Underwriting Agreement, in the forms filed with the Commission pursuant to Rule 433 under the Securities Act on July 22, 2015; and (v) the final prospectus supplement dated July 22, 2015 (the “Final Prospectus Supplement”) and, collectively with the Preliminary Prospectus Supplement, the “Prospectus Supplement”) in the form filed with the Commission pursuant to Rule 424(b) under the Securities Act on July [-], 2015. The registration statement, in the form in which it became effective on July 22, 2015, together with the documents incorporated therein by reference, is called the “Registration Statement.” The Core Prospectus together with the Final Prospectus Supplement is called the “Prospectus.” The Core Prospectus, including only the information incorporated therein by reference (as updated or superseded as provided therein) prior to [-], Eastern time, on July 22, 2015 (the “Applicable Time”), the Preliminary Prospectus Supplement and the Term Sheet are collectively called the “General Disclosure Package”.

Based solely on representations and warranties of the Company contained in the Underwriting Agreement as to factual matters, we are of the view that the Registration Statement is effective under the Securities Act and the Base Indenture has been qualified under the Trust Indenture Act of 1939, as amended. To our knowledge, based solely upon confirmation from Commission’s website (<https://www.sec.gov/litigation/stoporders.shtml>) on July 29, 2015, as of the time of such confirmation no stop order suspending the effectiveness of the Registration Statement has been issued under the Securities Act and no proceedings for that purpose have been instituted by the Commission.

We have participated in conferences with officers and other representatives of the Company, representatives of the independent auditors of the Company and your representatives and counsel at which the contents of the Registration Statement, the General Disclosure Package and the Prospectus and related matters were discussed. Because the purpose of our professional engagement was not to establish or confirm factual matters and because we did not independently undertake to verify the accuracy, completeness or fairness of the statements set forth in the Registration Statement, the General Disclosure Package or the Prospectus, we are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement, the General Disclosure Package or the Prospectus except insofar as such statements specifically relate to us and to the extent expressly set forth in paragraphs 8 and 9 of our opinion delivered separately to you today. Our identification of information as constituting the General Disclosure Package is for the limited purpose of making the statements set forth in this letter. We express no opinion or belief as to the conveyance of the General Disclosure Package or the Prospectus or the information contained therein to investors generally or to any particular investors at any particular time or in any particular manner.

On the basis of the foregoing, and except for the financial statements and schedules, statistical information and other information of an accounting or financial nature and the Statement of Eligibility on Form T-1 of the Trustee included or incorporated by reference therein, as to which we express no opinion or belief, no facts have come to our attention that led us to believe: (a)

that the Registration Statement, at the time it became effective (which, for purposes of this letter, shall mean July 22, 2015), or the Prospectus, as of the date of the Final Prospectus Supplement, were not appropriately responsive in all material respects to the requirements of the Securities Act, the Securities Exchange Act of 1934, as amended and the Trust Indenture Act of 1939, as amended and the applicable rules and regulations of the Commission thereunder; or (b)(i) that the Registration Statement, at the time it became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein, or necessary to make the statements therein not misleading, (ii) that the General Disclosure Package, taken together with the underwriting commissions and net proceeds set forth in the Prospectus, at the Applicable Time, included an untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in the light of the circumstances under which they

were made, not misleading or (iii) that the Prospectus, as of its date or as of the date hereof, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

We assume no obligation to revise or supplement this letter in the event of any changes in law or fact arising after the date hereof. The statements made in this letter are solely for your benefit in connection with the transactions contemplated by the Underwriting Agreement and the Indenture and are not to be used for any other purpose or circulated, quoted or otherwise referred to without, in each case, our written permission.

(c) Notwithstanding any other provision in the Indenture, no Global Security may be exchanged in whole or in part for Notes registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any Person other than the Depositary for such Global Security or a nominee thereof unless (A) such Depositary (1) has notified the Company that it is unwilling or unable to continue as Depositary for such Global Security and no successor Depositary has been appointed within 90 days after such notice or (2) ceases to be a “clearing agency” registered under Section 17A of the Exchange Act when the Depositary is required to be so registered to

act as the Depositary and so notifies the Company, and no successor Depositary has been appointed within 90 days after such notice, (B) the Company determines at any time that the Notes shall no longer be represented by Global Securities and shall inform such Depositary of such determination and participants in such Depositary elect to withdraw their beneficial interests in the Notes from such Depositary, following notification by the Depositary of their right to do so, or (C) such exchange is made upon request by or on behalf of the Depositary in accordance with customary procedures, following the request of a Holder seeking to exercise or enforce its rights under the Notes during the continuance of an Event of Default.

(d) Subject to clause (c) above, any exchange of a Global Security for other Notes may be made in whole or in part, and all Notes issued in exchange for a Global Security or any portion thereof shall be registered in such names as the Depositary for such Global Security shall direct in writing to the Trustee.

(e) Every Note authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security or any portion thereof shall be authenticated and delivered in the form of, and shall be, a Global Security, unless such Note is registered in the name of a Person other than the Depositary for such Global Security or a nominee thereof.

(f) Subject to the provisions of clause (h) below, the registered Holder may grant proxies and otherwise authorize any Person, including Agent Members (as defined below in clause (h)) and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under the Indenture or the Notes.

(g) In the event of the occurrence of any of the events specified in clause (c) above, the Company will promptly make available to the Trustee a reasonable supply of certificated Notes in definitive, fully registered form, without interest coupons.

Notwithstanding the foregoing, nothing herein shall prevent the Company or the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or such nominee, as the case may be, or impair, as between the Depositary, its Agent Members and any other Person on whose behalf an Agent Member may act, the operation of customary practices of such Persons governing the exercise of the rights of a Holder of any Note.

- (ii) may have a different issue price from other Outstanding Notes of such series; and
- (iii) may have a different amount of interest payable on the first Interest Payment Date after issuance than is payable on other Outstanding Notes of such series;

provided that if such Additional Notes are not fungible with the applicable series of Initial Notes for U.S. federal income tax purposes, such Additional Notes will have one or more separate CUSIP numbers. Such Additional Notes may be consolidated and form a single series with, and will have the same terms as to ranking, redemption, waivers, amendments or otherwise, as the applicable series of Notes, and will vote together as one class on all matters with respect to such series of Notes.

(b) At any time and from time to time, the Notes of any series shall be redeemable, as a whole or in part, at the Company’s option. The Redemption Price for (x) the 2020 Notes and the 2022 Notes at any time prior to their Stated Maturity and (y) the 2025 Notes and the 2045 Notes prior to the Applicable Par Call Date, will equal the greater of (i) 100% of the aggregate principal amount of the Notes to be redeemed or (ii) the sum, as determined by the Independent Investment Banker based on the Reference

Treasury Dealer Quotations, of the present values of the Remaining Scheduled Payments, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Treasury Rate plus 15 basis points, in the case of the 2020 Notes, 20 basis points, in the case of the 2022 Notes, 25 basis points in the case of the 2025 Notes and 30 basis points, in the case of the 2045 Notes, plus, in the case of each of clause (i) or (ii), accrued and unpaid interest thereon to, but not including, the Redemption Date for such Notes. On or after the Applicable Par Call Date for the 2025 Notes and the 2045 Notes, the Redemption Price will equal 100% of the aggregate principal amount of the 2025 Notes or the 2045 Notes, as the case may be, to be redeemed, plus accrued and unpaid interest thereon to, but not including, the Redemption Date for such Notes.

(c) On and after the Redemption Date for a series of Notes, interest will cease to accrue on such Notes or any portion thereof called for redemption, unless the Company defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Company shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date. If less than all of the Notes of a series are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by lot, on a pro-rata basis or by such method as the Trustee deems fair and appropriate and subject, in the case of Notes represented by Global Securities, to the applicable procedures of the Depositary; *provided*, however that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part. The Company need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the electronic delivery or mailing of a notice of redemption, nor need the Company register the transfer or exchange of any Note selected for redemption in whole or in part.

(d) Notice of any redemption pursuant to this Section 4.01 shall be electronically delivered or mailed at least 30 days (in the case of any redemption 2020 Notes or 2022 Notes prior to their Stated Maturity or any redemption of 2025 Notes or 2045 Notes with a Redemption Date prior to the Applicable Par Call Date) or 15 days (in the case

of any redemption of 2025 Notes or 2045 Notes with a Redemption Date on or after the Applicable Par Call Dates for such Notes) but in each case not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed. Such notice shall state the Redemption Price (if known) or the formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as described above in clause (b), shall be set forth in an Officer's Certificate delivered to the Trustee no later than two Business Days prior to the Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price.

Section 4.02. *Special Mandatory Redemption.* (a) Subject to Section 1.02 hereof, the provisions of Article 11 of the Base Indenture, as supplemented by the provisions of this Supplemental Indenture, shall apply to the 2025 Notes and the 2045 Notes.

(b) If the Company does not consummate the Altera Acquisition on or prior to December 31, 2016 or if, on or prior to such date, the Altera Merger Agreement is terminated other than as a result of consummating the Altera Acquisition, then the Company will be required to redeem all outstanding 2025 Notes and 2045 Notes on the Special Mandatory Redemption Date at a Redemption Price equal to 101% of the aggregate principal amount of the Notes being redeemed plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (such redemption, a "**Special Mandatory Redemption**"). Notwithstanding anything to the contrary herein, the Trustee shall have no obligation to determine whether the Altera Acquisition has occurred and shall conclusively rely on the delivery of an Officer's Certificate to the effect.

(c) Notice of any Special Mandatory Redemption will be electronically delivered or mailed within five Business Days after the occurrence of the event triggering the Special Mandatory Redemption to each holder of 2025 Notes and 2045 Notes to be redeemed. If funds sufficient to pay the Redemption Price for such Special Mandatory Redemption of the outstanding 2025 Notes and 2045 Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee or a Paying Agent on or before such Special Mandatory Redemption Date, and the other conditions related to such redemption under the Indenture are satisfied, on and after such Special Mandatory Redemption Date, the outstanding 2025 Notes and the 2045 Notes will cease to bear interest.

ARTICLE 5 EVENTS OF DEFAULT AND REMEDIES

Section 5.01. *Events of Default.* Section 501 of the Base Indenture shall not apply to the Notes. Each of the following events shall constitute an "**Event of Default**" with respect to a series of Notes:

(a) default in the payment of the principal of or premium (if any) on any Note of such series when due and payable at its Stated Maturity, upon redemption, acceleration or otherwise;

(b) default in the payment of any interest upon any Note of such series when it becomes due and payable (if the time of payment has not been extended or deferred), and continuance of such default for a period of 30 days;

(c) default in the performance, or breach, of any covenant of the Company in the Indenture (other than a covenant a default in whose performance or whose breach is elsewhere in this Section 5.01 specifically dealt with), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, or overnight delivery service to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding Notes, a written notice specifying such default or breach and stating that such notice is a "**Notice of Default**" under the Indenture;

(d) the entry by a court having jurisdiction in the premises of (i) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or (ii) a decree or order adjudging the Company as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or State law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its Property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; and

(e) the commencement by the Company of a voluntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated as bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable Federal or State law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its Property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action.

Section 5.02. *Acceleration Of Maturity; Rescission And Annulment.* The first paragraph of Section 502 of the Base Indenture shall not apply to the Notes, and the following shall apply in lieu thereof. If an Event of Default occurs and is continuing with respect to a series of Notes, then and in every such case except as provided below, the Trustee or the Holders of not less than 25% in aggregate principal amount of the Outstanding Notes of such series may declare the principal amount of all such Notes, plus accrued and unpaid interest, if any, to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount shall become immediately due and payable. However, upon an Event of Default arising out of Section 5.01(d) or Section 5.01(e), the principal amount of all Outstanding Notes, plus accrued and unpaid interest to the acceleration date, shall be due and payable immediately without notice from the Trustee or Holders.

At any time after such a declaration of acceleration with respect to Notes of a series has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in the Indenture provided, the Holders of a majority in aggregate principal amount of the Outstanding Notes of such series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences as provided in Section 502 of the Base Indenture. No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 5.03. *References In Base Indenture.* References to “Section 501,” “Section 501(4),” Section 501(5),” “Section 501(6)” and Section 501(7) in the Base Indenture shall be deemed to refer to Section 5.01, Section 5.01(c), Section 5.01(d), Section 5.01(e) and Section 5.01 of this Supplemental Indenture, respectively.

Section 5.04. *Waiver Of Certain Covenants.* Section 1006 of the Base Indenture shall not apply to the Notes.

ARTICLE 6 SUPPLEMENTAL INDENTURES

Section 6.01. *Applicability Of Base Indenture.* Sections 901 and 902 of the Base Indenture shall not apply to the Notes. Section 6.02. *Supplemental Indentures Without Consent Of Holders.* The Company and the Trustee may amend the Indenture or the Notes or enter into an indenture supplemental hereto without notice to or the consent of any Holder to

- (i) make any change that does not adversely affect the rights of any Holder of Notes in any material respect.

The Trustee is hereby authorized to join with the Company in the execution of any such amendment or supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the

12

conveyance, transfer, assignment, mortgage or pledge of any Property thereunder, but the Trustee shall not be obligated to enter into any such amendment or supplemental indenture which affects the Trustee’s own rights, duties or immunities under the Indenture or otherwise.

Any amendment or supplemental indenture authorized by the provisions of this section may be executed without notice to and without the consent of the Holders of any of the Notes at the time Outstanding, notwithstanding any of the provisions of Section 6.03.

Section 6.03. *Supplemental Indentures With Consent Of Holders.*

(a) With the consent (evidenced as provided in Article 1 of the Base Indenture) of the Holders of not less than a majority in aggregate principal amount of the Notes at the time Outstanding of all series affected by such amendment or supplemental indenture (voting together as a single class), the Company, when authorized by a Board Resolution, and the Trustee may, from time to time and at any time, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or of modifying in any manner the rights of the Holders of the Notes of each such series and the Holders of not less than a majority in aggregate principal amount of the Notes at such time Outstanding of all series affected by such waiver (voting together as a single class) may waive, with respect to each such series affected by such waiver, future compliance by the Company with a provision of the Indenture or the Notes.

- (b) Notwithstanding the provisions of paragraph (a), without the consent of each affected Holder of Notes, an amendment, supplement or waiver may not:
- (i) reduce the principal amount, extend the fixed maturity, or alter or waive the redemption provisions of the Notes;

13

- (vii) reduce the interest rate or extend the time for payment of interest on the Notes; or

(viii) adversely affect the ranking of the Notes of any series.

It shall not be necessary for the consent of the Holders under this section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof. Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to this Section 6.03, the Company shall transmit to the Holders of Outstanding Notes of any series affected thereby a notice setting forth the substance of such supplemental indenture.

ARTICLE 7 MISCELLANEOUS

(REVERSE OF NOTE)

INTEL CORPORATION
2.450% Senior Notes due 2020

1. Interest.

Intel Corporation (the “**Issuer**”) promises to pay interest on the principal amount of this Note at the rate per annum described above. Cash interest on the Notes will accrue from the most recent date to which interest has been paid; or, if no interest has been paid, from July 29, 2015. Interest on this Note will be paid to but excluding the relevant Interest Payment Date or on such earlier date as the principal amount shall become due in accordance with the provisions hereof. The Issuer will pay interest semi-annually in arrears on each Interest Payment Date, beginning on January 29, 2016. If any Interest Payment Date, Stated Maturity or other payment date with respect to the Notes is not a Business Day, the required payment of principal, premium, if any, or interest will be due on the next succeeding Business Day as if made on the date that such payment was due, and no interest will accrue on that payment for the period from and after that Interest Payment Date, Stated Maturity or other payment date, as the case may be, to the date of that payment on the next succeeding Business Day. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Issuer shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment.

2. Paying Agent.

Initially, Wells Fargo Bank, National Association (the “**Trustee**”) will act as Paying Agent. The Issuer may change any Paying Agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the 2.450% Senior Notes due 2020 (the “Notes”) issued under the Indenture dated as of March 29, 2006, as amended by the First Supplemental Indenture dated as of December 3, 2007 (together, the “Base Indenture”) and, as amended, modified and supplemented by the Fifth Supplemental Indenture dated as of July 29, 2015 (the “Fifth Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), by and between the Issuer and the Trustee, as trustee. This Note is a “Security” and the Notes are “Securities” under the Indenture. Each series of Securities issued under the Fifth Supplemental Indenture (together with any other Securities thereafter issued and included in any such series) is referred to herein as an “Other Series of 2015 Notes” and, together with the Notes, as the “2015 Notes.”

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture

Act of 1939 (15 U.S.C. Sections 77aaa-77bbbb) (the “TIA”) as in effect on the date on which the Indenture was qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of \$2,000 and multiples of \$1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Issuer may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Issuer need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the electronic delivery or mailing of a notice of redemption, nor need the Issuer register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of each series of 2015 Notes affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes affected thereby. The Indenture contains provisions permitting the Holders of not less than a majority in principal amount of the Securities of a series at the time Outstanding with respect to which a default under the Indenture shall have occurred and be continuing, on behalf of the Holders of all Securities of such series, to waive, with certain exceptions, such past default with respect to such series and its consequences. The Indenture also permits the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes (voting together as a single class), on behalf of the Holders of all Securities of such series, to waive future compliance by the Issuer with certain provisions of the Indenture. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Security issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note. Without notice to or consent of any Holder, the Indenture also permits the amendment or supplement thereof to, among other things, cure any ambiguity, defect or inconsistency or comply with any requirements of the Commission in connection with qualifications of the Indenture under the TIA, or make any other change that does not adversely affect the rights of Holders in any material respect.

6. Optional Redemption.

The Issuer may redeem the Notes in whole or in part, at its option, at any time or from time to time prior to Maturity (the date of such redemption, the “Redemption Date”). The Redemption Price will be equal to the greater of:

(i) 100% of the aggregate principal amount of the Notes to be redeemed; or

(ii) the sum, as determined by the Independent Investment Banker based on the Reference Treasury Dealer Quotations, of the present values of the Remaining Scheduled Payments, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), using a rate equal to the Treasury Rate plus 15 basis points (such sum to be calculated as set forth in the Indenture),

plus, in the case of (i) or (ii), accrued interest thereon to, but not including, the Redemption Date.

Notwithstanding the foregoing, installments of interest on Notes that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depository.

On and after the Redemption Date for the Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Issuer defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Issuer shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by lot, on a pro-rata basis or by such method as the Trustee deems fair and appropriate and subject, in the case of Notes represented by Global Securities, to the applicable procedures of the Depository; *provided*, however that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part.

Notice of any redemption shall be electronically delivered or mailed at least 30 days but not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed. Such notice shall state the Redemption Price (if known) or the formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as set forth in the Indenture, shall be set forth in an Officer’s Certificate of the Issuer delivered to the Trustee no later than two Business Days prior to the Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price.

7. Defaults and Remedies.

If an Event of Default with respect to the Notes occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable.

The Indenture permits, subject to certain limitations therein provided, Holders of not less than a majority in aggregate principal amount of the Outstanding Notes to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Notes.

8. Authentication.

This Note shall not be valid until the Trustee manually signs the certificate of authentication on this Note.

10. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes as a convenience to the Holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

(REVERSE OF NOTE)

INTEL CORPORATION
3.100% Senior Notes due 2022

1. Interest.

Intel Corporation (the “**Issuer**”) promises to pay interest on the principal amount of this Note at the rate per annum described above. Cash interest on the Notes will accrue from the most recent date to which interest has been paid; or, if no interest has been paid, from July 29, 2015. Interest on this Note will be paid to but excluding the relevant Interest Payment Date or on such earlier date as the principal amount shall become due in accordance with the provisions hereof. The Issuer will pay interest semi-annually in arrears on each Interest Payment Date, beginning on January 29, 2016. If any Interest Payment Date, Stated Maturity or other payment date with respect to the Notes is not a Business Day, the required payment of principal, premium, if any, or interest will be due on the next succeeding Business Day as if made on the date that such payment was due, and no interest will accrue on that payment for the period from and after that Interest Payment Date, Stated Maturity or other payment date, as the case may be, to the date of that payment on the next succeeding Business Day. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Issuer shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment.

2. Paying Agent.

Initially, Wells Fargo Bank, National Association (the “**Trustee**”) will act as Paying Agent. The Issuer may change any Paying Agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the 3.100% Senior Notes due 2022 (the “**Notes**”) issued under the Indenture dated as of March 29, 2006, as amended by the First Supplemental Indenture dated as of December 3, 2007 (together, the “**Base Indenture**”) and, as amended, modified and supplemented by the Fifth Supplemental Indenture dated as of July 29, 2015 (the “**Fifth Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), by and between the Issuer and the Trustee, as trustee. This Note is a “**Security**” and the Notes are “**Securities**” under the Indenture. Each series of Securities issued under the Fifth Supplemental Indenture (together with any other Securities thereafter issued and included in any such series) is referred to herein as an “**Other Series of 2015 Notes**” and, together with the Notes, as the “**2015 Notes**.”

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture

Act of 1939 (15 U.S.C. Sections 77aaa-77bbbb) (the “**TIA**”) as in effect on the date on which the Indenture was qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of \$2,000 and multiples of \$1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Issuer may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Issuer need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the electronic delivery or mailing of a notice of redemption, nor need the Issuer register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of each series of 2015 Notes affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes affected thereby. The Indenture contains provisions permitting the Holders of not less than a majority in principal amount of the Securities of a series at the time Outstanding with respect to which a default under the Indenture shall have occurred and be continuing, on behalf of the Holders of all Securities of such series, to waive, with certain exceptions, such past default with respect to such series and its consequences. The Indenture also permits the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes (voting together as a single class), on behalf of the Holders of all Securities of such series, to waive future compliance by the Issuer with certain provisions of the Indenture. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Security issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note. Without notice to or consent of any Holder, the Indenture also permits the amendment or supplement thereof to, among other things, cure any ambiguity, defect or inconsistency or comply with any requirements of the Commission in connection with qualifications of the Indenture under the TIA, or make any other change that does not adversely affect the rights of Holders in any material respect.

6. Optional Redemption.

The Issuer may redeem the Notes in whole or in part, at its option, at any time or from time to time prior to Maturity (the date of such redemption, the “**Redemption Date**”). The Redemption Price will be equal to the greater of:

- (i) 100% of the aggregate principal amount of the Notes to be redeemed; or

(ii) the sum, as determined by the Independent Investment Banker based on the Reference Treasury Dealer Quotations, of the present values of the Remaining Scheduled Payments, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), using a rate equal to the Treasury Rate plus 20 basis points (such sum to be calculated as set forth in the Indenture),

plus, in the case of (i) or (ii), accrued interest thereon to, but not including, the Redemption Date.

Notwithstanding the foregoing, installments of interest on Notes that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depositary.

On and after the Redemption Date for the Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Issuer defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Issuer shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by lot, on a pro-rata basis or by such method as the Trustee deems fair and appropriate and subject, in the case of Notes represented by Global Securities, to the applicable procedures of the Depositary; *provided*, however that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part.

Notice of any redemption shall be electronically delivered or mailed at least 30 days but not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed. Such notice shall state the Redemption Price (if known) or the formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as set forth in the Indenture, shall be set forth in an Officer's Certificate of the Issuer delivered to the Trustee no later than two Business Days prior to the Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price.

33

7. Defaults and Remedies.

If an Event of Default with respect to the Notes occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable.

The Indenture permits, subject to certain limitations therein provided, Holders of not less than a majority in aggregate principal amount of the Outstanding Notes to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Notes.

8. Authentication.

This Note shall not be valid until the Trustee manually signs the certificate of authentication on this Note.

9. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a Note or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

10. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes as a convenience to the Holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

11. Governing Law.

The laws of the State of New York shall govern the Indenture and this Note without regard to conflicts of laws principles thereof.

6. Optional Redemption.

The Issuer may redeem the Notes in whole or in part, at its option, at any time or from time to time prior to Maturity (the date of such redemption, the “**Redemption Date**”). The Redemption Price prior to the Applicable Par Call Date will be equal to the greater of:

- (i) 100% of the aggregate principal amount of the Notes to be redeemed; or
- (ii) the sum, as determined by the Independent Investment Banker based on the Reference Treasury Dealer Quotations, of the present values of the Remaining Scheduled Payments, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), using a rate equal to the Treasury Rate plus 25 basis points (such sum to be calculated as set forth in the Indenture),

Such notice shall state the Redemption Price (if known) or the

Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price.

7. Special Mandatory Redemption.

If the Issuer does not consummate the Altera Acquisition on or prior to December 31, 2016 or if, on or prior to such date, the Altera Merger Agreement is terminated other than as a result of consummating the Altera Acquisition, then the Issuer will be required to redeem all outstanding Notes on the Special Mandatory Redemption Date at a Redemption Price equal to 101% of the aggregate principal amount of the Notes being redeemed plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (such redemption, a “Special Mandatory Redemption”).

Notice of any Special Mandatory Redemption will be electronically delivered or mailed within five Business Days after the occurrence of the event triggering the Special Mandatory Redemption to each holder of the Notes to be redeemed. If funds sufficient to pay the Redemption Price for such Special Mandatory Redemption of the outstanding Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee or a Paying Agent on or before such Special Mandatory Redemption Date, and the other conditions related to such redemption under the Indenture are satisfied, on and after such Special Mandatory Redemption Date, the outstanding Notes will cease to bear interest.

Notwithstanding the foregoing, installments of interest on Notes falling after the occurrence of an event triggering a Special Mandatory Redemption and on or prior to the Special Mandatory Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depository.

A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Issuer may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Issuer need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the electronic delivery or mailing of a notice of redemption, nor need the Issuer register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of each series of 2015 Notes affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes affected thereby. The Indenture contains provisions permitting the Holders of not less than a majority in principal amount of the Securities of a series at the time Outstanding with respect to which a default under the Indenture shall have occurred and be continuing, on behalf of the Holders of all Securities of such series, to waive, with certain exceptions, such past default with respect to such series and its consequences. The Indenture also permits the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes (voting together as a single class), on behalf of the Holders of all Securities of such series, to waive future compliance by the Issuer with certain provisions of the Indenture. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Security issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note. Without notice to or consent of any Holder, the Indenture also permits the amendment or supplement thereof to, among other things, cure any ambiguity, defect or inconsistency or comply with any requirements of the Commission in connection with qualifications of the Indenture under the TIA, or make any other change that does not adversely affect the rights of Holders in any material respect.

53

6. Optional Redemption.

The Issuer may redeem the Notes in whole or in part, at its option, at any time or from time to time prior to Maturity (the date of such redemption, the “**Redemption Date**”). The Redemption Price prior to the Applicable Par Call Date will be equal to the greater of:

- (i) 100% of the aggregate principal amount of the Notes to be redeemed; or
- (ii) the sum, as determined by the Independent Investment Banker based on the Reference Treasury Dealer Quotations, of the present values of the Remaining Scheduled Payments, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), using a rate equal to the Treasury Rate plus 30 basis points (such sum to be calculated as set forth in the Indenture),

plus, in the case of (i) or (ii), accrued interest thereon to, but not including, the Redemption Date.

In the case of any redemption with a Redemption Date on or after the Applicable Par Call Date, the Redemption Price will equal 100% of the aggregate principal amount of the Notes to be redeemed, plus accrued interest thereon to, but not including, the Redemption Date.

Notwithstanding the foregoing, installments of interest on Notes that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depository.

On and after the Redemption Date for the Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Issuer defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Issuer shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by lot, on a pro-rata basis or by such method as the Trustee deems fair and appropriate and subject, in the case of Notes represented by Global Securities, to the applicable procedures of the Depository; *provided*, however that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part.

Notice of any redemption shall be electronically delivered or mailed at least 30 days (in the case of any Redemption Date prior to the Applicable Par Call Date) or 15 days (in the case of any Redemption Date on or after the applicable Par Call Date) but, in each case, not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed. Such notice shall state the Redemption Price (if known) or the

formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as set forth in the Indenture, shall be set forth in an Officer’s Certificate of the Issuer delivered to the Trustee no later than two Business Days prior to the Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price.

7. Special Mandatory Redemption.

If the Issuer does not consummate the Altera Acquisition on or prior to December 31, 2016 or if, on or prior to such date, the Altera Merger Agreement is terminated other than as a result of consummating the Altera Acquisition, then the Issuer will be required to redeem all outstanding Notes on the Special Mandatory Redemption Date at a Redemption Price equal to 101% of the aggregate principal amount of the Notes being redeemed plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (such redemption, a “Special Mandatory Redemption”).

Notice of any Special Mandatory Redemption will be electronically delivered or mailed within five Business Days after the occurrence of the event triggering the Special Mandatory Redemption to each holder of the Notes to be redeemed. If funds sufficient to pay the Redemption Price for such Special Mandatory Redemption of the outstanding Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee or a Paying Agent on or before such Special Mandatory Redemption Date, and the other conditions related to such redemption under the Indenture are satisfied, on and after such Special Mandatory Redemption Date, the outstanding Notes will cease to bear interest.

Notwithstanding the foregoing, installments of interest on Notes falling after the occurrence of an event triggering a Special Mandatory Redemption and on or prior to the Special Mandatory Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depository.

8. Defaults and Remedies.

If an Event of Default with respect to the Notes occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable.

The Indenture permits, subject to certain limitations therein provided, Holders of not less than a majority in aggregate principal amount of the Outstanding Notes to direct

the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Notes.

9. Authentication.

This Note shall not be valid until the Trustee manually signs the certificate of authentication on this Note.

10. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a Note or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

11. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes as a convenience to the Holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

12. Governing Law.

The laws of the State of New York shall govern the Indenture and this Note without regard to conflicts of laws principles thereof.

(REVERSE OF NOTE)

INTEL CORPORATION
 2.450% Senior Notes due 2020

1. Interest.

Intel Corporation (the “**Issuer**”) promises to pay interest on the principal amount of this Note at the rate per annum described above. Cash interest on the Notes will accrue from the most recent date to which interest has been paid; or, if no interest has been paid, from July 29, 2015. Interest on this Note will be paid to but excluding the relevant Interest Payment Date or on such earlier date as the principal amount shall become due in accordance with the provisions hereof. The Issuer will pay interest semi-annually in arrears on each Interest Payment Date, beginning on January 29, 2016. If any Interest Payment Date, Stated Maturity or other payment date with respect to the Notes is not a Business Day, the required payment of principal, premium, if any, or interest will be due on the next succeeding Business Day as if made on the date that such payment was due, and no interest will accrue on that payment for the period from and after that Interest Payment Date, Stated Maturity or other payment date, as the case may be, to the date of that payment on the next succeeding Business Day. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Issuer shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment.

2. Paying Agent.

Initially, Wells Fargo Bank, National Association (the “**Trustee**”) will act as Paying Agent. The Issuer may change any Paying Agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the 2.450% Senior Notes due 2020 (the “**Notes**”) issued under the Indenture dated as of March 29, 2006, as amended by the First Supplemental Indenture dated as of December 3, 2007 (together, the “**Base Indenture**”) and, as amended, modified and supplemented by the Fifth Supplemental Indenture dated as of July 29, 2015 (the “**Fifth Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), by and between the Issuer and the Trustee, as trustee. This Note is a “Security” and the Notes are “Securities” under the Indenture. Each series of Securities issued under the Fifth Supplemental Indenture (together with any other Securities thereafter issued and included in any such series) is referred to herein as an “**Other Series of 2015 Notes**” and, together with the Notes, as the “**2015 Notes**.”

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. Sections 77aaa-77bbb) (the “**TIA**”) as in effect on the date on which the Indenture was

qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of \$2,000 and multiples of \$1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Issuer may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Issuer need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the electronic delivery or mailing of a notice of redemption, nor need the Issuer register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of each series of 2015 Notes affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes affected thereby. The Indenture contains provisions permitting the Holders of not less than a majority in principal amount of the Securities of a series at the time Outstanding with respect to which a default under the Indenture shall have occurred and be continuing, on behalf of the Holders of all Securities of such series, to waive, with certain exceptions, such past default with respect to such series and its consequences. The Indenture also permits the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes (voting together as a single class), on behalf of the Holders of all Securities of such series, to waive future compliance by the Issuer with certain provisions of the Indenture. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Security issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note. Without notice to or consent of any Holder, the Indenture also permits the amendment or supplement thereof to, among other things, cure any ambiguity, defect or inconsistency or comply with any requirements of the Commission in connection with qualifications of the Indenture under the TIA, or make any other change that does not adversely affect the rights of Holders in any material respect.

6. Optional Redemption.

The Issuer may redeem the Notes in whole or in part, at its option, at any time or from time to time prior to Maturity (the date of such redemption, the “**Redemption Date**”). The Redemption Price will be equal to the greater of:

(i) 100% of the aggregate principal amount of the Notes to be redeemed; or

(ii) the sum, as determined by the Independent Investment Banker based on the Reference Treasury Dealer Quotations, of the present values of the Remaining Scheduled Payments, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), using a rate equal to the Treasury Rate plus 15 basis points (such sum to be calculated as set forth in the Indenture),

plus, in the case of (i) or (ii), accrued interest thereon to, but not including, the Redemption Date.

Notwithstanding the foregoing, installments of interest on Notes that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depositary.

On and after the Redemption Date for the Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Issuer defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Issuer shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by lot, on a pro-rata basis or by such method as the Trustee deems fair and appropriate and subject, in the case of Notes represented by Global Securities, to the applicable procedures of the Depository; *provided*, however that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part.

Notice of any redemption shall be electronically delivered or mailed at least 30 days but not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed. Such notice shall state the Redemption Price (if known) or the formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as set forth in the Indenture, shall be set forth in an Officer’s Certificate of the Issuer delivered to the Trustee no later than two Business Days prior to the Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price.

7. Defaults and Remedies.

If an Event of Default with respect to the Notes occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable.

The Indenture permits, subject to certain limitations therein provided, Holders of not less than a majority in aggregate principal amount of the Outstanding Notes to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Notes.

8. Authentication.

This Note shall not be valid until the Trustee manually signs the certificate of authentication on this Note.

9. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a Note or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

The Indenture also permits the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes (voting together as a single class), on behalf of the Holders of all Securities of such series, to waive future compliance by the Issuer with certain provisions of the Indenture. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Security issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note. Without notice to or consent of any Holder, the Indenture also permits the amendment or supplement thereof to, among other things, cure any ambiguity, defect or inconsistency or comply with any requirements of the Commission in connection with qualifications of the Indenture under the TIA, or make any other change that does not adversely affect the rights of Holders in any material respect.

6. Optional Redemption.

The Issuer may redeem the Notes in whole or in part, at its option, at any time or from time to time prior to Maturity (the date of such redemption, the “**Redemption Date**”). The Redemption Price will be equal to the greater of:

(i) 100% of the aggregate principal amount of the Notes to be redeemed; or

(ii) the sum, as determined by the Independent Investment Banker based on the Reference Treasury Dealer Quotations, of the present values of the Remaining Scheduled Payments, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), using a rate equal to the Treasury Rate plus 20 basis points (such sum to be calculated as set forth in the Indenture),

plus, in the case of (i) or (ii), accrued interest thereon to, but not including, the Redemption Date.

Notwithstanding the foregoing, installments of interest on Notes that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject

to the applicable procedures of the Depositary.

On and after the Redemption Date for the Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Issuer defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Issuer shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by lot, on a pro-rata basis or by such method as the Trustee deems fair and appropriate and subject, in the case of Notes represented by Global Securities, to the applicable procedures of the Depositary; *provided*, however that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part.

Notice of any redemption shall be electronically delivered or mailed at least 30 days but not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed. Such notice shall state the Redemption Price (if known) or the formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as set forth in the Indenture, shall be set forth in an Officer’s Certificate of the Issuer delivered to the Trustee no later than two Business Days prior to the Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price.

7. Defaults and Remedies.

If an Event of Default with respect to the Notes occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable.

The Indenture permits, subject to certain limitations therein provided, Holders of not less than a majority in aggregate principal amount of the Outstanding Notes to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Notes.

8. Authentication.

This Note shall not be valid until the Trustee manually signs the certificate of authentication on this Note.

9. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a Note or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

10. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes as a convenience to the Holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

11. Governing Law.

The laws of the State of New York shall govern the Indenture and this Note without regard to conflicts of laws principles thereof.

(REVERSE OF NOTE)

1. Interest.

Intel Corporation (the “**Issuer**”) promises to pay interest on the principal amount of this Note at the rate per annum described above. Cash interest on the Notes will accrue from the most recent date to which interest has been paid; or, if no interest has been paid, from July 29, 2015. Interest on this Note will be paid to but excluding the relevant Interest Payment Date or on such earlier date as the principal amount shall become due in accordance with the provisions hereof. The Issuer will pay interest semi-annually in arrears on each Interest Payment Date, beginning on January 29, 2016. If any Interest Payment Date, Stated Maturity or other payment date with respect to the Notes is not a Business Day, the required payment of principal, premium, if any, or interest will be due on the next succeeding Business Day as if made on the date that such payment was due, and no interest will accrue on that payment for the period from and after that Interest Payment Date, Stated Maturity or other payment date, as the case may be, to the date of that payment on the next succeeding Business Day. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Issuer shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment.

2. Paying Agent.

Initially, Wells Fargo Bank, National Association (the “**Trustee**”) will act as Paying Agent. The Issuer may change any Paying Agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the 3.700% Senior Notes due 2025 (the “**Notes**”) issued under the Indenture dated as of March 29, 2006, as amended by the First Supplemental Indenture dated as of December 3, 2007 (together, the “**Base Indenture**”) and, as amended, modified and supplemented by the Fifth Supplemental Indenture dated as of July 29, 2015 (the “**Fifth Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), by and between the Issuer and the Trustee, as trustee. This Note is a “Security” and the Notes are “Securities” under the Indenture. Each series of Securities issued under the Fifth Supplemental Indenture (together with any other Securities thereafter issued and included in any such series) is referred to herein as an “**Other Series of 2015 Notes**” and, together with the Notes, as the “**2015 Notes**.”

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. Sections 77aaa-77bbbb) (the “**TIA**”) as in effect on the date on which the Indenture was

qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of \$2,000 and multiples of \$1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Issuer may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Issuer need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the electronic delivery or mailing of a notice of redemption, nor need the Issuer register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of each series of 2015 Notes affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes affected thereby. The Indenture contains provisions permitting the Holders of not less than a majority in principal amount of the Securities of a series at the time Outstanding with respect to which a default under the Indenture shall have occurred and be continuing, on behalf of the Holders of all Securities of such series, to waive, with certain exceptions, such past default with respect to such series and its consequences. The Indenture also permits the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes (voting together as a single class), on behalf of the Holders of all Securities of such series, to waive future compliance by the Issuer with certain provisions of the Indenture. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Security issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note. Without notice to or consent of any Holder, the Indenture also permits the amendment or supplement thereof to, among other things, cure any ambiguity, defect or inconsistency or comply with any requirements of the Commission in connection with qualifications of the Indenture under the TIA, or make any other change that does not adversely affect the rights of Holders in any material respect.

6. Optional Redemption.

The Issuer may redeem the Notes in whole or in part, at its option, at any time or from time to time prior to Maturity (the date of such redemption, the “**Redemption Date**”). The Redemption Price prior to the Applicable Par Call Date will be equal to the greater of:

(i) 100% of the aggregate principal amount of the Notes to be redeemed; or

(ii) the sum, as determined by the Independent Investment Banker based on the Reference Treasury Dealer Quotations, of the present values of the Remaining Scheduled Payments, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), using a rate equal to the Treasury Rate plus 25 basis points (such sum to be calculated as set forth in the Indenture),

plus, in the case of (i) or (ii), accrued interest thereon to, but not including, the Redemption Date.

In the case of any redemption with a Redemption Date on or after the Applicable Par Call Date, the Redemption Price will equal 100% of the aggregate principal amount of the Notes to be redeemed, plus accrued interest thereon to, but not including, the Redemption Date.

Notwithstanding the foregoing, installments of interest on Notes that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depositary.

On and after the Redemption Date for the Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Issuer defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Issuer shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by lot, on a pro-rata basis or by such method as the Trustee deems fair and appropriate and subject, in the case of Notes represented by Global Securities, to the applicable procedures of the Depositary; *provided*, however that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part.

Notice of any redemption shall be electronically delivered or mailed at least 30 days (in the case of any Redemption Date prior to the Applicable Par Call Date) or 15 days (in the case of any Redemption Date on or after the applicable Par Call Date) but, in each case, not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed. Such notice shall state the Redemption Price (if known) or the formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as set forth in the Indenture, shall be set forth in an Officer's Certificate of the Issuer delivered to the Trustee no later than two Business Days prior to the Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price.

7. Special Mandatory Redemption.

If the Issuer does not consummate the Altera Acquisition on or prior to December 31, 2016 or if, on or prior to such date, the Altera Merger Agreement is terminated other than as a result of consummating the Altera Acquisition, then the Issuer will be required to redeem all outstanding Notes on the Special Mandatory Redemption Date at a Redemption Price equal to 101% of the aggregate principal amount of the Notes being redeemed plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (such redemption, a "Special Mandatory Redemption").

Notice of any Special Mandatory Redemption will be electronically delivered or mailed within five Business Days after the occurrence of the event triggering the Special Mandatory Redemption to each holder of the Notes to be redeemed. If funds sufficient to pay the Redemption Price for such Special Mandatory Redemption of the outstanding Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee or a Paying Agent on or before such Special Mandatory Redemption Date, and the other conditions related to such redemption under the Indenture are satisfied, on and after such Special Mandatory Redemption Date, the outstanding Notes will cease to bear interest.

Notwithstanding the foregoing, installments of interest on Notes falling after the occurrence of an event triggering a Special Mandatory Redemption and on or prior to the Special Mandatory Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depositary.

8. Defaults and Remedies.

If an Event of Default with respect to the Notes occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable.

The Indenture permits, subject to certain limitations therein provided, Holders of not less than a majority in aggregate principal amount of the Outstanding Notes to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Notes.

9. Authentication.

This Note shall not be valid until the Trustee manually signs the certificate of authentication on this Note.

10. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a Note or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (=

joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

11. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes as a convenience to the Holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

12. Governing Law.

3. Indenture; Defined Terms.

This Note is one of the 4.900% Senior Notes due 2045 (the “**Notes**”) issued under the Indenture dated as of March 29, 2006, as amended by the First Supplemental Indenture dated as of December 3, 2007 (together, the “**Base Indenture**”) and, as amended, modified and supplemented by the Fifth Supplemental Indenture dated as of July 29, 2015 (the “**Fifth Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), by and between the Issuer and the Trustee, as trustee. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Issuer may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. 5. Amendment; Modification; Waiver.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of each series of 2015 Notes affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the 2015 Notes at the time Outstanding of all series of 2015 Notes affected thereby. The Indenture contains provisions permitting the Holders of not less than a majority in principal amount of the Securities of a series at the time Outstanding with respect to which a default under the Indenture shall have occurred and be continuing, on behalf of the Holders of all Securities of such series, to waive, with certain exceptions, such past default with respect to such series and its consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Security issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note. Without notice to or consent of any Holder, the Indenture also permits the amendment or supplement thereof to, among other things, cure any ambiguity, defect or inconsistency or comply with any requirements of the Commission in connection with qualifications of the Indenture under the TIA, or make any other change that does not adversely affect the rights of Holders in any material respect.

6. Optional Redemption.

The Issuer may redeem the Notes in whole or in part, at its option, at any time or from time to time prior to Maturity (the date of such redemption, the “**Redemption Date**”). The Redemption Price prior to the Applicable Par Call Date will be equal to the greater of:

plus, in the case of (i) or (ii), accrued interest thereon to, but not including, the Redemption Date.

In the case of any redemption with a Redemption Date on or after the Applicable Par Call Date, the Redemption Price will equal 100% of the aggregate principal amount of the Notes to be redeemed, plus accrued interest thereon to, but not including, the Redemption Date.

Notwithstanding the foregoing, installments of interest on Notes that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depository.

On and after the Redemption Date for the Notes, interest will cease to accrue on the Notes or any portion thereof called for redemption, unless the Issuer defaults in the payment of the Redemption Price and accrued interest, if any. On or before the Redemption Date for the Notes, the Issuer shall deposit with the Trustee or a Paying Agent, funds sufficient to pay the Redemption Price of the Notes to be redeemed on the Redemption Date. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by lot, on a pro-rata basis or by such method as the Trustee deems fair and appropriate and subject, in the case of Notes represented by Global Securities, to the applicable procedures of the Depository; *provided*, however that in no event, shall Notes of a principal amount of \$2,000 or less be redeemed in part.

Notice of any redemption shall be electronically delivered or mailed at least 30 days (in the case of any Redemption Date prior to the Applicable Par Call Date) or 15 days (in the case of any Redemption Date on or after the applicable Par Call Date) but, in each case, not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed. Such notice shall state the Redemption Price (if known) or the formula pursuant to which the Redemption Price is to be determined if the Redemption Price cannot be determined at the time the notice is given. If the Redemption Price cannot be determined at the time such notice is to be given, the actual Redemption Price, calculated as set forth in the Indenture, shall be set forth in an Officer's Certificate of the Issuer delivered to the Trustee no later than two Business Days prior to the Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall become due and payable on the Redemption Date and at the applicable Redemption Price.

7. Special Mandatory Redemption.

If the Issuer does not consummate the Altera Acquisition on or prior to December 31, 2016 or if, on or prior to such date, the Altera Merger Agreement is terminated other than as a result of consummating the Altera Acquisition, then the Issuer will be required to redeem all outstanding Notes on the Special Mandatory Redemption Date at a Redemption Price equal to 101% of the aggregate principal amount of the Notes being redeemed plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (such redemption, a "Special Mandatory Redemption").

Notice of any Special Mandatory Redemption will be electronically delivered or mailed within five Business Days after the occurrence of the event triggering the Special Mandatory Redemption to each holder of the Notes to be redeemed. If funds sufficient to pay the Redemption Price for such Special Mandatory Redemption of the outstanding Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee or a Paying Agent on or before such Special Mandatory Redemption Date, and the other conditions related to such redemption under the Indenture are satisfied, on and after such Special Mandatory Redemption Date, the outstanding Notes will cease to bear interest.

Notwithstanding the foregoing, installments of interest on Notes falling after the occurrence of an event triggering a Special Mandatory Redemption and on or prior to the Special Mandatory Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the Notes and the Indenture, subject to the applicable procedures of the Depository.

8. Defaults and Remedies.

If an Event of Default with respect to the Notes occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable.

The Indenture permits, subject to certain limitations therein provided, Holders of not less than a majority in aggregate principal amount of the Outstanding Notes to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Notes.

9. Authentication.

This Note shall not be valid until the Trustee manually signs the certificate of authentication on this Note.

joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

11. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes as a convenience to the Holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.
