Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Each performance-based Restricted Stock Unit (RSU) represents the right to receive, following vesting, up to 200% of one share of Intel common stock, together with dividend equivalent shares

- on the vested number of shares. The resulting number of shares of Intel common stock acquired upon vesting of the performance-based RSUs is contingent upon the achievement of preestablished performance metrics, as approved by the Company's Compensation Committee, over a three-year performance period beginning on the grant date and ending on the third anniversary of the grant date, unless that date falls on a date that the NASDAQ Stock Market is closed, in which case the next business date that the NASDAQ Stock Market is open shall apply.
- (2) Unless earlier forfeited under the terms of the performance-based RSU, each performance-based RSU vests and converts into no more than 200% of one share of Intel common stock three years and one month after the grant date (together with dividend equivalent shares thereon), unless that date falls on a non-business date, in which case the next business date shall apply.
- Due to a limitation in the filing software, the total number of shares of Common Stock received was 2,302 as reported above in Table I. The conversion rate of the Performance-based Restricted (3) Stock was 75.746%. Upon conversion of \$7,759.02 in dividend equivalents, the Reporting Person received an additional 166 shares of Common Stock.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
