**Item 1.01. Entry into a Material Definitive Agreement.**

On August 18, 2010, Intel Corporation (“Intel”), McAfee, Inc (“McAfee”) and Jefferson Acquisition Corporation, a wholly-owned subsidiary of Intel (“Merger Sub”) entered into an Agreement and Plan of Merger (the “Merger Agreement”), pursuant to which, subject to the satisfaction or waiver of certain conditions, Merger Sub will merge with and into McAfee. As a result of the merger, Merger Sub will cease to exist, and McAfee will survive as a wholly-owned subsidiary of Intel.

Upon the consummation of the merger, each outstanding share of McAfee common stock (other than shares to which appraisal rights are properly sought) and, subject to certain exceptions, each share of McAfee common stock subject to restricted stock awards, vested restricted stock unit awards and vested performance stock unit awards will be converted into the right to receive \$48.00 in cash, without interest. Subject to certain exceptions, options to acquire McAfee common stock, unvested restricted stock units and unvested performance units outstanding immediately prior to the consummation of the merger will be converted into options, restricted stock units and performance units, as applicable, denominated in shares of Intel common stock based on formulas set forth in the Merger Agreement with terms and conditions that are otherwise the same as those existing immediately prior to the consummation of the merger.

The completion of the merger is subject to customary conditions, including without limitation, (i) the approval of the merger by McAfee’s stockholders; (ii) expiration or termination of the applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iii) clearance of the merger by the European Commission and (iv) receipt of other required foreign antitrust approvals.

The Merger Agreement contains certain termination rights for McAfee and Intel and further provides that, upon termination of the Merger Agreement under certain circumstances, McAfee may be required to pay Intel a termination fee of \$230.0 million.

The above description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the agreement. The representations and warranties contained in the Merger Agreement were made only for the purposes of the agreement as of specific dates and may have been qualified by certain disclosures between the parties and a contractual standard of materiality different from those generally applicable to stockholders, among other limitations. The representations and warranties were made for the purposes of allocating contractual risk between the parties to the Merger Agreement and should not be relied upon as a disclosure of factual information relating to Intel or McAfee. The Merger Agreement is filed as Exhibit 2.1 hereto and incorporated herein by reference. A copy of the joint press release announcing the execution of the Merger Agreement is furnished as Exhibit 99.1 hereto.

**2.1 The Merger.** Upon the terms and subject to the conditions set forth in Article 7 and in accordance with the DGCL, at the Effective Time, Merger Sub shall be merged with and into the Company. As a result of the Merger, the separate corporate existence of Merger Sub shall cease and the Company shall continue as the Surviving Corporation.

**2.2 Effective Time; Closing.** The closing of the Merger (the “**Closing**”) will take place as promptly as practicable, but no later than two (2) business days, following the satisfaction or, if permissible, waiver of the conditions set forth in Article 7 (other than those conditions that, by their nature, are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions), at the offices of Morrison & Foerster LLP, 425 Market Street, San Francisco, California, or such other place as the parties shall agree. The date upon which the Closing occurs is herein referred to as the “**Closing Date**.” On the Closing Date, the parties shall cause the Merger to be consummated by filing a certificate of merger (the “**Certificate of Merger**”) with the Secretary of State of the State of Delaware, in such form as is required by, and executed in accordance with, the relevant provisions of the DGCL (the date and time of such filing, or such later time as shall be agreed by Parent and the Company and specified in such filing, being the “**Effective Time**”).

**2.3 Effect of the Merger.** At the Effective Time, the effect of the Merger shall be as provided in the applicable provisions of the DGCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, all the property, rights, privileges, powers and franchises of the Company and Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities, obligations, restrictions, disabilities and duties of the Company and Merger Sub shall become the debts, liabilities, obligations, restrictions, disabilities and duties of the Surviving Corporation.

### **2.4 Certificate of Incorporation; By-laws.**

(a) At the Effective Time, subject to the provisions of Section 6.5(b), the Certificate of Incorporation of the Surviving Corporation shall be amended and restated to conform to the Certificate of Incorporation of Merger Sub, as in effect immediately prior to the Effective Time, until thereafter amended as provided by Law and such Certificate of Incorporation; provided that Article I of the Certificate of Incorporation of the Surviving Corporation shall read as follows: “The name of the corporation is McAfee, Inc.”

**2.5 Directors and Officers.** The directors of Merger Sub immediately prior to the Effective Time shall be the initial directors of the Surviving Corporation, each to hold office in accordance with the Certificate of Incorporation and By-laws of the Surviving Corporation and, except as determined by Parent or Merger Sub prior to the Effective Time, the officers of the Company immediately prior to the Effective Time shall be the initial officers of the Surviving Corporation, in each case until their respective successors are duly elected or appointed and qualified or until their earlier death, resignation or removal.

(a) Each Company Share issued and outstanding immediately prior to the Effective Time (other than any Company Shares to be canceled pursuant to Section 2.6(b) and any Dissenting Company Shares) shall be canceled and converted automatically into the right to receive an amount in cash, without interest, equal to the Merger Consideration, payable to the holder of such Company Share, in the manner provided in Section 2.9. If, between the date of this Agreement and the Effective Time, the outstanding Company Shares are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, then the Merger Consideration shall be adjusted to the extent appropriate for all purposes of this Article 2.

(b) Each Company Share held in the treasury of the Company and each Company Share owned by Merger Sub, Parent or any direct or indirect wholly owned subsidiary of Parent or of the Company immediately prior to the Effective Time shall be canceled and retired without any conversion thereof, and no payment or distribution shall be made and no consideration of any kind shall be delivered with respect thereto.

the Company Stock Option is subject to the Laws of a non-U.S. jurisdiction and Parent determines the Company Stock Option may not be converted into a Continuing Option (i) under a Law of the relevant non-U.S. jurisdiction (including by reason of a failure to obtain any required regulatory consents or approvals after making commercially reasonable efforts), (ii) under the policies and practices of Parent with respect to the grant of equity awards in the relevant non-U.S. jurisdiction, or (iii) due to Parent's administrative practices with respect to equity awards. Parent will notify the Company at least twenty (20) days prior to the Effective Time of the Company Stock Options that will not be Continuing Options pursuant to the previous sentence. Each Continuing Option assumed by Parent will continue to have, and be subject to, the same terms and conditions of such option immediately prior to the Effective Time (as such terms and conditions have been amended in accordance with Section 5.2), including the vesting restrictions, except for administrative changes that are not adverse to the holder of the Continuing Option or to which the holder consents and except that (X) each Continuing Option will be exercisable for a number of validly issued, fully paid and non-assessable shares of common stock of Parent (the "**Parent Common Stock**") equal to the product of the number of Company Shares that would be issuable upon exercise of the Continuing Option outstanding immediately prior to the Effective Time multiplied by a quotient obtained by dividing (A) the Merger Consideration by (B) the average closing price of Parent Common Stock on the NASDAQ Global Select Market (the "**NASDAQ**") for the five (5) trading days immediately preceding (but not including) the Closing Date (the "**Exchange Ratio**"), rounded down to the nearest whole number of shares of Parent Common Stock, (Y) the per share exercise price for the Parent Common Stock issuable upon exercise of such assumed Continuing Option will be equal to the quotient determined by dividing the per share exercise price for such Continuing Option outstanding immediately prior to the Effective Time by the Exchange Ratio, rounded up to the nearest whole cent, and (Z) all references to the "Company" in the applicable Company Stock Option Plans and the stock option agreements will be references to Parent. It is the intention of the parties that each Company Stock Option so assumed by Parent shall qualify following the Effective Time as an incentive stock option as defined in Section 422 of the Code to the extent permitted under Section 422 of the Code and to the extent such Company Stock Option qualified as an incentive stock option prior to the Effective Time.

(b) Each Company Stock Option that is not a Continuing Option (a "**Terminating Option**") shall in each case be canceled at the Effective Time and shall be converted automatically into the right to receive, as soon as practicable after the Effective Time, an amount in cash determined by multiplying (x) the excess, if any, of the Merger Consideration over the applicable exercise price of such option by (y) the number of Company Shares subject to such Terminating Option (after giving effect to any acceleration provided under the terms of the applicable Company Stock Option Plan under which the Company Stock Option was granted, the applicable stock option agreement, and any other Plan disclosed in Section 3.10(a) of the Disclosure Schedule as such Plan is amended in connection with this Agreement), less all applicable deductions and withholdings required by Law to be withheld in respect of such payment.

(c) Effective as of the Effective Time, by virtue of the Merger and without any action on the part of the Company, Parent, Merger Sub or the holders of Company RSUs, each outstanding restricted stock unit under the Company Stock Option Plans (such restricted stock units, the "**Company RSUs**") that is then outstanding, unvested and held by a Continuing

Employee and not described in the following sentence (a “**Continuing RSU**”) will be assumed by Parent. A Company RSU shall not be considered a Continuing RSU if the Company RSU is subject to the Laws of a non-U.S. jurisdiction and Parent determines the Company RSU may not be converted into a Continuing RSU (i) under a Law of the relevant non-U.S. jurisdiction (including by reason of a failure to obtain any required regulatory consents or approvals after making commercially reasonable efforts), (ii) under the policies and practices of Parent with respect to the grant of equity awards in the relevant non-U.S. jurisdiction, or (iii) due to Parent’s administrative practices with respect to equity awards. Parent will notify the Company at least twenty (20) days prior to the Effective Time of the Company RSUs that will not be Continuing RSUs pursuant to the previous sentence. Each Continuing RSU assumed by Parent will continue to have, and be subject to, the same terms and conditions of such Company RSU immediately prior to the Effective Time (as such terms and conditions have been amended in accordance with Section 5.2), including the vesting restrictions, except for administrative changes that are not adverse to the holder of the Continuing RSU or to which the holder consents and except that (A) each Company RSU shall cover a number of validly issued, fully paid and non-assessable shares of Parent Common Stock equal to the product of the number of Company Shares that would be issuable under the Company RSU immediately prior to the Effective Time multiplied by the Exchange Ratio, rounded down to the nearest whole number of shares of Parent Common Stock and (B) all references to the “Company” in the applicable Company Stock Option Plans and restricted stock unit agreements will be references to Parent. Each Company RSU (or any portion thereof) that vests and becomes settleable by its terms at the Effective Time will not be assumed, but will instead be converted into the right to receive, in exchange for the cancellation of such Company RSU (or portion thereof), an amount in cash, without interest, equal to the Merger Consideration multiplied by the number of Company Shares subject to such Company RSU (or settleable portion thereof) immediately prior to the Effective Time. Any such payment shall be subject to all applicable federal, state and local tax withholding requirements.

(d) By virtue of the Merger and without any action on the part of the Company, Parent, Merger Sub or the holders of Company RSUs, each Company RSU that is not a Continuing RSU outstanding immediately prior to the Effective Time shall be canceled at the Effective Time (each, a “**Terminating RSU**”). Each holder of a Terminating RSU (after giving effect to any acceleration provided under the terms of the applicable Company Stock Option Plan under which the Company RSU was granted, the applicable restricted stock unit agreement, and any other Plan disclosed in Section 3.10(a) of the Disclosure Schedule as such Plan is amended in connection with this Agreement) shall be eligible to receive at the Effective Time an amount in cash (without interest) equal to (A) the Merger Consideration multiplied by (B) the number of Company Shares subject to each Terminating RSU, less all applicable deductions and withholdings required by Law to be withheld in respect of such payment.

(e) Effective as of the Effective Time, by virtue of the Merger and without any action on the part of the Company, Parent, Merger Sub or the holders of Company PSUs, each outstanding performance stock unit under the Company Stock Option Plans (such performance stock units, the “**Company PSUs**”) that is then outstanding, unvested and held by a Continuing Employee and not described in the following sentence (a “**Continuing PSU**”) will be assumed by Parent. A Company PSU shall not be considered a Continuing PSU if the Company PSU is subject to the Laws of a non-U.S. jurisdiction and Parent determines the Company PSU may not be converted into a Continuing PSU (i) under a Law of the relevant non-U.S.

jurisdiction (including by reason of a failure to obtain any required regulatory consents or approvals after making commercially reasonable efforts), (ii) under the policies and practices of Parent with respect to the grant of equity awards in the relevant non-U.S. jurisdiction, or (iii) due to Parent's administrative practices with respect to equity awards. Parent will notify the Company at least twenty (20) days prior to the Effective Time of the Company PSUs that will not be Continuing PSUs pursuant to the previous sentence. Each Continuing PSU assumed by Parent will continue to have, and be subject to, the same terms and conditions of such Company PSU immediately prior to the Effective Time (as such terms and conditions have been amended in accordance with Section 5.2), including the vesting restrictions, except for administrative changes that are not adverse to the holder of the Continuing PSU or to which the holder consents and except that (A) each Company PSU shall cover a number of validly issued, fully paid and non-assessable shares of Parent Common Stock equal to the product of the number of Company Shares that would be issuable under the Company PSU immediately prior to the Effective Time multiplied by the Exchange Ratio, rounded down to the nearest whole number of shares of Parent Common Stock and (B) all references to the "Company" in the applicable Company Stock Option Plans and performance stock unit agreements will be references to Parent. Each Company PSU (or any portion thereof) that vests and becomes settleable by its terms at the Effective Time will not be assumed, but will instead be converted into the right to receive, in exchange for the cancellation of such Company PSU (or portion thereof), an amount in cash, without interest, equal to the Merger Consideration multiplied by the number of Company Shares subject to such Company PSU (or settleable portion thereof) immediately prior to the Effective Time. Any such payment shall be subject to all applicable federal, state and local tax withholding requirements.

(f) By virtue of the Merger and without any action on the part of the Company, Parent, Merger Sub or the holders of Company PSUs, each Company PSU that is not a Continuing PSU outstanding immediately prior to the Effective Time shall be canceled at the Effective Time (each, a "**Terminating PSU**"). Each holder of a Terminating PSU (after giving effect to any acceleration provided under the terms of the applicable Company Stock Option Plan under which the Company PSU was granted, the applicable performance stock unit agreement and any other Plan disclosed in Section 3.10(a) of the Disclosure Schedule as such Plan is amended in connection with this Agreement) shall be eligible to receive at the Effective Time an amount in cash (without interest) equal to (i) the Merger Consideration multiplied by (ii) the number of Company Shares subject to each Terminating PSU, less all applicable deductions and withholdings required by Law to be withheld in respect of such payment.

(g) By virtue of the Merger and without any action on the part of the Company, Parent, Merger Sub or the holders thereof, each Company Restricted Stock award under the Company Stock Option Plans outstanding immediately prior to the Effective Time (such restricted stock award, the "**Company Restricted Stock award**") will accelerate and become fully vested as of immediately prior to but effective as of the Effective Time. Each share of Company Restricted Stock that vests in accordance with the preceding sentence shall be treated as a Company Share for purposes of Section 2.6.

to the Effective Time, the rights of participants in the Company ESPP with respect to the Current Offering Period shall be determined by treating a business day prior to the Effective Time as the last day of the Current Offering Period and by making such other pro rata adjustments as may be necessary to reflect the shortened Current Offering Period, but otherwise treating such shortened Current Offering Period as a fully effective and completed offering period for all purposes under the Company ESPP (the “**Final Purchase**”). The Company shall take all actions necessary with respect to the Company ESPP so that (i) no offering periods or purchase periods shall be commenced following or in addition to the Current Offering Period, (ii) no payroll deductions or other contributions shall be made or effected after the Current Offering Period with respect to the Company ESPP, (iii) notice shall be given to participants in the Company ESPP as soon as administratively practicable following the date hereof describing the Final Purchase and the termination of the Company ESPP pursuant to this Section 2.7(h) following the Final Purchase, and (iv) the Company ESPP shall terminate effective upon the Effective Time.

(j) Parent shall take such actions as are necessary for the assumption of Company Stock Options, Company RSUs and Company PSUs, including the reservation, issuance and listing of Parent Common Stock, as is necessary to effectuate the transactions contemplated by this Section 2.7. Parent shall prepare and file with the SEC a registration statement on Form S-8 (to the extent available) with respect to the Parent Common Stock subject to such Continuing Options, Continuing RSUs and Continuing PSUs and shall use its reasonable best efforts to have such registration statement declared effective as soon as reasonably practicable (and in no event later than twenty (20) days) following the Closing Date. It is intended that the assumption of the Continuing Options assumed by Parent shall comply with Sections 409A and 424 of the Code and this Section 2.7 shall be construed consistent with such intent.

### **2.8 Dissenting Shares.**

(a) Notwithstanding any provision of this Agreement to the contrary, Company Shares that are outstanding immediately prior to the Effective Time and that are held by stockholders who shall have not voted in favor of the Merger or consented thereto in writing and who shall have demanded properly in writing an appraisal for such Company Shares in accordance with Section 262 of the DGCL and not effectively withdrawn or lost their rights to appraisal of such Company Shares under Section 262 of the DGCL (collectively, the “**Dissenting Company Shares**”) shall not be converted into or represent the right to receive the Merger Consideration. From and after the Effective Time, a holder of Dissenting Company Shares shall not have and shall not be entitled to exercise any of the voting rights or other rights of a stockholder of the Surviving Corporation. Such stockholders shall be entitled to receive payment of the appraised value of such Dissenting Company Shares held by them in accordance with the provisions of such Section 262, except that all Dissenting Company Shares held by stockholders who shall have failed to perfect or who effectively shall have withdrawn or lost their rights to appraisal of such Dissenting Company Shares under such Section 262 shall thereupon be deemed

to have been converted into and to have become exchangeable for, as of the Effective Time, the right to receive the Merger Consideration, without any interest thereon, upon surrender, in the manner provided in [Section 2.9](#), of the Certificate or Certificates that formerly evidenced such Dissenting Company Shares.

(b) The Company shall give Parent (i) prompt notice of any demands for appraisal received by the Company, withdrawals of such demands, and any other instruments, notices, petitions, or other communications received from stockholders or provided to stockholders by the Company with respect to any Dissenting Company Shares or shares claimed to be Dissenting Company Shares, and (ii) the opportunity to direct all negotiations and proceedings with respect to demands for appraisal under the DGCL. Payment of any amount payable to the holders of Dissenting Company Shares shall be the obligation of the Company. The Company shall not, except with the prior written consent of Parent, make any payment with respect to any demands for appraisal or offer to settle or settle any such demands.

### **2.9 Surrender of Company Shares; Stock Transfer Books.**

(a) Prior to the Effective Time, Parent shall designate a bank or trust company to act as paying agent (the “**Paying Agent**”) for the payment of funds to which holders of Company Shares shall become entitled pursuant to [Section 2.6\(a\)](#). From time to time after the Effective Time, Parent shall deposit, or cause to be deposited, with the Paying Agent the aggregate amount payable pursuant to [Section 2.6\(a\)](#). The Paying Agent shall make payment of the funds to holders of Company Shares in accordance with this [Section 2.9](#). Such funds shall be invested by the Paying Agent as directed by Parent or (after the Effective Time) the Surviving Corporation, and any and all interest earned on the funds shall be paid by the Paying Agent to Parent or (after the Effective Time) the Surviving Corporation. Parent shall bear and pay all charges and expenses, including those of Paying Agent, incurred in connection with the payment of funds to holders of Company Shares.

(b) Promptly after the Effective Time, Parent shall cause to be mailed to each person who was, at the Effective Time, a holder of record of Company Shares entitled to receive the Merger Consideration pursuant to [Section 2.6\(a\)](#) a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates or transfer of Book-Entry Shares, as the case may be, to the Paying Agent) and instructions for use in effecting the surrender of the Certificates or transfer of Book-Entry Shares, as the case may be, pursuant to such letter of transmittal. Upon surrender to the Paying Agent of a Certificate or transfer of Book-Entry Shares, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, the holder of the Company Shares shall be entitled to receive in exchange therefor the Merger Consideration for each Company Share formerly evidenced by such Certificate or Book-Entry Shares, and such Certificate or Book-Entry Shares so transferred shall then be canceled. No interest shall accrue or be paid on the Merger Consideration payable upon the surrender of any Certificate for the benefit of the holder of such Certificate or the holder of any Book-Entry Shares. If payment of the Merger Consideration is to be made to a person other than the person in whose name the surrendered Certificate or Book-Entry Shares so transferred is registered on the stock transfer books of the Company or the systems of The Depository Trust Company

The Merger Consideration paid upon the surrender for exchange of Certificates or the Book-Entry Shares so transferred shall be deemed to have been paid in full satisfaction of all rights pertaining to the Company Shares previously represented by such Certificates or the Book-Entry Shares so transferred.

(c) At any time following the sixth (6) month after the Effective Time, Parent shall be entitled to require the Paying Agent to deliver to it or at its direction any funds which had been made available to the Paying Agent and not disbursed to holders of Company Shares (including all interest and other income received by the Paying Agent in respect of all funds made available to it), and, thereafter, such holders shall be entitled to look to Parent (subject to abandoned property, escheat and other similar Laws) only as general creditors thereof with respect to any Merger Consideration that may be payable upon due surrender of the Certificates held by them or the due transfer of the Book-Entry Shares. Notwithstanding the foregoing, none of Parent, the Surviving Corporation and the Paying Agent shall be liable to any holder of a Company Share for any Merger Consideration delivered in respect of such Company Share to a public official pursuant to any abandoned property, escheat or other similar Law.

(d) At the close of business on the day of the Effective Time, the stock transfer books of the Company shall be closed and thereafter there shall be no further registration of transfers of the Company Shares on the records of the Company. From and after the Effective Time, the holders of Company Shares outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Company Shares except as otherwise provided herein or by applicable Law.

(e) If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, the posting by such person of a bond in such reasonable and customary amount as Parent may require as indemnity against claims that may be made against it with respect to such Certificate, the Paying Agent will issue in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration payable in respect thereof, pursuant to this Agreement.

**2.10 Withholding Rights.** Each of Merger Sub, Parent, the Surviving Corporation or the Paying Agent shall be entitled to deduct and withhold from the Merger Consideration otherwise payable pursuant to Article 2 to any holder of Company Shares such amounts as are required to be deducted and withheld with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the “**Code**”) and the treasury regulations promulgated thereunder, or any provision of state, local or non-U.S. Tax Law. To the extent that amounts are so deducted and withheld, and paid over to the appropriate Governmental Authority, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Company Shares in respect of which such deduction and withholding was made.

(x) the Company is required to postpone or adjourn the Stockholders' Meeting by applicable Law or Order or a request from the SEC or its staff and the Company uses its reasonable best efforts to hold or resume the Stockholders' Meeting as soon as practicable,

(y) the Company Board shall have determined in good faith (after consultation with outside legal counsel) that it is required by Law to postpone or adjourn the Stockholders' Meeting, including in order to give stockholders of the Company sufficient time to evaluate any information or disclosure that the Company has sent to its stockholders or otherwise made available to its stockholders by issuing a press release, filing materials with the SEC or otherwise (including in connection with any Change in Recommendation); provided that this clause (y) shall not apply to allow a postponement or adjournment for any information or disclosure related to an Acquisition Proposal (including any Superior Proposal), or

(z) the Company Board shall have provided to Parent a Notice of Designated Superior Proposal in accordance with Section 6.3(b)(x)(A), in which case the Company Board shall have the right, for each such Notice of Designated Superior Proposal so delivered, to postpone or adjourn the Stockholders Meeting to a date no later than fifteen (15) business days after the date of delivery to Parent of such Notice of Designated Superior Proposal.

The Company shall ensure that the Stockholders' Meeting is called, noticed, convened, held and conducted, and that all parties solicited in connection with the Stockholders' Meeting are solicited, in compliance in all material respects with all applicable Laws and Orders. At the Stockholders' Meeting, Parent and Merger Sub shall cause all Company Shares then owned by them and their subsidiaries to be voted in favor of the adoption of this Agreement. The adoption of this Agreement and adjournment of the Stockholders' Meeting, as necessary, to solicit additional proxies if there are insufficient votes in favor of adoption of this Agreement, shall be the only matters which the Company shall propose to be acted on by the Company's stockholders at the Stockholders' Meeting unless otherwise approved in writing by Parent.

(d) Without limiting the generality of the foregoing, the Company agrees that (i) its obligation to duly call, give notice of, convene and hold the Stockholders' Meeting shall not be affected by the withdrawal, amendment or modification of the Company Board Recommendation, and (ii) its obligations pursuant to this Section 6.1 shall not be affected by the commencement, public proposal, public disclosure or communication to the Company of any Acquisition Proposal (whether or not a Superior Proposal). Unless this Agreement is terminated in accordance with Section 8.1, the Company agrees that it shall not submit to the vote of the stockholders of the Company any Acquisition Proposal (whether or not a Superior Proposal) prior to the vote of the Company's stockholders with respect to the Merger and the other Transactions at the Stockholders' Meeting.

(a) From the date hereof until the earlier to occur of the Effective Time and the termination of this Agreement in accordance with its terms, the Company shall, and shall cause the Company Subsidiaries and the Representatives, auditors and agents of the Company and the Company Subsidiaries to, afford the Representatives of Parent and Merger Sub reasonable access during normal working hours upon reasonable advance notice to the officers, employees, agents, assets, properties, offices, plants and other facilities, books and records of the Company and each Company Subsidiary and shall furnish Parent and Merger Sub with such financial, operating and other data and information (including the work papers of the Company's accountants, subject to the prior consent of such accountants, which consent the Company shall use its reasonable best efforts to obtain as soon as practicable) as Parent or Merger Sub, through their Representatives, may reasonably request, as long as these actions are in compliance with all applicable data privacy/protection Laws; provided, however, that the Company may restrict or otherwise prohibit access to any documents or information to the extent that (i) any applicable Laws (including any Laws relating to security clearances) requires the Company to restrict or otherwise prohibit access to such documents or information, including any Laws with respect to a Contract with a Governmental Authority to which the Company or any of the Company Subsidiaries is a party that restricts access without an appropriate security clearance (except to the extent that personnel at Parent or its Representatives has the appropriate security clearance required), (ii) access by Parent or its Representatives to such documents or information would give rise to a material risk (based on the advice of the Company's outside counsel and after giving due consideration of the existence of any common interest, joint defense or similar agreement between the parties) of waiving any attorney-client privilege, work product doctrine or other applicable privilege applicable to such documents or information, or (iii) access to a Contract to which the Company or any Company Subsidiary is a party or otherwise bound would violate or cause a default under, or give a Third Party the right to terminate or accelerate the rights under, such Contract; provided further, however, that in the event that the Company does not provide access or information in reliance on the preceding proviso, the Company shall promptly notify Parent and use its reasonable best efforts to, as promptly as practicable, as the case may be, (x) obtain any necessary clearance or consent in order to permit such access or disclosure and (y) provide such access or communicate such information to Parent (including through its Representatives) in a way that would not violate the applicable Law or Contract or waive any such a privilege. Any investigation conducted pursuant to the access contemplated by this Section 6.2 shall be conducted in a manner that does not unreasonably interfere with the conduct of the business of the Company and the Company Subsidiaries or damage or destroy any property or assets of the Company or any of the Company Subsidiaries. Any access to the properties and documents of the Company and the Company Subsidiaries afforded pursuant to this Section 6.2(a) shall be provided pursuant to, and subject to, the Company's reasonable, generally applicable security measures.

(b) All information obtained by Parent or Merger Sub pursuant to this Section 6.2 shall be held confidential in accordance with the confidentiality agreement, dated June 14, 2010 (the "Confidentiality Agreement"), between Parent and the Company.

(c) The Company shall consult with Parent in good faith on a regular basis as requested by Parent to report material (individually or in the aggregate) operational

developments, material change in the status of relationships with material customers and potential customers, material change in the status of ongoing operations and other material matters reasonably requested by Parent.

(d) No investigation or consultation pursuant to this Section 6.2 or otherwise shall affect any representation, warranty, covenant or other agreement in this Agreement of any party or any condition to the obligations of the parties.

### **6.3 No Solicitation of Transactions.**

(a) Except as set forth in this Section 6.3, until the termination of this Agreement in accordance with the terms hereof, the Company shall not, and shall cause the Company Subsidiaries not to, and shall not authorize or permit its and the Company Subsidiaries' respective Representatives to, directly or indirectly (i) solicit, initiate, knowingly encourage or knowingly facilitate any Acquisition Proposal or the making thereof, (ii) enter into, continue or otherwise participate in any discussions or negotiations regarding, or furnish any information to, or otherwise cooperate in any way with, any Third Party or their Representatives that is seeking to make, or has made, any Acquisition Proposal, or (iii) waive, terminate, modify or fail to enforce any provision of any contractual "standstill" or confidentiality or similar obligation of any Third Party.

Without limiting the foregoing, it is agreed that any violation of the restrictions set forth in the preceding sentence by any Company Subsidiary or any Representative of the Company or any Company Subsidiary shall be a breach of this Section 6.3 by the Company. The Company immediately shall, and shall cause the Company Subsidiaries and shall instruct each of their respective Representatives immediately to, cease and cause to be terminated any and all discussions or negotiations with any person that may be ongoing with respect to, or that would reasonably be expected to lead to, any Acquisition Proposal and request the prompt return or destruction of all confidential information provided to any such person or its Representatives prior to the date of this Agreement and use its commercially reasonable efforts to ensure compliance with such request.

Notwithstanding anything to the contrary herein, prior to obtaining the Required Company Vote, in response to a bona fide unsolicited written Acquisition Proposal made after the date hereof, that did not result from or arise out of a breach of this Section 6.3, and that the Company Board determines in good faith (after consultation with outside counsel and a financial advisor of nationally recognized reputation) is, or is reasonably likely to lead to, a Superior Proposal, the Company may, subject to compliance with Section 6.3(c),

(x) furnish information regarding the Company and the Company Subsidiaries to the person making such Acquisition Proposal (and its Representatives) pursuant to a confidentiality agreement (which shall permit the Company to comply with the terms of Section 6.3(c)) containing confidentiality and other provisions not less restrictive to such Third Party than the provisions of the Confidentiality Agreement are to Parent; provided, however, that all such information has previously been made available to Parent or is made available to Parent prior to, or concurrent with, the time it is provided to such person, and (y) participate in discussions or negotiations with the person making such Acquisition Proposal (and its Representatives) regarding such Acquisition Proposal, but, in connection with the foregoing clauses (x) and (y), only if the Company Board determines in good faith (after

consultation with outside legal counsel and a financial advisor of nationally recognized reputation) that the failure to take such action would reasonably be expected to be a breach of its fiduciary duties under applicable Law, and provided, however, that the Company shall not take any of the actions referred to in the foregoing clauses (x) and (y) unless the Company shall have notified Parent in writing, at least two (2) business days prior to taking such action, that it intends to take such action and the basis hereunder therefor.

For purposes of this Agreement, “**Superior Proposal**” means any bona fide unsolicited written proposal, which did not result from or arise out of a violation of this Section 6.3, made by a Third Party that, if consummated, would result in such Third Party (or its stockholders) owning, directly or indirectly, one hundred percent (100%) of the equity securities of the Company (or of the shares of the surviving entity in a merger or the direct or indirect parent of the surviving entity in a merger) or all or substantially all of the assets of the Company, and that the Company Board determines in good faith (after consultation with a financial advisor of nationally recognized reputation and its outside legal counsel) to be (i) more favorable to the Company’s stockholders than the Merger (taking into account all terms and conditions of such proposal (including any termination or break-up fees, expense reimbursement provisions and conditions to consummation) and of this Agreement (including any changes to the terms of this Agreement proposed by Parent in a binding written offer in response to such offer or otherwise which is capable of being accepted by the Company)) and (ii) reasonably capable of being completed by such Third Party (taking into account, among other things, the expectation of obtaining required regulatory approvals).

(b) Except as set forth in this Section 6.3, until the termination of this Agreement in accordance with the terms hereof, neither the Company Board nor any committee thereof shall: (i) (A) fail to make (including as required by clause (A) of Section 6.1(c)), or withdraw, modify or amend or publicly propose to withdraw, modify or amend, in any manner adverse to Parent or Merger Sub, the Company Board Recommendation, (B) fail to make a statement in opposition and recommend rejection to the Company’s stockholders of a tender or exchange offer of the Company’s securities initiated by a Third Party pursuant to Rule 14e-2 promulgated under the Securities Act within ten (10) business days after such tender or exchange offer shall have been announced or commenced by such Third Party, or (C) approve or recommend, or publicly propose to approve or recommend, any Acquisition Proposal (any of the foregoing in clauses (A)-(C), a “**Change in Recommendation**”), or (ii) adopt or recommend, or publicly propose to adopt or recommend, or allow the Company or any Company Subsidiary to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar Contract constituting or related to, or that is intended to or would reasonably be expected to lead to, any Acquisition Proposal (other than a confidentiality agreement referred to in Section 6.3(a)) (any of the foregoing, an “**Acquisition Agreement**”).

Notwithstanding anything to the contrary contained in this Agreement, at any time prior to obtaining the Required Company Vote, the Company Board may:

outside legal counsel and a financial advisor of nationally recognized reputation) constitutes a Superior Proposal (1) make a Change in Recommendation if the Company Board has determined in good faith (after consultation with its outside legal counsel) that, in light of the receipt of such Superior Proposal, the failure to make such Change in Recommendation would reasonably be expected to be a breach of its fiduciary duties to the Company's stockholders under applicable Law, or (2) cause the Company to terminate this Agreement pursuant to Section 8.1(g) and (and only if the Company shall) concurrently with such termination enter into an Acquisition Agreement if the Company Board has concluded in good faith (after consultation with its outside legal counsel) that, in light of the receipt of such Superior Proposal, the failure to effect such termination would reasonably be expected to be a breach of its fiduciary duties to the Company's stockholders under applicable Law; provided, however, that the Company shall not be entitled to terminate this Agreement pursuant to the foregoing clause (2), and any purported termination pursuant to the foregoing clause (2) shall be void and of no force or effect, unless, prior to such termination, the Company pays by wire transfer of immediately available funds the Fee in accordance with Section 8.3(a)(iv); provided, further, that the Company Board shall not be entitled to make a Change in Recommendation in respect of any such Superior Proposal or terminate this Agreement pursuant to Section 8.1(g) in respect of any such Superior Proposal, and any purported termination pursuant to the foregoing clause (2) shall be void and of no force or effect, unless the Company has:

(A) provided to Parent five (5) business days' prior written notice that it intends to take a such action (a "**Notice of Designated Superior Proposal**"), which notice shall describe the terms and conditions of any Superior Proposal (including the identity of the party making such Superior Proposal) that is the basis of the proposed action by the Company Board (a "**Designated Superior Proposal**") and attach the most current form or draft of any written agreement providing for the transaction contemplated by such Designated Superior Proposal and all other contemplated transaction documents (including any agreements with any stockholders, directors or employees) (it being understood and agreed that any amendment to the financial terms or any other material term of such Superior Proposal shall require a new Notice of Designated Superior Proposal and a new five (5) business day period);

(B) during such five (5) business day period, if requested by Parent, engaged in good faith negotiations with Parent to amend this Agreement in such a manner that the Acquisition Proposal that was determined to constitute a Superior Proposal no longer is a Superior Proposal; and

(C) at the end of such five (5) business day period, such Acquisition Proposal has not been withdrawn and the Company Board determines in good faith that such Acquisition Proposal continues to constitute a Superior Proposal (taking into account any changes to the terms of this Agreement agreed to or proposed by Parent in a binding written offer in response to a Notice of Designated Superior Proposal, as a result of the negotiations required by clause (B) or otherwise, which is capable of being accepted by the Company); or

(y) in response to a material fact, event, change, development or set of circumstances (other than, and not related in any way to, an Acquisition Proposal) that was neither known to nor reasonably foreseeable by any member of the Company Board, assuming consultation with the executive officers of the Company, as of or prior to the date of this

Agreement, and did not result from or arise out of the announcement or pendency of, or any actions required to be taken (or to be refrained from being taken) pursuant to, this Agreement (such material fact, event, change, development or set of circumstances, as “**Intervening Event**”), make a Change in Recommendation; provided, however, that the Company Board first shall have concluded in good faith (after consultation with outside legal counsel and a financial advisor of nationally recognized standing) that, in light of the existence of such Intervening Event, the failure to make such Change in Recommendation would reasonably be expected to be a breach of its fiduciary duties to the Company’s stockholders under applicable Law; and provided, further, that the Company shall not be entitled to exercise its right to make a Change in Recommendation in light of the existence of such Intervening Event unless the Company has:

(A) provided to Parent five (5) business days’ prior written notice that it intends to take a such action, which notice shall specify the facts underlying the Company Board’s determination that an Intervening Event has occurred, and the rationale and basis for such Change in Recommendation, in reasonable detail (it being understood and agreed that any material change to the facts and circumstances relating to such Intervening Event shall require a new notice and a new five (5) business day period),

(B) during such five (5) business day period, if requested by Parent, engaged in good faith negotiations with Parent to amend this Agreement in such a manner as obviates the need for the Change in Recommendation as a result of the Intervening Event, and

(C) at the end of such five (5) business day period, the Company Board determines, in good faith, that the failure to make such Change in Recommendation in light of such Intervening Event (taking into account any changes to the terms of this Agreement agreed to or proposed by Parent as a result of the negotiations required by clause (B) or otherwise) would reasonably be expected to be a breach of its fiduciary duties to the Company’s stockholders under applicable Law.

(c) The Company shall promptly (and in any event within twenty-four (24) hours of learning of the relevant information) advise Parent orally and in writing of the receipt of any Acquisition Proposal (including for the avoidance of doubt any request for information or other inquiry in connection with or which would reasonably be expected to lead to any Acquisition Proposal), including the material terms and conditions of such Acquisition Proposal (including any changes thereto) and the identity of the person making such Acquisition Proposal and attaching a copy of any such written Acquisition Proposal, or if such Acquisition Proposal is provided orally to the Company, the Company shall summarize in writing the terms and conditions of such Acquisition Proposal, including the identity of the person making such Acquisition Proposal (including for the avoidance of doubt any such request or other inquiry). The Company shall keep Parent reasonably and promptly informed in all material respects of the status and details (including any material change or proposed material change to the terms thereof) of any Acquisition Proposal. The Company shall provide Parent with forty eight (48) hours prior notice (or such lesser prior notice as is provided to the members of the Company Board) of any meeting of the Company Board at which the Company Board is expected to consider any Acquisition Proposal or any such inquiry or to consider providing information to any person or group in connection with an Acquisition Proposal or any such inquiry.

(d) Nothing contained in this [Section 6.3](#) shall prohibit the Company or the Company Board from (i) taking and disclosing to its stockholders a position contemplated by Rule 14e-2(a) under the Exchange Act or making a statement required under Rule 14d-9 under the Exchange Act and (ii) making any disclosure to its stockholders that the Company Board shall have determined in good faith (after consultation with its outside legal counsel) that the failure to make such disclosure would reasonably be expected to be a breach of its fiduciary duties to the Company's stockholders under applicable Law; provided, however, that in the case of both clause (i) and clause (ii) any such disclosure, other than a "stop, look and listen" communication or similar communication of the type contemplated by Section 14d-9(f) of the Exchange Act, shall be deemed to be in a Change in Recommendation unless the Company Board expressly publicly reaffirms the Company Board Recommendation in such disclosure.

(e) Unless such actions are taken in connection with a termination of this Agreement in accordance with [Section 8.1\(g\)](#), the Company shall not, except to the extent required by Order of a court of competent jurisdiction, take any action to approve any transaction under, or any Third Party becoming an "interested stockholder" under, Section 203 of the DGCL.

### **6.4 Employee Benefits Matters.**

(a) If so directed by Parent, the Company Board, at least five (5) business days prior to the Effective Time, will adopt resolutions terminating any and all Plans intended to qualify as a qualified cash or deferred arrangement under Section 401(k) of the Code, effective no later than the day immediately preceding the date the Company becomes a member of the same controlled group of corporations (as defined in Section 414(b) of the Code) as Parent. The form and substance of such resolutions shall be subject to the reasonable approval of Parent, and the Company shall provide Parent evidence that such resolutions have been adopted by the Company Board or the board of directors of the Company Subsidiaries, as applicable. The Company shall take such other actions in furtherance of terminating any such 401(k) plans as Parent may reasonably request. Immediately prior to such termination, the Company will make (or cause to be made) all necessary payments to fund the contributions (i) necessary or required to maintain the tax qualified status of any such 401(k) Plan, (ii) for elective deferrals made pursuant to any such 401(k) Plan for the period prior to termination, and (iii) for employer matching contributions (if any) required pursuant to such 401(k) Plan for the period prior to termination.

(b) Nothing in this Agreement shall (x) create any Third Party beneficiary rights in any employee or former employee (including any beneficiary or dependent thereof) of the Company or any Company Subsidiary in any respect, including in respect of continued employment (or resumed employment), or create any such rights in any persons in respect of any benefits that may be provided, directly or indirectly, under any Plan of the Company prior to the Effective Time), or (y) constitute or be construed to constitute an amendment to any of the compensation or benefit plans maintained for or provided to employees or other persons prior to or following the Effective Time. Nothing in this Agreement shall constitute a limitation on the rights to amend, modify or terminate any such plans or arrangements of Parent or any of its subsidiaries (including any Plan of the Company prior to the Effective Time).

(c) The Company will consult with Parent (and consider in good faith the advice of Parent) prior to sending any material notices or other communication materials to its employees regarding the matters described in this Section 6.4, and any other matters relating to the entry into of this Agreement or the effects of the Merger.

(d) Parent shall take the actions set forth in Schedule 6.4(d).

### **6.5 Directors' and Officers' Indemnification and Insurance.**

(a) For six (6) years after the Effective Time, Parent shall cause the Surviving Corporation to indemnify and hold harmless, to the extent that the Surviving Corporation is permitted to indemnify under applicable Law, each person who is now or was prior to the Effective Time an officer or director of the Company or the Company Subsidiaries and each person who is now or was prior to the Effective Time an officer or director of the Company or the Company Subsidiaries who served as a fiduciary under or with respect to any employee benefit plan of the Company or the Company Subsidiaries (within the meaning of Section 3(3) of ERISA) (each, an "**Indemnified Person**") against any costs or expenses, judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any actual or threatened claim, action, suit, arbitration, proceeding or investigation in respect of, or arising out of, acts or omissions occurring, or alleged to have occurred, at or prior to the Effective Time, based in whole or in part on, or arising in whole or in part out of, the fact that such person is or was an officer or director of the Company and the Company Subsidiaries, or a fiduciary under or with respect to any employee benefit plan of the Company or the Company Subsidiaries; provided, however, that if, at any time prior to the sixth anniversary of the Effective Time, any Indemnified Person delivers to Parent a written notice asserting a claim for indemnification under this Section 6.5(a), then the claim asserted in such notice shall survive the sixth anniversary of the Effective Time until such time as such claim is fully and finally resolved. In addition, for six (6) years after the Effective Time, Parent shall cause the Surviving Corporation to advance, to the extent that the Surviving Corporation is permitted to advance under applicable Law, prior to the final disposition of any actual or threatened claim, action, suit, arbitration, proceeding or investigation for which indemnification may be sought under this Agreement, promptly following request by an Indemnified Person therefor, all costs, fees and expenses (including reasonable attorneys' fees and investigation expenses) incurred by such Indemnified Person in connection with any such claim, action, suit, arbitration, proceeding or investigation; provided, however, that any advancement of expenses pursuant to this Section 6.5(a) shall be conditioned upon the Surviving Corporation's receipt of an undertaking by or on behalf of the Indemnified Person to repay such amount if it shall be ultimately determined by final judgment of a court of competent jurisdiction that the Indemnified Person is not entitled to be indemnified pursuant to this Section 6.5(a). In the event of any such action, Parent and the Surviving Corporation shall cooperate with the Indemnified Person in the defense of any such action.

(b) From and after the Effective Time, Parent shall cause the Surviving Corporation to fulfill and honor, in all respects, the obligations of the Company or the Company Subsidiaries pursuant to any indemnification agreements of the Company or the Company Subsidiaries, on the one hand, and any Indemnified Person, on the other hand (the "**Indemnification Agreements**") and any indemnification, exculpation or advancement of expenses provisions under the certificates of incorporations or bylaws (or comparable

(c) For six (6) years after the Effective Time, Parent shall or shall cause the Surviving Corporation to provide officers' and directors' liability, fiduciary liability and similar insurance (collectively, "**D&O Insurance**") in respect of acts or omissions occurring prior to the Effective Time covering each Indemnified Person covered, as of the date of this Agreement, by the Company's D&O Insurance policies on terms with respect to coverage and amount no less favorable than those of such policy in effect on the date of this Agreement, as well as covering claims brought against each Indemnified Person under ERISA; provided, however, that, in satisfying its obligation under this Section 6.5(c), the Surviving Corporation shall not be obligated to pay annual premiums in the aggregate for any one (1) year in excess of two hundred percent (200%) of the amount per annum the Company paid in its last full fiscal year, which amount the Company has disclosed to Parent prior to the date of this Agreement (the "**Current Premium**"); provided, further, that if the annual premiums of such insurance coverage exceed such maximum amount, the Surviving Corporation shall be obligated to obtain a policy with the greatest coverage available for a cost not exceeding such maximum amount. Notwithstanding the foregoing, at any time Parent or the Surviving Corporation may, and prior to the Effective Time, the Company, following notice to Parent may, and, if so directed by Parent, shall, purchase a "tail" directors' and officers' liability insurance policy, for a total premium in aggregate of no more than two hundred fifty percent (250%) of the Current Premium, covering the same persons and providing the same terms with respect to coverage and amount as aforesaid, and that by its terms shall provide coverage until the sixth (6<sup>th</sup>) annual anniversary of the Effective Time, and upon the purchase of such insurance Parent's and the Surviving Corporation's obligations pursuant to the first sentence of this Section 6.5(c) shall be deemed satisfied.

(d) In the event of any Claim or Action for which indemnification may be sought pursuant to this Section 6.5, (i) the Surviving Corporation and Parent will have the right to control the defense thereof, (ii) each Indemnified Person shall have the right to retain his or her own counsel, which counsel shall be reasonably satisfactory to Parent and the Surviving Corporation, whether or not the Surviving Corporation or Parent elect to control the defense of any such Claim or Action, (iii) the Surviving Corporation (and Parent) shall pay all reasonable fees and expenses of counsel retained by an Indemnified Person in connection with such Claim or Action (provided that notwithstanding anything to the contrary in this Section 6.5 or elsewhere in this Agreement, the Surviving Corporation (and Parent) shall not be obligated to pay for the fees and expenses of more than one (1) counsel (selected by a majority of the applicable Indemnified Persons for any Indemnified Persons in any jurisdiction with respect to a single Claim or Action) except to the extent that two (2) or more of such Indemnified Persons shall have an actual material conflict of interest in such Claim or Action), and (iv) neither Parent or Surviving Corporation, on the one hand, nor any Indemnified Person, on the other hand, shall be liable for any settlement effected without its, his or her prior express written consent. Notwithstanding anything to the contrary set forth in this Section 6.5(d) or elsewhere in this Agreement, neither Parent nor any of its affiliates (including the Surviving Corporation) shall settle or otherwise compromise or consent to the entry of any judgment or otherwise seek termination with respect to any Claim or Action for which indemnification may be sought by an

Indemnified Person under this Agreement unless such settlement, compromise, consent or termination includes an unconditional release of all Indemnified Persons from all liability arising out of such Action. Each Indemnified Party shall cooperate with Parent and the Surviving Corporation in the defense of any such Action, shall furnish or cause to be furnished records, documents, information and testimony and shall attend such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested by Parent in connection therewith.

(e) If Parent or the Surviving Corporation or any of their successors or assigns shall (i) consolidate with or merge into any other person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfer all or substantially all of its properties and assets to any person, then, and in each case, proper provisions shall be made so that the successors and assigns of the Surviving Corporation shall assume all of the obligations of Parent and/or the Surviving Corporation set forth in this Section 6.5.

(f) The rights of each Indemnified Person under this Section 6.5 shall survive consummation of the Merger and, following the Effective Time, are intended to benefit, and shall be enforceable by, each Indemnified Person.

**6.6 Takeover Laws and Rights.** If any “fair price,” “moratorium,” “control share acquisition” or other anti-takeover statute or regulation (“**Takeover Law**”) is or may become applicable to this Agreement, the Company Shares, the Merger or any of the other Transactions, the Company and the Company Board shall use their reasonable best efforts to grant such approvals and take such actions as are necessary so that such Transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise act to eliminate or minimize the effects of such Takeover Law on this Agreement, the Company Shares, the Merger or such other Transactions.

### **6.7 Notification of Certain Matters.**

(a) The Company shall give prompt notice to Parent of (i) the Company becoming aware that any representation or warranty made by it in this Agreement is or would be untrue or inaccurate in any material respect, or (ii) any failure of the Company to comply in any material respect with or satisfy in any material respect any covenant or agreement to be complied with or satisfied by it hereunder. The Company shall give prompt notice to Parent of any written notice or other communication from any person alleging that the consent of such person is or may be required in connection with any of the Transactions. The Company shall give prompt notice to Parent if the representation contained in Section 3.15(b) (without regard to the date limitation therein) does not continue to be true during the period from the date hereof through the Closing Date. Notwithstanding anything to the contrary set forth in this Agreement, (i) the delivery of any notice pursuant to this Section 6.7(a) shall not limit, or otherwise affect, the remedies available hereunder to the party receiving such notice and shall not affect or be deemed to modify any representation or warranty of the Company set forth herein or the conditions to the obligations of Parent or Merger Sub to consummate the transactions contemplated hereby, including the Merger, and (ii) the failure to give any notice required by this Section 6.7(a) shall not be treated as a breach of covenant for the purposes of Section 7.2(b).

**6.9 Cooperation.** Upon the terms and subject to the conditions set forth in this Agreement, Parent and Merger Sub, on the one hand, and the Company, on the other hand, shall use their reasonable best efforts to take (or cause to be taken) all actions, and do (or cause to be done), and assist and cooperate with the other party or parties in doing, all reasonable things necessary, proper or advisable under applicable Law or otherwise to consummate and make effective the Merger as soon as practicable, including using their respective reasonable best efforts to cause the conditions to the Company's (in the case of Parent and Merger Sub) and Parent's and Merger Sub's (in the case of the Company) obligations to close the Merger set forth in [Article 7](#) to be satisfied on or before the Outside Date. of the preceding clauses (A) and (B), such reasonable undertakings and commitments as may be reasonably requested by any Specified Governmental Authorities, in sufficient time to allow the conditions to the Merger to be satisfied on or before the Outside Date. Notwithstanding the foregoing or anything to the contrary in this Agreement, nothing in this Agreement shall require Parent or any of its subsidiaries or affiliates to, and, except with the prior written consent of Parent, the Company shall not take any action to and shall not allow any of the Company Subsidiaries to consent or proffer to divest or hold separate any business or assets of Parent, the Company or any of their respective subsidiaries.

(d) In furtherance and not in limitation of the foregoing, Parent shall contest and litigate and defend against any Action, whether judicial or administrative, brought by or pending before the European Commission, DOJ or FTC and promptly and expeditiously appeal any Order in such Action, (i) challenging or seeking to make illegal, delaying materially or otherwise directly or indirectly restraining or prohibiting the consummation of the Merger or any other Transactions, (ii) seeking to prohibit or limit in any respect, or place any conditions on, the ownership or operation by the Company, Parent or any of their respective affiliates of all or any portion of the business or assets of Parent or the Company or any of their respective subsidiaries or to require any such person to dispose of, license (whether pursuant to an exclusive or nonexclusive license) or hold separate all or any portion of the business or assets of Parent, the Company or any of their respective subsidiaries, in each case as a result of, or in connection with, the Merger, (iii) seeking, directly or indirectly, to impose or confirm limitations on the ability of Parent or any of its affiliates to acquire or hold, or exercise full rights of ownership of, any Company Shares or any shares of capital stock of the Surviving Corporation on all matters properly presented to the stockholders of the Company or the Surviving Corporation, respectively, (iv) seeking to require divestiture by Parent, the Company or any of their respective subsidiaries of any Company Shares or any business or assets of the Company or the Company Subsidiaries or Parent or its subsidiaries, or (v) that would reasonably be expected to impede, interfere with, prevent or materially delay the Merger or that would reasonably be expected to dilute materially the benefits to Parent of the Transactions, except so far as any of the prohibitions, limitations, conditions or requirements referred to in this Section 6.10(d) are covered by any commitments made to any Governmental Authority in accordance with Section 6.10(c), in order to satisfy the conditions set forth in Section 7.1(b), Section 7.1(c) and Section 7.2(d).

(e) Neither Parent nor the Company shall, nor shall it permit any of its subsidiaries to, enter into or publicly announce an agreement to form a joint venture or acquire any assets, business or company if any such agreements, individually or in the aggregate, would reasonably be expected by Parent with respect to agreements by Parent or any of its subsidiaries or by the Company with respect to agreements by the Company or any of its subsidiaries to cause any of the conditions set forth in Section 7.1(b), Section 7.1(c) or Section 7.2(d) to fail to be satisfied prior to the Outside Date.

**6.11 Rule 16b-3.** Prior to the Effective Time, (i) Parent shall take such actions as may be required to cause the transactions contemplated by Section 2.7 with respect to the assumption and conversion of any Company Stock Options, Company RSUs and Company PSUs or other convertible securities by each individual who is a director or officer of the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act and (ii) the Company shall take

**6.12 Delisting.** Each party agrees to cooperate with the other party in taking, or causing to be taken, all actions necessary to (i) delist the Company Shares from the NYSE and (ii) to terminate the registration of the Company Shares under the Exchange Act; provided, however, that such delisting or termination shall not be effective until after the Effective Time.

**6.13 Further Assurances.** Unless the Company Board shall have effected a Change in Recommendation in accordance with Section 6.3(b), each party, at the reasonable request of another party, shall execute and deliver such other instruments and do and perform such other acts and things as may be necessary or desirable for effecting the consummation of this Agreement and the Transactions.

**6.14 Public Announcements.** No press release or public announcement, statement or disclosure concerning the Merger shall be issued by either party without the prior consent of the other party (which consent shall not be unreasonably withheld, conditioned or delayed), except as such release or announcement may be required by Law, including the rules or regulations of any U.S. or non-U.S. securities exchange, in which case the party required to make the release or announcement shall use its reasonable efforts to allow the other party reasonable time to comment on such release or announcement in advance of such issuance; provided, however, that the restrictions set forth in this Section 6.14 shall not apply to any press release or public announcement, statement or disclosure made by the Company following, and related to, or by Parent following, a Change in Recommendation in accordance with Section 6.3(b).

**6.15 Transfer Taxes.** All transfer, documentary, sales, use, stamp, registration, value added and other similar Taxes and fees incurred in connection with the Transactions shall be paid by the party or applicable stockholder of the Company on whom such Taxes are imposed by applicable Law.

**6.16 Personally Identifiable Information.** Before the Effective Time, none of the parties shall use any disclosed personally identifiable information for any purposes other than those related to the performance of this Agreement and the completion of the Transactions.

## **7. CONDITIONS TO THE MERGER**

(b) *Covenants*. The Company shall have complied with or performed, in all material respects, all covenants, obligations and agreements of the Company under this Agreement to be complied with or performed by it prior to the Effective Time.

(d) *Litigation*. There shall not have been instituted and remain pending any litigation, suit, action or proceeding by any Governmental Authority:

(i) challenging or seeking to make illegal, or otherwise, directly or indirectly, restrain or prohibit the consummation of the Merger; or

(ii) seeking to prohibit or limit the ownership or operation by the Company, Parent or any of their subsidiaries of all or any of the business or assets of the Company, Parent or any of their subsidiaries, or to compel the Company, Parent or any of their subsidiaries, to dispose of, license or to hold separate all or any portion of the business or assets of the Company, Parent or any of their subsidiaries.

(e) *Material Adverse Effect*. No Material Adverse Effect shall have occurred since the date of the 2010 Balance Sheet and be continuing (excluding for this purpose, clause (y) of the definition of “Material Adverse Effect”).

(a) *Representations and Warranties*. The representations and warranties of Parent and Merger Sub set forth in this Agreement shall be true and correct in all material respects as of the date of this Agreement, and at and as of the Closing Date as though made on or as of such date, (other than those representations and warranties that address matters only as of a particular date or only with respect to a specified period of time, that need only be true and correct as of such particular date or with respect to such specified period), except where the failure of such representations and warranties (including those representations and warranties that address matters only as of a particular date or only with respect to a specified period of time) to be true and correct as of the date of this Agreement and at and as of the Closing Date, individually or in the aggregate, would not prevent or materially delay consummation of the Merger or otherwise prevent Parent or Merger Sub from performing any of their material obligations under this Agreement.

(b) *Covenants*. Parent and Merger Sub shall have complied with or performed, in all material respects, all covenants, obligations and agreements of Parent and Merger Sub under this Agreement to be complied with or performed by them on or prior to the Closing Date.

(c) *Certificate*. Parent and Merger Sub shall have furnished the Company with a certificate signed on their behalf by an authorized officer of Parent and Merger Sub to the effect that the conditions set forth in Sections 7.3(a) and (b) are satisfied.

## 8. TERMINATION

**8.1 Termination.** This Agreement may be terminated and the Merger may be abandoned at any time prior to (i) the Effective Time, for Sections 8.1(a) through (f) and Section 8.1(h), notwithstanding any requisite adoption of this Agreement by the stockholders of the Company, and (ii) obtaining the Required Company Vote, for Section 8.1(g):

(a) By mutual written consent of Parent and the Company; or

(b) By either Parent or the Company, if:

(i) the Merger shall not have been consummated by May 18, 2011 (the “**Outside Date**”); provided, however, that (x) if the Closing shall not have occurred by May 18, 2011, but on such date, (A) the condition set forth in Section 7.1(a) has been satisfied and (B) the conditions set forth in Section 7.1(b) (solely as it relates to applicable Antitrust Laws) or Section 7.1(c) have not been satisfied or waived in writing, then the “Outside Date” shall be deemed to be automatically and without any action on the part of either party, August 18, 2011, and (y) if the Closing shall not have occurred by August 18, 2011, but on such date (A) the condition set forth in Section 7.1(a) has been satisfied and (B) the conditions set forth in Section 7.1(b) (solely as it relates to applicable Antitrust Laws) or Section 7.1(c) have not been satisfied or waived in writing, then the Company may elect (by delivering written notice to Parent on or prior to 11:59 p.m. (Pacific time) on August 18, 2011) to extend the “Outside Date” to November 18, 2011; provided, further, that the right to terminate this Agreement under this Section 8.1(b)(i) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the cause of, or resulted in, the failure of the Merger to occur on or before the Outside Date; or

(ii) any Governmental Authority in any jurisdiction that is material to the business of Parent or the Company shall have (x) enacted, issued, promulgated, or enforced any Law that makes consummation of the Merger illegal or otherwise prohibited, or (y) issued or entered an Order that enjoins Parent and the Company from consummating the Merger, and such Order shall have become final and non-appealable; provided, however, that the right to terminate this Agreement under this Section 8.1(b)(ii) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the cause of, or resulted in any of the events described in the preceding clause (x) or (y); or

(c) By either Parent or the Company if the Required Company Vote shall not have been obtained at the Stockholders’ Meeting (giving effect to any adjournment or postponement thereof permitted by the terms hereof); or

(d) By either Parent or Merger Sub, if (i) each of Parent or Merger Sub are not then in material breach of its covenants or obligations under this Agreement, and (ii) there is an inaccuracy in the Company’s representations herein, or a breach by the Company of its covenants herein, in either case such that the conditions set forth in Sections 7.2(a) and (b) would fail to be satisfied, and such inaccuracy or breach is not cured within thirty (30) days after notice thereof; or

(e) By the Company, if (i) the Company is not then in material breach of its covenants or obligations under this Agreement, and (ii) there is an inaccuracy in the representations of Parent and Merger Sub herein, or a breach by Parent and Merger Sub of their covenants herein, in either case such that the conditions set forth in Sections 7.3(a) and (b) would fail to be satisfied, and such inaccuracy or breach is not cured within thirty (30) days after notice thereof; or

(f) By either Parent or Merger Sub, if any of the following shall have occurred: (i) the Company Board or any committee thereof shall have made a Change in Recommendation, (ii) the Company shall have failed to publicly reaffirm the Company Board Recommendation within ten (10) business days after receipt of a written request by Parent to provide such reaffirmation following a publicly announced Acquisition Proposal or commencement of a tender or exchange offer for the Company Shares, (iii) the Company shall have failed to include the Company Board Recommendation in the Proxy Statement, or (iv) the Company shall have materially breached any of the covenants set forth in Section 6.3;

(g) By the Company, in connection with a Change in Recommendation made in accordance with Section 6.3 in which the Company Board shall have determined to accept or enter into a transaction related to a Superior Proposal that was the subject of such Change in Recommendation; provided, however, that the Company shall concurrently with such termination enter into an Acquisition Agreement relating to such Superior Proposal and pay Parent the Fee payable under Section 8.3(a)(iv) prior to such termination. Any purported termination pursuant to this Section 8.1(g), that is not effected in compliance with the requirements of this Section 8.1(g), shall be null and void and of no effect; or

(h) By the Company, not later than ten (10) business days following written notice to the Company and Parent of a decision by the European Commission under the EC Merger Regulation to prohibit the Merger.

**8.2 Effect of Termination.** In the event of the termination of this Agreement pursuant to Section 8.1, this Agreement shall forthwith become void, and there shall be no liability on the part of Parent, Merger Sub, the Company or their respective officers, directors, stockholders, or affiliates; provided, however, that, (a) the provisions of Section 6.2(b) (Confidentiality), Section 6.14 (Public Announcements), Section 8.3 (Fees), Article 9 (General Provisions) and this Section 8.2 shall remain in full force and effect and survive any termination of this Agreement, and (b) such termination shall not relieve any party from liability for any fraud or intentional breach of its representations or warranties or covenants hereunder. A termination of this Agreement shall not cause a termination of the Confidentiality Agreement or any other agreement between the parties.

### **8.3 Fees.**

(a) In the event that this Agreement is terminated:

(i) by Parent or the Company pursuant to Section 8.1(c), provided that (x) following the execution and delivery of this Agreement and prior to the Stockholders' Meeting, an Acquisition Proposal shall have been publicly announced and not publicly

withdrawn (excluding, for purposes of this Section 8.3(a)(i), from the definition of “Acquisition Proposal” any inquiries), and (y) within twelve (12) months after such termination, either (A) the Company enters into an Acquisition Agreement with respect to an Acquisition Proposal or (B) an Acquisition Proposal is consummated (provided, however, that for purposes of this Section 8.3(a)(i) only, all references to “fifteen percent (15%)” and “eighty five percent (85%)” in the definition of “Acquisition Proposal” shall be references to fifty point one percent (50.1%));

(ii) by Parent or Merger Sub pursuant to Section 8.1(d) (in respect of a breach by the Company of its covenants herein following the public announcement of the Acquisition Proposal described in the following clause (x) or the receipt by the Company Board of the Acquisition Proposal described in the following clause (x)), provided that (x) following the execution and delivery of this Agreement and prior to such termination, an Acquisition Proposal (excluding, for purposes of this Section 8.3(a)(ii), from the definition of “Acquisition Proposal” any inquiries) shall have been publicly announced and not publicly withdrawn or shall have been communicated to the Company Board and (y) within twelve (12) months after such termination, either (A) the Company enters into an Acquisition Agreement with respect to an Acquisition Proposal or (B) an Acquisition Proposal is consummated (provided, however, that for purposes of this Section 8.3(a)(ii) only, all references to “fifteen percent (15%)” and “eighty-five percent (85%)” in the definition of “Acquisition Proposal” shall be references to fifty point one percent (50.1%));

(iii) by Parent or Merger Sub pursuant to Section 8.1(f) (provided, however, in the case of clause (iv) of Section 8.1(f), that the applicable breach was not by a person who was an employee of the Company or a Company Subsidiary with a title and responsibilities below that of vice president, and who had not at any time had a title or responsibilities of vice president or above, and who was not directed or authorized by or on behalf of the Company or any Company Subsidiary to take such actions constituting the breach); or

(iv) by the Company pursuant to Section 8.1(g);

then, in any such event, the Company shall pay Parent a fee of Two Hundred Thirty Million Dollars (\$230,000,000) (the “Fee”) less, in the case of (i) above, any Expenses previously paid pursuant to Section 8.3(b), which amount shall be payable by wire transfer of immediately available funds. The Fee (less, in the case of (i) above, any Expenses previously paid pursuant to Section 8.3(b)) shall be paid (x) in the circumstances described in clauses (i) and (ii) above, promptly (but in no event later than one (1) business day) following the consummation of the Acquisition Proposal or the entry into an Acquisition Agreement, as the case may be, (y) in the circumstances described in clause (iii) above, promptly (but in no event later than one (1) business day) following termination, and (z) in the circumstances described in clause (iv) above, prior to and as a condition to the termination.

(b) If this Agreement is terminated by Parent pursuant to Section 8.1(c) and neither Parent nor Merger Sub is in material breach of their respective agreements contained in this Agreement or their respective representations and warranties contained in this Agreement, the Company shall reimburse each of Parent and Merger Sub and their affiliates for all

out-of-pocket expenses and fees (including fees and expenses payable to all banks and investment banking firms, and all fees and expenses of counsel, accountants, experts and consultants to Parent and Merger Sub) actually incurred or accrued by any of them, or on their behalf, in connection with the Transactions, and actually incurred or accrued by banks, investment banking firms, other financial institutions and other persons and assumed by Parent or Merger Sub in connection with the negotiation, preparation, execution and performance of this Agreement, and the structuring of the Transactions (all the foregoing being referred to herein collectively as the “**Expenses**”), up to a maximum of \$25,000,000. The Expenses shall be paid by wire transfer of immediately available funds promptly (but in no event later than one (1) business day) following termination, and shall be further paid promptly (and in any event within one (1) business day) following submission of statements therefor.

(c) Except as set forth in this Section 8.3, all costs and expenses incurred in connection with this Agreement and the Transactions shall be paid by the party incurring such expenses, whether or not any Transaction is consummated; provided, however, that all filing fees associated with compliance with applicable regulatory requirements (including filings under the HSR Act and any applicable foreign antitrust fees) in connection with the Merger shall be shared equally by Parent and the Company.

(d) Notwithstanding anything to the contrary in this Agreement, each of Parent and Merger Sub acknowledges and agrees, on behalf of itself and its affiliates, that the Fee is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate Parent and Merger Sub in the circumstances in which the Fee is payable for the efforts and resources expended and opportunity forgone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision. The Company acknowledges and hereby agrees that the provisions of this Section 8.3 are an integral part of the Transactions, and that, without such provisions, Parent would not have entered into this Agreement. Accordingly, if the Company shall fail to pay the Fee or the Expenses when due, the terms “**Fee**” and “**Expenses**”, as applicable, shall be deemed to include the costs and expenses incurred or accrued by Parent and Merger Sub (including fees and expenses of counsel) in connection with the collection under and enforcement of this Section 8.3, together with interest on such unpaid Fee and Expenses, commencing on the date that the Fee and Expenses became due, at a rate equal to the rate of interest publicly announced by Citibank, N.A. from time to time, in the City of New York, as such bank’s Base Rate, plus five percent (5%).

**9.3 Severability.** If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect, so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible, in a mutually acceptable manner, in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

**9.4 Entire Agreement; Assignment.** This Agreement and the Confidentiality Agreement constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all prior and contemporaneous agreements and undertakings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof. This Agreement shall not be assigned (whether pursuant to a merger, by operation of law or otherwise), except that Merger Sub may assign all or any of their rights and obligations hereunder to any wholly-owned subsidiary of Parent; provided, however, that any such assignment shall not relieve Merger Sub of any of its obligations hereunder.

**9.5 Parties in Interest.** This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, is intended to, or shall confer upon, any other person any right, benefit or remedy of any nature whatsoever, under or by reason of this Agreement, other than, after the Effective Time, as set forth in Section 6.5 (which is intended to be for the benefit of the persons covered thereby and may be enforced by such persons).

**9.6 Specific Performance.** The parties agree that irreparable damage would occur in the event any provision of this Agreement were not performed in accordance with the terms hereof or were otherwise breached and that the parties shall be entitled to an immediate injunction or injunctions, without the necessity of proving the inadequacy of damages as a remedy and without the necessity of posting any bond or other security, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any federal court located in the State of Delaware or any Delaware state court, in addition to any other remedy to which the parties may be entitled at Law or in equity.

**9.7 Governing Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to contracts executed in and to be performed in that State, without regard to the conflict of law rules of such State. All actions and proceedings arising out of or relating to this Agreement shall be heard and determined in the Court of Chancery of the State of Delaware (or, only if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any federal court within the State of Delaware). The parties hereby (a) submit to the exclusive jurisdiction of the Court of Chancery of the State of Delaware (or, only if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any federal court within the State of Delaware) for the purpose of any Action arising out of or relating to this Agreement brought by any party, and (b) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the jurisdiction of the

above-named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement or the Transactions may not be enforced in or by any of the above-named courts.

**9.8 Waiver of Jury Trial.** EACH OF THE PARTIES HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS. Each of the parties (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (b) acknowledges that it and the other hereto have been induced to enter into this Agreement and the Transactions, as applicable, by, among other things, the mutual waivers and certifications in this Section 9.8.

### **9.9 General Interpretation.**

(d) The word “extent” and the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such word or phrase shall not mean simply “if.”

(e) The parties agree that they have been represented by counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any Law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document.

SANTA CLARA, Calif., Aug. 19, 2010 – Intel Corporation has entered into a definitive agreement to acquire McAfee, Inc., through the purchase of all of the company's common stock at \$48 per share in cash, for approximately \$7.68 billion. Both boards of directors have unanimously approved the deal, which is expected to close after McAfee shareholder approval, regulatory clearances and other customary conditions specified in the agreement.

The acquisition reflects that security is now a fundamental component of online computing. Today's security approach does not fully address the billions of new Internet-ready

devices connecting, including mobile and wireless devices, TVs, cars, medical devices and ATM machines as well as the accompanying surge in cyber threats. Providing protection to a diverse online world requires a fundamentally new approach involving software, hardware and services.

Inside Intel, the company has elevated the priority of security to be on par with its strategic focus areas in energy-efficient performance and Internet connectivity.

McAfee, which has enjoyed double-digit, year-over-year growth and nearly 80 percent gross margins last year, will become a wholly-owned subsidiary of Intel, reporting into Intel's Software and Services Group. The group is managed by Renée James, Intel senior vice president, and general manager of the group.

"With the rapid expansion of growth across a vast array of Internet-connected devices, more and more of the elements of our lives have moved online," said Paul Otellini, Intel president and CEO. "In the past, energy-efficient performance and connectivity have defined computing requirements. Looking forward, security will join those as a third pillar of what people demand from all computing experiences.

"The addition of McAfee products and technologies into the Intel computing portfolio brings us incredibly talented people with a track record of delivering security innovations, products and services that the industry and consumers trust to make connecting to the Internet safer and more secure," Otellini added.

"Hardware-enhanced security will lead to breakthroughs in effectively countering the increasingly sophisticated threats of today and tomorrow," said James. "This acquisition is consistent with our software and services strategy to deliver an outstanding computing experience in fast-growing business areas, especially around the move to wireless mobility."

"McAfee is the next step in this strategy, and the right security partner for us," she added. "Our current work together has impressive prospects, and we look forward to introducing a product from our strategic partnership next year."

"The cyber threat landscape has changed dramatically over the past few years, with millions of new threats appearing every month," said Dave DeWalt, president and CEO of McAfee. "We believe this acquisition will result in our ability to deliver a safer, more secure and trusted Internet-enabled device experience."

McAfee, based in Santa Clara and founded in 1987, is the world's largest dedicated security technology company with approximately \$2 billion in revenue in 2009. With

approximately 6,100 employees, McAfee's products and technologies deliver secure solutions and services to consumers, enterprises and governments around the world and include a strong sales force that works with a variety of customers.

The company has a suite of software-related security solutions, including end-point and networking products and services that are focused on helping to ensure Internet-connected devices and networks are protected from malicious content, phony requests and unsecured transactions and communications. Among others, products include McAfee Total Protection™, McAfee Antivirus, McAfee Internet Security, McAfee Firewall, McAfee IPS as well as an expanding line of products targeting mobile devices such as smartphones.

Intel has made a series of recent and successful software acquisitions to pursue a deliberate strategy focused on leading companies in their industry delivering software that takes advantage of silicon. These include gaming, visual computing, embedded device and machine software and now security.

Home to two of the most innovative labs and research in the high-tech industry, Intel and McAfee will also jointly explore future product concepts to further strengthen security in the cloud network and myriad of computers and devices people use in their everyday lives.

On a GAAP basis, Intel expects the combination to be slightly dilutive to earnings in the first year of operations and approximately flat in the second year. On a non-GAAP basis, excluding a one-time write down of deferred revenue when the transaction closes and amortization of acquired intangibles, Intel expects the combination to be slightly accretive in the first year and improve beyond that.

Intel was advised by Goldman Sachs & Co. and Morrison & Foerster LLP. McAfee was advised by Morgan Stanley & Co. Inc. and Wilson Sonsini Goodrich & Rosati, P.C.
