Item 1.01 Entry into a Material Definitive Agreement.

On March 12, 2017, Intel Corporation (“Intel”), entered into a Purchase Agreement (the “Purchase Agreement”) with Mobileye N.V. (the “Company” or “Mobileye”) and Cyclops Holdings, Inc., a wholly owned subsidiary of Intel (“Buyer”).

The Purchase Agreement and the Offer

Pursuant to the terms of the Purchase Agreement, and upon the terms and subject to the conditions thereof, Buyer will commence a tender offer (the “Offer”) to purchase all of the issued and outstanding ordinary shares, par value EUR 0.01 per share, of Mobileye (the “Mobileye Shares”) at a price of \$63.54 per Mobileye Share, net to the seller in cash, without interest, but subject to any applicable withholding taxes (the “Offer Price”). The Offer will initially remain open until the later of (a) 21 business days from the commencement date of the Offer and (b) the date that is six business days after the date of the extraordinary general meeting of the shareholders of the Company to be held to approve certain matters relating to the Offer (the “EGM”), subject to extension in accordance with the provisions of the Purchase Agreement (such initial date and time, or the date and time to which the Offer has been so extended, the “Expiration Time”).

Closing Conditions

Buyer’s obligation to purchase Mobileye Shares validly tendered and not properly withdrawn pursuant to the Offer is subject to the satisfaction or waiver (except for the Minimum Condition (as defined below), which cannot be waived by Intel or Buyer) of various closing conditions, including:

- (a) Mobileye Shares having been validly tendered and not properly withdrawn (excluding Mobileye Shares tendered pursuant to guaranteed delivery procedures that have not yet been delivered in settlement or satisfaction of such guarantee prior to the expiration of the Offer) that represent, together with the shares then owned by Intel or its affiliates, at least 95% of the Company’s issued capital (*geplaatst kapitaal*) (the “Minimum Condition”); provided that (x) Buyer may, in its sole discretion, amend the Minimum Condition to a percentage not less than 80% and (y) if, prior to the Expiration Time, (i) the Company receives a favorable ruling (the “Pre-Wired Asset Sale Ruling”) from the Israeli Tax Authority relating to the proposed Asset Sale and Liquidation (each as defined below), the Minimum Condition will be automatically reduced to 80% and (ii) the Company receives the Pre-Wired Asset Sale Ruling and resolutions are adopted at the EGM (A) to approve an amendment of the Company’s articles of association, including the conversion of the Company into a private limited liability company under Dutch law (the “Conversion Resolutions”) and (B) to approve the Asset Sale and Liquidation, then the Minimum Condition will be automatically reduced to 67%;
- (b) the expiration or termination of any waiting period (and extensions thereof) applicable to the Offer and the other transactions contemplated by the Purchase Agreement under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the Israel Restrictive Trade Practices Law, 5748-1988, as amended, to the extent applicable, and the receipt of all other clearances or approvals under applicable antitrust laws (collectively, the “Required Antitrust Approvals”);
- (c) the absence of any applicable law or order of a governmental authority prohibiting the consummation of the Offer or the other transactions contemplated by the Purchase Agreement (other than the Call Option (as defined below)) (collectively, the “Legal Restraints”); provided that the condition described in this paragraph (c) shall not apply to Legal Restraints against the Asset Sale, the Liquidation or the Second Step Distribution (as defined below), or to any other Post-Offer Reorganization (as defined below) (other than (x) a compulsory acquisition of Mobileye Shares from each minority shareholder in accordance with Section 2:92a or, if applicable, Section 2:201a of the Dutch Civil Code (the “Compulsory Acquisition”) and (y) an election by the Company pursuant to U.S. Treasury Regulations Section 301.7701-3 to be classified as a partnership or as a disregarded entity, as reasonably determined by Intel or Buyer) to the extent there shall have been validly tendered in accordance with the terms of the Offer, and not properly withdrawn, a number of Mobileye Shares (excluding Mobileye Shares tendered pursuant to guaranteed delivery procedures that have not yet been delivered in settlement or satisfaction of such guarantee prior to the Expiration Time) that, together with the Mobileye Shares then owned by Intel or its affiliates, represents at least 95% of the Company’s issued capital (*geplaatst kapitaal*) immediately prior to the Expiration Time;

- (d) the accuracy of the representations and warranties of Mobileye contained in the Purchase Agreement (subject to certain materiality standards);
- (e) Mobileye's performance of or compliance in all material respects with its covenants contained in the Purchase Agreement;
- (f) there not having been a material adverse effect on Mobileye following the execution of the Purchase Agreement;
- (g) the resignations of all existing members of the board of directors of Mobileye (the "Company Board") (other than any Independent Directors (as defined below) who elect with Buyer's consent to continue to serve on the Company Board as described below) and the replacement of such resigning directors by at least seven directors,
- (i) at least five of whom may not be independent of Buyer and the Company (the "Buyer Directors") and who will be designated in writing, in Buyer's sole discretion, prior to convening the EGM, and (ii) at least two of whom will initially be current non-executive directors of the Company and who will at all times remain independent from Intel and Buyer (the "Independent Directors"), with Buyer designating a replacement in the manner described above for any current Independent Director who does not wish to continue to serve on the Company Board after the closing of the Offer (the "Offer Closing"), as contemplated by Section 2.05(a) of the Purchase Agreement; and
- (h) the adoption of one or more resolutions at the EGM to appoint the Buyer Directors and the Independent Directors (if such Independent Directors are not already members of the Company Board), to replace the resigning members of the Company Board.

The Purchase Agreement provides, among other things, that following the Offer Closing, Intel and Buyer may effectuate a corporate reorganization of Mobileye and its subsidiaries (a "Post-Offer Reorganization"). If Mobileye has received the Pre-Wired Asset Sale Ruling and Buyer or any of its affiliates acquire at least 67% of the Company's issued capital (*geplaatst kapitaal*) as of the Offer Closing (and the subsequent offering periods provided in the Purchase Agreement), Buyer would be entitled to effectuate the Post-Offer Reorganization by means of a sale of all of the assets of Mobileye to Buyer (the "Asset Sale"), followed promptly by a liquidation of Mobileye (the "Liquidation"). If Buyer or any of its affiliates acquire 95% or more of the Company's issued capital (*geplaatst kapitaal*) as of the Offer Closing (and the subsequent offering periods provided in the Purchase Agreement), the parties anticipate that the Post-Offer Reorganization would be undertaken through the Compulsory Acquisition. The Asset Sale and the Liquidation are subject to approval by Mobileye's shareholders at the EGM. If Buyer commences the Liquidation, Mobileye will be dissolved in accordance with Section 2:19 of the Dutch Civil Code and all holders of Mobileye Shares who did not tender their Mobileye Shares in the Offer (the "Non-Tendering Shareholders") will receive, for each Mobileye Share then held, an amount in cash equal to the Offer Price (without interest, but subject to any applicable withholding taxes) (the "Second Step Distribution"). If Buyer commences the Compulsory Acquisition, the Non-Tendering Shareholders will receive, for each Mobileye Share then held, an amount in cash determined by the Enterprise Chamber of the Amsterdam Court of Appeals, as determined pursuant to Dutch law. As contemplated by Section 2.08 of the Purchase Agreement, the Company has granted Buyer an irrevocable option (the "Call Option") to purchase, after the closing of the Offer, up to such number of newly issued Mobileye Shares as necessary to increase Buyer's ownership interest in the Company by 15% of the total ownership of Mobileye Shares, after giving effect to the exercise in full of the Call Option (in the aggregate, the "Option Shares"), in exchange for an amount per Mobileye Share equal to the Offer Price, payable in the manner specified in Section 2.08 of the Purchase Agreement.

It is expected that following the completion of the Offer, Mobileye will no longer be a publicly traded company, the listing of the Mobileye Shares on the New York Stock Exchange will be terminated and the Mobileye Shares will be deregistered under the Securities Exchange Act of 1934 (the "Exchange Act") resulting in the cessation of Mobileye's reporting obligations with respect to the Mobileye Shares thereunder.

Treatment of Equity Awards

The Purchase Agreement provides for the following treatment of the equity awards of Mobileye upon the payment by Buyer for all Mobileye Shares tendered as of the Offer Closing:

At the Offer Closing, each outstanding award of restricted stock units in respect of Mobileye Shares (each, a “Mobileye RSU”) that is either (i) held by a person other than an employee continuing employment with the Company, Intel, Buyer or a subsidiary of any of the foregoing, whether vested or unvested, (ii) vested (or that in the absence of the transactions contemplated by the Purchase Agreement would become vested within two years following the Offer Closing and are held by a continuing employee whose employment with the Company commenced prior to the date of the Purchase Agreement) or (iii) subject to acceleration solely as a result of the completion of the transactions contemplated by the Purchase Agreement, will be canceled in exchange for an amount in cash (without interest and subject to required withholding) equal to (x) the Offer Price multiplied by (y) the total number of Mobileye Shares subject to such Mobileye RSU.

At the Offer Closing, each outstanding award of unvested Mobileye RSUs will be converted into an equity award subject to the same terms and conditions (including vesting, acceleration, and forfeiture provisions) as immediately prior to the Offer Closing, with respect to a number of shares of common stock, par value \$0.001 per share, of Intel (the “Intel Shares”) (rounded down to the nearest whole share) equal to (x) the total number of Mobileye Shares subject to such Mobileye RSU multiplied by (y) the Equity Award Adjustment Ratio. The “Equity Award Adjustment Ratio” is equal to (1) the Offer Price divided by (2) the average closing price of Intel Shares on the NASDAQ for the five consecutive trading days ending on the trading day immediately preceding the Offer Closing.

At the Offer Closing, each outstanding option granted by Mobileye to acquire Mobileye Shares (each, a “Mobileye Option”) that is either (i) held by a person other than an employee continuing employment with the Company, Intel, Buyer or a subsidiary of any of the foregoing, whether vested or unvested, (ii) vested (or that in the absence of the transactions contemplated by the Purchase Agreement would become vested within two years following the Offer Closing and are held by a continuing employee whose employment with the Company commenced prior to the date of the Purchase Agreement), (iii) held by certain individuals, whether vested or unvested, or (iv) subject to acceleration solely as a result of the completion of the transactions contemplated by the Purchase Agreement (each, a “Terminating Option”), will be canceled in exchange for an amount in cash (without interest and subject to required withholding) equal to (x) the excess, if any, of the Offer Price over the applicable per share exercise price of such Mobileye Option multiplied by (y) the number of Mobileye Shares subject to such Mobileye Option. Each Terminating Option that is outstanding and unexercised immediately prior to the Offer Closing that has an exercise price equal to or greater than the Offer Price will be cancelled as of the Offer Closing without consideration therefor and the holder of such Terminating Option will cease to have any rights with respect thereto. Any payment with respect to a Terminating Option will be subject to withholding requirements.

At the Offer Closing, each outstanding unvested Mobileye Option will be converted into an option to purchase, subject to the same terms and conditions (including vesting, acceleration, and forfeiture provisions) as immediately prior to the Offer Closing, a number of Intel Shares (rounded down to the nearest whole share) equal to (a) the number of Mobileye Shares subject to such Mobileye Option multiplied by (b) the Equity Award Adjustment Ratio, with an exercise price per share (rounded up to the nearest whole cent) equal to (1) the per share exercise price of such Mobileye Option divided by (2) the Equity Award Adjustment Ratio.

Representations, Warranties and Covenants

The Purchase Agreement includes customary representations, warranties and covenants of Intel, Buyer and Mobileye. Until the earlier of the termination of the Purchase Agreement and Offer Closing, Mobileye has agreed to operate its business and the business of its subsidiaries in the ordinary course consistent with past practice and has agreed to certain other operating covenants, as set forth more fully in the Purchase Agreement. Mobileye has also agreed to cease all existing, and to not solicit or initiate, discussions with third parties regarding other proposals to acquire Mobileye. Subject to certain restrictions, Mobileye may take certain actions with respect to an unsolicited proposal. In addition, subject to the limitations set forth in the Purchase Agreement, Intel, Buyer and Mobileye have agreed to use their respective reasonable best efforts to obtain the Required Antitrust Approvals.

Termination Rights

The Purchase Agreement contains certain termination rights, including (i) the right of either party to terminate the Purchase Agreement if the Offer is not consummated on or before March 12, 2018 (subject to certain extension rights), (ii) the right of Mobileye to terminate the Purchase Agreement to accept a superior proposal for an alternative acquisition transaction (where the receipt of such superior proposal was not proximately caused by a breach of Mobileye's non-solicitation obligations and provided Mobileye complies with certain notice and other requirements under the Purchase Agreement and where such superior proposal includes a purchase price per Mobileye Share in cash that is at least \$6.354 higher than the Offer Price) and (iii) the right of Intel to terminate due to a change of recommendation by the Company Board. None of the parties is required to pay any compensation to the other parties in the event the Purchase Agreement is terminated in accordance with its terms.

The foregoing description of the Purchase Agreement does not purport to be complete, and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

The Purchase Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Intel, Buyer and Mobileye. The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of the Purchase Agreement as of the specific dates set forth therein, were solely for the benefit of the parties to the Purchase Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Purchase Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in Mobileye's or Intel's public disclosures.

Tender and Support Agreements

On March 12, 2017, in connection with the Offer, each of Mr. Ziv Aviram, Co-Founder and Chief Executive Officer of the Company, and Prof. Amnon Shashua, Co-Founder and Chief Technology Officer of the Company (each, a "Shareholder"), in their respective capacities as shareholders of the Company, entered into a Tender and Support Agreement with Intel and Buyer (each, a "Support Agreement"). Under the terms of the Support Agreements, each Shareholder has agreed, among other things, to tender its Mobileye Shares in the Offer, not to vote in favor of any alternative acquisition proposal, not to sell any of such Shareholder's Mobileye Shares other than in connection with the Offer (or pursuant to Rule 10b5-1 plans in effect as of the date of the Support Agreements) and to certain non-solicitation provisions. As of March 12, 2017, Mr. Aviram beneficially owned 5,981,105 Mobileye Shares or approximately 2.7% and Prof. Shashua beneficially owned 7,916,895 Mobileye Shares or approximately 3.6%, in each case, of the total of all shares of the Company's ordinary shares that are issued and outstanding in accordance with Rule 13d-3(d)(1)(i) under the Exchange Act. The Shareholders' obligations under the Support Agreements terminate in the event that the Purchase Agreement is terminated in accordance with its terms; provided that each Shareholder's obligations not to vote in favor of any alternative acquisition proposal and not to sell any of such Shareholder's Mobileye Shares other than in connection with the Offer, and the non-solicitation provisions of the Support Agreements, do not terminate until six months after any termination of the Purchase Agreement.

The foregoing description of the Support Agreements does not purport to be complete, and is qualified in its entirety by reference to the full text of each of the Support Agreements, which are attached hereto as Exhibit 10.1 and 10.2 and are incorporated herein by reference, respectively.

Non-Competition Agreement

On March 12, 2017, in connection with the Offer, Prof. Amnon Shashua, Co-Founder and Chief Technology Officer of the Company, and Intel entered into a non-competition agreement (the "Non-Competition Agreement") in favor of Intel.

Under the terms of the Non-Competition Agreement, Prof. Shashua agrees that, in connection with the sale of his ownership interest in the Company, for the period beginning at and as of the Closing (as defined in the Purchase Agreement) and ending on the date that is 18-months following his separation from employment with the Company (provided that his separation from employment with the Company occurs on or before the three (3)-year anniversary of the Closing), he will not compete with the business of the Company, solicit customers or clients of the business of the Company or make disparaging remarks about the Company, Intel or any of Intel's affiliates. In connection with his execution of the Non-Competition Agreement, Prof. Shashua entered into an addendum to his employment agreement with the Company's wholly owned subsidiary, Mobileye Vision Technologies Ltd., pursuant to which Prof. Shashua agreed to a revised vesting schedule for Mobileye Options and Mobileye RSUs held by him that would otherwise accelerate and vest in connection with the transaction under which no vesting would occur prior to the third (3rd) anniversary of the Closing, 50% of all such unvested equity awards would vest upon the third (3rd) anniversary of the Closing and the remaining 50% of all such unvested equity awards would vest upon the fourth (4th) anniversary of the Closing.

The foregoing description of the Non-Competition Agreement does not purport to be complete, and is qualified in its entirety by reference to the full text of the Non-Competition Agreement, which is attached hereto as Exhibit 10.3 and incorporated herein by reference.

PURCHASE AGREEMENT

This PURCHASE AGREEMENT (this “Agreement”), dated as of March 12, 2017, is entered into by and among Mobileye N.V., a public limited liability company (*naamloze vennootschap*) organized under the Laws of The Netherlands (the “Company”), Intel Corporation, a Delaware corporation (“Parent”), and Cyclops Holdings, Inc., a Delaware corporation and a wholly owned subsidiary of Parent (“Buyer”).

WITNESSETH:

WHEREAS, Parent and Buyer desire that Buyer acquire the Company on the terms and subject to the conditions set forth in this Agreement;

ARTICLE 2

THE OFFER

Section 2.01 The Offer.

(a) Provided that nothing shall have occurred that would give rise to a right to terminate this Agreement pursuant to Article 8, Buyer shall commence (within the meaning of Rule 14d-2 promulgated under the 1934 Act) the Offer as promptly as reasonably practicable after the date of this Agreement but in no event later than the fifteenth (15th) Business Day following the date of this Agreement. The obligations of Buyer to accept for payment, and pay for, any Shares tendered pursuant to the Offer shall be subject to the satisfaction or waiver (to the extent permitted under this Agreement) of the conditions set forth in Annex I (the “Offer Conditions”). The date on which Buyer commences the Offer is referred to as the “Offer Commencement Date.”

(b) In accordance with the terms and conditions of this Agreement and subject to the satisfaction or waiver (to the extent such waiver is not prohibited by applicable Law) of the Offer Conditions, Buyer shall (and Parent shall cause Buyer to) (i) at or as promptly as practicable following the Expiration Time (but in any event within two (2) Business Days thereafter), accept for payment (the time of acceptance for payment, the “Acceptance Time”) and (ii) at or as promptly as practicable following the Acceptance Time (but in any event within three (3) Business Days (calculated as set forth in Rule 14d-1(g)(3) promulgated under the 1934 Act) thereafter), pay (by delivery of funds to the depository for the Offer) for, all Shares validly tendered and not properly withdrawn pursuant to the Offer as of the Acceptance Time (the “Closing”). The date on which the Closing occurs is referred to in this Agreement as the “Closing Date.” The Offer Consideration payable in respect of each Share pursuant to the preceding sentence shall be paid, net of any applicable Tax withholding with respect to the Offer Consideration pursuant to Section 2.10, to the seller in cash, without interest, on the terms and subject to the conditions of this Agreement.

(c) Buyer expressly reserves the right at any time to, in its sole discretion, waive, in whole or in part, any of the Offer Conditions and to make any change in the terms of or conditions to the Offer; provided, that without the prior written consent of the Company, Buyer shall not (and Parent shall cause Buyer to not):

- (i) waive or change the Minimum Condition (except to the extent contemplated under paragraph (A) of Annex I);
- (ii) decrease the Offer Consideration;
- (iii) change the form of consideration to be paid in the Offer;
- (iv) decrease the number of Shares sought in the Offer;
- (v) extend or otherwise change the Expiration Time, except as otherwise provided in this Agreement; or
- (vi) impose additional Offer Conditions or otherwise amend, modify or supplement any of the Offer Conditions or terms of the Offer in a manner adverse to the holders of Shares.

(d) The Offer shall initially expire at 9:00 a.m. (New York City time), or at such other time as the Parties may mutually agree, on the date that is the later of (i) twenty-one (21) Business Days (calculated in accordance with Rule 14d-1(g)(3) under the 1934 Act) following the commencement of the Offer and (ii) such date as is six (6) Business Days after the date of the EGM (such initial expiration date and time of the Offer, the “Initial Expiration Time”) or, if the Offer has been extended pursuant to and in accordance with Section 2.01(e), the date and time to which the Offer has been so extended (the Initial Expiration Time, or such later expiration date and time to which the Offer has been so extended, the “Expiration Time”).

(e) Subject to Article 8, Buyer may or shall, as applicable, extend the Offer from time to time as follows:

(i) for the minimum period as required by any rule, regulation, interpretation or position of the SEC, the staff thereof, the NASDAQ or the NYSE as applicable to the Offer;

(ii) if, at the then-scheduled Expiration Time, any of the Offer Conditions has not either been (A) satisfied or (B) waived by Buyer (to the extent such waiver is not prohibited under this Agreement or applicable Law), then Buyer shall extend the Offer on one or more occasions in consecutive periods of up to ten (10) Business Days each (with each such period to end at 5:00 p.m. (New York City time) on the last Business Day of such period) (or such other duration as may be agreed to by Parent, Buyer and the Company) in order to permit the satisfaction of such Offer Condition(s); provided, however, that if Buyer determines in good faith, after consultation with its outside legal counsel, that at any then-scheduled Expiration Time, the Offer Condition set forth in paragraph (B) of Annex I is not reasonably likely to be satisfied within such ten (10) Business Day extension period, then Buyer shall be permitted to extend the Offer on such occasion for up to twenty (20) Business Days; provided, further, however, that (x) Buyer shall not be required to extend the Offer to a date later than the End Date (as the End Date may be extended pursuant to Section 8.01(b)(i)), (y) if the sole then-unsatisfied Offer Condition is the Minimum Condition and the Pre-Wired Asset Sale Ruling has been obtained or it becomes apparent to Parent, in its reasonable judgment, that the Pre-Wired Asset Sale Ruling will not be received, Buyer shall not be required to extend the Offer on more than two (2) occasions in consecutive periods of up to ten (10) Business Days each (with each such period to end at 5:00 p.m. (New York City time) on the last Business Day of such period) (or such other duration as may be agreed to by Parent, Buyer and the Company) and (z) Buyer shall not be required to extend the Offer at any time that Parent or Buyer is permitted to terminate this Agreement; or

(iii) to such other date and time as may be agreed in writing by Parent and the Company.

(f) Following the Acceptance Time, Buyer shall (and the Offer Documents shall so indicate) provide a subsequent offering period (“Subsequent Offering Period”) in accordance with Rule 14d-11 promulgated under

the 1934 Act of not less than ten (10) Business Days (calculated in accordance with Rule 14d-1(g)(3) promulgated under the 1934 Act). In the event that prior to the expiration of the Subsequent Offering Period, Buyer or one of its Affiliates has elected to exercise the Call Option or effectuate the Asset Sale, Buyer shall (and the Offer Documents shall so indicate) extend the Subsequent Offering Period for at least five (5) Business Days to permit any remaining Minority Shareholders to tender their Shares in exchange for the Offer Consideration (such extension, the “Minority Exit Offering Period”).

(g) The Offer may not be terminated prior to the Initial Expiration Time or the then-scheduled Expiration Time (as the same may be extended pursuant to Section 2.01(e)) unless this Agreement is validly terminated pursuant to Section 8.01. If this Agreement is validly terminated pursuant to Section 8.01, Buyer shall (and Parent shall cause Buyer to) promptly (and in any event within twenty-four (24) hours following such valid termination) terminate the Offer and not acquire any Shares pursuant thereto. If the Offer is terminated in accordance with this Agreement by Parent prior to the acceptance for payment and payment for Shares tendered pursuant to the Offer, Buyer shall (and Parent shall cause Buyer to) promptly return, and shall cause any depository acting on behalf of Buyer to return, in accordance with applicable Law, all tendered Shares to the registered holders thereof. Nothing in this Section 2.01(g) shall affect any termination rights under Article 8.

(h) As soon as practicable on the Offer Commencement Date, Parent and Buyer shall (i) cause to be filed with the SEC a Tender Offer Statement on Schedule TO with respect to the Offer (together with all amendments and supplements thereto and including exhibits thereto, the “Schedule TO”), which shall contain or incorporate by reference an offer to purchase and a related letter of transmittal and other appropriate ancillary offer documents required to be included therein (such Schedule TO and the documents included therein pursuant to which the Offer will be made, together with any amendments or supplements thereto and including exhibits thereto, the “Offer Documents”) and (ii) cause the Offer Documents to be disseminated to holders of Shares to the extent required by applicable United States federal securities Laws and any other applicable Law. The Company shall promptly furnish to Parent and Buyer all information concerning the Company required by the 1934 Act to be set forth in the Offer Documents. Each of Parent and Buyer, on the one hand, and the Company, on the other hand, agrees promptly to correct any information provided by it for inclusion or incorporation by reference in the Schedule TO and the Offer Documents if and to the extent that such information shall have become (or shall have become known to be) false or misleading in any material respect. Parent and Buyer shall use their reasonable best efforts to cause the Schedule TO, as so corrected, to be filed with the SEC, and the Offer Documents, as so corrected, to be disseminated to holders of Shares, in each case to the extent required by applicable United States federal securities Laws and any other applicable Law. The Company and its counsel shall be given a reasonable opportunity to review and comment on the Schedule TO and the Offer Documents each time before any such document is filed with the SEC, and Parent and Buyer shall cause to be included in such document (and any amendments thereto) all comments reasonably proposed by the Company and its counsel. Parent and Buyer shall provide the Company and its counsel with (A) any comments or other communications, whether written or oral, that Buyer or its counsel may receive from time to time from the SEC or its staff or other Governmental Authorities with respect to the Schedule TO or the Offer Documents promptly after receipt of those comments or other communications and (B) a reasonable opportunity to participate in the response of Parent and Buyer to those comments and to provide comments on that response (which response shall include all comments reasonably proposed by the Company and its counsel), including by participating with Parent and Buyer or their counsel in any discussions or meetings with the SEC or other Governmental Authorities to the extent such participation is not prohibited by the SEC or other Governmental Authorities.

Section 2.02 Company Action.

(a) The Company hereby approves and consents to the Offer and the other Signing Transactions. The Company shall promptly (and in any event within five (5) Business Days prior to the Offer Commencement Date) furnish Parent and Buyer with (i) a list of its shareholders and mailing labels containing the names and addresses of the record holders of Shares, (ii) any available listing and computer file containing the names and addresses of all record holders of Shares and lists of securities positions of Shares held in stock depositories and

(iii) copies of all lists of shareholders, security position listings and computer files in the Company's possession or control regarding the beneficial owners of Shares, in each case, true and correct as of the most recent practicable date, and shall provide to Parent and Buyer such additional information (including updated lists of shareholders, mailing labels and lists of securities positions) and such other assistance as Parent or Buyer may reasonably request in connection with the Offer. In the event that the Company is prohibited from providing any such information, (A) it shall request permission from the applicable shareholders to provide such information to Parent and Buyer or (B) if the information requested is not received at least five (5) Business Days prior to the Offer Commencement Date, the Company shall deliver to such shareholders all information that would otherwise be required to be provided by Parent or Buyer to such shareholders of the Company in connection with the Offer, and, notwithstanding this Article 2, neither Parent nor Buyer shall have any obligation to deliver such information to such shareholders under this Agreement. Except as required by applicable Law, and except for such steps as are necessary to disseminate the Offer Documents and any other documents necessary to consummate the Offer, (i) Parent and its Affiliates and Representatives shall hold in confidence the information contained in such labels, listings and files, shall use such information only in connection with the Transactions and (ii) if this Agreement is terminated, Parent and Buyer shall deliver to the Company and shall use their reasonable best efforts to cause their Affiliates and Representatives to deliver to the Company all copies and any extracts or summaries from such information then in their possession.

(b) On the Offer Commencement Date, the Company shall, concurrently with the filing of the Schedule TO, file with the SEC and disseminate to holders of Shares, in each case as and to the extent required by applicable United States federal securities Laws and any other applicable Law, a Solicitation/Recommendation Statement on Schedule 14D-9 (together with any amendments or supplements thereto and including exhibits thereto, the "Schedule 14D-9") that, subject to Section 5.03(d), shall reflect the Company Recommendation. Parent and Buyer shall cause to be promptly furnished to the Company all information concerning Parent, Buyer or any of their applicable Affiliates required by the 1934 Act to be set forth in the Schedule 14D-9. Each of the Company, on the one hand, and Parent and Buyer, on the other hand, agrees promptly to correct any information provided by it for inclusion or incorporation by reference in the Schedule 14D-9 if and to the extent that it shall have become (or shall have become known to be) false or misleading in any material respect. The Company shall use reasonable best efforts to cause the Schedule 14D-9, as so corrected, to be filed with the SEC and to be disseminated to holders of Shares, in each case to the extent required by applicable United States federal securities Laws and any other applicable Law. Parent, Buyer and their counsel shall be given a reasonable opportunity to review and comment on the Schedule 14D-9 each time before it is filed with the SEC, and the Company shall include in such document (and any amendments thereto) all comments reasonably proposed by Parent, Buyer and their counsel. The Company shall provide Parent, Buyer and their counsel with (i) any comments or other communications, whether written or oral, that the Company or its counsel may receive from time to time from the SEC or its staff or other Governmental Authorities with respect to the Schedule 14D-9 promptly after receipt of those comments or other communications and (ii) a reasonable opportunity to participate in the Company's response to those comments and to provide comments on that response (which response shall include all comments reasonably proposed by Parent, Buyer and their counsel), including by participating with the Company or its counsel in any discussions or meetings with the SEC or other Governmental Authorities to the extent such participation is not prohibited by the SEC or other Governmental Authorities.

Section 2.03 Outstanding Equity Awards.

(a) Vested Company RSUs. At the Closing, each Company RSU that is outstanding as of immediately prior to the Closing and either (i) held by a Person other than a Continuing Employee, whether vested or unvested, (ii) vested in accordance with the terms of the applicable Company Equity Plan and award agreement evidencing such Company RSU as of immediately prior to the Closing and for which Company Shares have not yet been issued, (iii) that, in the absence of the Transactions, would become vested within two years following the Closing and are held by a Continuing Employee whose employment or service with the Company commenced prior to the date of this Agreement or (iv) is subject to accelerated vesting solely as a result of the

completion of the Transactions in accordance with the terms thereof (each, a “Terminating RSU”), will, without any action on the part of Parent, Buyer, the Company, the holder thereof or any other Person, be accelerated (if required) and converted into and will become a right to receive an amount in cash, without interest, equal to the product obtained by multiplying (x) the Offer Consideration by (y) the total number of Shares subject to such Company RSU. Any such payment with respect to a Terminating RSU shall be subject to all applicable federal, state and local tax withholding requirements.

(b) Unvested Company RSUs. At the Closing, each Company RSU that is outstanding as of immediately prior to the Closing and not covered by Section 2.03(a) will, without any action on the part of Parent, Buyer, the Company, the holder thereof or any other Person, be converted into an equity award subject to the same terms and conditions applicable to such Company RSU (including the same vesting schedule and terms regarding acceleration and forfeiture upon termination of employment or service) immediately prior to the Closing with respect to a number of shares of common stock (rounded down to the nearest whole share) of Parent equal to (i) the number of Shares subject to such Company RSU immediately prior to the Closing multiplied by (ii) the Equity Award Adjustment Ratio. For purposes of this Agreement, the “Equity Award Adjustment Ratio” shall mean (x) the Offer Consideration divided by (y) the average closing price of the common stock of Parent on the NASDAQ for the five (5) consecutive trading days ending on the trading day immediately preceding the date of the Closing; provided, that all references to the “Company” in all applicable Company Equity Plans and any applicable award agreements governing Company RSUs shall be deemed to be references to Parent; provided, further, that the terms and conditions applicable to certain of such Company RSUs will be modified as set forth in Section 2.03(b) of the Company Letter.

(c) Vested Company Options. At the Closing, each Company Option that is outstanding as of immediately prior to the Closing and either (i) held by a Person other than a Continuing Employee, whether vested or unvested, (ii) held by a Person listed in Section 2.03(c)(ii) of the Company Letter, whether vested or unvested, (iii) vested in accordance with the terms of the applicable Company Equity Plan and award agreement evidencing such Company Option as of immediately prior to the Closing, (iv) that, in the absence of the Transactions, would become vested within two years following the Closing and are held by a Continuing Employee whose employment or service with the Company commenced prior to the date of this Agreement or (v) is subject to accelerated vesting solely as a result of the completion of the Transactions in accordance with the terms thereof (each, a “Terminating Option”), will, without any action on the part of Parent, Buyer, the Company, the holder thereof or any other Person, be accelerated (if required) and converted into and will become a right to receive an amount in cash, without interest, equal to the product of (x) the excess, if any, of the Offer Consideration over the applicable per Share exercise price of such Company Option multiplied by (y) the number of Shares subject to such Company Option. Each Terminating Option that is outstanding and unexercised immediately prior to the Closing that has an exercise price equal to or greater than the Offer Consideration shall be cancelled as of the Closing without consideration therefor and the holder of such Terminating Option shall cease to have any rights with respect thereto. Following the date of this Agreement, the Company shall use its reasonable best efforts to obtain any consents of any holders of any Company Option described in clauses (i) through (iv) of the preceding sentence necessary to effectuate the treatment of such Company Options as described in this Section 2.03(c). Any such payment with respect to a Terminating Option shall be subject to all applicable federal, state and local tax withholding requirements.

(d) Unvested Company Options. At the Closing, each Company Option that is outstanding as of immediately prior to the Closing and that is not covered by Section 2.03(c), will, without any action on the part of Parent, Buyer, the Company, the holder thereof or any other Person, be converted into an option to purchase, subject to the same terms and conditions as applied to such Company Option (including the same vesting schedule and terms regarding acceleration and forfeiture upon termination of employment or service) immediately prior to the Closing, a number of shares of common stock (rounded down to the nearest whole share) of Parent equal to (w) the number of Shares subject to such Company Option immediately prior to the Closing multiplied by (x) the Equity Award Adjustment Ratio, with an exercise price per share (rounded up to the nearest whole cent) equal to (y) the exercise price per Share for which such Company Option was exercisable

immediately prior to the Closing divided by (z) the Equity Award Adjustment Ratio; provided, that all references to the “Company” in the applicable Company Equity Plan and all applicable award agreements governing Company Options shall be deemed to be references to Parent; provided, further, that the terms and conditions applicable to certain of such Company Options will be modified as set forth in Section 2.03(d) of the Company Letter. Notwithstanding anything herein to the contrary, to the extent applicable, the exercise price and the number of shares of Parent common stock purchasable pursuant to the Company Options shall be determined in a manner consistent with the requirements of Section 409A of the Code, and, in the case of any Company Option to which Section 422 of the Code applies, the exercise price and the number of shares of Parent common stock purchasable pursuant to such option shall be determined subject to such adjustments as are necessary in order to satisfy the requirements of Section 424(a) of the Code.

(e) The payments in respect of Company Equity Awards described in this Section 2.03 will be subject to Section 2.10. Notwithstanding anything herein to the contrary, (i) with respect to any Company Equity Award that constitutes non-qualified deferred compensation subject to Section 409A of the Code, to the extent that payment of the amounts described in this Section 2.03 would otherwise cause the imposition of a Tax or penalty under Section 409A of the Code, such payment shall instead be made at the earliest time permitted under the applicable Company Equity Plan and applicable award agreement that will not result in the imposition of such Tax or penalty and (ii) with respect to Company Equity Awards held by individuals subject to Taxes imposed by the Laws of a country other than the United States, the Parties shall cooperate in good faith prior to the Closing with the goal of minimizing the Tax impact of the provisions set forth in this Section 2.03.

(f) As soon as reasonably practicable after the Closing (but no later than the Company’s second payroll date after the Closing), the applicable holders of vested Company Equity Awards will receive the payments described in Section 2.03(a) and Section 2.03(c) from the Company or its applicable Subsidiary or Affiliate (which amounts Buyer shall deposit or cause to be deposited, to the extent that the Company’s (or its applicable Subsidiary’s or Affiliate’s) cash as of the Closing is insufficient to fund the payment of such amounts, with the Company or its applicable Subsidiary or Affiliate, by wire transfer of immediately available funds, at or promptly following the Closing), through its payroll system or payroll provider, of all amounts required to be paid to such holders in respect of such vested Company Equity Awards that are converted pursuant to Section 2.03(a) or Section 2.03(c). Notwithstanding the foregoing, if any such payment owed to a holder of such a vested Company Equity Award cannot be made through the Company’s (or its applicable Subsidiary’s or Affiliate’s) payroll system or payroll provider, then the Company (or its applicable Subsidiary or Affiliate) will issue a check for such payment to such holder promptly following the Closing Date.

(g) Notwithstanding anything to the contrary in this Section 2.03 or elsewhere in this Agreement, (i) any payments to the holders of Section 102 Shares, Section 102 RSUs or Section 102 Options, shall not be paid directly to the holders of such securities but shall be paid to the Section 102 Trustee and distributed by the Section 102 Trustee, subject to Tax withholding and in accordance with the Israel Equity Tax Ruling and the Interim Israel Equity Tax Ruling, if obtained, and otherwise in accordance with the terms hereof, and (ii) Parent and Buyer shall take all commercially reasonable steps necessary to maintain a qualified equity incentive plan under Section 102, and shall use their commercially reasonable efforts to ensure that all equity awards of Buyer or its Affiliate into which unvested Company Equity Awards subject to Section 102 are converted pursuant to the above provisions shall also qualify for capital gains track treatment under Section 102.

(h) As soon as reasonably practicable following the date of this Agreement, and in any event prior to the Closing, the Company, the Company Board and the Compensation Committee of the Company Board (the “Compensation Committee”), as applicable, shall adopt any resolutions and amendments as may be necessary to effectuate the provisions of this Section 2.03. Subject to applicable Law, the Company shall take all actions necessary to provide that the Company will not be required to deliver Shares or other shares in the share capital of the Company to any Person pursuant to or in settlement of Company Equity Awards after the Closing; provided, notwithstanding the foregoing, that (i) the Company shall only be required to use commercially reasonable efforts to obtain any applicable consents or acknowledgements from the holders of any Company

Equity Awards that may be necessary to effectuate the provisions of this sentence and (ii) in no event shall the Company's failure to obtain any such consents or acknowledgements after using such commercially reasonable efforts be deemed to be a breach of this Agreement.

(i) At the Closing, Buyer shall (or Parent shall cause one of its Affiliates to) assume the Company Equity Plan and all obligations of the Company under the Company Equity Plan. The agreements evidencing any Company Equity Award that is converted pursuant to this Section 2.03 shall continue in effect on the same terms and conditions (subject to the adjustments required by this Section 2.03). Parent shall take all corporate action necessary to reserve for issuance a sufficient number of shares of Parent common stock for delivery upon exercise or settlement of such assumed awards. As soon as reasonably practicable after the Closing, to the extent necessary, Parent shall file a registration statement on Form S-8 (or any successor or other appropriate form) with respect to the shares of Parent common stock underlying such assumed awards and shall use its reasonable best efforts to maintain the effectiveness of such registration statement or registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such assumed awards remain outstanding. For the avoidance of doubt, any Company Equity Award that is subject to the requirements of Section 102 and assumed by Buyer or its Affiliate pursuant to this Section 2.03 shall continue to be governed by the terms and conditions of Section 102 and shall be deposited with or be subject to the supervision of the Section 102 Trustee.

Section 2.04 Extraordinary General Meeting.

(a) No later than ten (10) weeks following the Offer Commencement Date, the Company shall hold an extraordinary general meeting of its shareholders (the "EGM") to:

(i) provide information regarding the Offer;

(ii) adopt one or more resolutions effective upon the Acceptance Time to provide discharge to each member of the Company Board for their acts of management or supervision, as applicable, up to the date of the EGM; provided, that such discharge will be limited to the extent provided by general principles of Dutch law as in effect from time to time, and the shareholders circular distributed to shareholders of the Company shall refer to such limitation in general terms, consistent with the discussion of discharge of directors of the Company that has been included in past shareholders circulars; provided, further, however, that (x) if Buyer or Parent, or any of their Affiliates, becomes a shareholder of the Company, neither they, nor any of their successors or assigns, shall, regardless of the scope of the discharge granted to directors by any Discharge Resolution, assert any claim for liability against the directors in office immediately prior to the EGM (or, if new directors are elected after the EGM but prior to the Closing, against such directors), based on (A) acts or omissions of directors described in any information which is disclosed to Buyer or Parent in this Agreement, in the Company Letter or any information set forth in any Company SEC Document filed or furnished on or after December 31, 2014 and publicly available at least two (2) Business Days prior to the date of this Agreement (but excluding any forward-looking disclosures set forth in any "risk factors" section, any disclosures in any "forward-looking statements" section and any other disclosures included therein to the extent they are predictive or forward-looking in nature, it being understood that any factual information contained within such sections shall not be excluded) or (B) any acts or omissions of directors of the Company prior to the Closing (or, in the case of Independent Directors, after the Closing) which are required to be taken under this Agreement; and (y) for the avoidance of doubt, the adoption of a Discharge Resolution shall be in addition to, and shall not in any way adversely affect, or limit in any way, the effect of any discharge of directors, or of members of the Company's former Supervisory Board, adopted prior to the shareholders meeting at which such Discharge Resolution is adopted (as used in this Agreement, the term "Discharge Resolution" shall mean any resolution for the discharge of directors adopted pursuant to this Section 2.04(a)(ii), or as provided in Section 2.05(e));

(iii) adopt one or more resolutions effective upon the Closing to appoint the Buyer Directors, and the Independent Directors (if such Independent Directors are not already members of the Company

Board), to replace the members of the Company Board who will resign at Closing (the “Governance Resolutions”);

(iv) adopt one or more resolutions (jointly, the “Conversion Resolutions”) to amend the articles of association of the Company substantially in accordance with the drafts of the amended articles of association attached as (A) Schedule 2.04(a)(iv)(A) (Conversion and Amended Articles of Association of the Company after Closing), which includes the conversion of the Company into a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) and which shall be executed and become effective as soon as practicable following Closing if elected by Buyer; and (B) Schedule 2.04(a)(iv)(B) (Amended Articles of Association of the Company after Delisting), which shall be executed and become effective as soon as practicable following the delisting of the Company and the Shares from NYSE;

(v) adopt a resolution to, subject to (A) the Acceptance Time having occurred, (B) the Pre-Wired Asset Sale Ruling having been received and (C) the number of Shares validly tendered in accordance with the terms of the Offer (including Shares tendered during the Subsequent Offering Period, as it may be extended by the Minority Exit Offering Period) and not properly withdrawn, together with the Shares owned by Buyer or any of its Affiliates, representing at least sixty-seven percent (67%) of the Company’s issued capital (*geplaatst kapitaal*) (the “Asset Sale Threshold”), approve the asset sale as contemplated by the Asset Sale Documentation (the “Asset Sale”) as required under Section 2:107a of the DCC;

(vi) adopt a resolution to, subject to (A) the Acceptance Time having occurred, (B) the Asset Sale Threshold having been achieved and (C) the Asset Sale having been completed, (1) dissolve (*ontbinden*) the Company in accordance with Section 2:19 of the DCC and (2) appoint as liquidator (the “Liquidator”) a foundation (*stichting*) to be incorporated under Dutch Law and approve reimbursement of the Liquidator’s reasonable salary and costs (provided that such reimbursement will be subject to the approval of the Independent Directors, not to be unreasonably withheld, conditioned or delayed) and (3) appoint an Affiliate of Buyer as the custodian of the books and records of the Company in accordance with Section 2:24 of the DCC (sub-clauses (v) and (vi)) together, the “Pre-Wired Asset Sale Resolutions”; and

(vii) conduct such other business as may properly come before the meeting.

(b) Promptly after the date of this Agreement, the Company shall prepare a notice of meeting and shareholders circular for the EGM (together with any amendments and supplements thereto and any other documents required, the “EGM Materials”) relating to the matters set forth in Section 2.04(a). Subject to Section 5.03(d), the Company shall include the Company Recommendation in the EGM Materials. Parent and Buyer shall promptly furnish to the Company all information concerning Parent, Buyer and any of their Affiliates required to be set forth in the EGM Materials. The Company shall provide Parent, Buyer and their counsel with a reasonable opportunity to review and comment on the EGM Materials (and any amendments thereto) each time prior to dissemination to the shareholders of the Company and the Company shall include in the EGM Materials all comments reasonably proposed by Parent, Buyer and their counsel. The Company shall provide Parent, Buyer and their counsel, to the extent not prohibited under applicable Law, with (i) any comments or other communications, whether written or oral, that the Company or its counsel may receive from time to time from Governmental Authorities with respect to the EGM Materials promptly after receipt of those comments or other communications and (ii) a reasonable opportunity to participate in the Company’s response to those comments and to provide comments on that response (which response shall include all comments reasonably proposed by Parent, Buyer and their counsel), including by participating with the Company or its counsel in any discussions or meetings with Governmental Authorities to the extent such participation is not prohibited by the applicable Governmental Authority.

(c) The Company shall consult with Parent and Buyer regarding the date of the EGM (or any Subsequent EGM) and, unless this Agreement is terminated in accordance with Section 8.01, shall not cancel the

EGM (or any Subsequent EGM) without the prior written consent of Parent and Buyer; provided, that the Company may, on no more than one (1) occasion, following reasonable consultation with Parent and Buyer, and, to the extent requested in writing by Parent and Buyer, the Company shall, cancel and reconvene the EGM (or any Subsequent EGM) solely to the extent reasonably necessary (i) to ensure that any supplement or amendment to the relevant EGM Materials that the Company Board, after consultation with outside counsel, reasonably determines is necessary to comply with applicable Law is made available to the Company's shareholders in advance of the EGM (and any Subsequent EGM) or (ii) to solicit additional proxies in favor of approval of the matters set forth in Section 2.04(a). In the event the EGM or any Subsequent EGM is cancelled and reconvened pursuant to the foregoing proviso, the Company shall duly give notice of and reconvene the EGM or such Subsequent EGM on a date scheduled by mutual agreement of the Company, on the one hand, and Parent and Buyer, on the other hand, acting reasonably, or, in the absence of such agreement, as soon as practicable following the date of such cancellation but, in any event, no later than the day that is thirty-five (35) days following the date of such cancellation (or, in the case of any Subsequent EGM, a date that shall be prior to the date of the Expiration Time).

(d) The Company shall ensure that the EGM (and any Subsequent EGM) is called, noticed, convened, held and conducted in compliance in all material respects with all applicable Law. The approval of the matters set forth in Section 2.04(a) shall be the only matters that the Company shall propose to be acted on by the shareholders of the Company at the EGM (and any Subsequent EGM), unless otherwise reasonably proposed by the Company and approved in advance in writing by Parent and Buyer (such approval not to be unreasonably withheld, conditioned or delayed); provided, however, that if the EGM or any Subsequent EGM is combined with the 2017 and 2018 annual general meetings of shareholders of the Company, the shareholders may also consider at such meeting such other matters as have typically been included on the agenda for annual general meetings of shareholders of the Company in past years, subject to reasonable discussion among the Parties.

(e) Notwithstanding anything to the contrary in this Agreement, to the extent that, at the EGM, the Governance Resolutions, the Pre-Wired Asset Sale Resolutions or the Conversion Resolutions have not been adopted, or if the Company Board shall determine in its reasonable judgement that any additional shareholders resolutions should be adopted in order to approve any of the Signing Transactions, then, in each case, the Company shall, following consultation with Parent and Buyer, duly call and give notice of another EGM (a "Subsequent EGM"), which shall take place at a date reasonably acceptable to Parent and Buyer and not later than a date that shall be prior to the date of the Expiration Time at which the Governance Resolutions, the Pre-Wired Asset Sale Resolutions or the Conversion Resolutions, or the additional resolutions as referred to above, as applicable, shall be considered or reconsidered, as the case may be.

(f) Without limiting the generality of the foregoing, but subject to the Company's rights to terminate this Agreement in accordance with Section 8.01, the Company agrees that (i) its obligation to duly call, give notice of, convene and hold the EGM (and any Subsequent EGM) in accordance with and subject to the terms hereof and (ii) its obligations pursuant to this Section 2.04, in each case, shall not be affected by the commencement, public proposal, public disclosure or communication to the Company of any Alternative Acquisition Proposal (whether or not a Superior Proposal). Unless this Agreement is terminated in accordance with Section 8.01, the Company agrees that it shall not submit to a vote of the shareholders of the Company any Alternative Acquisition Proposal (whether or not a Superior Proposal) or any matters relating thereto.

(g) At and prior to the EGM (and any Subsequent EGM), the Company shall use its reasonable best efforts to secure the approval of the matters set forth in Section 2.04(a).

Section 2.05 Directors.

(a) Parent, Buyer and the Company, including the Company Board and each of the directors on the Company Board, shall use their respective reasonable best efforts, including through their (vote in favor of any) nomination or appointment of any person to the Company Board and their (vote in favor of any) resignation from

the Company Board, to ensure that the Company Board will, upon the Closing, be composed of at least seven (7) directors, (i) at least five (5) of whom may not be independent of Buyer and the Company (the “Buyer Directors”) and who will be designated in writing, in Buyer’s sole discretion, as soon as reasonably practicable and in any event prior to convening the EGM, and (ii) at least two (2) of whom will initially be current non-executive directors of the Company (if and to the extent that they shall agree to continue to serve on the Company Board after the Closing), and who will at all times be independent from Parent and Buyer; provided that, if and to the extent that the current non-executive directors of the Company do not agree to serve on the Company Board after the Closing, Buyer shall designate replacement directors who shall at all times be independent from Parent and Buyer, as promptly as reasonably practicable and in any event prior to convening the EGM (the directors so designated, and any present non-executive directors who continue to serve on the Company Board after the Closing, are referred to herein as the “Independent Directors”). If required or desirable in order to obtain the Israel Tax Rulings (as determined jointly by the Company and Parent acting reasonably and in good faith), the Buyer Directors (other than the executive directors of the Company) will not be residents of Israel.

(b) Each Independent Director shall resign from, and the Company shall take such other action necessary to ensure that each such Independent Director ceases to be a director of, the Company Board upon the earliest to occur of (i) such time after the Acceptance Time as Buyer and its Affiliates, in the aggregate, own one hundred percent (100%) of the issued and outstanding Shares and (ii) the Second Step Distribution being paid in full and completion of the subsequent liquidation and dissolution of the Company (the “Liquidation”).

(c) If, at any time, an Independent Director resigns from, or otherwise ceases to be a member of, the Company Board, or ceases to be independent from Parent and Buyer, in each case, prior to the date of resignation contemplated by Section 2.05(b), Parent shall procure that the respective Independent Director will be replaced after the Closing by a new director who is independent from Parent and Buyer.

(d) Parent and Buyer shall supply to the Company in writing any information regarding the Buyer Directors, and (to the extent applicable) those Independent Directors designated by Buyer, as required by applicable Laws in connection with the appointment of the Buyer Directors, and (to the extent applicable) those Independent Directors designated by Buyer, to the Company Board, and Parent and Buyer shall be solely responsible for any such information.

(e) In addition to the discharge contemplated by Section 2.04(a)(ii), Buyer shall (i) at the first annual or extraordinary general meeting of shareholders of the Company held after the Closing, cause all members of the Company Board resigning effective upon the Acceptance Time to be fully and finally discharged for their acts of management or supervision, as applicable and (ii) at the first annual or extraordinary general meeting of shareholders of the Company held after the resignation of an Independent Director, cause such Independent Director to be fully and finally discharged for his or her acts of supervision; provided, that such discharge will be limited to the extent provided by general principles of Dutch law as in effect from time to time, and the shareholders circular distributed to shareholders of the Company relating to the meeting at which a Discharge Resolution is proposed to be adopted shall refer to such limitation in general terms, consistent with the discussion of discharge of directors of the Company that has been included in shareholders circulars prior to the date of this Agreement. The proviso to Section 2.04(a)(ii) shall also be applicable *mutatis mutandis*, to any discharge granted to directors pursuant to the preceding sentence.

(f) Notwithstanding any other required vote, the affirmative vote of the Independent Directors will also be required for approving:

(i) any restructuring that could reasonably be expected to lead to a dilution of the shareholdings of the Minority Shareholders, other than (A) pursuant to a rights issue by the Company or any other share issue where the Minority Shareholders have been offered an opportunity to subscribe pro rata in accordance with their then existing shareholding in the Company (*voorkeursrecht*), (B) subject to

receipt of the Pre-Wired Asset Sale Ruling, the Asset Sale, the Second Step Distribution or the Liquidation, (C) the Compulsory Acquisition or (D) the Call Option; and

(ii) any other form of unequal treatment that prejudices or could reasonably be expected to prejudice or negatively affect the value of the Shares or voting rights attached to the Shares held by the Minority Shareholders, but in any event not including (A) subject to receipt of the Pre-Wired Asset Sale Ruling, the Asset Sale, the Second Step Distribution or the Liquidation, (B) the Compulsory Acquisition or (C) the Call Option.

Section 2.06 Further Actions. If requested by the other party, the Company, on the one hand, or Parent or Buyer, on the other hand, as applicable, shall take, as of the date of this Agreement or as soon thereafter as is reasonably practicable, the following actions to the extent reasonably necessary or desirable to implement, commence, consummate or otherwise effect the Asset Sale, the Liquidation and the Second Step Distribution (to the extent any such actions, transactions or matters are elected to be effectuated by Parent or Buyer), as the case may be:

(a) in the case of the Company, (i) the convening of the necessary meetings of the Company's general meeting and the Company Board or any committee thereof (including the EGM (and any Subsequent EGM) referenced in, and to the extent required by, Section 2.04) and (ii) the consideration, adoption and approval of any applicable resolutions of the Company Board or any committee thereof as necessary or desirable to convene the EGM (and any Subsequent EGM) referenced in, and to the extent required by, Section 2.04, in each case as set forth in Section 2.04, subject to Section 2.07; and

(b) in the case of Buyer and the Company, subject to receipt of the Pre-Wired Asset Sale Ruling, the execution of any and all reasonably requested documents, agreements or deeds that are necessary or desirable to effectuate the Asset Sale and the subsequent Liquidation and Second Step Distribution, and the filing or registration of any or all of such documents, agreements or deeds with the appropriate Governmental Authorities.

Section 2.07 Post-Offer Reorganization.

(a) As promptly as practicable following the closing of the Subsequent Offering Period, as it may be extended by the Minority Exit Offering Period, Parent or Buyer may effectuate, or cause to be effectuated, and at Parent's or Buyer's election, the Company and its Subsidiaries shall effectuate, a corporate reorganization (the "Post-Offer Reorganization") of the Company and its Subsidiaries, which, at Parent's or Buyer's election (provided that any action in sub-clauses (vii) through (xix) below shall require the prior written consent of the Company, such consent not to be unreasonably withheld, conditioned or delayed) shall be comprised of any of the following:

(i) subject to receipt of the Pre-Wired Asset Sale Ruling, the Asset Sale;

(ii) subject to receipt of the Pre-Wired Asset Sale Ruling, the Asset Sale together with, and conditioned upon, the Liquidation and Second Step Distribution;

(iii) subject to receipt of the Pre-Wired Asset Sale Ruling, the Liquidation and Second Step Distribution;

(iv) if permissible under applicable Law, the commencement by Buyer of the Compulsory Acquisition;

(v) an election by the Company pursuant to U.S. Treasury Regulations Section 301.7701-3 to be classified as a partnership or as a disregarded entity, as reasonably determined by Buyer or Parent (the "Partnership Election");

(vi) the exercise of the Call Option;

(vii) a statutory legal merger (*juridische fusie*) in accordance with Article 2:309 *et seq.* of the DCC between the Company (as the disappearing company) and Buyer (as the acquiring company), pursuant

to which merger the shareholders of the Company shall receive shares of Buyer ("Buyer Shares"), cash or receivables in accordance with Article 2:325 of the DCC (or a mix of any of the foregoing), upon which merger the holders of the Buyer Shares shall be granted the right to exchange Buyer Shares with Parent, or an Affiliate of Parent, for securities of Parent at any time before a date to be set by Parent or Buyer, after which date the Buyer Shares shall be redeemed;

(viii) a statutory (cross-border or domestic) legal (bilateral or triangular) merger (*juridische (drie)hoeks- fusie*) in accordance with Article 2:309 *et seq.* of the DCC between the Company, Buyer and/or any Affiliate of Parent;

(ix) a statutory legal (bilateral or triangular) demerger (*juridische (drie)hoeks- splitsing*) of the Company in accordance with Article 2:334a *et seq.* of the DCC;

(x) a contribution of cash and/or assets by Buyer, Parent or by any Affiliate of Parent in exchange for ordinary shares in the Company's share capital, in which circumstances the pre-emptive rights (*voorkeursrechten*), if any, of the Minority Shareholders could be excluded;

(xi) a sale and transfer of assets and Liabilities (A) by the Company or a Subsidiary of the Company to Buyer, Parent or an Affiliate of Parent or (B) by Buyer, Parent or any Affiliate of Parent to the Company or any Subsidiary of the Company, on terms substantially similar to the terms agreed for the Asset Sale to the extent this relates to substantially all of the assets and Liabilities of the Company and its Subsidiaries;

(xii) a distribution of proceeds, cash and/or assets to the shareholders of the Company or share buybacks;

(xiii) a dissolution and/or liquidation of the Company;

(xiv) a subsequent public offer for any Shares held by the Minority Shareholders;

(xv) a conversion of the Company into a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*);

(xvi) any transactions between the Company, on the one hand, and Buyer or Parent, on the other hand, or their respective Affiliates at terms that are not at arm's length;

(xvii) any transaction, including a sale and/or transfer of any material asset, between the Company and its Affiliates or between the Company, on the one hand, and Buyer or Parent, on the other hand, or their respective Affiliates, with the objective of utilizing any carry forward Tax losses available to the Company, Parent, Buyer or any of their respective Affiliates;

(xviii) any transactions, restructurings, share issues, procedures and/or proceedings in relation to the Company and/or one or more of its Affiliates required to effect the aforementioned transactions; and

(xix) any combination of the foregoing.

(b) If (i) the Pre-Wired Asset Sale Ruling has been obtained, (ii) the Pre-Wired Asset Sale Resolutions have been adopted at the EGM or any Subsequent EGM (or, solely at Buyer's discretion, at an extraordinary general meeting of the shareholders held after the Closing) and (iii) the Asset Sale Threshold has been achieved and the Closing has occurred, Buyer may require the Company to enter into, and in which case the Company shall enter into, the Asset Sale Agreement (together with all amendments reasonably agreed between the Parties, the "Asset Sale Documentation") and, subject to the conditions of this Section 2.07 and the Asset Sale Documentation, the Parties shall promptly implement the Asset Sale, and take the steps and complete the actions and transactions set forth in the Asset Sale Documentation.

(c) Buyer and the Company have agreed that, to the extent Buyer determines to effectuate the Asset Sale, then promptly following completion of the Asset Sale, Buyer and the Company shall implement, if, as of expiration of the final Subsequent Offering Period, the Asset Sale Threshold has been achieved, the Liquidation,

which shall result in the Second Step Distribution in accordance with the terms and conditions of the Asset Sale Documentation.

(d) Notwithstanding anything to the contrary contained in this Section 2.07, a Post-Offer Reorganization as described in Section 2.07(a)(i) through Section 2.07(a)(iv) and Section 2.07(a)(vii) through Section 2.07(a)(ix), if completed, shall ultimately result in all Minority Shareholders being offered or receiving in such Post-Offer Reorganization, for each Share then held, cash in an amount equal to the Offer Consideration (without interest and less applicable withholding Taxes), as soon as reasonably practicable after the Acceptance Time, unless the Compulsory Acquisition is commenced by Buyer, in which case the amount received for each Share not tendered pursuant to the Offer (including during the Subsequent Offering Period, as it may be extended by the Minority Exit Offering Period) shall be determined by the Enterprise Chamber of the Amsterdam Court of Appeals (*Ondernemingskamer van het gerechtshof Amsterdam*); provided, however, that Parent and Buyer shall use their reasonable best efforts to cause the per Share consideration to be payable to the Minority Shareholders in the Compulsory Acquisition to be equal to the Offer Consideration.

(e) Buyer and the Company will use their respective reasonable best efforts to (i) procure that the board of directors of the Liquidator will, as from the moment of incorporation, consist of one or more professional liquidator(s) or similar service provider(s) (natural person(s) or a professional liquidator service provider) and (ii) reach agreement with such service provider as soon as practicable after the date of this Agreement; provided, that Buyer shall use its reasonable best efforts to procure that one additional director (a natural person or a professional liquidator) will be appointed to such board of directors to direct and/or assist such professional liquidator for a period following the consummation of the Asset Sale not to exceed one (1) year.

Section 2.08 Call Option.

(a) The Company hereby grants to Buyer an irrevocable option (the “Call Option”) to purchase such number of newly issued ordinary shares, par value €0.01 per share, of the Company (“Ordinary Shares”), within the limits of the Company’s authorized but unissued share capital at the time of issuance, so as to increase Buyer’s ownership of Ordinary Shares by fifteen percent (15%) of the total ownership of Ordinary Shares by all Persons, after giving effect to the exercise in full of the Call Option (in the aggregate, the “Option Shares”), in exchange for an amount per Ordinary Share equal to the Offer Consideration.

(b) The Call Option shall be exercisable following the Acceptance Time once, in whole or in part, no later than the last day of the Subsequent Offering Period (including any Minority Exit Offering Period, if applicable); provided, however, that the Call Option shall terminate concurrently with the termination of this Agreement in accordance with its terms. In the event that Buyer wishes to exercise the Call Option, Buyer shall so notify the Company in writing (the “Option Exercise Notice”), and shall set forth in such Option Exercise Notice (i) the total number of Option Shares and percentage of total Ordinary Shares to be purchased by Buyer pursuant to the exercise of the Call Option and (ii) a place and date which shall be a Business Day not earlier than three (3) Business Days and not later than thirty (30) Business Days from the date the Company is notified of the exercise of the Call Option for the closing of the purchase of the Option Shares (such date, the “Option Closing Date”); provided, that if a closing of the purchase and sale of any Option Shares pursuant to the exercise of the Call Option (the “Option Closing”) cannot be consummated, in the reasonable opinion of Parent, by reason of any applicable Legal Restraint, the period of time that otherwise would run pursuant to this sentence shall run instead from the date on which such restriction on consummation has expired or been terminated; and provided, further, without limiting the foregoing, that if, in the reasonable opinion of Parent, prior notification to or the approval of any Governmental Authority is required in connection with such purchase, the relevant Party shall promptly, in consultation with each of the other Parties (but subject in all cases to Parent’s final approval, in its sole discretion, of any such notice or application), file the required notice or application for approval and shall expeditiously process the same and the period of time that otherwise would run pursuant to this sentence shall run instead from the date on which any required notification periods have expired or been terminated or such approvals have been obtained and any requisite waiting period or periods shall have passed.

(c) At the Option Closing, Buyer shall pay or cause to be paid to the Company the aggregate purchase price for the number of Option Shares described in the relevant Option Exercise Notice and purchased pursuant to the exercise of the Call Option by:

(i) wire transfer of immediately available funds to a bank account designated at least three (3) Business Days in advance in writing to Parent and Buyer by the Company; provided, that failure or refusal of the Company to designate such a bank account shall not preclude Buyer from exercising the Call Option;

(ii) issuance by Buyer to the Company of a promissory note in favor of the Company containing the terms set forth on Schedule 2.08(c)(ii), guaranteed by Parent or a creditworthy Subsidiary of Parent (a “Buyer Note”);

(iii) contribution in kind (*inbreng in natura*) in accordance with Section 2:94b or (if applicable) 2:204b of the DCC by Buyer to the Company by way of the assignment by Buyer to the Company of a promissory note issued by Parent or a creditworthy Subsidiary of Parent in favor of Buyer containing the terms set forth on Schedule 2.08(c)(iii) (a “Parent Note”); or

(iv) any combination of the foregoing.

For the avoidance of doubt, Buyer may exercise any of the foregoing options described above in clauses (i) through (iv) at its sole discretion, provided that the aggregate nominal value of the Option Shares must (except in the event of the exercise of the payment option described in clause (iii), above) in any event be paid in the manner set forth in clause (i) above, and subject in all cases to compliance with mandatory provisions of Dutch Law as set forth in clauses (1) and (2) below:

(1) To the extent that Buyer elects to pay for the Option Shares by issuance of a Buyer Note, the Option Shares issued to Buyer will be deemed to constitute partly paid shares (*niet volgestorte aandelen*), and the Company shall comply with the relevant provisions of the DCC relating to partly paid shares, including (A) the making of any relevant informational filings with the Trade Register and (B) making the notations in the Company’s shareholders register relating to the Option Shares available for inspection by the public generally; and

(2) To the extent that Buyer elects to pay for the Option Shares by contribution of a Parent Note to the Company, (A) the Company Board will, prior to the issuance of the Option Shares, prepare a description (*beschrijving*) of the Parent Note, signed by all of the members of the Company Board, pursuant to Section 2:94b of the DCC or, if applicable, Section 2:204b of the DCC, containing all of the information required to be included therein by Dutch law, (B) Parent and Buyer will procure the issuance, at their own expense, of an accountants statement (*accountantsverklaring*) with respect to the contribution of the Parent Note to the Company, if and to the extent required by Section 2:94b of the DCC (the “Accountants Statement”) and (C) the Company will provide reasonable information and cooperation to Buyer, Parent and the accountants issuing the Accountants Statement, to enable such accountants to issue the Accountants Statement. If the provisions of this paragraph (2) are applicable, then the Company will not be obligated to issue the Option Shares to Buyer until the Accountants Statement, if required by Dutch law, has been duly issued by an accounting firm which is authorized to issue the Accountants Statement pursuant to Section 2:94b of the DCC.

(d) At the Option Closing, simultaneously with the delivery of payment as provided in Section 2.08(c):

(i) (A) the Company shall issue the Option Shares purchased by Buyer to Buyer, and Buyer shall accept such Option Shares, by each of the Company and Buyer executing a non-notarial (or, if required by Dutch law, notarial) deed of issuance by and between the Company and Buyer in customary form and (B) the Company shall record such issuance in the Company’s shareholders register; and

(ii) Buyer shall deliver to the Company a letter agreeing that Buyer will not offer to sell or otherwise dispose of the Option Shares acquired by it at the Option Closing in violation of applicable Law or the provisions of this Agreement.

Following the Option Closing, Buyer shall, to the fullest extent permitted by Dutch Law, be deemed to be the holder of record of the number of Option Shares described in the relevant Option Exercise Notice, notwithstanding (1) that the shareholders register of the Company shall then be closed, (2) that the deed of issuance in respect of such Option Shares shall not then have actually been entered into by the Company and Buyer or (3) that the Company shall have failed or refused to designate the bank account described in Section 2.08(c)(i). Parent and Buyer shall jointly and severally pay all expenses, and any and all federal, state, Israeli and local taxes and other charges in any jurisdiction, that may be payable in connection with the issuance of the Option Shares including any relevant deeds of issuance under this Section 2.08 in the name of Buyer or its permitted assignee, transferee or designee hereunder.

Section 2.09 Certain Adjustments. To the knowledge of the Company, neither the Company nor any of its Subsidiaries has disclosed, delivered or licensed to any third Person, agreed to disclose, deliver or license to any third Person, or permitted the disclosure or delivery to any escrow agent or other third Person of, any material Company-owned Source Code or Main Database, except for (A) disclosures to employees under binding written agreements or other binding legal obligations, or (B) disclosures to independent contractors or consultants under binding written agreements that reasonably restrict the use and disclosure of such Source Code or Main Database, as applicable, and impose reasonable security obligations regarding such Source Code or Main Database, as applicable. To the knowledge of the Company, no event has occurred, and no circumstance or condition exists that (with or without notice or lapse of time) will, or would reasonably be expected to, result in the disclosure or delivery to any Person of any such material Company-owned Source Code or Main Database.

(j) As of the date of this Agreement, neither the Company nor any of its Subsidiaries are a member or promoter of, or a contributor to, or have made any material commitments or material agreements regarding, any patent pool, industry standards body, standard setting organization, industry or other trade association or similar organization, in each case that requires or obligates the Company or any of its Subsidiaries to grant or offer to any other Person any license or other right to any material Company Owned IP.

Subsidiaries is a party relating to any such Alternative Acquisition Proposal and shall enforce the provisions of any such agreement; provided, that the Company shall be permitted to release or waive any such standstill obligations solely to the extent necessary to permit the party referenced therein to submit an Alternative Acquisition Proposal to the Company Board on a confidential basis conditioned upon such Person agreeing that the Company shall not be prohibited from providing any information to Parent and Buyer regarding any such Alternative Acquisition Proposal in accordance with the terms of this Section 5.03. The Company shall promptly (and in any event within two (2) Business Days of the date of this Agreement) request each Person that has prior to the date of this Agreement executed a confidentiality agreement in connection with its consideration of any Alternative Acquisition Proposal to, in accordance with the terms of such agreement, return or destroy all confidential information furnished prior to the execution of this Agreement to or for the benefit of such Person by or on behalf of the Company or any of its Subsidiaries. The Company agrees that it shall promptly inform its Representatives of the obligations undertaken in this Section 5.03.

(b) Notwithstanding anything to the contrary contained in Section 5.03(a), in the event that the Company receives during the Pre-Closing Period an unsolicited bona fide written Alternative Acquisition Proposal, the Company may take the following actions (but only if (A) the Company Board determines in good faith, after consultation with its outside legal counsel, that the failure to do so would be inconsistent with the Company directors' fiduciary duties under the Laws of The Netherlands and (B) (1) the Company Board determines in good faith, after consultation with its outside legal counsel and financial advisors, that such Alternative Acquisition Proposal constitutes, or would reasonably be expected to lead to, a Superior Proposal and (2) the submission of such Alternative Acquisition Proposal did not result from or arise in connection with a breach of this Section 5.03):

(i) furnish non-public information with respect to the Company and its Subsidiaries to the Person or group making such Alternative Acquisition Proposal; provided, that (A) prior to furnishing any such non-public information, it receives from such Person or group an executed confidentiality agreement containing confidentiality terms at least as restrictive as the terms contained in the Confidentiality Agreement, and which shall not contain any exclusivity provision or other term that would restrict, in any manner, the Company's ability to consummate the Transactions or to comply with its disclosure obligations to Parent and Buyer pursuant to this Agreement (an "Acceptable Confidentiality Agreement") and (B) prior to or contemporaneously with furnishing any such non-public information to such Person or group, it furnishes such non-public information to Parent or Buyer to the extent Parent or Buyer has not previously been provided with such information; and

(ii) engage in discussions or negotiations with such Person or group with respect to such Alternative Acquisition Proposal.

(c) In addition to the obligations of the Company set forth in Sections 5.03(a), (b) and (d), as promptly as practicable (and in any event within twenty-four (24) hours) after receipt of any Alternative Acquisition Proposal or any request for non-public information or any inquiry that would reasonably be expected to lead to any Alternative Acquisition Proposal, the Company shall provide Parent and Buyer with written notice of the material terms and conditions of such Alternative Acquisition Proposal, request or inquiry, and the identity of the Person or group making any such Alternative Acquisition Proposal, request or inquiry, if not previously provided pursuant to Section 5.03(b). Commencing upon the provision of any notice referred to above and continuing until such Alternative Acquisition Proposal, request or inquiry is withdrawn, (i) the Company (or its outside legal counsel) shall keep Parent and Buyer (or their outside legal counsel) informed on a reasonably current basis regarding the status and terms (other than immaterial terms) of discussions and negotiations relating to any such Alternative Acquisition Proposal, request or inquiry at the request of Parent or Buyer and (ii) the Company shall, as promptly as practicable (and in any event within twenty-four (24) hours following the receipt or delivery thereof), provide Parent and Buyer (or their outside legal counsel) with unredacted copies of all written proposals or proposed transaction agreements (including all schedules and exhibits thereto) relating to any such Alternative Acquisition Proposal. The Company shall provide Parent and Buyer with forty-eight (48) hours prior notice (or such lesser prior notice as is provided to the members of the Company Board) of any meeting of the Company

Board at which the Company Board is reasonably expected to consider any Alternative Acquisition Proposal. Any material amendment (including the form, amount and timing of payment of consideration) to any Alternative Acquisition Proposal will be deemed to be a new Alternative Acquisition Proposal for the purposes of this Section 5.03.

(d) Except as provided in Section 5.03(e), neither the Company Board nor any committee thereof shall, directly or indirectly:

(i) (A) withhold, withdraw, qualify, amend or modify, or publicly propose to withhold, withdraw, qualify, amend or modify, the Company Recommendation or fail to make, or include in the applicable Company Disclosure Documents, the approval, adoption, recommendation or declaration of advisability by the Company Board or any committee thereof of this Agreement, of the Offer or any of the other Transactions, or make any public statement inconsistent with the Company Recommendation; (B) recommend, adopt or approve, or propose publicly to recommend, adopt or approve, any Alternative Acquisition Proposal; or (C) publicly make any recommendation in connection with an Alternative Acquisition Proposal other than a recommendation against such proposal (any action described in this clause (i), being referred to as an “Adverse Recommendation Change”); or

(ii) approve or recommend, or publicly propose to approve or recommend, or allow the Company or any of its Affiliates to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar Contract (other than an Acceptable Confidentiality Agreement) (A) relating to any Alternative Acquisition Proposal or any offer or proposal that would reasonably be expected to lead to an Alternative Acquisition Proposal or (B) requiring it (or that would require it) to abandon, terminate or fail to consummate the Transactions (an “Alternative Acquisition Agreement”).

(e) Notwithstanding anything to the contrary set forth in Section 5.03(d), solely in response to a Superior Proposal received by the Company Board after the date of this Agreement, the Company Board may, at any time prior to the Expiration Time, make an Adverse Recommendation Change, validly terminate this Agreement to enter into an Alternative Acquisition Agreement with respect to such Superior Proposal in accordance with Section 8.01(d)(i), or authorize, resolve, agree or propose publicly to take any such action, only if all of the following conditions are met:

(i) the Company has not breached any of its obligations under this Section 5.03 (where such breach proximately caused such Superior Proposal being received by the Company);

(ii) the Company shall have (A) provided to Parent and Buyer four (4) Business Days’ prior written notice, which shall state expressly (1) that it has received a Superior Proposal, (2) the material terms and conditions of the Superior Proposal (including the consideration offered therein and the identity of the Person or group making the Superior Proposal), and shall have contemporaneously provided an unredacted copy of the Alternative Acquisition Agreement and all other documents (other than immaterial documents) related to the Superior Proposal (it being understood and agreed that any amendment to the financial terms or any other material term or condition of such Superior Proposal shall require a new notice and a new four (4) Business Day period) and (3) that, subject to clause (iii) below, the Company Board has determined to effect an Adverse Recommendation Change or to terminate this Agreement in accordance with Section 8.01(d)(i) in order to enter into the Alternative Acquisition Agreement, as applicable, and (B) prior to making such an Adverse Recommendation Change or terminating this Agreement in accordance with Section 8.01(d)(i), as applicable, to the extent requested by Parent and Buyer, engaged in good faith negotiations with Parent and Buyer during such four (4) Business Day period to amend this Agreement in such a manner that the Alternative Acquisition Agreement ceases to constitute a Superior Proposal; and

(iii) the Company Board shall have determined, in good faith, after consultation with its outside legal counsel and financial advisors, that, in light of such Superior Proposal and taking into account

any revised terms proposed by Parent and Buyer, such Superior Proposal continues to constitute a Superior Proposal and that the failure to make such Adverse Recommendation Change or to so terminate this Agreement in accordance with Section 8.01(d)(i), would be inconsistent with the Company directors' fiduciary duties under the Laws of The Netherlands.

(f) Notwithstanding anything to the contrary set forth in Section 5.03(d), upon the occurrence of any Intervening Event, the Company Board may, at any time prior to the Expiration Time, make an Adverse Recommendation Change, or authorize, resolve, agree or propose publicly to take any such action, only if all of the following conditions are met:

(i) the Company shall have (A) provided to Parent and Buyer four (4) Business Days' prior written notice, which shall (1) set forth in reasonable detail information describing the Intervening Event and the rationale for the Adverse Recommendation Change and (2) state expressly that, subject to clause (ii) below, the Company Board has determined to effect an Adverse Recommendation Change and (B) prior to making such an Adverse Recommendation Change, to the extent requested by Parent and Buyer, engaged in good faith negotiations with Parent and Buyer during such four (4) Business Day period to amend this Agreement in such a manner that the failure of the Company Board to make an Adverse Recommendation Change in response to the Intervening Event in accordance with clause (ii) below would no longer be inconsistent with the Company directors' fiduciary duties under the Laws of The Netherlands; and

(ii) the Company Board shall have determined in good faith, after consultation with its outside legal counsel and financial advisors, that in light of such Intervening Event and taking into account any revised terms proposed by Parent and Buyer, the failure to make an Adverse Recommendation Change would be inconsistent with the Company directors' fiduciary duties under the applicable Laws of The Netherlands.

(g) Unless this Agreement is otherwise terminated pursuant to Article 8, neither the Company nor the Company Board (or any committee thereof) shall take any action to make the provisions of any "fair price," "business combination," "control share acquisition" or other state takeover statute or similar Law inapplicable to any transactions contemplated by an Alternative Acquisition Proposal.

(h) Nothing contained in this Agreement shall prohibit the Company or the Company Board from taking and disclosing to the Company's shareholders a position contemplated by Rule 14d-9 and Rule 14e-2(a) promulgated under the 1934 Act (or any similar communication to shareholders in connection with the making or amendment of a tender offer or exchange offer); provided, that any such disclosure shall be deemed an Adverse Recommendation Change unless the Company Board expressly publicly reaffirms the Company Recommendation.

Section 5.04 Compensation Arrangements. Prior to the Closing, the Company will take all steps that may be required, necessary or advisable to cause each Company Plan or similar arrangement that has been or, after the date of this Agreement, will be entered into by the Company or any of its Subsidiaries with any of its directors, officers or employees pursuant to which consideration is payable to any director, officer or employee to be approved by the Compensation Committee as an "employment compensation, severance or other employee benefit arrangement" within the meaning of Rule 14d-10(d)(2) promulgated under the 1934 Act and to satisfy the requirements of the non-exclusive safe harbor set forth in Rule 14d-10(d) promulgated under the 1934 Act. At the time of the taking of such steps described in this Section 5.04, the Compensation Committee will be composed solely of "independent directors" within the meaning of Rule 14d-10(d)(2) promulgated under the 1934 Act and the instructions thereto.

Section 5.05 Israel Tax Rulings.

(a) As soon as reasonably practicable after the execution of this Agreement, the Company, in consultation with Parent and Buyer, shall prepare and file with the ITA applications for rulings in form and

substance reasonably acceptable to Parent and Buyer confirming: (i) that Parent shall be exempt from withholding Tax in relation to payments made under this Agreement in connection with Company Equity Awards made under Section 102; (ii) that the payment of any consideration for vested Company Equity Awards subject to Section 102 will not constitute a violation of Section 102 requirements for capital gains track treatment of such awards as long as such consideration is deposited with the Section 102 Trustee; (iii) that the conversion of unvested Company Equity Awards subject to Section 102 into equity awards of Buyer or its Affiliates will not constitute a violation of Section 102 requirements for capital gains track treatment of such awards as long as such awards of Buyer or its Affiliates shall be deposited with, or be maintained under the supervision of, the Section 102 Trustee, and that capital gains track treatment shall continue to apply under Section 102 to such awards of Buyer or its Affiliates; and (iv) that the Israeli taxation will be deferred until completion of the statutory holding period and release of such cash consideration or converted Company Equity Awards, as applicable, provided that such consideration and awards are deposited with the Section 102 Trustee for the duration of the statutory holding period (which ruling may be subject to customary conditions regularly associated with such rulings) and any other issue which requires determination from the ITA (the “Israel Equity Tax Ruling”).

(b) As soon as reasonably practicable after the execution of this Agreement, the Company, in consultation with Parent and Buyer, shall prepare and file with the ITA an application for a ruling in form and substance reasonably acceptable to Parent and Buyer that (i) with respect to holders of Shares who are non-residents of Israel (as defined in the ITO or as will be determined by the ITA), (A) exempting Buyer or Parent on Buyer’s behalf (or a paying agent designated by Buyer) from any obligation to withhold Israeli Tax at the source from any Offer Consideration, or clarifying that no such withholding obligation exists, or (B) clearly instructing Buyer or Parent on Buyer’s behalf (or a paying agent designated by Buyer) how such withholding at the source is to be effected, and in particular, with respect to the classes or categories of holders of Shares from which Tax is to be withheld (if any), the rate or rates of withholding to be applied and how to identify any such non-residents of Israel; and (ii) with respect to holders of Shares who are residents of Israel (as defined in the ITO or as will be determined by the ITA), (x) exempting Buyer or Parent on Buyer’s behalf (or a paying agent designated by Buyer) from any obligation to withhold Israeli Tax at the source from any Offer Consideration, or clarifying that no such withholding obligation exists, or (y) clearly instructing Buyer or Parent on Buyer’s behalf (or a paying agent designated by Buyer) how such withholding at the source is to be effected, and in particular, with respect to the classes or categories of holders of the Shares from which Tax is to be withheld (if any), the rate or rates of withholding to be applied (the “Withholding Tax Ruling”), such ruling to be in form and substance to Parent’s satisfaction.

(c) As soon as reasonably practicable after the execution of this Agreement, the Company, in consultation with Parent and Buyer, shall prepare and file with the ITA an application for a ruling or rulings in form and substance reasonably acceptable to Parent and Buyer that (i) exempts Parent, Buyer and the Company from Israeli Tax with respect to the Asset Sale (as contemplated by the Asset Sale Documentation) the Second Step Distribution and the Liquidation, taking into account all relevant related steps (including the conversion of the Company from a *Naamloze Vennootschap* to a *Besloten Vennootschap met Beperkte Aansprakelijkheid* following the Asset Sale) and (ii) the Asset Sale will not adversely affect the remaining duration or the extent of the incentives available to the Company and its Subsidiaries resulting from the status of a Preferred Enterprise and/or Benefitted Enterprise under Israel’s Law for the Encouragement of Capital Investment, 1959 or require any recapture of any previously claimed incentive, and the entitlement of the Company or any of its Subsidiaries to any such incentive shall be preserved despite the Asset Sale (clauses (i) and (ii)), together, the “Pre-Wired Asset Sale Ruling” and, together with the Withholding Tax Ruling, the Israel Equity Tax Ruling and any other Israeli Tax ruling that may be required in connection with the Post-Offer Reorganization, the “Israel Tax Rulings”), such ruling to be in form and substance to Parent’s satisfaction.

(d) Each of the Company, on the one hand, and Parent and Buyer, on the other hand, shall cause their respective Israeli counsel to coordinate all activities, and to cooperate with each other, with respect to the preparation and filing of such applications and in the preparation of any written or oral submissions that may be

necessary, proper or advisable to obtain the Israel Tax Rulings. The Company shall use all reasonable best efforts to promptly take, or cause to be taken, all action and to do, or cause to be done, all things necessary, proper or advisable under any applicable Law to obtain the Israel Tax Rulings as promptly as practicable after the date of this Agreement. The Company and its Representatives shall not make any application to, or conduct any negotiation with, the ITA with respect to any matter relating to any of the Israel Tax Rulings without prior coordination and consultation with Parent and Buyer or their respective Representatives, and will enable Parent's and Buyer's Representatives to participate in all discussions and meetings relating thereto (which, for the avoidance of doubt, shall include all discussions and meetings with the ITA) to the maximum extent permitted by law. To the extent that Parent's and Buyer's Representatives elect not to participate in any meeting or discussion, or shall be prohibited from doing so, the Company's Representatives shall provide a prompt and full report of the discussions held. In any event, the final text of each of the Israel Tax Rulings shall in all circumstances be subject to the prior written consent of Parent and Buyer, which consent shall not be unreasonably withheld, conditioned or delayed. Without derogating from the foregoing, should any meeting be held with the ITA at which Parent's Israeli counsel does not attend, Company's counsel shall provide Parent and its Israeli counsel with an update of such meeting or discussion within one (1) Business Day of such meeting or discussion.

(e) In the event that it becomes apparent that the Israel Equity Tax Ruling will not be received prior to Closing, the Company shall cause the Israeli Subsidiary to obtain prior to the Closing an interim Tax ruling confirming that the Closing shall not adversely affect the Tax status or trigger Israeli withholding Tax requirements with respect to any payments or exchanges made with respect to Company Equity Awards subject to Section 102 (which ruling may be subject to customary conditions regularly associated with such a ruling) (the "Interim Israel Equity Tax Ruling").

Section 5.06 Delisting. Prior to the Acceptance Time, the Company shall cooperate with Parent and Buyer and use reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Laws and rules and policies of the NYSE to cause the delisting of the Company and the Shares from the NYSE as promptly as practicable after the Closing and the deregistration of the Shares under the 1934 Act as promptly as practicable after such delisting.

Section 5.07 Anti-Takeover Measures. The Company and the Company Board (and any applicable committees thereof) shall take all actions within their power and authority necessary so that no Anti-Takeover Measure is or becomes applicable to any of the Transactions. If any Anti-Takeover Measure becomes applicable to any of the Transactions, the Company and the Company Board (and any applicable committees thereof) shall grant such approvals and take such actions within their power and authority as are necessary so that any such Transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise act within their power and authority to eliminate such Anti-Takeover Measures in respect of such Transactions.

Section 5.08 Asset Sale and Liquidation. To the extent any such actions, transactions or matters are validly elected to be effectuated by Parent or Buyer pursuant to Section 2.07(a), but subject in the case of the Asset Sale, Liquidation and Second Step Distribution to the prior receipt of the Pre-Wired Asset Sale Ruling, the Company shall take all such steps and do all such things as are reasonably required to procure that the Asset Sale, Liquidation and Second Step Distribution timely occur.

ARTICLE 6

COVENANTS OF PARENT AND BUYER

Parent and Buyer jointly and severally agree that:

Section 6.01 Director and Officer Liability.

(a) For six (6) years after the Closing, Parent shall cause the Company and its Subsidiaries to indemnify and hold harmless the present and former directors or officers of the Company and its Subsidiaries

(each, an “Indemnified Person”) in respect of acts or omissions occurring at or prior to the Closing and in connection with (i) the Signing Transactions, (ii) the Asset Sale, Liquidation and Second Step Distribution and (iii) the Tender and Support Agreements, in each case to the fullest extent permitted by applicable Law or to the extent provided under the Company Organizational Documents. In the event that any Indemnified Person is made party to any Action arising out of or relating to matters that would be indemnifiable pursuant to the immediately preceding sentence, Parent, Buyer and the Company shall advance fees, costs and expenses (including reasonable attorney’s fees and disbursements) as incurred by such Indemnified Person in connection with and prior to the final disposition of such Action, subject to the execution by such Indemnified Person of appropriate undertakings to repay such advanced fees, costs and expenses if it is ultimately determined that such Indemnified Person is not entitled to indemnification, in each case except to the extent prohibited under applicable Law. For a period of six (6) years following the Closing, Parent shall cause the Company and its Subsidiaries to honor and fulfill in all respects the obligations of the Company and its Subsidiaries under any and all indemnification agreements in effect immediately prior to the Closing between the Company or any of its Subsidiaries and any Indemnified Person (the “Indemnification Agreements”). In addition, for a period of six (6) years following the Closing, Parent shall cause the Company and its Subsidiaries to cause the articles of association and rules and regulations of the Company Board (or other similar organizational documents) of the Company and its Subsidiaries to contain provisions with respect to exculpation of Liability of all Indemnified Persons, indemnification of all Indemnified Persons and advancement of fees, costs and expenses that are no less advantageous in the aggregate to the intended beneficiaries than the corresponding provisions currently contained in the Company Organizational Documents. To the maximum extent permitted by applicable Law, such indemnification and exculpation shall be mandatory rather than permissive.

(b) Parent shall obtain, or cause to be obtained, effective as of the Closing, a “tail” insurance policy with a claims period of six (6) years after the Closing with respect to directors’ and officers’ Liability insurance covering each Person currently covered by the Company’s directors’ and officers’ Liability insurance policy for acts or omissions occurring at or prior to the Closing on terms that are no less favorable than those of such policy of the Company in effect on the date of this Agreement, which insurance shall, prior to the Closing, be in effect and prepaid for such six (6)-year period; provided, however, that in no event shall the total cost for such prepaid “tail” insurance policy exceed three hundred percent (300%) of the annual premiums paid as of the date hereof by the Company for such insurance (the “Premium Cap”), and if the total cost for such prepaid “tail” policy exceeds the Premium Cap, then Parent may obtain, or cause to be obtained, a prepaid “tail” policy with the maximum coverage available for a total cost of the Premium Cap. If Parent for any reason fails to cause to be obtained such “tail” insurance policy as of the Closing, Parent shall continue, or cause to be continued, to maintain in effect, for a period of at least six (6) years from and after the Closing, the directors’ and officers’ Liability insurance in place as of the date of this Agreement with the Company’s current insurance carrier or with an insurance carrier with the same or better credit rating as the Company’s current directors’ and officers’ Liability insurance carrier.

(c) If Parent, Buyer, the Company or any of their respective successors or assigns (i) shall consolidate with, or merge with or into, any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) shall transfer all or substantially all of its properties or assets to any Person, then, in each case, Parent or Buyer, as applicable, shall take such action as may be necessary so that such Person shall assume all of the applicable obligations set forth in this Section 6.01.

(d) Each of the Indemnified Persons is intended to be third-party beneficiaries of this Section 6.01 with full rights of enforcement as if a party hereto. The rights of any Indemnified Person under this Section 6.01 shall be in addition to, and not in substitution of, any other rights that such Persons may have under the Company Organizational Documents, the Indemnification Agreements or applicable Law (whether at Law or in equity).

Section 6.02 Employee Matters.

(a) For a period commencing on the Closing Date and ending on the first anniversary of the Closing Date (or, such shorter period of employment, as the case may be), each Continuing Employee shall receive from Buyer (or its applicable Affiliate) compensation (including, base salary and annual cash bonus opportunity) that is substantially comparable in the aggregate to what such Continuing Employee was entitled to immediately prior to the Closing Date and benefits that are substantially comparable in the aggregate to either those benefits (excluding any equity or equity-based, defined benefit pension or retiree medical benefits) that are generally made available as of the date of this Agreement by the Company to such employees or by Buyer to similarly situated employees of Buyer and its Affiliates. This Section 6.02(a) shall not apply to Continuing Employees whose terms and conditions of employment are governed by a collective bargaining, works council or similar agreement. Buyer will cause the Company and its Subsidiaries to honor the terms of any written collective bargaining or similar agreements to which the Company or its Subsidiaries is bound.

(b) Any Continuing Employee who incurs a termination of employment during the period commencing on the Closing Date and ending on the first anniversary of the Closing Date shall be entitled to receive the severance payments and benefits that such Continuing Employee would have been entitled to receive from the Company and its Affiliates under its applicable written severance plans and policies, or individual employment agreements, as in effect immediately prior to the Closing and that have been made available to Buyer and listed in Section 3.18(a) of the Company Letter in accordance with Section 3.18(a) and Section 3.18(b).

(c) If requested by Buyer in writing within ten (10) Business Days prior to the Closing, effective as of, and contingent upon, the Closing, the Company shall adopt such resolutions and/or amendments to terminate each Company Plan listed in Section 6.02(c) of the Company Letter (each, a “Terminated Plan”). The Company shall provide Buyer with a copy of the resolutions and/or plan amendments (subject to reasonable advance review and comment by Buyer) evidencing that each Terminated Plan has been terminated.

(d) For all purposes (including purposes of vesting, eligibility to participate and level of benefits) under the employee benefit plans (including paid time off but excluding for purposes of benefit accruals under any defined benefit pension plan or for purposes of equity compensation vesting) of Buyer and Buyer Subsidiaries providing benefits to any Continuing Employees after the Closing Date (the “New Plans”), to the extent permitted under the terms of any applicable New Plan, each Continuing Employee shall be credited with his or her years of service with the Company and its Subsidiaries and their respective predecessors before the Closing Date, to the same extent as such Continuing Employee was entitled, before the Closing Date, to credit for such service under any similar Company Plan in which such Continuing Employee participated or was eligible to participate immediately prior to the Closing Date, provided that the foregoing shall not apply to the extent that its application would result in a duplication of benefits. In addition, and without limiting the generality of the foregoing, to the extent permitted under the terms of any applicable New Plan, (i) each Continuing Employee shall be immediately eligible to participate, without any waiting time, in any and all New Plans to the extent coverage under such New Plan is comparable to a Company Plan in which such Continuing Employee participated immediately before the Closing Date (such plans, collectively, the “Old Plans”), and (ii) for purposes of each New Plan providing welfare benefits (including medical, dental, pharmaceutical and/or vision benefits) to any Continuing Employee, Buyer shall cause all pre-existing condition exclusions and actively-at-work requirements of such New Plan to be waived for such employee and his or her covered dependents, unless such conditions would not have been waived under the comparable plans of the Company or its Subsidiaries in which such employee participated immediately prior to the Closing Date.

(e) Notwithstanding the generality of Section 9.10, the provisions of this Section 6.02 are solely for the benefit of the Parties, and no current or former Company Service Provider or any other individual associated therewith shall be regarded for any purpose as a third-party beneficiary of this Section 6.02. In no event shall the terms of this Agreement be deemed to confer upon any Company Service Provider any right to continued employment with Buyer or any of its Affiliates (including, following the Acceptance Time, the Company and its Subsidiaries) or to limit the ability of Buyer, or any of its Affiliates to terminate the employment of any

employee at any time and for any reason. Nothing herein, express or implied, (i) shall be deemed to establish, amend, modify or cause to be adopted any Company Plan or any other benefit plan, program, agreement or arrangement maintained or sponsored by Buyer, the Company or any of their respective Affiliates or (ii) shall alter or limit the ability of Buyer, the Company or any of their respective Affiliates to establish, amend, modify or terminate any benefit plan, program, agreement or arrangement at any time assumed, established, sponsored or maintained by any of them, in each case, following the Acceptance Time.

Section 6.03 Availability of Funds. At the Closing, Parent and Buyer will have available to them all funds necessary to enable Buyer to consummate the Offer and the other Transactions pursuant to the terms of this Agreement and to satisfy all of Buyer's obligations under this Agreement, including to pay the aggregate Offer Consideration and to pay all amounts required to consummate the Transactions.

ARTICLE 7 COVENANTS OF THE PARTIES

The Parties agree that:

Section 7.01 Regulatory Approvals; Efforts.

(a) During the Pre-Closing Period, the Parties shall use their respective reasonable best efforts to consummate and make effective the Transactions in accordance with the terms hereof. Without limiting the foregoing, during the Pre-Closing Period, the Parties shall use their respective reasonable best efforts to (i) promptly obtain all authorizations, consents, Orders and approvals of all Governmental Authorities or other Persons that may be, or become, necessary for the performance of their respective obligations pursuant to this Agreement and the consummation of the Transactions, (ii) take all actions as may be requested by any such Governmental Authority to obtain such authorizations, consents, Orders and approvals and (iii) avoid entry of, or effect the dissolution of, any Order that would have the effect of preventing or materially delaying the consummation of the Transactions. The Parties will cooperate in seeking to promptly obtain all such authorizations, consents, Orders and approvals. In furtherance and not in limitation of the foregoing, each Party agrees to (A) make an appropriate and complete filing of a Notification and Report Form pursuant to the HSR Act with respect to the Transactions as promptly as practicable following the date hereof, (B) make all other required filings with respect to the Other Required Antitrust Approvals promptly (and consistent with market practice in the relevant market) and (C) respond as promptly as practicable to: (i) any inquiries or requests received from the Federal Trade Commission or the Department of Justice for additional information or documentation; and (ii) any inquiries or requests received from any state attorney general, foreign antitrust or competition authority or other Governmental Authority in connection with antitrust or related matters.

(b) The Parties shall consult and cooperate with one another, and consider in good faith the views of one another, in connection with, and each Party shall provide to the other Party in advance, any written analyses, presentations, memoranda, briefs and proposals made or submitted to any Governmental Authority by or on behalf of any Party hereto in connection with proceedings relating to any Antitrust Laws; provided, however, that each Party may limit disclosure of commercially sensitive portions of such materials to the outside legal counsel and consultants of the other Party.

(c) Without limiting the generality of the foregoing, each Party shall give the other Party prompt notice of any pending or threatened request, inquiry, or Action brought by a Governmental Authority, or brought by a Third Party before any Governmental Authority, in each case with respect to the Transactions under any Antitrust Laws (an "Antitrust Investigation"). With respect to any such Antitrust Investigation, and subject to applicable Laws relating to the exchange of information and appropriate agreements to limit disclosure to outside legal counsel and consultants retained by such counsel and to preserve the attorney-client or other legal privileges, each Party shall use its reasonable best efforts to (i) keep the other Party informed as to the status of any such

request, inquiry or Action, (ii) promptly inform the other Party of any communication (excluding non-material communications) to or from the United States Federal Trade Commission, United States Department of Justice, or any other Governmental Authority, in connection with any such request, inquiry or Action (and, if in writing, furnish the other Party with a copy of such communication) and (iii) consult in advance and cooperate with the other Party and consider in good faith the views of the other Party in connection with (including providing reasonable opportunity for the other Party to comment upon) any analysis, presentation, memorandum, brief or proposal to be submitted to any such Governmental Authority.

(d) The Company, Parent and Buyer shall promptly furnish to each other all information required or requested to be included in any application or other filing to be made pursuant to the rules and regulations of any Governmental Authority in connection with the applications or other filings to be made under applicable Antitrust Laws. The Parties shall have the right to review in advance, and to the extent practicable each will consult the other on, all the information relating to Parent, Buyer or the Company, as the case may be, and any of their respective Affiliates that appear in any filing made with, or written materials submitted to (in each case, including any amendments thereto), any Third Party and/or any Governmental Authority in connection with the Transactions or filings to be made under applicable Antitrust Laws (and any amendments thereto), and shall consider in good faith comments proposed by Parent, Buyer or the Company, as the case may be; provided, however, that with respect to any documents or materials required to be filed under applicable Antitrust Laws that contain information that is confidential or proprietary to the providing Party, such information may be designated as “for outside counsel only” and provided only to individuals acting as outside counsel for the other Party or designated as “counsel only” and provided only to individuals acting as in-house or outside counsel for the other Party; provided, further, that such counsel shall not disclose such information to such other Party and shall enter into a joint defense agreement in customary form with outside legal counsel for the providing Party, if requested; and provided, further, that, in the case of information that is related to valuation, such information may be withheld or redacted.

(e) Notwithstanding anything in this Section 7.01 or elsewhere in this Agreement to the contrary, Parent and Buyer shall, subject to Section 7.01(c) and acting reasonably and in good faith, direct and control all aspects of the Parties’ efforts to obtain regulatory clearance either before any Governmental Authority or in any Action brought to enjoin the Transactions pursuant to any Antitrust Laws; provided, that (i) Parent and Buyer shall provide the Company with reasonable prior notice of commitments or material actions that Parent or Buyer proposes to undertake with any Governmental Authority in connection with such efforts and (ii) Parent and Buyer shall frequently consult with the Company and consider the Company’s views with respect to such matters in good faith.

(f) Parent or Buyer, as applicable, shall give the Company reasonable advance notice of and the opportunity to participate in all meetings with any Governmental Authority in connection with the matters addressed in this Section 7.01, unless prohibited by the relevant Governmental Authority; provided that, to the extent the Company is unable to attend any such meeting after being provided reasonable advance notice, Parent or Buyer, as applicable, shall not be required to cancel or reschedule such meeting. Parent and Buyer shall use a good faith efforts to give the Company reasonable advance notice and the opportunity to participate in teleconferences (other than non-material teleconferences), with any Governmental Authority in connection with the matters addressed in this Section 7.01, unless prohibited by the relevant Governmental Authority; provided that, in the event the Company is unable to participate in such teleconference, Parent or Buyer, as applicable, shall provide the Company a reasonably detailed update promptly following such call.

(g) Without limiting the foregoing, Parent shall, and shall use its reasonable best efforts to cause its Affiliates to, promptly take all actions reasonably necessary to (i) secure the expiration or termination of any waiting period (and any extension thereof) applicable to the consummation of the Transactions under the HSR Act and the Other Required Antitrust Approvals, (ii) resolve any objections asserted with respect to the Transactions under applicable Antitrust Law raised by any Governmental Authority, in each case, to the extent necessary in order to prevent the entry of any Legal Restraint that would prevent, prohibit, restrict or delay the

consummation of the Transactions and (iii) avoid or eliminate each and every impediment under the HSR Act or any other applicable Antitrust Law that may be asserted by any applicable Governmental Authority or Persons with respect to the Transactions so as to enable the Transactions to be consummated as soon as possible after the date of this Agreement; provided, however, that, notwithstanding the foregoing, nothing in this Section 7.01 or anything else in this Agreement shall require Parent, Buyer or any of their respective Subsidiaries or Affiliates to (A) proffer or agree to sell, divest, lease, license, transfer, dispose of or otherwise encumber or hold separate and agreeing to sell, divest, lease, license, transfer, dispose of or otherwise encumber before or after the Acceptance Time, any assets, licenses, operations, rights, product lines, businesses or interest therein of Parent, Buyer or the Company or any of their respective Affiliates (or to consent to any such sale, divestiture, lease, license, transfer, disposition or other encumbrance by Parent, Buyer or the Company or any of their respective Affiliates of any of their respective assets, licenses, operations, rights, product lines, businesses or interest therein), (B) agree to any material changes (including through a licensing arrangement) or restriction on, or other impairment of Parent's or any of its Affiliates' ability to own or operate, any such assets, licenses, operations, rights, product lines, businesses or interests therein or Parent's or Buyer's ability to vote, transfer, receive dividends or otherwise exercise full ownership rights with respect to the capital stock of the Company or (C) agree to other structural, behavioral or conduct relief with respect to the behavior of Parent, Buyer, the Company or any of their respective Affiliates; and, provided, further, that in no event shall the Company proffer, take or agree to take any of the actions described in the preceding clauses (A), (B) and (C), without the prior written consent of Parent.

(h) In the event that any Action is commenced challenging the Transactions as violating any Antitrust Law, each Party shall cooperate with each other Party and use its respective reasonable best efforts to contest and resist any such Action and to have vacated, lifted, reversed or overturned any Order resulting therefrom, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the Transactions; provided, however, that the obligations in this Section 7.01(h) shall expire as of the End Date.

Section 7.02 Certain Filings. The Parties shall cooperate with one another (a) in connection with the preparation of the Company Disclosure Documents, the Schedule TO and the Offer Documents, (b) in determining whether any action by or in respect of, or filing with, any Governmental Authority is required, or any actions, consents, approvals or waivers are required to be obtained from parties to any material contracts, in connection with the consummation of the Transactions and (c) in taking such actions or making any such filings, furnishing information required in connection therewith or with the Company Disclosure Documents, the Schedule TO or the Offer Documents and seeking timely to obtain any such actions, consents, approvals or waivers.

Section 7.03 Further Assurances. If, at any time before or after the Acceptance Time, any of the Parties reasonably believes that any further instruments, deeds, bills of sale, assignments or assurances are reasonably necessary or desirable to consummate the Transactions or to carry out the purposes and intent of this Agreement, then, subject to the terms and conditions of this Agreement, the Company, on the one hand, and Parent and Buyer, on the other hand, shall execute and deliver all such proper deeds, assignments, instruments and assurances and do all other things reasonably necessary or desirable to consummate the Transactions and to carry out the purposes and intent of this Agreement.

Section 7.04 Public Announcements. Parent and Buyer, on the one hand, and the Company, on the other hand, shall consult with one another prior to issuing, and provide each other with the opportunity to review and comment upon, any press release, public announcement, public statement or other public disclosure with respect to this Agreement or the Transactions and shall not issue any such press release, public announcement, public statement or other public disclosure prior to such consultation without the prior written consent of the other (which consent shall not be unreasonably withheld, conditioned or delayed), except as may be required by applicable Law or by the rules and regulations of the NASDAQ, in the case of Parent or Buyer, or the NYSE, in the case of the Company, in which event Parent and Buyer, on the one hand, and the Company, on the other hand, shall endeavor, on a basis reasonable under the circumstances, to provide a meaningful opportunity to Parent and Buyer or the Company, as applicable, to review and comment upon such press release, public

announcement, public statement or other public disclosure in advance and shall give due consideration to all reasonable additions, deletions or changes suggested thereto; provided, that (a) each of the Company, on the one hand, and Parent and Buyer, on the other hand, may make press releases or public announcements concerning this Agreement or the Transactions that consist solely of information previously disclosed in previous press releases or announcements made by Parent, Buyer and/or the Company in compliance with this Section 7.04 and (b) each of the Company, on the one hand, and Parent and Buyer, on the other hand, may make any public statements in response to questions by the press, investors or analysts or those participating in investor calls or industry conferences, so long as such statements consist solely of information previously disclosed in previous press releases, public disclosures, public statements or other public disclosures made by Parent, Buyer and/or the Company in compliance with this Section 7.04. The Company will consult with Parent (and consider in good faith the advice of Parent) prior to sending any material notices or other communication materials to its employees regarding the matters described in Section 5.04 or any other matters relating to the entry of the Parties into this Agreement or the effects of the Transactions. The Company, Parent and Buyer agree to issue (or cause to be issued) the previously agreed upon form of joint press release announcing the execution of this Agreement promptly following the execution of this Agreement.

Section 7.05 Notices of Certain Events.

(a) The Company shall give prompt notice to Parent and Buyer of (i) any material written notice or other material communication received by it from any Governmental Authority during the Pre-Closing Period, (ii) any written notice or other communication received by it from any Third Party during the Pre-Closing Period alleging any material breach of, or material default under, any Material Contract or (iii) any written notice or other communication received by it from any Third Party during the Pre-Closing Period alleging that the consent of such Third Party is or may be required in connection with this Agreement and the Transactions; provided, however, that the delivery of notice pursuant to this Section 7.05(a) shall not limit or otherwise affect the remedies available hereunder to Parent and Buyer.

(b) Each of the Company, on the one hand, and Parent and Buyer, on the other hand, shall give prompt notice to the other Party of (i) any Action commenced or, to such Party's knowledge, threatened, against the Company or any of its Affiliates or Parent or any of its Affiliates, that purports to prevent, materially impede or materially delay the consummation of the Offer, the Asset Sale, the Liquidation, the Second Step Distribution, the closing of the issuance of Shares pursuant to the Call Option or any of the other Transactions or that makes allegations that, if true, would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect or Parent Material Adverse Effect, as the case may be, and (ii) (A) in the case of the Company, the knowledge of the Company of any breach of or inaccuracy in its representations or warranties set forth in this Agreement or failure to perform its covenants or agreements set forth in this Agreement to the extent such inaccuracy, breach or failure to perform would reasonably be expected to give rise to, individually or in the aggregate, the failure of any Offer Condition set forth in paragraph (D) or paragraph (E) of Annex I or (B) in the case of Parent and Buyer, the knowledge of Parent or Buyer of any breach of or inaccuracy in the representations or warranties of Parent and Buyer set forth in this Agreement or failure to perform the covenants or agreements of Parent and Buyer set forth in this Agreement to the extent such inaccuracy, breach or failure to perform would reasonably be expected to, individually or in the aggregate, prevent or materially delay or materially impair the ability of Parent or Buyer to perform its obligations under this Agreement or to consummate the Transactions; provided, however, that the delivery of any notice pursuant to this Section 7.05 shall not cure any breach of any representation, warranty, obligation, covenant or agreement contained in this Agreement or otherwise limit or affect any remedies available hereunder to the Party receiving such notice.

Section 7.06 Litigation. Except as otherwise set forth in Section 7.01, the Company shall control any Action brought against the Company or any of its Subsidiaries relating in any way to this Agreement or the Transactions ("Transaction Litigation"); provided, that the Company shall give Parent and Buyer the right to (i) review and comment in advance on all filings or responses to be made by the Company in connection with any Transaction Litigation (and any amendments thereto) and the Company shall consider in good faith any

The Company shall promptly notify Parent and Buyer of any such Transaction Litigation brought, or threatened in writing, against the Company, members of the Company Board or any Subsidiary of the Company and shall keep Parent and Buyer informed on a current basis with respect to the status thereof.

ARTICLE 8

TERMINATION

Section 8.01 Termination. This Agreement may be terminated and the Transactions may be abandoned at any time prior to the Acceptance Time:

(a) by mutual written consent of the Company and Parent;

(b) by either the Company or Parent:

(i) if the Acceptance Time has not occurred on or before 11:59 p.m. (New York City time) on March 12, 2018 (as such date may be extended pursuant to the terms of this Agreement or by the mutual written consent of the Company and Parent, the "End Date"); provided, that if all of the Offer Conditions shall have been satisfied or shall be then capable of being satisfied (other than the Offer Condition set forth in paragraph (B) of Annex I), the End Date shall automatically extend until the date that is ninety (90) days following the initial End Date and if at the end of such ninety (90)-day period, all of the Offer Conditions shall have been satisfied or shall be then capable of being satisfied (other than the Offer Condition set forth in paragraph (B) of Annex I), then the End Date shall automatically extend for one (1) additional ninety (90)-day period; provided, further, that the right to terminate this Agreement under this Section 8.01(b)(i) shall not be available to any Party seeking to terminate if such Party is in breach of, or has breached, any of its covenants, obligations or agreements under this Agreement prior to the Acceptance Time where such breach proximately caused the failure of the Acceptance Time to occur by the End Date;

(ii) if the Offer Condition set forth in paragraph (C) of Annex I is not satisfied and the Legal Restraint giving rise to such non-satisfaction shall have become final and non-appealable; provided, that the Party seeking to terminate this Agreement pursuant to this Section 8.01(b)(ii) shall have complied with its obligations under Section 7.01; or

(iii) if the Offer shall have expired without all of the Offer Conditions having been satisfied and shall have not been extended by Parent; provided, that the right to terminate this Agreement pursuant to this Section 8.01(b)(iii) shall not be available to any Party whose breach of any of its covenants, obligations or agreements under this Agreement proximately caused the Offer to expire without all of the Offer Conditions having been satisfied; provided, further, that the right to terminate this Agreement pursuant to this Section 8.01(b)(iii) shall not be available to Parent if Buyer does not extend the Offer in circumstances where Buyer is required to extend the Offer under this Agreement;

(c) by Parent:

(i) if the Company breaches any of its representations or warranties, or fails to perform any of its covenants, obligations or agreements contained in this Agreement, which breach or failure to perform, individually or in the aggregate, (A) would result in any Offer Condition not being satisfied and (B) such breach or failure to perform by its nature cannot be cured or has not been cured by the

Company by the earlier of (1) the second (2nd) Business Day immediately prior to the End Date and (2) the date that is thirty (30) days after the Company's receipt of written notice of such breach from Parent; provided, that Parent is not then in material breach of its representations or warranties or then materially failing to perform its covenants, obligations or agreements contained in this Agreement; or

(ii) following an Adverse Recommendation Change.

(d) by the Company:

(i) in order to enter into an Alternative Acquisition Agreement with respect to a Superior Proposal subject to, and in accordance with, the terms and conditions of Section 5.03(e); provided that the Company shall not have breached any of its obligations under Section 5.03 (where such breach proximately caused such Superior Proposal being received by the Company); or

(ii) if Parent or Buyer breaches any of its representations or warranties, or fails to perform any of its covenants, obligations or agreements contained in this Agreement, which breach or failure to perform (x) would result in any Offer Condition not being satisfied and (y) such breach or failure by its nature cannot be cured or has not been cured by Parent or Buyer, as applicable, by the earlier of (A) the second (2nd) Business Day immediately prior to the End Date and (B) the date that is thirty (30) days after Parent's receipt of written notice of such breach from the Company; provided, that the Company is not then in material breach of its representations or warranties or then materially failing to perform its covenants, obligations or agreements contained in this Agreement.

Section 8.02 Effect of Termination. In the event of the valid termination of this Agreement as provided in this Article 8, notice thereof shall be given to the other Party or Parties, specifying the provision hereof pursuant to which such termination is made (other than in the case of termination pursuant to Section 8.01(a)), and this Agreement shall immediately become void and of no further effect, without any Liability on the part of any Party (or its respective directors, officers, employees, shareholders, Representatives, agents or advisors); provided, that subject in all respects to this Section 8.02 and Section 9.12 (including, in each case, the limitations set forth therein), (a) the Confidentiality Agreement, Section 5.02(b), Section 7.04, this Section 8.02, Article 1 and Article 9 (in each case, subject to the limitations set forth therein) shall survive the valid termination hereof and (b) nothing herein shall relieve either Party of any Liability for damages resulting from such Party's fraud or willful and intentional breach prior to such valid termination.

Section 9.02 Non-Survival of Representations and Warranties; Survival of Certain Covenants and Agreements. The representations and warranties contained in this Agreement and in any certificate or other writing delivered pursuant to this Agreement shall not survive the Acceptance Time. This Section 9.02 shall not limit Section 8.02 or any covenant or agreement of the Parties that by its terms contemplates performance after the Acceptance Time or the termination of this Agreement. The terms of Article 1 and this Article 9, as well as the covenants and other agreements set forth in this Agreement that by their terms apply, or that are to be performed in whole or in part, after the Acceptance Time or termination of this Agreement, shall survive the Acceptance Time or termination of this Agreement, as applicable, in accordance with their terms.

Section 9.03 Amendments and Waivers.

(a) Except as otherwise expressly provided for in paragraph (A) of Annex I, this Agreement may only be amended or supplemented at any time by additional written agreements signed by, or on behalf of, the Parties, as may mutually be determined by the Parties to be necessary, desirable or expedient to further the purpose of this Agreement or to clarify the intention of the Parties.

(b) No provision of this Agreement may be waived or extended except by a written instrument signed by the Party against whom the waiver or extension is to be effective. No failure or delay on the part of any Party in the exercise of any right hereunder shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement in this Agreement, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or of any other right.

Section 9.04 Rules of Construction. The Parties have participated jointly in negotiating and drafting this Agreement. If an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement.

Section 9.05 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of Law or otherwise by any of the Parties without the prior written consent of the other Parties; provided, that without the consent of the Company, (a) Parent may assign, in its sole discretion, any or all of its or Buyer's rights, interests and obligations under this Agreement to any one or more direct or indirect wholly owned Subsidiaries or Affiliates controlled by Parent and (b) after the Acceptance Time, Parent may transfer or assign its rights and obligations under this Agreement to any Person; provided, that in each of clauses (a) and (b), such transfer or assignment shall not (i) adversely impact in any respect the Company or its shareholders or the rights of the Company under this Agreement or (ii) relieve Parent or Buyer of its respective obligations under this Agreement. Any purported assignment without

such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

Section 9.06 Governing Law. This Agreement, and any Action arising out of or relating to this Agreement or the Transactions, shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without regard to choice or conflict of law principles thereof; provided, that, notwithstanding the foregoing, any matters concerning or implicating the Company directors' fiduciary duties shall be governed by and construed in accordance with the applicable fiduciary duty Laws of The Netherlands.

Section 9.07 Jurisdiction; Forum. Each Party (a) irrevocably and unconditionally submits to the personal jurisdiction of the Court of Chancery of the State of Delaware (or, only if such court declines to accept jurisdiction over a particular matter, then in the United States District Court for the District of Delaware, or if jurisdiction is not then available in the United States District Court for the District of Delaware (but only in such event), then in any Delaware state court sitting in New Castle County) and any appellate court from any of such courts (the "Chosen Courts"), (b) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such Chosen Court, (c) agrees that any Actions arising in connection with or relating to this Agreement or the Transactions shall be brought, tried and determined only in the Chosen Courts, (d) waives any claim of improper venue or any claim that the Chosen Courts are an inconvenient forum and (e) agrees that it will not bring any Action relating to this Agreement or the Transactions in any court other than the Chosen Courts. Each of the Parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the Transactions: (i) any claim that such Party is not personally subject to the jurisdiction of the Chosen Courts as described herein for any reason; (ii) that it or its property is exempt or immune from jurisdiction of any such Chosen Court or from any legal process commenced in such courts (whether through service of process, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (iii) that (A) the Action in any such court is brought in an inconvenient forum, (B) the venue of such Action is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such Chosen Courts.

Section 9.08 Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER DOCUMENTS AND AGREEMENTS DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY OR THE ACTIONS OF THE PARTIES IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF OR THEREOF. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF AN ACTION, (B) SUCH PARTY HAS CONSIDERED AND UNDERSTANDS THE IMPLICATIONS OF THIS WAIVER, (C) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.08.

Section 9.09 Counterparts; Electronic Delivery; Effectiveness. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Any such counterpart, to the extent delivered by fax or .pdf, .tif, .gif, .jpg or similar attachment to email (any such delivery, an "Electronic Delivery"), will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party may raise the use of an Electronic Delivery

to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each Party forever waives any such defense, except to the extent that such defense relates to lack of authenticity. This Agreement shall become effective when each Party shall have received a counterpart of this Agreement signed by the other Party. Until and unless each Party has received a counterpart of this Agreement signed by the other Party, this Agreement shall have no effect and no Party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication).

Section 9.10 Entire Agreement; No Third-Party Beneficiaries. This Agreement, including the Annexes and Exhibits hereto, the Company Letter, taken together with the Confidentiality Agreement and the other documents delivered in connection with this Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the Parties with respect to the Transactions. This Agreement is not intended to confer upon any Person other than the Parties any rights or remedies; provided, that: (a) the provisions of Section 6.01 are intended to be for the benefit of, and shall be enforceable by, each indemnified or insured party (including the Indemnified Persons), his or her heirs and representatives; and (b) the provisions of Section 2.04(a)(ii) and Section 2.05(e) are intended to be for the benefit of, and shall be enforceable by, the directors in office at the time of holding the EGM or Subsequent EGM, as applicable, and any Independent Director as referred to in Section 2.05 and all members of the Company Board resigning at the Acceptance Time.

Section 9.11 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, so long as the economic or legal substance of the Transactions is not affected in any material way. Upon such a determination, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

Section 9.12 Specific Performance. The Parties agree that irreparable damage, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that the Parties do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. Subject to the following sentence, the Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction or injunctions, specific performance, or other equitable relief, to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions hereof in the Chosen Courts without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific performance is an integral part of the Transactions and without that right, none of the Parties would have entered into this Agreement. The Parties acknowledge and agree that any Party seeking an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 9.12 shall not be required to provide any bond or other security in connection with any such Order or injunction.

[The remainder of this page has been intentionally left blank.]

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed by their respective duly authorized executive directors (in the case of the Company) or duly authorized officers (in the case of Parent and Buyer) as of the date set forth on the cover page of this Agreement.

ANNEX I

Offer Conditions

Notwithstanding any other provision of the Agreement or the Offer and in addition to (and not in limitation of) Buyer's right and obligation to extend and amend the Offer pursuant to the provisions of the Agreement, subject to any applicable rules and regulations of the SEC, neither Parent nor Buyer shall be required to accept for payment or pay for any Share validly tendered and not properly withdrawn pursuant to the Offer unless, as of the scheduled Expiration Time:

A. there shall have been validly tendered in accordance with the terms of the Offer, and not properly withdrawn, a number of Shares (excluding Shares tendered pursuant to guaranteed delivery procedures that have not yet been delivered in settlement or satisfaction of such guarantee prior to the Expiration Time) that, together with the Shares then owned by Parent or its Affiliates, represents at least ninety-five percent (95%) of the Company's issued capital (*geplaatst kapitaal*) immediately prior to the Expiration Time (the "Minimum Condition"); provided, that Buyer may, in its sole discretion, amend at any time and from time to time any reference to "ninety-five percent (95%)" in the foregoing definition of Minimum Condition to a percentage not less than "eighty percent (80%)"; provided, further, that if, prior to the Expiration Time, (i) the Company receives the Pre-Wired Asset Sale Ruling, then any reference to "ninety-five percent (95%)" in the foregoing definition of Minimum Condition shall be automatically amended to "eighty percent (80%)" and (ii) the Company receives the Pre-Wired Asset Sale Ruling and each of the Conversion Resolutions and the Pre-Wired Asset Sale Resolutions have been adopted at the EGM, then any reference to "ninety-five percent (95%)" in the foregoing definition of Minimum Condition shall be automatically amended to "sixty-seven percent (67%)."

B. any waiting period (and any extension thereof) applicable to the consummation of the Transactions under the HSR Act and the Israel Restrictive Trade Practices Law, 5748-1988, to the extent applicable, shall have expired or been terminated and the Other Required Antitrust Approvals shall have been received or their relevant waiting periods shall have expired;

C. no applicable Law or Order (whether temporary, preliminary or permanent), entered, enacted, promulgated, enforced or issued by any court or other Governmental Authority of competent jurisdiction (collectively, the "Legal Restraints") shall be in effect that prohibits, renders illegal, frustrates or enjoins the consummation of the Offer, the Asset Sale, the Liquidation, the Second Step Distribution or the other Transactions (other than the Call Option); provided, that this paragraph (C) shall not apply with respect to the Asset Sale, the Liquidation and the Second Step Distribution, or to any other Post-Offer Reorganization as referred to in Section 2.07 (other than the Compulsory Acquisition and the Partnership Election), to the extent there shall have been validly tendered in accordance with the terms of the Offer, and not properly withdrawn, a number of Shares (excluding Shares tendered pursuant to guaranteed delivery procedures that have not yet been delivered in settlement or satisfaction of such guarantee prior to the Expiration Time) that, together with the Shares then owned by Parent or its Affiliates, represents at least ninety-five percent (95%) of the Company's issued capital (*geplaatst kapitaal*) immediately prior to the Expiration Time;

D. the representations and warranties of the Company:

(i) set forth in Section 3.11(a) shall continue to be true and correct in all respects as of the Expiration Time with the same effect as though made as of the Expiration Time;

(ii) set forth in Section 3.05(a) shall continue to be true and correct in all respects (except for de minimis inaccuracies) as of the Expiration Time with the same effect as though made as of the Expiration Time (except to the extent expressly made as of an earlier date, in which case as of such earlier date);

(iii) set forth in Section 3.01, Section 3.02, Section 3.05(b), Section 3.05(c), Section 3.06, Section 3.16(g), Section 3.22 and Section 3.23 shall continue to be true and correct in all material respects as of

the Expiration Time with the same effect as though made as of the Expiration Time (except to the extent expressly made as of an earlier date, in which case as of such earlier date); and

(iv) set forth in the Agreement, other than those Sections specifically identified in clauses (i), (ii) and (iii) of this paragraph (D), shall continue to be true and correct (disregarding all qualifications or limitations as to “materiality,” “Company Material Adverse Effect” and words of similar import set forth therein) as of the Expiration Time with the same effect as though made as of the Expiration Time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except, in the case of this clause (iv), where the failure to be true and correct would not have or reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect;

E. the Company shall have performed or complied with in all material respects each of the obligations, agreements and covenants, required to be performed by, or complied with by, it under the Agreement at or prior to the Expiration Time;

F. since the date of the Agreement, there shall not have occurred any Effect that would have or reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect; provided, that clause (ii) of the definition of Company Material Adverse Effect shall be excluded from such definition for the purposes of determining the satisfaction of this paragraph (E);

G. the resignations of the existing members of the Company Board being replaced by the Buyer Directors, or by any Independent Directors designated by Buyer who are not currently serving on the Company Board, as contemplated by Section 2.05(a) of the Agreement, shall have been obtained;

H. the Governance Resolutions shall have been adopted at the EGM or a Subsequent EGM;

I. the Company shall have delivered to Parent a certificate signed by an executive officer of the Company, dated as of the Expiration Time, certifying that the Offer Conditions specified in paragraphs (D), (E) and (F) have been satisfied; and

J. the Agreement shall not have been terminated in accordance with its terms.

The foregoing conditions in this Annex I are for the sole benefit of Parent and Buyer and may be asserted by Parent or Buyer regardless of the circumstances giving rise to any such conditions and, other than the Minimum Condition, may be waived, subject to applicable Law, by Parent or Buyer in whole or in part at any time and from time to time in its sole discretion, in each case, subject to the terms of the Agreement. The foregoing conditions shall be in addition to, and not a limitation of, the rights and obligations of Buyer to extend, terminate, amend and/or modify the Offer in accordance with the terms and conditions of the Agreement and the applicable rules and regulations of the SEC. The failure by Parent or Buyer at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and each such right shall be deemed an ongoing right that may be asserted at any time and from time to time. In addition, each of the foregoing conditions is independent of any of the other foregoing conditions; the exclusion of any event from a particular condition does not mean that such event may not be included in another condition.

- (B) Pursuant to Section 2.04(a) of the Purchase Agreement and subject to the terms and conditions set out therein, (i) the Company Board has convened the EGM or a Subsequent EGM at which the Company's shareholders (the "Shareholders") resolved to adopt the Pre-Wired Asset Sale Resolutions (as defined in the Purchase Agreement) in relation to the Transaction (as defined below) and (ii) the Company Board has adopted a resolution to transfer the Business to Buyer or one of Buyer's Affiliates, if the Asset Sale Threshold is met.
- (C) Buyer has notified the Company that it desires to acquire the Business.
- (D) By and subject to this Agreement, the Company wishes to sell and assign and/or transfer (as the case may be) and Buyer wishes to purchase and accept or assume (as the case may be) the Business (the "Asset Sale") on the terms and subject to the conditions set out in this Agreement (the Asset Sale together with the Liquidation, Second Step Distribution and the other transactions contemplated by this Agreement, the "Transaction").
- (E) The Offer has been commenced, accepted for payment and closed and paid in accordance with the terms and conditions of the Purchase Agreement.
- (F) The Subsequent Offering Period has been completed, allowing Shareholders another cash exit at the Offer Consideration.
- (G) Prior to the expiration of the Subsequent Offering Period, Buyer has publicly announced its intention to implement the Asset Sale and the Second Step Distribution and Liquidation.
- (H) Buyer has extended the Subsequent Offering Period in accordance with Section 2.01(f) of the Purchase Agreement to permit any remaining Minority Shareholders to tender their Shares in exchange for the Offer Consideration in the Minority Exit Offering Period.

 - (b) the Closing has occurred and the Subsequent Offering Period and the Minority Exit Offering Period have been completed;

-
- (c) the number of Shares validly tendered in accordance with the terms of the Offer (including in the Subsequent Offering Period and the Minority Exit Offering Period) and not properly withdrawn, together with the Shares owned by Buyer or any of its Affiliates, on the date of this Agreement is at or above the Asset Sale Threshold; and
- (d) Buyer has requested the Company to execute and implement the Asset Sale as contemplated in this Agreement and in accordance with Section 2.07(b) of the Purchase Agreement,
- the Parties wish to enter into this Agreement and will, upon the terms and subject to the conditions of this Agreement, effect (i) the Asset Sale and (ii) the subsequent Liquidation resulting in the Second Step Distribution.
- (K) The Parties wish to set forth in this Agreement their respective rights and obligations in respect of the Transaction.
- (L) The Parties are entering into this transaction as a “second-step” transaction following the successful completion of the Offer under the Purchase Agreement (similar to a statutory merger in other jurisdictions) for the purpose of business integration while simultaneously providing Minority Shareholders (as hereinafter defined) the opportunity to exit from the Company for the same per Share cash consideration that the Buyer has paid to the other Shareholders in the Offer.

IT IS AGREED as follows:

ARTICLE 1

PURCHASE PRICE

Section 3.1 The Parties agree that the value of the Business is an amount equal to the product of (i) the Offer Consideration multiplied by (ii) the total number of Shares issued and outstanding immediately prior to Completion, which shall be payable on Completion as follows:

(a) Of this value, an amount (the “Cash Purchase Amount”) equal to the product of (x) the Offer Consideration multiplied by (y) the total number of Shares held beneficially or of record by Shareholders other than Buyer or any of its Affiliates (the “Minority Shareholders”) shall be paid at Completion in cash in accordance with Section 3.2; provided that at the discretion of Buyer, Buyer’s obligation to pay the Cash Purchase Amount to the Company may be set off against the Company’s obligation to pay and deliver to Buyer, as part of the transfer of the Business, the unrestricted cash available to the Company as set out in the Company’s balance sheet immediately prior to Completion to the extent such cash would otherwise be freely distributable pursuant to the Second Step Distribution by the Company (the “Company Net Cash Amount”); and

(b) In view of the intragroup (except for the participation of the Minority Shareholders) nature of the transfer of the Business to the Buyer and in order to avoid a futile “cash round” payment at Completion from a bank account of the Buyer to (ultimately) the same bank account following the Liquidation, the remainder of the value of the Business will remain outstanding by Buyer to the Company at Completion, and will on that same day be satisfied by setoff (*verrekening*) against the Liquidation entitlement of the Buyer in the same amount, due by the Company to Buyer at Completion.

Section 3.2 Payment of Cash Purchase Amount.

(a) Buyer shall pay, at Completion, the Cash Purchase Amount minus that portion of the Company Net Cash Amount that is set off against the Cash Purchase Amount (the “Net Cash Deduction”) by wire transfer of immediately available funds to the bank account of the Settlement Agent designated in writing by the Company to Buyer at least four (4) Business Days prior to Completion (the “Settlement Agent Account”), for distribution to the Minority Shareholders on behalf of the Company as set forth in this Agreement.

(b) The Company shall pay, at Completion, the amount of the Net Cash Deduction by wire transfer of immediately available funds to the Settlement Agent Account, for distribution to the Minority Shareholders as set forth in this Agreement.

Section 3.3 That portion of the Company Net Cash Amount that is not set off against the Cash Purchase Amount and thus not transferred to the Settlement Agent Account at Completion as set forth in Section 3.2(b) (such portion of the Company Net Cash Amount being referred to herein as the “Company Excess Cash at Completion” and the Company Excess Cash at Completion together with any cash held by the Company after Completion, being referred to herein as the “Company Excess Cash”) shall be transferred to Buyer as part of the transfer of the Business pursuant to this Agreement.

Section 3.4 The Company shall inform Buyer of the amount of the Cash Purchase Amount and the amount of the Net Cash Deduction no later than two (2) Business Days prior to the anticipated day of Completion.

Section 3.5 Buyer shall procure that the Cash Purchase Amount shall be sufficient to pay to the Minority Shareholders, by way of the Second Step Distribution, an amount equal to the Offer Consideration for each issued and outstanding Share held by the Minority Shareholders at Completion, without interest and after deduction of dividend withholding or other Tax if and to the extent so required by applicable Law (which Tax shall be paid out of the Cash Purchase Amount, without increasing the Cash Purchase Amount, pursuant to Section 18.2.)

Section 3.6 Notwithstanding anything to the contrary in this Agreement, Buyer (including any third-party paying agent) shall be entitled to deduct and withhold from any payment of the Cash Purchase Amount otherwise payable under this Agreement, and from any other payments otherwise required pursuant to this Agreement, such amounts as Buyer shall determine that it is required to deduct and withhold with respect to any such deliveries and payments under applicable Law, taking into account any available reductions or eliminations of withholding that may have been validly claimed under applicable Law. To the extent that such amounts are so withheld and timely paid to the appropriate Tax Authority by Buyer or its agent, as the case may be, they shall be treated for all purposes of this Agreement as having been delivered and paid to the Person in respect of which such deduction and withholding was made.

ARTICLE 4

CONDITIONS TO COMPLETION

Section 4.1 Completion of the sale and purchase of the Business and the subsequent Liquidation is conditional on the following conditions (the “Completion Conditions”) being satisfied or waived (either in whole or in part) in accordance with Section 4.2 on or before the date of Completion:

(a) no Legal Restraint (as defined in the Purchase Agreement) shall be in effect that prohibits, renders illegal or enjoins the Completion; and

Section 4.2 The Completion Conditions are for the benefit of both the Company and Buyer and may not be waived (either in whole or in part) without the prior written consent of both the Company (including the consent of the Independent Directors) and Buyer.

Section 4.3 Each Party will ensure that it duly and timely informs the other Party of all relevant developments regarding the fulfilment of the Completion Conditions.

Section 5.2 If the Completion Conditions are not satisfied or, where permitted, waived in writing by the Parties as contemplated hereby, on the date that Completion is envisaged to take place pursuant to Section 5.1, Completion will take place on the third (3rd) Business Day after the date on which the Completion Conditions are satisfied or, where permitted, waived in writing by the Parties as contemplated hereby.

Section 5.4 None of the Parties shall be obliged to complete the sale and purchase of the Business unless all material things set out in this Article 5 and in paragraphs 1 through 4(d)(A) of Schedule 1 (Completion) have been done on or prior to Completion. This Section 5.4 shall not, however, prejudice any rights or remedies available to any Party in respect of any default on the part of the other Party.

ARTICLE 7

CONTRACTS

Section 7.1 Subject to the provisions of this Article 7, the Company shall assign and/or transfer (as the case may be) to Buyer at Completion, and Buyer shall accept or assume (as the case may be) at Completion, all of the present and future rights and benefits of the Company under the Contracts, including those as listed in Schedule 3 (Contracts), and the corresponding obligations specifically referred to therein, by way of transfer of contract in accordance with Article 6:159 of the DCC, or the equivalent thereof under the relevant Law governing such Contract, and Buyer shall indemnify and hold harmless the Company against any and all Liabilities, costs, claims and damages arising from such Contracts.

Section 7.2 The Parties will inform the counterparties to the Contracts (the “Counterparties” and each a “Counterparty”) of the sale by the Company of the Business.

Section 7.3 The Company shall promptly refer to Buyer all inquiries relating to the Business, and assign to Buyer all orders relating to the Business, which the Company may receive after Completion.

Section 7.4 The obligations of the Company under this Article 7 shall in any event end upon the end of the Liquidation, i.e. the date of the definitive striking-off of the Company from the Trade Register pursuant to Section 2:19(4) or Section 2:19(6), as the case may be, of the DCC (the “Liquidation End Date”).

Section 7.5 The Parties acknowledge and agree that:

(a) upon or concurrent with Completion, any and all of the Company’s rights and obligations under the Purchase Agreement will be assigned and transferred to Buyer and the relevant and still applicable continuing rights and obligations set out in the Purchase Agreement will continue in full force and effect after Completion in accordance with their terms; provided, that the Independent Directors (who will remain on the Company Board as provided for in the Purchase Agreement) will continue to have the right to effect the rights of the Company set out in the Purchase Agreement to the extent those rights remain relevant and applicable (including the right to effect enforcement of any rights of the Company);

(b) the Independent Directors (who will remain on the Company Board as provided for in the Purchase Agreement) will have the right to effect the enforcement of all rights of the Company under this Agreement; and

(c) Buyer shall, and shall procure that its Affiliates (including the Company) shall, execute all such deeds, documents and assurances, and perform such acts and things reasonably required to ensure that the Parties and their representatives (if any) give effect to the provisions of this Section 7.5.

This Section 7.5 shall apply *mutatis mutandis* to any subsequent successor or assignee of Buyer.

ARTICLE 8

FINANCING AND GUARANTEES

Section 8.1 Guarantees and Indemnities. Buyer shall, with the reasonable assistance of the Company, use reasonable endeavours to procure that on or as soon as practicable after Completion, as from Completion:

(a) the Company is released from the guarantees and indemnities given by it in respect of obligations of any Company Subsidiary, including but not limited to the guarantees listed in Schedule 4 (Guarantees) and, pending such release, Buyer shall indemnify the Company against all Liabilities under those guarantees and indemnities; and

(b) the Company is released from any claims, Liabilities (whether contingent or not), contracts, commitments or arrangements with any Company Subsidiary, and Buyer shall indemnify the Company against all Liabilities the Company may incur in respect thereof.

Section 8.2 Set-Off. Any payment obligations under this Article 8 shall, to the extent possible, be discharged by way of set-off (*verrekening*) and shall be made in accordance with Article 21.

ARTICLE 9

TRANSFER OF ANY OTHER ASSETS AND LIABILITIES

Section 9.1 Transfer of Assets and Liabilities. The Company shall assign and/or transfer (as the case may be) to Buyer at Completion, and Buyer shall accept or assume (as the case may be) at Completion, all other Assets, properties, Liabilities, obligations and Contracts related to the Business (including the Company's Liabilities, if any, under the Indemnification Agreements) in accordance with applicable requirements under applicable Laws.

Section 9.2 Consent to Certain Assignments.

(a) Notwithstanding anything in this Agreement to the contrary, this Agreement shall not constitute an agreement to transfer, assign or sublease any Asset if an attempted assignment thereof, without the consent of a third party, would constitute a breach or other contravention under any Contract or Law to which the Company or any of its Subsidiaries is a party or by which it is bound, or in any way adversely affect the rights of the Company or the Company Subsidiaries or, upon transfer, Buyer under such Asset. The Company and Buyer shall (acting together to the extent legally permissible) use their respective reasonable best efforts to obtain any consents or waivers required to assign to Buyer any Contract that requires the consent of a third party, without any conditions to such transfer or changes or modifications of terms thereunder. Buyer agrees that the Company and the Company Subsidiaries shall not have any liability to Buyer arising out of or relating to the failure to obtain any such consent that may be required in connection with the transactions contemplated by this Agreement or because of any circumstances resulting therefrom.

(b) If any such consent is not obtained prior to Completion and as a result thereof Buyer may be prevented by the relevant third party from receiving the Asset intended to be transferred hereunder, or if any attempted transfer, assignment or sublease would adversely affect the rights of the Company or any of the Company Subsidiaries thereunder so that Buyer would not in fact receive all such rights or the Company or any of the Company Subsidiaries would forfeit or otherwise lose the benefit of rights that the Company or any of the

Company Subsidiaries is entitled to retain, the Company and Buyer shall cooperate in any lawful and commercially reasonable arrangement, as the Company and Buyer shall agree, under which Buyer would, to the extent practicable, obtain the economic claims, rights and benefits of such Asset as applicable, and assume the economic burdens and obligations with respect thereto in accordance with this Agreement, including by subcontracting, sublicensing or subleasing to Buyer. The Company and the Company Subsidiaries shall promptly pay to Buyer when received all monies received by the Company and the Company Subsidiaries under any such Assets with respect to the period after Completion, and Buyer shall indemnify and promptly pay the Company or the relevant Indemnified Party, as the case may be, for all Liabilities of the Company and the Company Subsidiaries associated with such Assets with respect to the period after Completion.

ARTICLE 10

WRONG BOX ASSETS

From time to time, the Parties shall review the composition of any Assets and Liabilities that remain with the Company (other than the Excluded Assets and Liabilities) with a view to transfer any such Asset or Liability (the "Wrong Box Assets") to Buyer or a member of Buyer's Group. So far as permitted by Law and subject to the receipt of all relevant regulatory approvals, any such Wrong Box Asset shall be promptly transferred for no further consideration to such member of Buyer's Group as Buyer may specify and shall be managed for (*beheerd worden voor*) Buyer pending such transfer.

ARTICLE 11

AMOUNTS RECEIVED IN ERROR

All amounts received by the Company after Completion in respect of the Business and which are not otherwise transferred to Buyer pursuant to this Agreement shall be paid by the Company to Buyer in accordance with Article 21 as soon as possible after they are received by the Company.

ARTICLE 12

COMPANY'S WARRANTIES

Section 12.1 The Company represents and warrants (*garandeert*) to Buyer that, on the date hereof and at Completion each of the following statements is true and accurate:

(a) it has the requisite power and authority to enter into and perform this Agreement;

(b) subject to the Completion Conditions being satisfied in accordance with Article 4, it has the right to sell and on Completion will have the right to transfer or assign (as the case may be) to Buyer full legal title to and beneficial interest (*volledig economisch en juridische eigendom*) in the Business on the terms and conditions set out in this Agreement;

(c) its obligations under this Agreement constitute binding obligations in accordance with its terms; and

(d) the execution and delivery of, and the performance by it of its obligations under, this Agreement:

(i) will not result in a material breach of any provision of its articles of association; and

(ii) will not result in a breach of any order, judgment or decree of any court or Governmental Authority to which it is a party or by which it is bound.

The representations and warranties of the Company set forth herein shall continue until Completion, and shall terminate and be of no further force or effect immediately thereafter.

ARTICLE 13

BUYER'S WARRANTIES

Buyer represents and warrants (*garandeert*) to the Company that, on the date hereof and at Completion each of the following statements is true and accurate:

- (a) it has the requisite power and authority to enter into and perform this Agreement;
- (b) its obligations under this Agreement constitute binding obligations in accordance with its terms;
- (c) the execution and delivery of, and the performance by it of its obligations under, this Agreement:
 - (i) will not result in a material breach of any provision of its constitutional documents; and
 - (ii) will not result in a breach of any order, judgment or decree of any court or Governmental Authority to which it is a party or by which it is bound; and

(d) At Completion, Buyer will have available to it all funds necessary to pay the Cash Purchase Amount minus the amount of the Net Cash Deduction and to satisfy all of Buyer's obligations under this Agreement.

ARTICLE 14

BREACHES

Section 14.1 Without prejudice to the provisions of Article 12 relating to the limited survival of the Company's Warranties hereunder, each Party undertakes to remedy any Breach by it which is capable of being remedied as soon as commercially reasonably possible following receipt of a written request with respect thereto by the other Party. In the situation described in the preceding sentence, the breaching Party shall not be required to pay to the other Party any damages, Liabilities, losses and costs incurred by that Party or any member of its Group as a result of a Breach, unless the breaching Party fails to perform its obligation to remedy such Breach in accordance with such sentence.

Section 14.2 The obligations of the Company under this Article 14 shall in no way reduce the Second Step Distribution.

ARTICLE 15

BUYER'S INDEMNITIES

Section 15.1 Subject to the occurrence of Completion, Buyer hereby fully indemnifies, defends and holds harmless the Company against any present and future, actual or contingent, ascertained or unascertained or disputed, or other damages, Liabilities, obligations, losses, costs (including reasonable adviser fees) and fines (collectively "Losses") arising, accruing or (to be) incurred by the Company arising directly or indirectly from the Transaction, including the Liquidation and/or Second Step Distribution, if applicable, and/or the Business (to the extent not already covered by a specific indemnity set out in this Agreement) and the Excluded Assets and

Liabilities and any acts or omissions in connection with preparing, proposing or implementing the Transaction. Any Losses consisting of or in relation to Taxes shall be treated exclusively in accordance with Schedule 2 (Tax Matters).

Section 15.2 Buyer hereby undertakes to indemnify and hold harmless by way of irrevocable third party stipulation for no consideration (*onherroepelijk derdenbeding om niet*), (i) the Liquidator and (ii) the current and future managing directors of the Liquidator (the persons under (i) and (ii), an “**Indemnified Party**”) against Losses arising, accruing or incurred by the persons under (i) or (ii) in that capacity arising directly from the Transaction or in relation to the Business, in each case:

(a) excluding any Losses arising, accruing or incurred as a result of fraud (*bedrog*), willful misconduct (*opzet*) or gross negligence (*grove schuld*) by the Indemnified Parties, as finally established by a court decision or settlement agreement;

(b) except to the extent covered by insurance and actually paid out pursuant to any insurance taken out for the benefit of the Indemnified Parties;

(c) provided that Buyer will have sole control over any litigation relating to any Losses for which the Indemnified Party is seeking to be indemnified hereunder, including over any correspondence, negotiations and other communications with third parties that could potentially result in litigation, and provided that such person will not take any action that may prejudice or affect the position in litigation without Buyer’s prior written consent.

Section 15.3 Any Losses consisting of or in relation to Taxes shall be treated exclusively in accordance with Schedule 2 (Tax Matters).

ARTICLE 16

THIRD PARTY CLAIMS

If a third party initiates a claim against the Company or an Indemnified Party, issues attachments (*beslag*) on Assets of the Company or otherwise takes actions against the Company or an Indemnified Party in respect of any claim which Buyer assumed or against which Buyer has agreed to indemnify the Company or an Indemnified Party hereunder, then Buyer will as from Completion assume the defense of and liability in respect of such claim and exclusively be responsible for the conduct of any appeal, dispute, compromise or defense of such claim, and at the first request of the Company or an Indemnified Party, procure as soon as possible that any such claims are withdrawn against the Company or an Indemnified Party, the attachment is lifted or the other actions are terminated, if reasonably necessary, by offering to provide adequate security referred to in Article 6:51 of the DCC and guarantees, whether by depositing cash or entering into other arrangements, provided the kind or type of security to be provided shall be at the reasonable discretion of Buyer.

ARTICLE 17

COVENANTS

Section 17.1 The Company covenants with Buyer that:

(a) it will execute and do, or use its commercially reasonable efforts to procure to be executed and done by any other relevant party, as the case may be, all such deeds, documents, acts and things as Buyer may from time to time require in order to transfer the Business and/or any individual Asset and/or Contract to Buyer, or as otherwise may be necessary to give full effect to this Agreement; and

(b) it will use its commercially reasonable efforts to procure the convening of all meetings, the giving of all waivers and consents and the passing of all resolutions as may be necessary to give effect to this Agreement.

Section 17.2 Buyer covenants with the Company that:

(a) it shall retain for a period ending on the seventh anniversary of the Liquidation End Date, all books, records and other written information relating to the Business and, to the extent reasonably required by the Company or the members of the Company Board or, if applicable, the Liquidator, shall allow the Company, the Liquidator and their respective employees, representatives and advisers, as well as the present and former members of the Company Board, upon reasonable written notice, reasonable access during normal office hours to such books, records and other information, including the right to inspect and take copies to the extent required to satisfy *bona fide* legal obligations;

(b) at Completion, it shall arrange for the steps and/or transactions or series of transactions specified by Article 18 and Schedule 1 to result in the payment of the Second Step Distribution into the Settlement Agent Account for the benefit of the then-existing Minority Shareholders.

ARTICLE 18

LIQUIDATION

Section 18.1 Subject to Completion, the Company shall procure that the Liquidator shall at Completion resolve and arrange for, in accordance with Schedule 1 (Completion), the payment into the Settlement Agent Account for the benefit of the Minority Shareholders of an advance liquidation distribution within the meaning of Article 2:23b(6) of the DCC, which will ultimately result in payment to the Minority Shareholders of an amount per Share equal to the Offer Consideration payable in cash to the Minority Shareholders, consisting of the Cash Purchase Amount as provided for in Section 3.2 and Section 3.6, subject to Section 18.2; with such payment into the Settlement Agent Account to be made prior to the Liquidator filing a final accounting (*rekening en verantwoording*) and plan of distribution (*plan van verdeling*) with the Trade Register in accordance with Article 2:23b(4) of the DCC (such advance liquidation distribution: the “Second Step Distribution”). That portion of the Liquidation entitlement that would otherwise be payable to the Buyer in its capacity of shareholder of the Company will be satisfied by way of setoff against the obligation of the Buyer to pay for the value of the Business, as more fully set forth in Section 3.1.

Section 18.2 To the extent that the Second Step Distribution is subject to withholding or similar Taxes, the Company shall withhold the required amounts from the Second Step Distribution and remit such amounts as required by the relevant Tax Laws. The Parties acknowledge that banks may charge administrative costs to Shareholders in relation to the transfer of the Second Step Distribution to their accounts by the Settlement Agent or otherwise, for which no compensation shall be paid to such Shareholders.

Section 18.3 Subject to Completion, the Liquidator shall also, as promptly as practicable following the Second Step Distribution and delisting of the Company, with the assistance of Buyer, wind up the Company's affairs, satisfy (using funds to be supplied by Buyer) all valid claims of creditors and others having claims against the Company and effectuate the Liquidation, all in full compliance with applicable Laws.

Section 18.4 Subject to the occurrence of Completion, and in connection with the Liquidation (which will become effective on the date of Completion), Buyer shall (i) assist the Company and the Liquidator to effect the Liquidation and take all actions reasonably requested by the Company for such purpose, including by granting the Company and the Liquidator reasonable access to the Business and providing such other assistance as the Company or the Liquidator may reasonably request, (ii) assist the Liquidator and the Company to expeditiously

effect the Second Step Distribution to be resolved, and paid into the Settlement Agent Account for the benefit of the Minority Shareholders, on the date of Completion and prior to the commencement of the opposition period related to the Liquidation, (iii) pay or discharge all outstanding debts, liabilities and claims that are assumed by Buyer under this Agreement, (iv) give, to the extent reasonably possible, certain statements and explanations to the Liquidator regarding (*inter alia*) Buyer's financial position and Buyer's obligations vis-à-vis the Company after Completion and (v) assist the Company and the Liquidator with any other reasonable requests and requirements. In addition, Buyer shall from time to time provide reasonably required comfort to the Liquidator on Buyer's financial position.

Section 18.5 The Liquidator agrees with and acknowledges the steps and actions set out in this Article 18 and shall co-sign this Agreement in evidence thereof.

Section 18.6 In addition to, and without limitation of, the other indemnities and covenants of Buyer contained in this Agreement, Buyer will do any such things as reasonably necessary or appropriate, if any, to procure that neither the Company, nor the Liquidator (or any Person subsequently appointed as a liquidator of the Company) has any grounds to demand any refund or (re)payment of any part of the Second Step Distribution on any grounds whatsoever from the Minority Shareholders.

ARTICLE 19

COST ARRANGEMENT AND REIMBURSEMENT

Subject to Completion, Buyer shall pay all reasonable out-of-pocket costs and expenses for external legal advisers incurred by the Company, the Independent Directors and the Liquidator after consummation of the Offer and until completion of the Liquidation in connection with (i) the preparation, entering into and completion of the Liquidation including fees and expenses of the Liquidator and (ii) any and all legal proceedings against the Company, the Independent Directors and the Indemnified Parties relating to the structure and/or other terms and conditions and/or consummation of the Transaction (the "Liquidation Costs and Liabilities"). The Company Board or, if applicable, the Liquidator, or one or more of the Independent Directors, may ask Buyer for one or more reasonable advance payments for such Liquidation Costs and Liabilities, which Buyer shall provide following such request. The Company Board or, if applicable, the Liquidator, shall account for the Liquidation Costs and Liabilities applicable to them. The provisions of this Article 19 constitute an irrevocable third party stipulation (*onherroepelijk derdenbeding om niet*) in favor of the Company, the Liquidator, the Indemnified Parties and the Independent Directors.

ARTICLE 20

CONFIDENTIALITY

Section 20.1 Until Completion, each of the Parties shall, and shall cause its Subsidiaries to, keep confidential all information provided to it by or on behalf of the other Party (or its Affiliates) which relates to the other Party (or its Affiliates) and the Transaction in accordance with the terms of the Confidentiality Agreement.

Section 20.2 If after Completion the Company holds confidential information relating to the Business, the Company shall keep that information confidential and, to the extent reasonably practicable, shall return that information to Buyer or destroy it, in each case without retaining copies.

ARTICLE 21

or such other account as Buyer shall, not less than three (3) Business Days before the date on which payment is due, have specified by giving notice to the Company.

ARTICLE 22

TERMINATION

This Agreement may be terminated only by the written agreement of Buyer and the Company (including the Independent Directors). In the event of termination of this Agreement, this Agreement shall have no further effect with the exception of this [Article 22](#) and [Article 20](#) and [Article 23](#), which provisions shall survive any termination of this Agreement. In such event, there shall be no liability on the part of any Party, except that termination of this Agreement shall not relieve either Party from any liability for any willful and material breach of its representations or warranties set forth in this Agreement or any breach of its obligations or agreements set forth in this Agreement.

Section 23.2 Further Assurances. If at any time either of the Parties reasonably believes that any further instruments, deeds, bills of sale, assignments or assurances are reasonably necessary or desirable to consummate the transactions contemplated by this Agreement or to carry out the purposes and intent of this Agreement, then, subject to the terms and conditions of this Agreement, the Company and Buyer shall execute and deliver all such proper deeds, powers of attorney, assignments, instruments and assurances and do all other things reasonably necessary or desirable to consummate the transactions contemplated by this Agreement and to carry out the purposes and intent of this Agreement.

Section 23.3 Assignment.

(a) Buyer shall be entitled to nominate one or more members of Buyer's Group to purchase all of the Business or different parts thereof, and Buyer shall be entitled to transfer and assign any or all of its rights and obligations under this Agreement to any such member of Buyer's Group and the other parties hereto hereby consent in advance to such transfer and assignment. Such nomination, transfer or assignment must be made in writing to the Company and can be made at any time up to two (2) Business Days prior to Completion. Upon

such nomination, transfer or assignment, the Parties shall procure that any such person shall become a party to this Agreement by entering into the Deed of Adherence in the form as set out in Schedule 5 hereto (Deed of Adherence) and thereafter such Person shall be deemed to be a Buyer for the purpose of this Agreement. Buyer shall remain jointly and severally liable with the designated assignee, or assignees as the case may be, for the proper performance of any obligations assigned to the designated assignee under this Section 23.3(a).

(b) Save for the assignment in accordance with Section 23.3(a), neither Party may assign any of its rights or transfer any of the obligations under this Agreement or any interest therein (including by means of statutory merger or demerger), without the prior written consent of the other Party.

Section 23.4 Non-Survival of Representations and Warranties; Survival of Certain Covenants and Agreements. The representations and warranties of the Company contained in this Agreement and in any certificate or other writing delivered pursuant to this Agreement shall not survive Completion. This Section 23.4 shall not limit any covenant or agreement of the Parties that by its terms contemplates performance after Completion or the termination of this Agreement.

Section 23.5 Expenses. Except as otherwise expressly provided in this Agreement (including Article 19), all direct and indirect costs and expenses incurred in connection with this Agreement shall be borne by the party incurring such expenses.

Section 23.6 Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Any such counterpart, to the extent delivered by Electronic Delivery, will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No Party may raise the use of an Electronic Delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each Party hereto forever waives any such defense, except to the extent that such defense relates to lack of authenticity. This Agreement shall become effective when each Party hereto shall have received a counterpart of this Agreement signed by each of the other Parties hereto. Until and unless each Party hereto has received a counterpart of this Agreement signed by each of the other Parties hereto, this Agreement shall have no effect and no Party hereto shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication).

Section 23.7 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any material way. Upon such a determination, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the fullest extent possible.

Section 23.8 Rights. The rights of each Party under this Agreement (a) may be exercised as often as necessary and (b) are, unless this Agreement provides otherwise, cumulative and not exclusive of rights and remedies provided by Law.

Section 23.9 Certain DCC Matters.

(a) Neither the Company nor Buyer shall be entitled to call upon or derive any rights under Title 1 Book 7 of the DCC.

(b) The Parties waive their right under Articles 6:265 to 6:272 inclusive, 6:228, 6:230 and 6:258 of the DCC to rescind (*ontbinden*), nullify (*vernietigen*), make amendment proposals (*wijzigingsvoorstellen*) regarding this Agreement on the ground of error, or demand in legal proceedings the rescission (*ontbinding*), nullification (*vernietiging*) or the amendment of this Agreement.

(c) The Convention on the International Sale of Goods shall not be applicable to the transactions contemplated by this Agreement.

Section 23.10 Entire Agreement. This Agreement, including the Schedules hereto, taken together with any other documents delivered in connection with this Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof and thereof (except for the Purchase Agreement). Except as otherwise expressly set forth herein, this Agreement is not intended to confer upon any Person other than the Parties hereto any rights or remedies.

Section 23.11 Amendments and Waivers.

(a) This Agreement may only be amended or supplemented at any time by additional written agreements signed by, or on behalf of, Buyer and the Company (including the Independent Directors if they are still serving on the Company Board), as may mutually be determined by the Parties as aforesaid to be necessary, desirable or expedient to further the purpose of this Agreement or to clarify the intention of the Parties.

(b) No provision of this Agreement may be waived or extended except by a written instrument signed by the Party against whom the waiver or extension is to be effective (including, in the case of a waiver or extension by the Company, the Independent Directors if they are still serving on the Company Board). No failure or delay on the part of any Party in the exercise of any right hereunder shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement in this Agreement, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or of any other right.

Section 23.12 Specific Performance and Other Remedies. The Parties agree that irreparable damage, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that the Parties do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. Subject to the following sentence, the Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction or injunctions, specific performance, or other equitable relief, to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions hereof in the Dutch Chosen Courts without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific performance is an integral part of the transactions contemplated by this Agreement and without that right, none of the Parties would have entered into this Agreement. The Parties acknowledge and agree that any Party seeking an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 23.12 shall not be required to provide any bond or other security in connection with any such Order or injunction. Without limiting the generality of the foregoing, the Independent Directors shall be entitled to seek specific performance of this Agreement on behalf of the Company against Buyer.

Section 23.13 Governing Law.

(a) This Agreement, and any Action arising out of or relating to this Agreement or the transactions contemplated by this Agreement, shall be governed by, and construed in accordance with, the Laws of the Netherlands, without regard to choice or conflict of Law principles thereof.

(b) To the extent legally feasible, any power of attorney or other document executed in connection with this Agreement or the Transaction shall be governed by and construed exclusively in accordance with the Laws of the Netherlands.

Section 23.14 Jurisdiction; Forum. Each party (i) irrevocably and unconditionally submits to the personal jurisdiction of the courts of Amsterdam, the Netherlands and any appellate court therefrom (the "Dutch Chosen Courts"), (ii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such Dutch Chosen Court, (iii) agrees that any Actions arising in connection with or relating to this Agreement or the transactions contemplated by this Agreement shall be brought, tried and determined only in the Dutch Chosen Courts, (iv) waives any claim of improper venue or any claim that the Dutch Chosen Courts are an inconvenient forum and (v) agrees that it will not bring any Action relating to this Agreement or the transactions contemplated by this Agreement in any court other than the Dutch Chosen Courts. Each of the Parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated by this Agreement: (A) any claim that such party is not personally subject to the jurisdiction of the Dutch Chosen Courts as described herein for any reason; (B) that it or its property is exempt or immune from jurisdiction of any such Dutch Chosen Court or from any legal process commenced in such courts (whether through service of process, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (C) that (1) the Action in any such court is brought in an inconvenient forum, (2) the venue of such Action is improper or (3) this Agreement, or the subject matter hereof, may not be enforced in or by such Dutch Chosen Courts.

WHEREAS, concurrently with the execution of this Agreement, Parent, Buyer and Mobileye N.V., a public limited liability company (*naamloze vennootschap*) organized under the Laws of The Netherlands (the “Company”), are entering into that certain Purchase Agreement, dated as of the date hereof (as the same may be amended or modified after the date hereof, the “Purchase Agreement”), providing, among other things, for (a) Buyer to commence a tender offer (such offer, as the same may be amended or modified from time to time as permitted by the Purchase Agreement, the “Offer”) for any and all of the outstanding ordinary shares, par value €0.01 per share, of the Company (the “Shares”) and (b) if elected by Parent or Buyer, the Post-Offer Reorganization (as defined in the Purchase Agreement) of the Company following the Offer; and

WHEREAS, as a condition of and inducement to Parent’s and Buyer’s willingness to enter into the Purchase Agreement, Parent and Buyer have required that Shareholder enter into this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and upon the terms and subject to the conditions set forth in this Agreement, the parties hereby agree as follows:

Section 1. Certain Definitions. For the purposes of this Agreement, capitalized terms used and not otherwise defined in this Agreement shall have the respective meanings ascribed to them in this Section 1, or if not defined in this Section 1, the respective meanings ascribed to them in the Purchase Agreement:

“Acquisition Agreement” means a letter of intent, agreement-in-principle, definitive acquisition agreement or similar agreement that contemplates an Alternative Acquisition Proposal.

“Additional Owned Shares” means all Shares that are beneficially owned by Shareholder or any of its controlled Affiliates and are acquired after the date hereof and prior to the termination of this Agreement.

“Affiliate” has the meaning set forth in the Purchase Agreement; provided, however, that the Company shall not be deemed to be an Affiliate of Shareholder.

“Covered Shares” means the Owned Shares and Additional Owned Shares.

“Equity Interests” means any share of capital stock of the Company or any securities (including debt securities) convertible into, or exchangeable or exercisable for, any such shares of capital stock or any options, warrants, calls, subscriptions or other rights, convertible securities, agreements or commitments obligating the Company to issue, transfer or sell any shares of capital stock or other equity interest in the Company, including Company Options and Company RSUs.

“Owned Shares” means all Shares which are beneficially owned by Shareholder or any of its controlled Affiliates as of the date hereof.

“Permitted Transfer” means (a) a Transfer of Covered Shares solely in connection with the payment of the exercise price and/or the satisfaction of any tax withholding obligations arising from the exercise of any Company Option, (b) the Transfer of Covered Shares with Parent’s prior written consent, (c) a Transfer (i) to any member of Shareholder’s immediate family or to a trust for the benefit of Shareholder or any member of Shareholder’s immediate family or (ii) upon the death of Shareholder pursuant to the terms of any trust or will of Shareholder or by the applicable Laws of intestate succession or (d) Transfers pursuant to any Rule 10b5-1 plan in effect as of the date of this Agreement, a summary of each of which is attached hereto as Exhibit A, and, provided that, for purpose of clause (c)(i), prior to the effectiveness of such Transfer, such transferee executes and delivers to Parent and Buyer a written agreement, in form and substance reasonably acceptable to Parent, to assume all of Shareholder’s obligations hereunder in respect of the securities subject to such Transfer and to be bound by the terms of this Agreement, with respect to the securities subject to such Transfer, to the same extent as Shareholder is bound hereunder and to make each of the representations and warranties hereunder in respect of the securities transferred as Shareholder shall have made hereunder (a “Transfer Agreement”).

“Transfer” means, with respect to a Covered Share, the transfer, pledge, hypothecation, encumbrance, granting of a usufruct, assignment or other disposition (whether by sale, merger, consolidation, liquidation, dissolution, dividend, distribution or otherwise) of such Covered Share or the beneficial ownership thereof, the offer to make such a transfer or other disposition, and each option, agreement, arrangement or understanding, whether or not in writing, to effect any of the foregoing. As a verb, “Transfer” shall have a correlative meaning.

Section 2. Tender of the Shares.

(a) Shareholder hereby agrees that it shall tender its Covered Shares that are Shares, or cause its Covered Shares that are Shares to be tendered, into the Offer (i) in the case of Owned Shares, promptly and in any event no later than ten (10) Business Days following the commencement of the Offer, and (ii) in the case of Additional Owned Shares, promptly and in any event no later than ten (10) Business Days after such Shares are obtained but, in each case, if Shareholder has not received the Offer Documents by such time, within five (5) Business Days following receipt of such documents, but in any event prior to the expiration of the Offer, free and clear of all Liens. Subject to Section 9, Shareholder agrees that it will not withdraw such Covered Shares, or cause such Covered Shares to be withdrawn, from the Offer at any time.

(b) Shareholder hereby agrees that, from the date hereof until the date that is six (6) months following any termination of the Purchase Agreement, he or she will not, and if Shares are held by a nominee for Shareholder shall cause the holder of record of any Covered Shares not to, (x) tender such Person's Shares in connection with any Alternative Acquisition Proposal or (y) vote (or cause to be voted), any of such Person's Covered Shares beneficially owned as of the record date for any meeting of the shareholders of the Company, or in any other circumstance in which the vote or other approval of the shareholders of the Company is sought as to a matter described in any of clauses (i) through (iii), below:

(i) for any Alternative Acquisition Proposal or any proposal relating to an Alternative Acquisition Proposal; or

(ii) for any Acquisition Agreement or merger, consolidation, combination, sale of substantial assets, reorganization, recapitalization, dissolution, liquidation or winding up of or by the Company or its Subsidiaries (other than the Purchase Agreement and the Post-Offer Reorganization documentation and transactions); or

(iii) agree or to commit to take any the foregoing action or publicly support any of the foregoing.

(c) If the Offer is terminated or withdrawn by Buyer or this Agreement is terminated pursuant to Section 9, Parent and Buyer shall return promptly (and in any event within no more than five (5) Business Days), and shall cause any depository acting on behalf of Parent and Buyer to return, any Covered Shares tendered by Shareholder in the Offer to Shareholder.

(d) Notwithstanding anything in this Agreement to the contrary, nothing herein shall require Shareholder to exercise any Company Option or other equity award or require Shareholder to purchase any Shares, and nothing herein shall prohibit Shareholder from exercising any Company Option held by such Shareholder as of the date of this Agreement.

Section 3. Voting Agreement. At any meeting of the shareholders of the Company, including the EGM and, if necessary, the Subsequent EGM, however called, or in any other circumstance in which the vote or other approval of the shareholders of the Company is sought as to a matter described in any of clauses (a) through (f) below (each, a "Company Shareholders Meeting"), Shareholder shall, and if Shares are held by a nominee for such Shareholder shall cause the holder of record of any Covered Shares to, including by delivering to the Secretary of the Company a duly executed proxy card: (i) appear at each such meeting or otherwise cause all Covered Shares beneficially owned by it as of the record date to be counted as present thereat for purposes of calculating a quorum (if applicable); and (ii) vote (or cause to be voted) all Covered Shares beneficially owned as of the relevant record date:

(a) to approve the adoption of each resolution described in Section 2.04 of the Purchase Agreement;

-

- (e) against any proposal, action or agreement that would reasonably be expected to (i) prevent or nullify any provision of this Agreement, (ii) result in any of the Offer Conditions not being fulfilled or (iii) prevent or materially delay, frustrate or impede the implementation or consummation of the Offer, the Call Option and/or the Post-Offer Reorganization or any of the documentation or transactions included in or contemplated by or in connection with any of the foregoing; and
- (f) to approve any other matter submitted by the Company for shareholder approval at the EGM at the request of Buyer and contemplated by the Purchase Agreement; provided, however, that (i) the Company Board has recommended that the shareholders of the Company vote to approve such proposal at the EGM (and such recommendation has been supported in writing by Parent) and (ii) nothing in this Agreement shall be interpreted as creating an obligation of the Company to submit any such request of Buyer for such shareholder approval.

Additionally, Shareholder shall not propose, commit or agree to take any action inconsistent with any of the foregoing clauses (a) through (f).

Section 4. No Disposition or Solicitation.

(a) No Disposition or Adverse Act. Shareholder hereby covenants and agrees that, except as contemplated by this Agreement, from the date hereof until the date that is six (6) months following any termination of the Purchase Agreement, Shareholder shall not (i) offer to Transfer, Transfer or consent to any Transfer of any or all of the Covered Shares, Equity Interests beneficially owned by Shareholder or one of its controlled Affiliates or any interest therein without the prior written consent of Parent (other than Permitted Transfers and Transfers by operation of Law, in which case this Agreement shall bind the transferee and such transferee shall deliver to Parent and Buyer a Transfer Agreement), (ii) enter into any contract, option or other agreement with respect to any Transfer of any or all Covered Shares, Equity Interests beneficially owned by Shareholder or one of its controlled Affiliates or any interest therein, (iii) grant any proxy, power-of-attorney or other authorization or consent in or with respect to any or all of the Covered Shares or Equity Interests beneficially owned by Shareholder or one of its controlled Affiliates inconsistent with Shareholder's voting or consent obligations in Section 3 or (iv) deposit any or all of the Covered Shares into a voting trust or enter into a voting agreement or arrangement with respect to any or all of the Covered Shares or Equity Interests inconsistent with Shareholder's voting or consent obligations in Section 3. Any attempted Transfer of Covered Shares, Equity Interests or any interest therein in violation of this Section 4(a) shall be null and void.

(b) No Solicitation. Subject to Section 9 and Section 10(a), from the date hereof until the date that is six (6) months following any termination of the Purchase Agreement, Shareholder (in Shareholder's capacity as a shareholder of the Company) shall not, and shall not authorize or permit its Representatives to, and shall not publicly announce any intention to, directly or indirectly, (A) solicit, initiate or knowingly facilitate, knowingly induce or encourage (including by providing information, cooperation or assistance) any inquiries or the making of any proposal or offer that constitutes or would reasonably be expected to lead to an Alternative Acquisition Proposal, (B) other than informing Persons of the provisions contained in this Section 4(b), enter into, continue or otherwise participate in any discussions or negotiations regarding any Alternative Acquisition Proposal or furnish to any Person any information with respect to, or otherwise cooperate in any way that could otherwise be expected to lead to, any Alternative Transaction Proposal, (C) execute or enter into any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other Contract (whether or not binding) with respect to an Alternative Acquisition Proposal or (D) publicly propose to do any of the foregoing. Shareholder (in Shareholder's capacity as a shareholder of the Company) shall, and shall direct its Representatives to, immediately cease and cause to be terminated any and all existing discussions or negotiations with any Person conducted prior to the date of this Agreement with respect to any Alternative Acquisition Proposal. Shareholder agrees that he shall promptly inform his Representatives of the obligations undertaken in this Section 4(b). Nothing in this Section 4 shall prohibit Shareholder and his Representatives from informing any Person of the existence of the provisions contained in this Section 4.

Section 5. Additional Agreements.

(a) Certain Events. In the event of any stock split, stock dividend, merger, demerger, reorganization, recapitalization or other change in the capital structure of the Company affecting the Covered Shares or the acquisition by Shareholder or any of his controlled Affiliates of Additional Owned Shares or other Equity Interests, (i) the type and number of Covered Shares shall be adjusted appropriately and (ii) this Agreement and the obligations hereunder shall automatically attach to any Additional Owned Shares or other Equity Interests issued to or acquired (and owned or beneficially owned) by Shareholder or any of his controlled Affiliates.

(b) Update of Beneficial Ownership Information. Promptly following the written request of Parent or upon the acquisition of any Covered Shares or other Equity Interests, Shareholder will send to Parent a written notice setting forth the number of Covered Shares and Equity Interests beneficially owned by Shareholder or by his controlled Affiliates who become holders of the Covered Shares or Equity Interests pursuant to a Permitted Transfer, as applicable.

(c) Stop Transfer. In furtherance of this Agreement, Shareholder hereby requests the Company (including through the Company's transfer agent) to enter a stop transfer order to give effect to Section 4(a) with respect to all of the Covered Shares. Shareholder agrees that it will request the Company, as promptly as practicable following the date of this

Agreement, to make a notation on its records, and to give instructions to the Company's transfer agent for the Covered Shares, not to permit, during the term of this Agreement, the Transfer of the Covered Shares in violation of the terms of this Agreement.

(d) Waiver of Rights and Actions. Shareholder hereby (i) waives and agrees not to exercise (A) any rights to object to or challenge the consummation of the Offer, the Post-Offer Reorganization or any other transaction contemplated by the Purchase Agreement, (B) any right of appraisal or right to dissent from any Post-Offer Reorganization action and (C) any similar rights that Shareholder may have and (ii) agrees not to commence or join in, and to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, against Parent, Buyer, the Company, the Company's directors or officers or any of their respective successors, in each case relating to the negotiation, execution or delivery of this Agreement or the Purchase Agreement, or the consummation of the Offer, the Post-Offer Reorganization or any other transaction contemplated by the Purchase Agreement, including any claim (x) challenging the validity of, or seeking to enjoin the operation of, any provision of this Agreement or the Purchase Agreement, (y) alleging a breach of any fiduciary duty of the Company Board in connection with the Purchase Agreement or the transactions contemplated thereby or (z) making any claim with respect to SEC disclosure (or other disclosure to the Company's Shareholders) in connection with the Purchase Agreement or the transactions contemplated thereby.

(e) Communications. Unless required by applicable Law, Shareholder shall (in his capacity as a shareholder of the Company), and shall direct his Representatives to, consult with Parent before issuing any press release or otherwise making any public statement with respect to the Offer, the Purchase Agreement or this Agreement and Shareholder (in his capacity as a shareholder of the Company) shall not, and shall use his or her reasonable best efforts to cause his or her Representatives not to, issue any such press release or make any such public statement without the written consent of Parent. Shareholder hereby (i) consents to and authorizes the publication and disclosure by Parent of Shareholder's identity and holding of Covered Shares, and the nature of Shareholder's commitments, arrangements and understandings under this Agreement, in any public disclosure document required by applicable Law in connection with the Offer or the Post-Closing Reorganization or any other transactions contemplated by the Purchase Agreement and (ii) Shareholder agrees as promptly as practicable to notify Parent of any required corrections with respect to any written information supplied by Shareholder specifically for use in any such disclosure document.

Section 6. Representations and Warranties of Shareholder. Shareholder hereby represents and warrants to Parent as follows:

(a) Title. As of the date hereof, Shareholder is the sole record and beneficial owner of the Shares and beneficial owner of the other Equity Interests in the Company, in each case, set forth on Shareholder's signature page hereto (the "Disclosed Owned Shares"). The Disclosed Owned Shares are fully paid up and constitute all of the Shares and other Equity Interests owned of record or beneficially by Shareholder or his controlled Affiliates as of the date hereof, and neither Shareholder nor any of his controlled Affiliates is the beneficial owner of any other Shares or other Equity Interests. Shareholder has sole voting power, sole power of disposition and sole power to issue instructions with respect to the matters set forth in Section 4

and Section 5 and all other matters set forth in this Agreement, in each case with respect to all of the Covered Shares with no limitations, qualifications or restrictions on such rights that would prevent Shareholder from performing its obligations under this Agreement, subject to applicable securities Laws and the terms of this Agreement. As of the date hereof, Shareholder has not entered into any agreement to Transfer such Disclosed Owned Shares. Except as permitted by this Agreement, the Covered Shares are now, and at all time during the term hereof will be, held by Shareholder, or by a nominee or custodian for the benefit of Shareholder, free and clear of any Liens that would prevent Shareholder from performing his obligations under this Agreement.

(b) Authority. Shareholder has all necessary power and authority to execute and deliver this Agreement, to perform Shareholder's obligations hereunder and to consummate the transactions contemplated hereby. In the event that any of Shareholder's Covered Shares are held by a Person that is not an individual, the execution, delivery and performance by such Person of this Agreement, the performance by such Person of its obligations hereunder and the consummation by such Person of the transactions contemplated hereby have been duly and validly authorized by such Person and no other actions or proceedings on the part of such Person are necessary to authorize the execution and delivery by it of this Agreement, the performance by such Person of its obligations hereunder or the consummation by such Person of the transactions contemplated hereby. This Agreement has been duly authorized and validly executed and delivered by Shareholder, and, assuming due authorization, execution and delivery by Parent and Buyer, constitutes a legal, valid and binding obligation of Shareholder, enforceable against Shareholder in accordance with its terms subject to the effect of any applicable bankruptcy, insolvency (including, without limitation, all applicable Laws relating to fraudulent transfers), reorganization, moratorium or similar Laws affecting creditors' rights generally and subject to the effect of general principles of equity (regardless of whether considered in a proceeding at law or in equity). If Shareholder is married, and any of the Company Securities constitute community property or otherwise need spousal or other approval for this Agreement to constitute a legal, valid and binding obligation, a spousal consent substantially in the form attached hereto as Exhibit B has been duly authorized, validly executed and delivered by, and constitutes the legal, valid and binding obligation of, Shareholder's spouse, enforceable in accordance with its terms subject to the effect of any applicable bankruptcy, insolvency (including, without limitation, all applicable Laws relating to fraudulent transfers), reorganization, moratorium or similar Laws affecting creditors' rights generally and subject to the effect of general principles of equity (regardless of whether considered in a proceeding at law or in equity).

(c) No Conflict or Default. Except for any competition, antitrust and investment applicable Laws or regulations of foreign jurisdictions and the 1934 Act, no filing with, and no permit, order or authorization of, consent or approval of, or registration, declaration or filing with, any Governmental Authority or any other Person is necessary for the execution and delivery of this Agreement by Shareholder, the consummation by Shareholder of the transactions contemplated hereby and the compliance by Shareholder with the provisions hereof. None of the execution and delivery of this Agreement by Shareholder, the consummation by Shareholder of the transactions contemplated hereby or compliance by Shareholder with any of the provisions hereof will (i) result in a violation or breach of, or constitute (with or without notice or lapse of time or both) a default (or give rise to any third party right of termination, cancellation, modification or acceleration) under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, lease, license, permit, contract, commitment, arrangement,

understanding, agreement or other instrument or obligation of any kind, including any voting agreement, proxy arrangement, pledge agreement, shareholders agreement or voting trust, to which Shareholder is a party or by which Shareholder or any of Shareholder's properties or assets may be bound, (ii) violate any judgment, order, writ, injunction, decree or award of any court, administrative agency or other Governmental Authority that is applicable to Shareholder or any of Shareholder's properties or assets or (iii) constitute a violation by Shareholder of any applicable Law or regulation of any jurisdiction, in each case, except for any conflict, breach, default or violation described above which would not adversely affect in any material respect the ability of Shareholder to perform its obligations hereunder or to consummate the transactions contemplated hereby.

(d) No Litigation. As of the date hereof, there is no Action pending or, to the knowledge of Shareholder, threatened against Shareholder at law or in equity before or by any Governmental Authority that would reasonably be expected to materially impair or delay the ability of Shareholder to perform timely its obligations under this Agreement or to tender its Shares into the Offer as contemplated by Section 2(a).

(e) No Fees. Shareholder has not retained or authorized to act any investment banker, broker, finder, financial advisor or other intermediary or advisor who might be entitled to any investment banker's, broker's, finder's, financial advisor's, success, opinion or other similar fee or commission from Shareholder, any of Shareholder's Affiliates, the Company or any of its Affiliates in connection with the transactions contemplated by this Agreement or the Purchase Agreement, or the Transactions.

(f) Receipt. Shareholder has received and reviewed a copy of the Purchase Agreement.

Section 7. No Legal Action. Shareholder agrees that it will not in its capacity as a shareholder of the Company bring, commence, institute, maintain, prosecute or voluntarily aid any claim, appeal, or proceeding which (a) challenges the validity of or seeks to enjoin the operation of any provision of this Agreement or (b) alleges that the execution and delivery of this Agreement by the Shareholder breaches any fiduciary duty of the Company's board of directors or any member thereof.

Section 8. Reliance. Shareholder understands and acknowledges that Parent and Buyer are entering into the Purchase Agreement in reliance upon Shareholder's execution, delivery and performance of this Agreement.

Section 9. Termination. This Agreement shall terminate upon the earliest of (a) the mutual written agreement of Parent and Shareholder, (b) immediately following the Closing, (c) upon the termination of the Purchase Agreement in accordance with its terms or (d) the date of any modification, waiver or amendment to the Purchase Agreement in a manner that decreases the Offer Consideration or changes the form of the Offer Consideration; provided that (i) nothing in this Agreement shall relieve any party hereto from liability for any breach of this Agreement prior to its termination and (ii) Section 2(b), Section 4, this Section 9 and Section 10 shall survive any termination of this Agreement.

Section 10. Miscellaneous.

(a) No Limitation. Nothing in this Agreement shall be construed to prohibit, limit or affect Shareholder or any of Shareholder's Representatives who is an officer of the Company or member of the Company Board from (i) taking any action (or omitting to take any action) in his or her capacity as an officer of the Company or member of the Company Board, including in exercising rights under the Purchase Agreement and/or from taking any action with respect to any Alternative Acquisition Proposal in his or her capacity as such an officer or director and (ii) exercising his, her, its or their fiduciary duties as an officer or director to the Company or its stakeholders.

(b) Entire Agreement; Third-Party Beneficiaries. This Agreement, including the exhibits hereto, taken together with any other documents delivered in connection with this Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof and thereof. This Agreement is not intended to confer upon any Person other than the parties hereto any rights or remedies.

(c) Reasonable Efforts. Subject to the terms and conditions of this Agreement, Parent, Buyer and Shareholder (in its capacity as a shareholder of the Company) agree to use all reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws to consummate and make effective the arrangements contemplated hereby. Upon Parent's reasonable request and without further consideration, Shareholder shall execute and deliver such additional documents and take all such further lawful action as may be necessary or desirable to consummate and make effective, in the most expeditious manner practicable, the arrangements contemplated hereby.

(d) No Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of Law or otherwise by any of the parties without the prior written consent of the other parties provided, that, without the consent of Shareholder, (i) Parent may assign, in its sole discretion, any or all of its or Buyer's rights, interests and obligations under this Agreement to any one or more direct or indirect wholly owned Subsidiaries or Affiliates controlled by Parent and (ii) after the Acceptance Time, Parent may transfer or assign its rights and obligations under this Agreement to any Person; provided, that in each of clauses (i) and (ii), such transfer or assignment shall not (A) adversely impact in any respect Shareholder or (B) relieve Parent or Buyer of their respective obligations under this Agreement. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

(e) Binding on Successors. Without limiting any other rights Parent may have hereunder in respect of any Transfer of the Covered Shares, Shareholder agrees that this Agreement and the obligations hereunder shall attach to the Covered Shares beneficially owned by Shareholder and its controlled Affiliates and shall be binding upon any Person to which legal or beneficial ownership of such Covered Shares shall pass, whether by operation of Law or otherwise, including, without limitation, Shareholder's heirs, guardians, administrators, representatives or successors.

(f) Amendments and Waivers.

(i) This Agreement may only be amended or supplemented at any time by additional written agreements signed by, or on behalf of the parties, as may mutually be determined by the parties to be necessary, desirable or expedient to further the purpose of this Agreement or to clarify the intention of the parties.

(ii) No provision of this Agreement may be waived or extended except by a written instrument signed by the party against whom the waiver or extension is to be effective. No failure or delay on the part of any party in the exercise of any right hereunder shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement in this Agreement, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or of any other right.

(g) Rules of Construction. The parties have participated jointly in negotiating and drafting this Agreement. If an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

(h) Notice. All notices, consents, requests, claims, demands and other communications under this Agreement shall be in writing and shall be deemed given (i) on the date of delivery if delivered personally or sent via electronic mail, (ii) on the first (1st) Business Day following the date of dispatch if sent by a nationally recognized overnight courier (providing proof of delivery) or (iii) on the tenth (10th) Business Day following the date of mailing if delivered by registered or certified mail, return receipt requested, postage prepaid, in each case to the parties at the following addresses (or at such other address for a party as shall be specified by like notice):

(i) Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any material way. Upon such a determination, the parties shall

negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the fullest extent possible.

(j) Specific Performance and Other Remedies. The Parties agree that irreparable damage, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that the Parties do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. Subject to the following sentence, the Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction or injunctions, specific performance, or other equitable relief, to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions hereof in the Chosen Courts without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific performance is an integral part of the transactions contemplated by this Agreement and without that right, none of the parties would have entered into this Agreement. The parties acknowledge and agree that any party seeking an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10(j) shall not be required to provide any bond or other security in connection with any such Order or injunction.

(k) Governing Law. This Agreement, and any Action arising out of or relating to this Agreement or the transactions contemplated by this Agreement or by the Purchase Agreement, shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without regard to choice or conflict of Law principles thereof; provided, that, notwithstanding the foregoing, any matters concerning or implicating the Company directors' fiduciary duties shall be governed by and construed in accordance with the applicable fiduciary duty Laws of The Netherlands.

(l) Jurisdiction; Forum. Any such counterpart, to the extent delivered by Electronic Delivery, will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party may raise the use of an Electronic Delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each party hereto forever waives any such defense, except to the extent that such defense relates to lack of authenticity. This Agreement shall become effective when each party hereto shall have received a counterpart of this Agreement signed by each of the other parties hereto. Until and unless each party hereto has received a counterpart of this Agreement signed by each of the other parties hereto, this Agreement shall have no effect and no party hereto shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication).

Additionally, Shareholder shall not propose, commit or agree to take any action inconsistent with any of the foregoing clauses (a) through (f).

Section 4. No Disposition or Solicitation.

(a) No Disposition or Adverse Act. Shareholder hereby covenants and agrees that, except as contemplated by this Agreement, from the date hereof until the date that is six (6) months following any termination of the Purchase Agreement, Shareholder shall not (i) offer to Transfer, Transfer or consent to any Transfer of any or all of the Covered Shares, Equity Interests beneficially owned by Shareholder or one of its controlled Affiliates or any interest therein without the prior written consent of Parent (other than Permitted Transfers and Transfers by operation of Law, in which case this Agreement shall bind the transferee and such transferee shall deliver to Parent and Buyer a Transfer Agreement), (ii) enter into any contract, option or other agreement with respect to any Transfer of any or all Covered Shares, Equity Interests beneficially owned by Shareholder or one of its controlled Affiliates or any interest therein, (iii) grant any proxy, power-of-attorney or other authorization or consent in or with respect to any or all of the Covered Shares or Equity Interests beneficially owned by Shareholder or one of its controlled Affiliates inconsistent with Shareholder's voting or consent obligations in Section 3 or (iv) deposit any or all of the Covered Shares into a voting trust or enter into a voting agreement or arrangement with respect to any or all of the Covered Shares or Equity Interests inconsistent with Shareholder's voting or consent obligations in Section 3. Any attempted Transfer of Covered Shares, Equity Interests or any interest therein in violation of this Section 4(a) shall be null and void.

(b) No Solicitation. Subject to Section 9 and Section 10(a), from the date hereof until the date that is six (6) months following any termination of the Purchase Agreement, Shareholder (in Shareholder's capacity as a shareholder of the Company) shall not, and shall not authorize or permit its Representatives to, and shall not publicly announce any intention to, directly or indirectly, (A) solicit, initiate or knowingly facilitate, knowingly induce or encourage (including by providing information, cooperation or assistance) any inquiries or the making of any proposal or offer that constitutes or would reasonably be expected to lead to an Alternative Acquisition Proposal, (B) other than informing Persons of the provisions contained in this Section 4(b), enter into, continue or otherwise participate in any discussions or negotiations regarding any Alternative Acquisition Proposal or furnish to any Person any information with respect to, or otherwise cooperate in any way that could otherwise be expected to lead to, any Alternative Transaction Proposal, (C) execute or enter into any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other Contract (whether or not binding) with respect to an Alternative Acquisition Proposal or (D) publicly propose to do any of the foregoing. Shareholder (in Shareholder's capacity as a shareholder of the Company) shall, and shall direct its Representatives to, immediately cease and cause to be terminated any and all existing discussions or negotiations with any Person conducted prior to the date of this Agreement with respect to any Alternative Acquisition Proposal. Shareholder agrees that he shall promptly inform his Representatives of the obligations undertaken in this Section 4(b). Nothing in this Section 4 shall prohibit Shareholder and his Representatives from informing any Person of the existence of the provisions contained in this Section 4.

Section 5. Additional Agreements.

(a) Certain Events. In the event of any stock split, stock dividend, merger, demerger, reorganization, recapitalization or other change in the capital structure of the Company affecting the Covered Shares or the acquisition by Shareholder or any of his controlled Affiliates of Additional Owned Shares or other Equity Interests, (i) the type and number of Covered Shares shall be adjusted appropriately and (ii) this Agreement and the obligations hereunder shall automatically attach to any Additional Owned Shares or other Equity Interests issued to or acquired (and owned or beneficially owned) by Shareholder or any of his controlled Affiliates.

(b) Update of Beneficial Ownership Information. Promptly following the written request of Parent or upon the acquisition of any Covered Shares or other Equity Interests, Shareholder will send to Parent a written notice setting forth the number of Covered Shares and Equity Interests beneficially owned by Shareholder or by his controlled Affiliates who become holders of the Covered Shares or Equity Interests pursuant to a Permitted Transfer, as applicable.

(c) Stop Transfer. In furtherance of this Agreement, Shareholder hereby requests the Company (including through the Company's transfer agent) to enter a stop transfer order to give effect to Section 4(a) with respect to all of the Covered Shares. Shareholder agrees that it will request the Company, as promptly as practicable following the date of this

Agreement, to make a notation on its records, and to give instructions to the Company's transfer agent for the Covered Shares, not to permit, during the term of this Agreement, the Transfer of the Covered Shares in violation of the terms of this Agreement.

(d) Waiver of Rights and Actions. Shareholder hereby (i) waives and agrees not to exercise (A) any rights to object to or challenge the consummation of the Offer, the Post-Offer Reorganization or any other transaction contemplated by the Purchase Agreement, (B) any right of appraisal or right to dissent from any Post-Offer Reorganization action and (C) any similar rights that Shareholder may have and (ii) agrees not to commence or join in, and to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, against Parent, Buyer, the Company, the Company's directors or officers or any of their respective successors, in each case relating to the negotiation, execution or delivery of this Agreement or the Purchase Agreement, or the consummation of the Offer, the Post-Offer Reorganization or any other transaction contemplated by the Purchase Agreement, including any claim (x) challenging the validity of, or seeking to enjoin the operation of, any provision of this Agreement or the Purchase Agreement, (y) alleging a breach of any fiduciary duty of the Company Board in connection with the Purchase Agreement or the transactions contemplated thereby or (z) making any claim with respect to SEC disclosure (or other disclosure to the Company's Shareholders) in connection with the Purchase Agreement or the transactions contemplated thereby.

(e) Communications. Unless required by applicable Law, Shareholder shall (in his capacity as a shareholder of the Company), and shall direct his Representatives to, consult with Parent before issuing any press release or otherwise making any public statement with respect to the Offer, the Purchase Agreement or this Agreement and Shareholder (in his capacity as a shareholder of the Company) shall not, and shall use his or her reasonable best efforts to cause his or her Representatives not to, issue any such press release or make any such public statement without the written consent of Parent. Shareholder hereby (i) consents to and authorizes the publication and disclosure by Parent of Shareholder's identity and holding of Covered Shares, and the nature of Shareholder's commitments, arrangements and understandings under this Agreement, in any public disclosure document required by applicable Law in connection with the Offer or the Post-Closing Reorganization or any other transactions contemplated by the Purchase Agreement and (ii) Shareholder agrees as promptly as practicable to notify Parent of any required corrections with respect to any written information supplied by Shareholder specifically for use in any such disclosure document.

Section 6. Representations and Warranties of Shareholder. Shareholder hereby represents and warrants to Parent as follows:

(a) Title. As of the date hereof, Shareholder is the sole record and beneficial owner of the Shares and beneficial owner of the other Equity Interests in the Company, in each case, set forth on Shareholder's signature page hereto (the "Disclosed Owned Shares"). The Disclosed Owned Shares are fully paid up and constitute all of the Shares and other Equity Interests owned of record or beneficially by Shareholder or his controlled Affiliates as of the date hereof, and neither Shareholder nor any of his controlled Affiliates is the beneficial owner of any other Shares or other Equity Interests. Shareholder has sole voting power, sole power of disposition and sole power to issue instructions with respect to the matters set forth in Section 4

and Section 5 and all other matters set forth in this Agreement, in each case with respect to all of the Covered Shares with no limitations, qualifications or restrictions on such rights that would prevent Shareholder from performing its obligations under this Agreement, subject to applicable securities Laws and the terms of this Agreement. As of the date hereof, Shareholder has not entered into any agreement to Transfer such Disclosed Owned Shares. Except as permitted by this Agreement, the Covered Shares are now, and at all time during the term hereof will be, held by Shareholder, or by a nominee or custodian for the benefit of Shareholder, free and clear of any Liens that would prevent Shareholder from performing his obligations under this Agreement.

(b) Authority. Shareholder has all necessary power and authority to execute and deliver this Agreement, to perform Shareholder's obligations hereunder and to consummate the transactions contemplated hereby. In the event that any of Shareholder's Covered Shares are held by a Person that is not an individual, the execution, delivery and performance by such Person of this Agreement, the performance by such Person of its obligations hereunder and the consummation by such Person of the transactions contemplated hereby have been duly and validly authorized by such Person and no other actions or proceedings on the part of such Person are necessary to authorize the execution and delivery by it of this Agreement, the performance by such Person of its obligations hereunder or the consummation by such Person of the transactions contemplated hereby. This Agreement has been duly authorized and validly executed and delivered by Shareholder, and, assuming due authorization, execution and delivery by Parent and Buyer, constitutes a legal, valid and binding obligation of Shareholder, enforceable against Shareholder in accordance with its terms subject to the effect of any applicable bankruptcy, insolvency (including, without limitation, all applicable Laws relating to fraudulent transfers), reorganization, moratorium or similar Laws affecting creditors' rights generally and subject to the effect of general principles of equity (regardless of whether considered in a proceeding at law or in equity). If Shareholder is married, and any of the Company Securities constitute community property or otherwise need spousal or other approval for this Agreement to constitute a legal, valid and binding obligation, a spousal consent substantially in the form attached hereto as Exhibit B has been duly authorized, validly executed and delivered by, and constitutes the legal, valid and binding obligation of, Shareholder's spouse, enforceable in accordance with its terms subject to the effect of any applicable bankruptcy, insolvency (including, without limitation, all applicable Laws relating to fraudulent transfers), reorganization, moratorium or similar Laws affecting creditors' rights generally and subject to the effect of general principles of equity (regardless of whether considered in a proceeding at law or in equity).

(c) No Conflict or Default. Except for any competition, antitrust and investment applicable Laws or regulations of foreign jurisdictions and the 1934 Act, no filing with, and no permit, order or authorization of, consent or approval of, or registration, declaration or filing with, any Governmental Authority or any other Person is necessary for the execution and delivery of this Agreement by Shareholder, the consummation by Shareholder of the transactions contemplated hereby and the compliance by Shareholder with the provisions hereof. None of the execution and delivery of this Agreement by Shareholder, the consummation by Shareholder of the transactions contemplated hereby or compliance by Shareholder with any of the provisions hereof will (i) result in a violation or breach of, or constitute (with or without notice or lapse of time or both) a default (or give rise to any third party right of termination, cancellation, modification or acceleration) under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, lease, license, permit, contract, commitment, arrangement,

understanding, agreement or other instrument or obligation of any kind, including any voting agreement, proxy arrangement, pledge agreement, shareholders agreement or voting trust, to which Shareholder is a party or by which Shareholder or any of Shareholder's properties or assets may be bound, (ii) violate any judgment, order, writ, injunction, decree or award of any court, administrative agency or other Governmental Authority that is applicable to Shareholder or any of Shareholder's properties or assets or (iii) constitute a violation by Shareholder of any applicable Law or regulation of any jurisdiction, in each case, except for any conflict, breach, default or violation described above which would not adversely affect in any material respect the ability of Shareholder to perform its obligations hereunder or to consummate the transactions contemplated hereby.

(d) No Litigation. As of the date hereof, there is no Action pending or, to the knowledge of Shareholder, threatened against Shareholder at law or in equity before or by any Governmental Authority that would reasonably be expected to materially impair or delay the ability of Shareholder to perform timely its obligations under this Agreement or to tender its Shares into the Offer as contemplated by Section 2(a).

(e) No Fees. Shareholder has not retained or authorized to act any investment banker, broker, finder, financial advisor or other intermediary or advisor who might be entitled to any investment banker's, broker's, finder's, financial advisor's, success, opinion or other similar fee or commission from Shareholder, any of Shareholder's Affiliates, the Company or any of its Affiliates in connection with the transactions contemplated by this Agreement or the Purchase Agreement, or the Transactions.

(f) Receipt. Shareholder has received and reviewed a copy of the Purchase Agreement.

Section 7. No Legal Action. Shareholder agrees that it will not in its capacity as a shareholder of the Company bring, commence, institute, maintain, prosecute or voluntarily aid any claim, appeal, or proceeding which (a) challenges the validity of or seeks to enjoin the operation of any provision of this Agreement or (b) alleges that the execution and delivery of this Agreement by the Shareholder breaches any fiduciary duty of the Company's board of directors or any member thereof.

Section 8. Reliance. Shareholder understands and acknowledges that Parent and Buyer are entering into the Purchase Agreement in reliance upon Shareholder's execution, delivery and performance of this Agreement.

Section 9. Termination. This Agreement shall terminate upon the earliest of (a) the mutual written agreement of Parent and Shareholder, (b) immediately following the Closing, (c) upon the termination of the Purchase Agreement in accordance with its terms or (d) the date of any modification, waiver or amendment to the Purchase Agreement in a manner that decreases the Offer Consideration or changes the form of the Offer Consideration; provided that (i) nothing in this Agreement shall relieve any party hereto from liability for any breach of this Agreement prior to its termination and (ii) Section 2(b), Section 4, this Section 9 and Section 10 shall survive any termination of this Agreement.

Section 10. Miscellaneous.

(a) No Limitation. Nothing in this Agreement shall be construed to prohibit, limit or affect Shareholder or any of Shareholder's Representatives who is an officer of the Company or member of the Company Board from (i) taking any action (or omitting to take any action) in his or her capacity as an officer of the Company or member of the Company Board, including in exercising rights under the Purchase Agreement and/or from taking any action with respect to any Alternative Acquisition Proposal in his or her capacity as such an officer or director and (ii) exercising his, her, its or their fiduciary duties as an officer or director to the Company or its stakeholders.

(b) Entire Agreement; Third-Party Beneficiaries. This Agreement, including the exhibits hereto, taken together with any other documents delivered in connection with this Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof and thereof. This Agreement is not intended to confer upon any Person other than the parties hereto any rights or remedies.

(c) Reasonable Efforts. Subject to the terms and conditions of this Agreement, Parent, Buyer and Shareholder (in its capacity as a shareholder of the Company) agree to use all reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws to consummate and make effective the arrangements contemplated hereby. Upon Parent's reasonable request and without further consideration, Shareholder shall execute and deliver such additional documents and take all such further lawful action as may be necessary or desirable to consummate and make effective, in the most expeditious manner practicable, the arrangements contemplated hereby.

(d) No Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of Law or otherwise by any of the parties without the prior written consent of the other parties provided, that, without the consent of Shareholder, (i) Parent may assign, in its sole discretion, any or all of its or Buyer's rights, interests and obligations under this Agreement to any one or more direct or indirect wholly owned Subsidiaries or Affiliates controlled by Parent and (ii) after the Acceptance Time, Parent may transfer or assign its rights and obligations under this Agreement to any Person; provided, that in each of clauses (i) and (ii), such transfer or assignment shall not (A) adversely impact in any respect Shareholder or (B) relieve Parent or Buyer of their respective obligations under this Agreement. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

(e) Binding on Successors. Without limiting any other rights Parent may have hereunder in respect of any Transfer of the Covered Shares, Shareholder agrees that this Agreement and the obligations hereunder shall attach to the Covered Shares beneficially owned by Shareholder and its controlled Affiliates and shall be binding upon any Person to which legal or beneficial ownership of such Covered Shares shall pass, whether by operation of Law or otherwise, including, without limitation, Shareholder's heirs, guardians, administrators, representatives or successors.

(f) Amendments and Waivers.

(i) This Agreement may only be amended or supplemented at any time by additional written agreements signed by, or on behalf of the parties, as may mutually be determined by the parties to be necessary, desirable or expedient to further the purpose of this Agreement or to clarify the intention of the parties.

(ii) No provision of this Agreement may be waived or extended except by a written instrument signed by the party against whom the waiver or extension is to be effective. No failure or delay on the part of any party in the exercise of any right hereunder shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement in this Agreement, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or of any other right.

(g) Rules of Construction. The parties have participated jointly in negotiating and drafting this Agreement. If an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

(i) Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any material way. Upon such a determination, the parties shall

negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the fullest extent possible.

(j) Specific Performance and Other Remedies. The Parties agree that irreparable damage, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that the Parties do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. Subject to the following sentence, the Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction or injunctions, specific performance, or other equitable relief, to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions hereof in the Chosen Courts without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific performance is an integral part of the transactions contemplated by this Agreement and without that right, none of the parties would have entered into this Agreement. The parties acknowledge and agree that any party seeking an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10(j) shall not be required to provide any bond or other security in connection with any such Order or injunction.

(k) Governing Law. This Agreement, and any Action arising out of or relating to this Agreement or the transactions contemplated by this Agreement or by the Purchase Agreement, shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without regard to choice or conflict of Law principles thereof; provided, that, notwithstanding the foregoing, any matters concerning or implicating the Company directors' fiduciary duties shall be governed by and construed in accordance with the applicable fiduciary duty Laws of The Netherlands.

(l) Jurisdiction; Forum. Each party (i) irrevocably and unconditionally submits to the personal jurisdiction of the Chosen Courts, (ii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such Chosen Court, (iii) agrees that any Actions arising in connection with or relating to this Agreement or the transactions contemplated by this Agreement or by the Purchase Agreement shall be brought, tried and determined only in the Chosen Courts, (iv) waives any claim of improper venue or any claim that the Chosen Courts are an inconvenient forum and (v) agrees that it will not bring any Action relating to this Agreement or the transactions contemplated by this Agreement or by the Purchase Agreement in any court other than the Chosen Courts. Each of the Parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated by this Agreement or by the Purchase Agreement: (A) any claim that such party is not personally subject to the jurisdiction of the Chosen Courts as described herein for any reason; (B) that it or its property is exempt or immune from jurisdiction of any such Chosen Court or from any legal process commenced in such courts (whether through service of process, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (C) that (1) the Action in any such court is brought in an inconvenient forum, (2) the venue of such Action is improper or (3) this Agreement, or the subject matter hereof, may not be enforced in or by such Chosen Courts.

(m) Waiver of Jury Trial. EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE BREACH, TERMINATION OR VALIDITY THEREOF OR ANY TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY HERETO CERTIFIES AND ACKNOWLEDGES THAT (i) NO OTHER PARTY HERETO NOR ITS REPRESENTATIVES, AGENTS OR ATTORNEYS HAVE REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF AN ACTION, (ii) EACH PARTY HERETO UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY HERETO MAKES THIS WAIVER VOLUNTARILY AND (iv) EACH PARTY HERETO HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS OF THIS SECTION 10(M). ANY PARTY HERETO MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(n) Interpretation. Unless the express context otherwise requires: (i) the words “hereof,” “herein” and “hereunder” and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole and not to any particular provision of this Agreement; (ii) terms defined in the singular shall have a comparable meaning when used in the plural, and vice versa; (iii) references herein (whether capitalized or not) to a specific Section, Subsection, Recital, Schedule, Exhibit or Annex shall refer, respectively, to Sections, Subsections, Recitals, Schedules, Exhibits or Annexes of or to this Agreement; (iv) wherever the word “include,” “includes” or “including” is used in this Agreement, it shall be deemed to be followed by the words “without limitation”; (v) references herein to any gender shall include each other gender; (vi) with respect to the determination of any period of time, the word “from” means “from and including” and the words “to” and “until” each means “to but excluding”; (vii) the word “or” shall be disjunctive but not exclusive; (viii) references herein to any Law shall be deemed to refer to such Law as amended, modified, codified, reenacted, supplemented or superseded in whole or in part and in effect from time to time, and also to all rules and regulations promulgated thereunder; (ix) the headings contained in this Agreement are intended solely for convenience and shall not affect the rights of the parties to this Agreement; (x) if the last day for the giving of any notice or the performance of any action required or permitted under this Agreement is a day that is not a Business Day, then the time for the giving of such notice or the performance of such action, unless otherwise required by Law, shall be extended to the next succeeding Business Day; and (xi) references herein to “as of the date hereof,” “as of the date of this Agreement” or words of similar import shall be deemed to mean “as of immediately prior to the execution and delivery of this Agreement.”

(o) Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Any such counterpart, to the extent delivered by Electronic Delivery, will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party may raise the use of an Electronic Delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each party hereto forever waives any such defense, except to the extent that such defense relates to lack of authenticity. This Agreement shall become effective when each party hereto shall have received a counterpart of this Agreement signed by each of the other parties hereto. Until and unless each party hereto has received a counterpart of this Agreement signed by each of the other parties hereto, this Agreement shall have no effect and no party hereto shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication).

(p) Expenses. Except as otherwise expressly provided in this Agreement, all direct and indirect costs and expenses incurred in connection with this Agreement shall be borne by the party incurring such expenses.

(q) No Ownership Interest. The Shareholder has agreed to enter into this Agreement and act in the manner specified in this Agreement for consideration. Except as expressly set forth in this Agreement, nothing contained in this Agreement shall be deemed, upon execution, to vest in Parent or Buyer any direct or indirect ownership or incidence of ownership of or with respect to any Covered Shares. All rights, ownership and economic benefits of and relating to the Covered Shares shall remain vested in and belong to Shareholder, and Parent shall have no authority to manage, direct, superintend, restrict, regulate, govern or administer any of the policies or operations of the Company or exercise any power or authority to direct Shareholder in the voting of any of the Covered Shares, except as otherwise provided in this Agreement. Nothing in this Agreement shall be interpreted as creating or forming a "group" with any other Person, including Parent, for purposes of Rule 13d-5(b)(1) of the 1934 Act or any other similar provision of applicable Law.

NON-COMPETITION AGREEMENT

THIS NON-COMPETITION AGREEMENT (this “**Agreement**”) is made and entered into as of March 12, 2017, between Intel Corporation, a Delaware corporation, and its subsidiaries, affiliates, successors, or assigns (collectively, the “**Purchaser**”), and Prof. Amnon Shashua (the “**Equityholder**”).

RECITALS

A. The Purchaser and MobilEye N.V., a public limited liability company (naamloze vennootschap) organized under the Laws of The Netherlands (the “**Company**”) are parties to that certain Purchase Agreement dated as of March 12, 2017 (the “**Purchase Agreement**”) pursuant to which the Company shall become a wholly-owned subsidiary of the Purchaser; the transactions contemplated under the Purchase Agreement are hereinafter collectively referred to as the “**Transaction**”.

B. The parties acknowledge and agree that a material aspect of the Purchaser’s decision to enter into the Purchase Agreement is the acquisition of the goodwill, know-how and continued service of its key employees for the purpose of carrying on the Business following the Closing, and that as a founder, equityholder and director of the Company, the Equityholder has had access to the trade secrets and confidential information related to the Business (as defined below).

C. As of the date hereof, the Equityholder holds the number of ordinary shares of the Company and options covering additional ordinary shares of the company, in the amounts and percentages of the Company as set forth on Schedule 1 attached hereto (collectively, the “**Company Equity Interest**”).

D. The Equityholder has been offered and has accepted continued employment with the Purchaser contingent upon the Closing and is entering into an amendment to that certain employment agreement by and between the Equityholder and the Company dated as of March 12, 2017 (the “**Amended Employment Agreement**”), which Amended Employment Agreement the Equityholder shall enter into with the Purchaser contemporaneously with the Purchase Agreement and which will be effective upon the Closing and is conditional upon certain terms, including the Closing and the signing of this Agreement.

E. In light of the foregoing, as a condition and material inducement for the Purchaser to enter into the Purchase Agreement and consummate the Transaction, and to preserve the value and goodwill of the Business being acquired by the Purchaser pursuant thereto, the Purchase Agreement contemplates, among other things, that the Equityholder will enter into this Agreement contemporaneously with execution of the Purchase Agreement and that this Agreement will become effective as of the Closing.

F. The parties acknowledge and agree that (i) the Purchaser has agreed in the context of the Purchase Agreement to pay significant consideration to the shareholders of the Company, including a significant premium on the current value of the Company and the value of the Company’s shares, which will result in a direct and substantial benefit to the Equityholder as a holder of shares or rights to shares of the Company, in consideration for the Equityholder’s

agreement to enter into this Agreement, and in particular the undertakings, covenants and restrictions contained herein, (ii) the amount of consideration payable by the Purchaser to Equityholder as a holder of shares or rights to shares of the Company has been calculated to include special and sufficient consideration for the covenants not to compete and solicit set forth in this Agreement below, and (iii) such covenants are necessary to protect the Purchaser's investment in the Company's trade secrets and confidential and proprietary information, and the breach of the Equityholder's undertakings, covenants and restrictions herein will result in irreparable harm and considerable damages to the Purchaser and its affiliates, including, without limitation, with respect to the amount of the premium and consideration paid to the Equityholder in the context of the purchase of the Company Equity Interest.

NOW, THEREFORE, in consideration of the foregoing premises, and the covenants, agreements, representations and warranties set forth herein, the receipt and legal sufficiency of which are hereby acknowledged and accepted, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

1. **Effective Time.** This Agreement shall be effective only upon the Closing. If the Closing does not occur, this Agreement will be null and void and shall have no effect whatsoever.

2. **Defined Terms.** All capitalized terms that are used but not defined herein shall have the respective meanings ascribed thereto in the Purchase Agreement. For all purposes of and under this Agreement, the following capitalized terms shall have the following respective meanings:

(a) **"Business"** shall mean the research, development and commercialization of products, services or technologies for vehicles, where such products, services or technologies relate to computer vision, machine vision or other sensor processing, machine learning, sensor fusion, artificial intelligence, HD mapping, localization and guidance for such vehicles, including Advanced Driver Assistance Systems, autonomous vehicles, and software, data and hardware components for such products, services or technologies.

(b) **"Restricted Period"** shall mean the period beginning at and as of the Closing and ending on the date that is 18-months following the Equityholder's separation from employment with the Company; provided that Equityholder's separation from employment with the Company occurs on or before the three (3)-year anniversary of the Closing, which period is a reasonable approximation of the minimum length of time necessary for the Purchaser to complete the development of safe, autonomous vehicles and the technologies, systems and products related to such vehicles.

(c) **"Restricted Territory"** shall mean each and every country, province, state, city, or other political subdivision of the world in which the Company is currently engaged in the Business or otherwise preparing, proposing or targeting to engage in the Business, and for the avoidance of doubt, shall include, without limitation, the United States and Israel.

3. Covenant Not to Compete.

(a) The Equityholder acknowledges that during the course of the Equityholder's relationship, service and employment with the Company, the Equityholder has received and has been privy to intellectual property and confidential information, including trade secrets and know-how, related to the Business, and will continue to receive and be privy to intellectual property and confidential information, including trade secrets and know-how, related to the Business as well as that of the Purchaser during the course of the Equityholder's employment with the Purchaser following the Transaction. The Equityholder further acknowledges that the Purchaser has a legitimate interest in ensuring that all such intellectual property and confidential information, including trade secrets and know-how, remain confidential and are not disclosed to third parties. Thus, to avoid the actual or threatened misappropriation of such intellectual property and confidential information, including trade secrets and know-how, and to preserve the value and goodwill of the business being acquired by the Purchaser pursuant to the Purchase Agreement, the Equityholder agrees that, at all times during the Restricted Period, the Equityholder shall not, directly or indirectly:

(i) engage or participate in the research, development or commercialization of any technologies, products or services in or competitive to the Business (whether as an employee, agent, consultant, advisor, independent contractor, proprietor, principal, partner, stockholder, trustee, officer, director or manager) or have an ownership or financial interest in any person or entity engaged in the Business, in each case, anywhere in the Restricted Territory; provided that this shall not preclude the Equityholder from owning a stock interest not greater than 1% in a publicly traded company, so long as he has no active role in such company as an employee, agent, consultant, advisor, independent contractor, principal, trustee, officer, director, manager or otherwise; or

(ii) take any action with the objective of, or that would reasonably be expected to result in, interfering with or negatively affect the Business of the Purchaser or solicit or attempt to solicit the business of any person or entity that is, or was within the 12 months prior to the solicitation, a customer or client of the Purchaser, for the purpose of selling any products or services competitive with the Business.

The phrase "directly or indirectly" as used herein, includes, for purposes of clarification, but is not limited to, (A) engaging in or participating in the Business, (B) having an ownership or financial interest in a person engaged in the Business through one or more intermediaries under circumstances where the Equityholder provides advice or guidance on behalf of or for the benefit of such intermediary or intermediaries or any portfolio company of such intermediary or intermediaries, in either case, that engages in or participates in the Business, (C) forming any entity in order to engage in or participate in the Business, and (D) contacting marketing, channel or technology partners of the Purchaser on behalf of any person engaged in the Business (for any of the purposes set forth in (i) or (ii) above).

(b) The covenants set forth in Section 3(a) hereof shall be construed as a series of separate covenants, one for each country, province, state, city or other political subdivision of the world. Except for geographic coverage, each such separate covenant shall be deemed identical in terms to the covenants set forth in Section 3(a) hereof. If, in any judicial

proceeding, a court refuses to enforce any of such separate covenants (or any part thereof), then such unenforceable covenant (or such part) shall be eliminated from this Agreement to the extent necessary to permit the remaining separate covenants (or portions thereof) to be enforced. To the extent that the provisions of Section 3(a) hereof are deemed to exceed the time, geographic or scope limitations permitted by applicable law, then such provisions shall be reformed to the maximum time, geographic or scope limitations, as the case may be, permitted by applicable laws.

(c) During the Restricted Period, the Equityholder agrees that it will not (i) make any Disparaging remarks, comments or statements, whether written or oral, to any third party about the Purchaser, the Company or any of the Purchaser's affiliates, including the business of the Company and other affiliates of the Purchaser as carried on by the Purchaser and its affiliates following the Closing ("Disparaging" remarks, comments or statements are those that, directly or indirectly, impugn the quality, character, honesty, integrity or morality or business acumen or abilities of products, services or individuals in connection with any aspect of the business activity, individual or entity being disparaged) or (ii) directly or indirectly, tortiously interfere with, or induce or attempt to induce the cessation of any past, present or prospective relationship, contractual or otherwise, between the Company or any of the Purchaser's other affiliates, including the business of the Company and the Purchaser as carried on by the Purchaser and its affiliates following the Closing, on the one hand, and any of their respective customers, partners, suppliers, employees or shareholders, on the other hand. The Equityholder further represents and warrants that his employment by or association with the Purchaser following the Closing will not violate any agreement between the Equityholder and any third parties.

(d) The Equityholder acknowledges that:

(i) the Equityholder is familiar with the foregoing covenant not to compete; (ii) the covenant set forth in Section 3(a) hereof represents only a limited restraint and allows the Equityholder to pursue the Equityholder's livelihood and occupation without unreasonable or unfair restrictions; and (iii) the Equityholder's agreement as set forth herein is necessary to preserve the value and goodwill of the Business for the Purchaser following the Closing of the Transaction and the intellectual property and confidential information, including trade secrets and know-how, of the Purchaser, including the intellectual property and confidential information, including trade secrets and know-how, related to the Business. The Equityholder represents that the Equityholder is fully aware of the Equityholder's obligations hereunder, and acknowledges that the limitations of length of time, geography and scope of activity agreed to in this Agreement are reasonable because, among other things: (A) the Company and the Purchaser are engaged in a highly competitive industry, (B) the Equityholder has unique access to, and will continue to have access to, the intellectual property and confidential information, including trade secrets and know-how, related to the Business, including the plans and strategies (and, in particular, the competitive strategies) of the Purchaser related to the Business, (C) in the event the Equityholder's employment with the Purchaser ended, the Equityholder would be able to obtain suitable and satisfactory employment without violation of this Agreement, and (D) this Agreement provides no more protection than is necessary to preserve the legitimate interests of the Purchaser interests in the goodwill, intellectual property and confidential information including, trade secrets and know-how, related to the Business.

The Equityholder acknowledges that he will be subject to the Purchaser's confidential information and intellectual property protection policies, and agrees to comply with such policies. The Equityholder acknowledges that the Invention Assignment Agreement, Technology Transfer Agreement and Amendment No. 1 to the Technology Transfer Agreement, each of which were entered into by and between the Equityholder and the Company, (collectively, the "**Invention and Technology Agreements**") shall continue to govern. The Equityholder agrees that any breach by him during the Restricted Period of his obligations under the Invention and Technology Agreements shall also be deemed a breach of this Agreement.

Pursuant to 18 U.S.C. § 1833(b), the Equityholder will not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret of the Company or the Purchaser that (i) is made (A) in confidence to a Federal, State, or local government official, either directly or indirectly, or to his attorney and (B) solely for the purpose of reporting or investigating a suspected violation of law; or (ii) is made in a complaint or other document that is filed under seal in a lawsuit or other proceeding. If the Equityholder files a lawsuit for retaliation by the Company or the Purchaser for reporting a suspected violation of law, the Equityholder may disclose the trade secret to his attorney and use the trade secret information in the court proceeding, if he (x) files any document containing the trade secret under seal, and (y) does not disclose the trade secret, except pursuant to court order. Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by such section. Further, nothing in any agreement the Equityholder has with the Company or the Purchaser shall prohibit or restrict him from making any voluntary disclosure of information or documents to any governmental agency or legislative body, or any self-regulatory organization, in each case, without advance notice to the Company.

(e) For the avoidance of doubt, the Equityholder's obligations under this Agreement are distinct from and independent of any undertakings, obligations and duties that Equityholder may have to the Company and/or the Purchaser by virtue of his employment or services he may provide to the Company and/or the Purchaser and such obligations shall remain in effect if the Equityholder's employment and/or other engagement with the Company and/or the Purchaser is terminated for any or no reason.

4. Covenant Not to Solicit. At all times during the Restricted Period, the Equityholder shall not, directly or indirectly, solicit, encourage, attempt to solicit or encourage or take any other action which is intended to solicit, encourage or otherwise induce any employee or any other service provider of the Purchaser or any of its related entities to (a) terminate employment or engagement with the Purchaser, or otherwise adversely affect such individual's relationship with the Purchaser, or (b) engage in any action in which the Equityholder would, under the provisions of Section 3 hereof, be prohibited from engaging.

5. Notification of Future Employment or Engagement. Prior to the commencement by the Equityholder of employment or engagement as a consultant, contractor or partner with any third party during the Restricted Period, or if the Equityholder interviews with a third party during the Restricted Period to commence employment or perform services for such third party during the Restricted Period, the Equityholder shall promptly notify the Purchaser of such activity and furnish such new employer or service recipient with a copy of this Agreement. The Equityholder understands and agrees that the Purchaser has the right to

provide any third party with a copy of this Agreement and/or an opinion about the interpretation and/or application of this Agreement; the Equityholder consents to such actions and communications, and agrees not to assert a claim for interference or any other wrongdoing by the Purchaser as a result of such actions or communication.

6. Miscellaneous.

(a) Notices. Unless otherwise provided herein, all notices and other communications hereunder shall be in writing and shall be deemed given if (i) delivered in person or sent via electronic mail, (ii) mailed by certified or registered mail (return receipt requested) (in which case such notice shall be deemed given on the third (3rd) day after such mailing) or (iii) delivered by an express courier (with written confirmation of receipt) to the parties at the following addresses (or at such other address for a party as shall be specified by like notice):

(b) Arbitration. Any dispute, controversy, or claim arising out of or related to this Agreement (including, for the avoidance of doubt, any dispute regarding arbitrability or interpretation of this arbitration procedure) or any breach of this Agreement shall be submitted to and decided by binding arbitration. Arbitration shall be administered in New Castle, County, Delaware by the International Centre for Dispute Resolution in accordance with its then-current International Dispute Resolution Procedures (available online at icdr.org), except as modified herein, as well as any requirements imposed by the U.S. Federal Arbitration Act or Delaware law, as applicable. If, for any reason, the arbitration cannot or will not be administered in New Castle County, Delaware, the parties agree that the arbitration shall be administered in London, England. The arbitration shall be conducted using, and any related documentation shall be transcribed in, the English language, unless the parties mutually agree in writing to have the arbitration conducted or transcribed in another language. The arbitral tribunal shall have the power to grant any remedy or relief that it deems appropriate, and any such measures ordered by the arbitral tribunal may, to the extent permitted by applicable law, be deemed to be a final and binding award on the subject matter of the measures and shall be enforceable as such. Judgment upon the award entered by the arbitral tribunal may be entered in any court of competent jurisdiction. Notwithstanding the foregoing, any remedy or relief granted by the arbitral tribunal shall not preclude the parties' right to seek injunctive and other provisional relief in a court of

competent jurisdiction. In the event that any such award (in whole or in part) or any provision of this Agreement becomes or is declared by an arbitrator or court of competent jurisdiction to be illegal, unenforceable or void, any such award or provision may be modified or amended to render it enforceable to the maximum extent permissible under applicable law, and the remaining and enforceable parts of such award and/or provisions of this Agreement shall continue in full force and effect. The parties agree to abide by the confidentiality rules and provisions of the International Dispute Resolution Procedures, and, for the avoidance of doubt, the existence and content of the arbitral proceedings and any rulings or award shall be kept confidential except (i) to the extent that disclosure may be required of a party to fulfill a legal duty, protect or pursue a legal right, or enforce or challenge an award in bona fide legal proceedings before a state court or other judicial authority, or (ii) with the written consent of both parties.

(c) Governing Law; Consent to Personal Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflicts of laws principles thereof.

(d) Remedies. The parties to this Agreement acknowledge and agree that remedies at law may be inadequate to protect against breach of this Agreement, and therefore agree in advance to the granting of injunctive or equitable relief in the Company's and/or the Purchaser's favor in the event of continuing or threatened breach of this Agreement, without proof of actual damages or obligation to post bond.

(e) Severability. In the event that any portion of this Agreement is held by a court of competent jurisdiction to conflict with any law or becomes or is otherwise held to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and be construed as if such portion had not been included in this Agreement.

(f) No Assignment. Because the nature of the Agreement is specific to the actions of the Equityholder, the Equityholder may not assign this Agreement. The Purchaser may assign this agreement without the consent of the Equityholder. This Agreement shall inure to the benefit of the Purchaser and its successors and assigns.

(g) Entire Agreement. This Agreement, which incorporates the recitals herein, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous discussions, agreements and understandings, written or oral, express or implied, between the parties with respect to the subject matter hereof. Notwithstanding the foregoing, the obligations under this Agreement are in addition to, and do not replace, any applicable non-compete, non-solicit, intellectual property and confidential information obligations of the Equityholder under any law or agreement, including the Amended Employment Agreement and the Invention and Technology Agreements; provided, however, that in the event of any conflict or contradiction between the terms of the Employment Agreement and the Invention and Technology Agreements on one hand, and the terms of this Agreement on the other hand, the terms of this Agreement shall prevail.

(h) Waiver of Breach. No delay or omission by the Purchaser in exercising any right under this Agreement shall operate as a waiver of that right or any other right under this Agreement. The waiver of a breach of any term or provision of this Agreement, which must be in writing, shall not operate as or be construed to be a waiver of any other previous or subsequent breach of this Agreement.

(i) Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that all parties need not sign the same counterpart.

(j) Amendments and Modification. This Agreement may not be modified, amended, altered or supplemented except by the execution and delivery of a written agreement executed by the parties hereto.

(k) Interpretation. The words “include,” “includes” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation.”
