### **Explanation of Responses:**

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Each performance-based Restricted Stock Unit (RSU) represents the right to receive, following vesting, up to 200% of one share of Intel common stock. The number of shares of Intel common

stock acquired upon vesting of the performance-based RSUs is contingent upon the achievement of pre-established performance metrics, as approved by the Company's Compensation Committee, over a three-year performance period beginning on February 1, 2017 and ending on the third anniversary of February 1, 2017, unless that date falls on a date that the NASDAQ Stock Market is closed, in which case the next business date that the NASDAQ Stock Market is open shall apply.

- (2) Unless earlier forfeited under the terms of the performance-based RSU, each performance-based RSU vests and converts into no more than 200% of one share of Intel common stock three years and one month after the grant date, unless that date falls on a non-business date, in which case the next business date shall apply.
- (3) The total number of shares of Common Stock received upon achievement of the pre-established performance metrics was 1,923 (or 67.452% of the target number of performance-based RSUs granted), as reported in Table I.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
